Mukesh Patel School of Technology Admission 2022: MTech, MBA, MCA

At the postgraduate level, Mukesh Patel School of Technology offers two-year MCA and MTech programmes to the students. Detailed admission process regarding all these courses is mentioned below:

Mukesh Patel School of Technology **MTech**

Disclaimer: This PDF is auto-generated based on the information available on Shiksha as on 06-Sep-2022.

Admission 2022

Mukesh Patel School of Technology offers a two-year MTech programme across two specialisations – Artificial Intelligence and Data Science. All Mukesh Patel School of Technology MTech admission 2021 details are mentioned in the table below:

Particulars	Statistics (MTech in Artificial Intelligence and MTech in Data Science)
Duration	2 years
Intake	25 each
Eligibility	Candidate must have minimum aggregate 55% or CGPA more than 3.0 out of 4 in BTech / BE (all streams) or MSc in Maths, Statistics, CS, IT, Electronics or MCA or AMIE or any other equivalent UGC-approved qualification for MTech
Registration fee	Rs 1,100
Selection criteria	NMIMS conducted Entrance Test

	+ PI
Course fee	Rs 5.52 LPA

Mukesh Patel School of Technology PhD Admission 2022

At the doctoral level, Mukesh Patel School of Technology, Mumbai offers a PhD programme in Engineering and Technology Management streams. The minimum duration of this programme is three years including course work and the maximum is six years (full-time).

A few highlights around Mukesh Patel School of Technology PhD admission 2021 are as follows:

Disclaimer: This PDF is auto-generated based on the information available on Shiksha as on 06-Sep-2022.

- Registration fee: Rs 1,500
- Selection Process: NMIMS conducted Entrance Test/ UGCNET / CSIR NET (including JRF) / SLET / GATE / Teacher Fellowship + Personal Interview
- Course fee: Rs 1 lakh per annum

Tabulated below is the minimum eligibility, intake across all PhD specialisations offered by Mukesh Patel School of Technology:

PhD Specialisation (Engineering)	Seat Intake
Eligibility: A pass in ME/ MTech/ MPhil/ MSc in Applied Physics, Applied Chemistry & Applied Mathematics with at least 2 years of a professional degree declared equivalent to the master's programme with at least 55% aggregate	
Electronics & Telecommunication	6
Computer	2
Information Technology	7
Civil Engineering	6

Mechanical Engineering	8
Chemical	2
Applied Physics	7
Applied Chemistry	7
Applied Mathematics	5
Data Science	2
Course	Seat Intake
PhD in Technology Management	10
Eligibility: A pass in ME/ MTech/ MBA with BE/BTech/MCA or a professional degree declared equivalent to the master's degree with at least 55% aggregate
