*The ISC Class 12 History Semester 2 exam 2022 was conducted today, May 11. Read to know exam review and analysis!*

## **ISC Semester 2 exams 2022 Review, Student Reaction and Analysis**

ISC History exam 2022: The CISCE has successfully conducted the ISC Class 12 History exam today, May 11.

**Disclaimer:** This PDF is auto-generated based on the information available on Shiksha as on 12-May-2022.

ISC History exam was conducted for a duration of 1.5 hours for a total of 40 marks. The ISC History exam started at 2 pm, as per schedule and ended at 3:30 pm.

The paper was held offline at various centres across the nation. The ISC 12th History Exam 2022, like other

papers, has received mixed reactions from students and experts. The ISC 12th History exam question paper was

divided into 3 sections. According to some students, the ISC Class 12 History exam was lengthy but moderate, however, some say that

some questions were tricky. Some students also said that the exam was easy and was doable. A student said that solving ICSE Specimen papers helped her in appearing for today's exam.

The students were required to answer the questions across the three sessions in the question paper. Section A of the ISC History exam consisted of 1 question for 8 Marks while Section B had an option between 4 questions for 12 Marks. ISC History Section C also consisted of 5 questions for 20 Marks.

The next ISC Class 12 exam is Chemistry, on May 13, 2022.

**Shiksha.com wishes good luck to all the students appearing for the examination!**
