Updated on Jul 31, 2023

What's new at Mahatma Gandhi University (MGU) Kerala?

- KEAM phase 1 allotment list has been released. Selected candidates in the KEAM Phase 1 allotment list have to download the allotment memo and pay the seat acceptance fee latest by **Aug 4**. KEAM 2023 phase 2 counselling provisional allotment list is expected to be out on **Aug 8**.
- UG/PG Private admission is open and the last date to apply is **Oct 30**.

MGU admission 2023 is ongoing. Mahatma Gandhi University (MGU) offers courses in the Science, Management, Arts and Law stream across its constituent schools or institutes. Admission to all the courses offered at the university campus generally begins in May every year, and registration closes in June for UG and integrated courses. Apart from this, the University also offers UG and PG courses, such as BCom, BBA, BSc, B.Ed, MBA, MCom, MSW and more across its affiliated colleges. Out of all the courses, the University is popularly known for its MSc, BA and B.Ed programmes.

All the [MG University](#) campus courses are offered under its 21 schools and one department. Moreover, MGU University admission to most of the courses is through a Common Admission Test (majorly known as MGU CAT), which is conducted by the university. However, it also accepts several national-level entrance exams for MBA and PhD admissions. In addition to this, the university also offers distance learning courses through its School of Distance Education.
