All these courses are available to all national and international students.

Eligibility & Documents Required

What are the eligibility requirements?

The eligibility requirements for applying to different programmes offered by EDHEC Business School are given below:

Academic Requirements —

Bachelor's Degree Requirements

Holding an excellent academic record as an international school graduate in a French Baccalauréate equivalent (IB, high-school Diploma, A/AS-Level, Abitur, and High School

Diploma) is the minimum criteria for EDHEC's undergraduate program.

There are limited seats for students who wish to enrol in the Global Business Track and Business Management Track in the English language.

A minimum score has not been specified for the International Baccalaureate. With just the mandatory visa and the fulfilment of the requirements outlined by the French authorities, you can enrol in the program. You can then choose to apply for the first or second admission session.

Master's Degree Requirements

Please note that every application is examined comprehensively to construct a precise image of an applicant. The specific requirements of a course depend on your profile. Certain course-specific requirements are:

- Students must have a bachelor's degree or equivalent
- Have work experience of at least three years
- Have a strong command of the English language, both writing and speaking
- A good score in [GMAT](#), [GRE](#), or TAGE MAGE

English Requirements for International Students —

International students coming from non-English-speaking countries, such as India, need to prove their language proficiency through either of the following standardised English exam scores:

Exams	Global Business Track	Business Management Track

When will I hear from the university after I submit my application?

Disclaimer: This PDF is auto-generated based on the information available on Shiksha as on 18-Nov-2023.

Once you submit your application, the university will process your file and interview successful applicants. All successful applications will be sent next to the Selection Committee for evaluation. Following the meeting, the Selection Committee will inform successful candidates of the admission decision by email.

As soon as you apply, you will promptly receive an answer. Usually, the completion process is about three weeks. But if you do not have time in hand, you can request a quick-gage admittance process.

Note: It is recommended to register with an active email ID and check it frequently for the latest updates on admission related information. Also, students must remain active on the official website of the university to stay updated with any admission related announcements.

Student Diversity & Preferred Profile

What are the chances of getting into this university? What is the acceptance rate towards international students?

International students are eligible for EDHEC International BBA admission if they have finished the level of education required for university entrance in their home province, county and have achieved good degrees. Needless to say, if the university receives higher number of applications, the competition becomes tougher.

The International Baccalaureate requires no minimum score. However, for information purposes, students may note that international BBA students have an average IB score of 35/45. A limited number of students can enrol on the Global Business and Business Management Track.

EDHEC's Global MBA Class Profile 2020

MBA aspirants may refer to the following profile of EDHEC's Global MBA Class of 2020 for their profile evaluation:

Parameters	Statistics
Total candidates enrolled	75

Average work experience	7 years
Average age	31 years
Gender distribution	35% females
Nationalities represented	31 countries

Source: EDHEC Student Body

Admission is only feasible if the French authorities demand the compulsory visa from a student and oversee compliance with the prerequisites before the start of a programme.

Whether national or international, all applicants are judged based on their profiles and candidatures. The more suitable a candidate is, higher are the chances of admission.

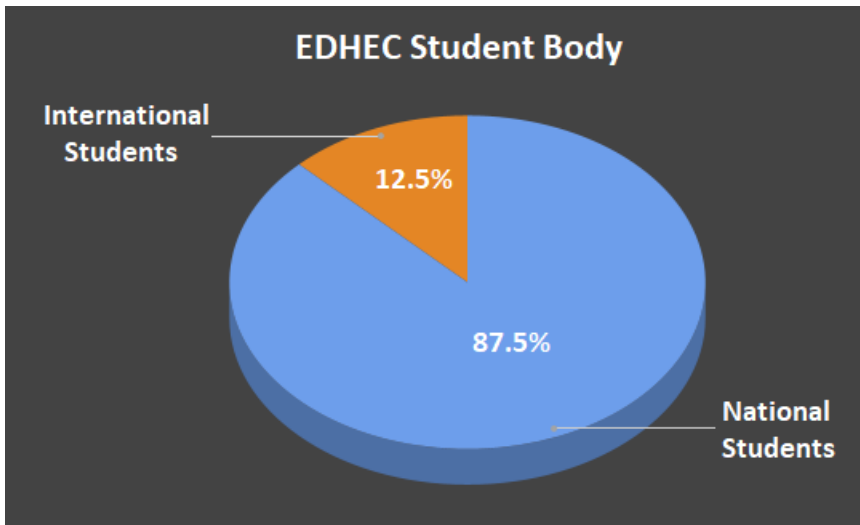

How many Indian/international students study at the university?

The university receives applications from over 120 nations, while the international student body represents over 90 nationalities.

EDHEC Student Body

The ratio of international students to national students at EDHEC is represented in the chart below:

Source: EDHEC Student Body

As can be observed through this chart, the share of international students at EDHEC is 12.5% which includes Indians as well.

Part Time Work While Studying

Can I work while studying here?

EDHEC business school offers its students opportunities to work while studying. Students may work with various companies and their associates.

The eligibility norms for such work require students to take up jobs aligned with the study course in which they are currently enrolled at the university. This is mandated to ensure students acquire knowledge through such employment. Also, students are eligible to receive stipends and work certificates.

Note: International students are advised to check the conditions of working in a foreign country on their study visa. They are also advised to confirm any specific instructions on the same from their respective departments and faculties. Under no circumstances should they be found compromising with the law and order of the country.

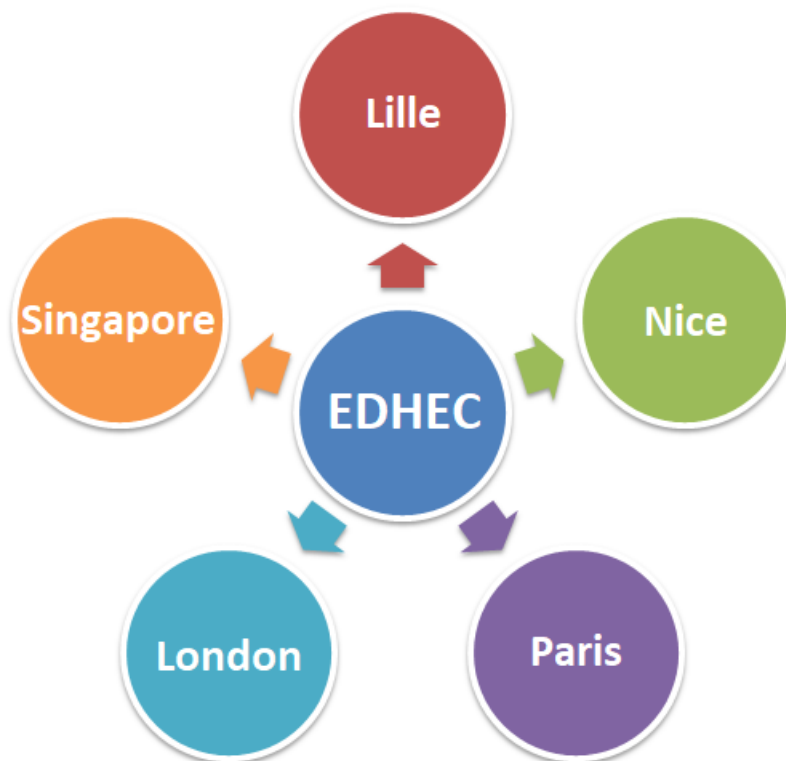

Students must also get familiar with the rules and regulations of working in a foreign country and learn about the minimum wages they are entitled to. For more details, students can check the on and off-campus opportunities on the university website. Refer to [France Student Visa Guide](#).

Campuses & Accommodation

How many campuses does the university have?

The university has 5 campuses, 3 within France, 1 in the UK, and 1 in Singapore. These are:

The EDHEC campus is spread across an 8.5-hectare park in the outskirts of Lille. Given

below are the details of all five campuses:

Campus	Location
EDHEC Business School Lille	24 Avenue Gustave Delory, 59100 Roubaix, France
