Chandigarh University Admissions 2027-28

How to Apply Chandigarh University Admissions 2027-28

Online Mode – CUCET Registration

Step 1- Register at CUCET

CUCET has been divided into two different phases namely CUCET-I and CUCET-II. Each phase of CUCET is active for a specific period and their benefits might vary. Choose the phase which is active and running during the time of your application.

- Log on and Generate User Id and Password at https://cucet.cuchd.in

Log on to the official website of CUCET, to start the registration process. Visit https://cucet.cuchd.in and follow the following steps.

- Choose the running phase of CUCET

Chandigarh University Common Entrance test has three phases namely CUCET-I and CUCET-II. Each phase will be running one by one and early comers are availed extra benefits. During the time of application, the candidate will have to select the active phase which would be necessary for admissions into Engineering and Management courses and scholarships for all the programs.

- Register by filling in your Name, Email, Contact Number and City

After logging on to CUCET's official website, the candidate has to register by filling in his details such as Name, Email, Contact Number and City. The required information is to be filled on the registration columns available on the homepage of CUCET's website.

- Choose the discipline and program that interests you

After providing the above information, the candidate needs to select the discipline and program of his interest that he wishes to apply for and then register.

- Create your profile after registration

After the above process has been completed, the candidate needs to complete his profile after logging into it using the User ID and password sent through Email and SMS. A candidate may also use a registered Email ID as a username to log in.

- After successful registration, a confirmation message is sent through SMS/Email

The candidate will receive the confirmation for successful registration on his/her registered contact number and Email address through an Email or SMS.

Step 2- Download E-Prospectus

- After registration, download the e-Prospectus by paying Rs. 1000/- online

The process following Registration requires you to download the e-Prospectus made available after candidate's successful registration. The e-Prospectus includes the application form admission and to appear for the entrance test.

- Fill application form for Entrance Test, Admission included in the e-prospectus

After downloading the e-Prospectus, candidate needs to fill the application form for admission and to appear for the common entrance exam.

Step 3- Pay your fee online

- Book your seat by paying registration fee online through Payment Gateway or offline by generating Challan

The registration fee can be paid online via net banking or using debit/credit cards through the payment gateway.

- Log on to https://cucet.cuchd.in

For the payment of registration fee, one needs to log on to CUCET's website https://cucet.cuchd.in and further log into their respective account.

- Log in to your account with your CUCET-ID or Registered Email ID

Candidate needs to log in to his account using allotted CUCET-ID or Registered Email ID and password. The options following will lead to the payment of registration fee.

- Fill the application form available after you log in to your profile

The process would then require the candidate to fill the application form made available after logging in. The application form would require the candidate to fill his personal and academic information.
