Minimum Eligibility Criteria for UG and PG courses

Minimum eligibility to apply for **B Tech programmes** is Class XII pass in science stream or equivalent from a recognised university and minimum eligibility to apply for **M Tech programmes** is Graduation /B Tech or equivalent from a recognised university.

Admission Process

Admission to JIIT's **B Tech and 5-year Integrated B**

Disclaimer: This PDF is auto-generated based on the information available on Shiksha as on 08-Sep-2022.

Tech + M Tech courses is granted on the basis of **JEE rank/score**.

For **Biology based B Tech programmes (Biotechnology, Bioinformatics only)** 50% of seats shall be allotted through JEE rank merit and rest of the 50% seats shall be allotted on the basis of merit in Class XII examination for the students having Biology/Biotechnology with Physics in Class XII. Candidates with Biology/Biotechnology, Physics and Maths can apply for both options (i.e JEE based admissions or Bio based admissions) by filling different application forms.

Admission to **M Tech courses** is granted on the basis of written test, **PGCET** conducted by the university itself. However, those who have valid **GATE** score can seek direct admission. Such candidates are exempted from taking the entrance test.

JIIT offers MBA through it's management institute, Jaypee Business School. Admission to MBA programme is done on the basis of **CAT/MAT/CMAT/XAT/ATMA/GMAT** scores.

Application Process

Interested candidates can apply by filling either the online application form or by purchasing in person. The brochure cum application form can also be obtained from selected branches of **IDBI and PNB banks**.

[Click Here](#) to fill the online application form.

The duly filled form and demand draft (if applicable) should be sent to the following address before the closure of registration process:

Admission Cell (UG or PG)
Jaypee Institute of Information Technology
A-10, Sector-62
Noida, Uttar Pradesh

Application fee is Rs 1200, that can be paid by cash on purchase of brochure in person, or through demand draft or online (debit/credit cards and net banking).

The demand draft should be drawn in favour of Jaypee Institute of Information Technology, payable at Noida/Delhi.

Admit Card

Admit card will be issued to the candidates a few days prior to the entrance exam. Registered candidates can

download their respective admit cards from the official website before the exam.

Admission Cycle

Admission Process at JIIT commences in **April-May** and concludes by **June-July**.

International Students Admission

Only these **four UG courses** are offered under NRI/NRI sponsored/Foreign category:

Electronics & Communication Engineering (ECE)
Computer Science & Engineering (CSE)
Information Technology (IT)
Biotechnology (BT)

The minimum academic qualification for NRI/NRI Sponsored/Foreign Nationals category students is XII pass or equivalent with not less than 60% marks in Physics and Maths.

Candidates applying under this category will have to obtain the application form and brochure in person or by post from the registrar office at the following address.

The Registrar

Jaypee Institute of Information Technology
A-10, Sector-62
Noida, Uttar Pradesh
