## **AIBE 2024 Preparation Strategy**

Start your preparation as early as possible so that you would get sufficient time for revision as well. Smart work approach should be adopted by students as the syllabus is vast. Understand the important concepts from Bare Acts (as stated above). Also, read the important judgements as well as landmark judgements delivered by the Supreme Court and various High Courts in the country.

## **Previous Year Exam Evaluation**

In the previous year's examination, the questions were from diverse topics of law such as Constitutional Law, Administrative, Evidence as well as Procedural Laws. The questions are simple in nature, but deep conceptual knowledge is required to solve it. Hence, it is advised to at least read Bare Acts of all subjects once.
