# MGU Kerala - Mahatma Gandhi University Course Admissions 2023: Fees, Eligibility, Selection Process & Dates

Manori Sahni 

Updated on May 29, 2023

**What's new at Mahatma Gandhi University (MGU) Kerala?** Admissions are currently open for short-term courses in DASP, MGU. The last date to apply is **Jun 10**.

Presently it offers PG and doctorate courses in the stream of Science, Management, Arts and Law across its constituent schools or institutes. Admission to all the courses offered at the university campus generally begins in May every year, and registration closes in **June** for UG and integrated courses. Apart from this, the University also offers UG and PG courses, such as BCom, BBA, BSc, B.Ed, MBA, MCom, MSW and more across its affiliated colleges. Out of all the courses, the University is popularly known for its MSc, BA and B.Ed programmes.

All the courses at the University campus are offered under its **21** schools and one department. MGU Kerala conducts a **Common Admission Test** (majorly known as MGU CAT) for admission to all the courses. However, it also accepts several national-level entrance exams for MBA and PhD admissions. In addition to this, MG University also offers distance learning courses through its School of Distance Education.

## MG University Accepted Exam 2023

MG University admissions to all the programmes are conducted through a **Centralised Allotment Process (CAP)**. It also conducts an entrance exam (MGU CAT) for admission to all the courses offered at the University campus. However, the University also accepts national-level entrance exams, including KMAT, CMAT, CAT, UGC NET, CSIR NET, GPAT, GATE and more for admission to several UG and PG courses. Some of the course-wise entrance exams accepted by MG University are given below:
