BITSAT 2026 Application Form Visit on Shiksha

BITSAT 2027 Application Form: BITS, Pilani, releases the BITSAT application form for both sessions separately. Applicants can also choose to apply for both sessions during session 1 registration. For BITSAT 2027, candidates can expect the application form in December-January. Candidates must refer to the detailed eligiblity criteria before applying online.

While there is no age limit, applicants must have passed their qualifying exam in 2026 or must be appearing in 2027. As per the revised eligibility criteria, students who retake the class 12 exam for **all subjects** cannot sit for BITSAT. Read to know more about the BITSAT application form 2027.

The BITSAT 2027 application form will be available only through the BITSAT login. An easy way to fill the BITSAT application form is given below. Following these will ensure a smooth application process.

- First, students have to register at admissions.bits-pilani.ac.in. To register, they will have to use their name, gender, date of birth, email ID and mobile number. A login password also has to be made. After registration, students will get an application number in their email.
- Students have to fill application form with their personal, qualifying exam details, and contact information. Preferred exam cities have to be selected. Preferences will be used to allot exam centres.
- Next, students have to upload their photograph and signature. Documents should be uploaded as per the notification.
- Finally, students will have to pay the BITSAT application fee via credit or debit card or net banking. After payment, students can download the receipt.

No other mode of application will be accepted. Students should remember their application number. During the exam and admission process, the application number will be needed.

BITSAT Eligibility Criteria

Last year, the exam conducting authority had **revised the** BITSAT eligibility criteria. Candidates must check the eligibility conditions before filling the online application form. The basic eligiblity conditions are:

Nationality: Students should be of Indian nationality or Non-Resident Indians (NRI) or Overseas Citizens of India (OCI).

Age Limit: There is no upper or lower age limit.

Qualifying Exam: 12^{th} class qualifying (or equivalent) examination from a recognised Central or State Board.

CAIE and IB Board Students: Students from Cambridge Assessment International Education (CAIE) board the subjects should be completed at A level. For International Baccalaureate (IB) board students, the subjects should be completed at a higher level.

While filling up the BITSAT application form, students have to provide some details and also upload a few documents. Candidates must have all the documents necessary for the BITSAT registration 2027 handy before starting to fill the application form. Moreover, applicants are also required to follow the BITSAT photo and signature guidelines. Candidates can check the details below.

- Class 10th certificate
- Class 12th mark sheet
- Net banking, credit card/ debit card details
- Scanned Photograph & Signature

Image	Specifications
Photograph	**Image Size:** 50 KB to 100 KB **Image Format:** JPEG or JPG
Signature	**Image Size:** 10 KB to 100 KB **Image Format:** JPEG or JPG

Before filling out the BITSAT 2027 application form, candidates must keep in mind the following points:

- Session 1 registered candidates can log in via their existing User ID/Application Number and Password and proceed to submit the BITSAT form for session 2.
- For candidates who have already applied for both sessions, they need not register separately.
- New applicants must complete registration to obtain a system-generated, unique, 8-digit Application Number (User ID) and Password.

Disclaimer: This PDF is auto-generated based on the information available on Shiksha as on 07-Sep-2026.

- Use a valid email ID and mobile number that will remain active throughout the admission process. As OTPs for validation will be sent to the registered email and mobile number.
- Candidates can register for BITSAT session 2 if they have not registered or attended for the session 1 exam.

Mistakes to Avoid While Filling BITSAT Application Form 2027

- Ensure accurate entry of Name, Date of Birth, Mobile Number, Email Address, Gender, and Test City Preferences, as it cannot be changed later.
- Uploading an unclear photograph or signature.
- Selecting the wrong subjects.
- Not checking the eligibility criteria before applying.
- Waiting till the last date to apply.

BITSAT 2027 application fee is different for males and females. The registration fee also differs for centres in India and Dubai. Applicants have to pay the BITSAT application fee 2027 to confirm their registration. Students can pay the application fees through PayU Money, PayTM, Razorpay Payment Gateway. The authorities have yet to announce the BITSAT application fee for the new academic year. Based on last-year's details, we have compiled a table to help know the estimated application fees this year.

Category	New Application
Male Candidates	INR 3,600/-
Female Candidates	INR 3,100/-
Transgender	INR 3,100/-
For Dubai Centre	INR 7,250/-

Applicants who wish to make changes to the BITSAT application form after submission can do so within a limited time period. The form correction window will be available through the candidate login at admissions.bits-pilani.ac.in. Note that the **BITSAT form correction** allows registered application to make edits to a limited number of fields.

The candidate's details are used to generate the admit card and scorecards, thus candidates must ensure all details are correct. The form correction facility is offered as a one-time opportunity. Students cannot change their details after the conclusion of the process.
