Indian Institute of Technology (IIT) Jodhpur continues to strengthen its national and international academic standing for the 2026–27 academic cycle. While the Ministry of Education's NIRF 2026 rankings are awaited, IIT Jodhpur's latest published international benchmarks (QS 2027 and US News 2027) and national rankings (IIRF 2026 and NIRF 2025) reflect upward movement in research output, faculty qualifications, and engineering education. Students can check the table below to know where this institution stands at both the national and international levels.

National & International Rankings Summary (2026–27)

Ranking Body	Year	**Category**	**IIT Jodhpur Rank**	**Key Status**
QS World University Rankings	2027	Asia University Rankings	**#711–720**	Strong score in Staff with PhD (89.2) & Papers/Faculty (77.2)
QS World University Rankings	2027	Southern Asia	**#=209**	Steady regional standing among South Asian institutions

U.S. News Subject Rankings	2027	Electrical & Electronic Engg.	**#615 (Tie)**	Highest-ranked subject area; Engineering overall at #863
IIRF India Rankings	2026	Engineering (Government)	**#15**	Recognised among the top 15 public engineering institutions
NIRF (Ministry of Education)	2026 Cycle	Engineering / Overall / Mgmt.	**Yet to be released**	2026 institutional data submitted; results pending
NIRF	2025	Engineering / Overall / Management	**#27 / #66 / #98**	Climbed +1 in Engineering and +2 in Overall in the previous years

Multi-Year NIRF and US News Ranking Trends

IIT Jodhpur has seen consistent upward movement in the National Institutional Ranking Framework (NIRF) Engineering category, rising from #30 in 2023 to #28 in 2024 and #27 in 2025, while also featuring in the Management (#98) and Overall (#66) categories.

- **Engineering Category:** Ranked #30 (2022–2023) → #28 (2024) → #27 (2025), placing **2nd** among all NIRF-ranked institutions in Rajasthan.
- **Overall & Management Category:** Secured **#66** in Overall (moved up 2 spots from #68 in 2024) and debuted at **#98** in Management via the School of Management and Entrepreneurship.
- **U.S. News Subject Ranking:** Globally ranked in Electrical & Electronic Engineering (#615), Materials Science (#761), Engineering (#863), Physics (#937), and Chemistry (#1,202).

Note: QS World University Rankings 2027 and U.S. News 2027 were released in 2026 specifically for the 2026–27 academic admission cycle. NIRF 2026 rankings are pending official release by the Ministry of Education, Government of India.
