MS Ramaiah Institute, Bangalore Admission & Application Process 2027

Ramaiah Institute of Technology admissions process includes different steps, such as application, selection and confirmation of admission. Admissions are all entrance-based. Students who want to be admitted to the institute must adhere to the specifications of admission. The institute offers admission under Government, All India and Management Quota. Eligible students can check the MSRIT admission process given below:

Step 1. Ramaiah Institute of Technology Application Process 2027

Candidates must contact the admission office of Ramaiah Institute of Technology for the Management Quota. For Government Quota admission, they need to apply on the official website of KEA. Below are the steps to follow to fill out the MS Ramaiah application form 2027

Aspirants must fill out the form for Karnataka PGCET/ KMAT/ CMAT/ MAT for MBA, PGCET/ KMAT for MCA, PGCET/ GATE for MTech and KCET/ NATA for BArch and KCET for BE/BTech.

- Go to the official website of KEA.
- Register as a new user to generate login credentials.
- Log in to fill out the application form.
- Upload documents and pay the application fees.
- Submit the form.

Documents Required for MSRIT Admission

Check the common documents required while filling out the Ramaiah College application form 2026 for Ramaiah Institute of Technology Admissions:

- Bachelor's degree certificate and marksheets of all years
- Intranet Online Application Form (accessible within the college)
- Xerox copy of Aadhaar Card
- TC/ College Leaving certificate

- Migration certificate (required for candidates who have studied from non-Karnataka states)
- Caste and Income certificate
- Two stamp-size photos
- Blood group report
- Study and Conduct certificate (seven years for Urban Quota and ten years for Rural Quota)
- Certificate for Special Quota/ Sponsor certificate for SPO Quota (whichever is applicable)
- RTPCR/ Vaccination report (whichever is available)

Step 2. Selection Rounds

MSRIT selects students on an entrance basis. The institute considers KCET/ Karnataka PGCET followed by KEA Counselling for its UG & PG programmes. For BArch, MTech, MCA, and M.Arch, the institute also accepts national-level entrance tests. Students have to participate in national/state level entrance exams, followed by counselling for seat allocation. Aspirants with KMAT, CAT, MAT scores can apply for admission via the Management Quota.

Step 3. Seat Allotment & Fee Payment

Once exam results are announced, aspirants interested in Ramaiah Institute of Technology Admissions must register online for the respective counselling portals (KEA for KCET/ PGCET), etc. Based on the choice filling and availability of seats, students will be allocated a seat. The admission offer letter will be sent by the instutyte on register mail ID with details of fee payment, last date, etc. To confirm the seats, students must pay the admission fee as required. Candidates who are allotted a seat need to report to the campus for document verification and fee payment to complete the admission process at Ramaiah Institute of Technology.
