KEAM 2026 Application Form Visit on Shiksha

KEAM 2026 Application Form: CEE has closed the KEAM registration process. The candidates who meet the KEAM 2026 eligibility criteria could **apply for KEAM 2026 in online mode at cee.kerala.gov.in.** The KEAM 2026 application process includes registration, filling out the online form, payment of the KEAM application fee, uploading documents, and printing out the form. The details to be filled in the KEAM 2026 registration include academic, personal and contact details.

Only the registered candidates will be issued the KEAM admit card to appear in the KEAM 2026. Check all details of the KEAM registration like the link to apply, how to apply, documents to upload and their specification, application fee and how to pay the fee, etc, on this page.

The direct **official link for the KEAM 2026 application form** is given below:

KEAM registration link	https://cee.kerala.gov.in/keamonline2026/instruction **--- inactive**
KEAM 2026 login for registered candidates	https://cee.kerala.gov.in/keamonline2026/login **--- active only for registered candidates**

After the KEAM registration is done, candidates have to keep their KEAM 2026 candidate login details safe for all future logins.

CEE opens the KEAM application form correction window for the registered candidates. Candidates can correct their Photo, Signature and Name online at the KEAM 2026 official website by logging in using their KEAM Application Number and Password.

Those candidates, who have any defects in their Photo, and Signature can view the defects by clicking the menu item 'Memo details' provided on the profile page. Candidates can rectify the defects in their Photo and Signature by uploading the correct Photo/Signature. Candidates who have defects in their 'Name' can inform the matter through e-mail (ceekinfo.cee@kerala.gov.in) before the deadline.

How to correct details in the KEAM application form?

- Visit the official website of KEAM
- Click on 'KEAM 2026 - Online Application'
- Go to KEAM candidate login , enter the application number, password, and captcha code
- Now make the changes wherever necessary and submit the changes
- Take a printout of the application form

--> **KEAM 2026 application form correction link for name, photo and class 10 certificate**

The following are the details that can be changed during the KEAM application correction process-

There are only a few fields in the KEAM application form which can be edited. No changes can be made in the fields of KEAM exam centres and courses.

- Mobile number
- Email address
- Scanned images of photograph, signature, and thumb impression
- Date of birth

Payment of the KEAM application fee

KEAM application fee can be paid online through Internet banking account, Credit card or a Debit card.

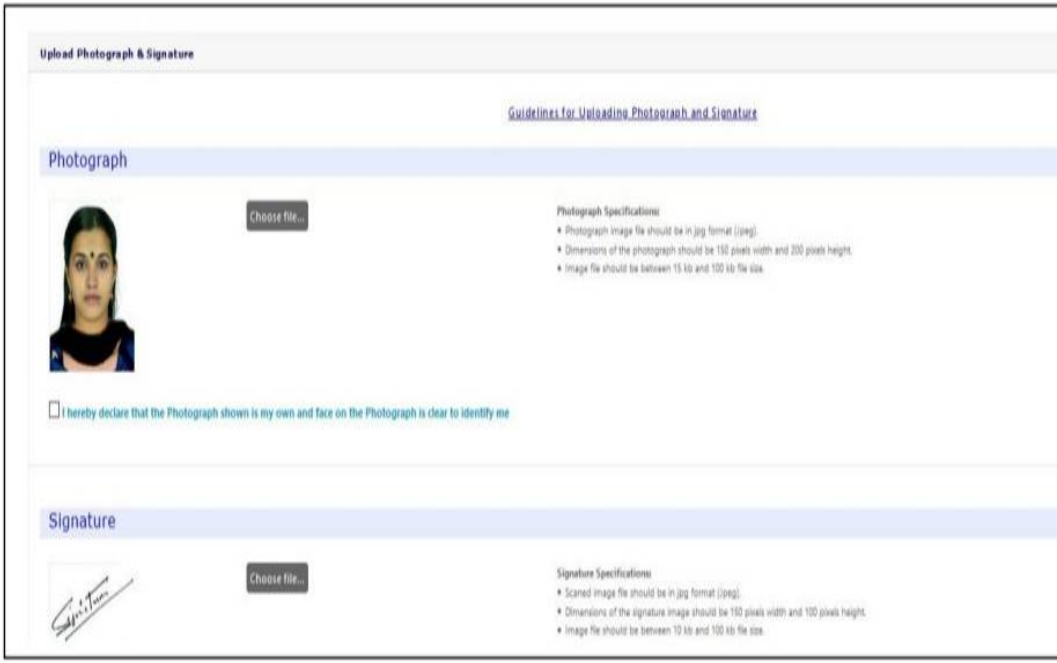

KEAM online application fee payment

Uploading of images and certificates

After filling in all the details in the application form for KEAM 2026, candidates will have to upload their recent passport-size photograph and signature.

Disclaimer: This PDF is auto-generated based on the information available on Shiksha as on 31-Mar-2026.

Take a printout of the KEAM application

After payment, candidates have to take a printout of the application form. Candidates must also note that proforma (s) should also be printed along with the application. Print out the application form; it should not be sent to the CEE office.

- How to fill KEAM 2026 application form

Candidates can check the status of their KEAM 2026 application form on the official website of CEE. Candidates can check:

1. Registration: Shows the status of the registration for the online application.
2. Upload Images: This shows whether the images of the photograph, signature, and thumb impression are uploaded to the portal.
3. Application fill up: Means the application is filled up and finally submitted.
4. Pay Application Fee: Shows whether the CEE office has received payment confirmation.
5. Print Application: Means whether the printout of the application is taken or not by the candidate.
6. Received by CEE: This status means whether the CEE office has taken the application for scrutiny.

The green signal against the status type means that the step has been successfully done. However, the red signal against the same states indicates that the step is yet to be done.

Reasons for Rejection of the KEAM 2026 Application Form

The following are some of the reasons for rejection of KEAM application:

- If the uploaded photo does not follow the specifications given in the menu ‘How to Upload?’ on the official website of KEAM 2026.

Disclaimer: This PDF is auto-generated based on the information available on Shiksha as on 31-Mar-2026.

- If the uploaded Signature is NOT clear or/and not genuine.
- If correct proof for Nativity and Date of Birth and Class 10 Certificate are NOT uploaded.
- If the required application fee meant for each category (General or SC) is NOT paid.

Common Reasons for Rejection of KEAM Application

While filling KEAM application form 2026, candidates can face the following difficulties:

Error in document upload: Check the instructions carefully before uploading any documents in the form.

Payment failure: The application fee payment is very common. Do not worry if the fee is submitted but the form is not submitted, you will get a refund.

Website issues: If the KEAM website shows a timeout error, then wait for a few hours and try applying again. Keep saving the form details after a few steps. This will save your progress and you will not lose any data.
