It is a very good institute for pursuing CA.

Placements: Not even a minimum percentage of students were placed in the CA final. The highest salary package offered is 2 crores per annum, the lowest salary package offered is 5 LPA and the average salary package offered is 10 LPA. Top recruiting companies for our

course are Adani and Reliance. Top roles offered in our course are a chief executive officer and audit officer. In our course, the lowest salary package offered is 5 LPA, the average salary package offered is 12 LPA and the highest salary package offered is 50 LPA.

Infrastructure: Very good facilities and infrastructure are available for our course. Classrooms are very good. A government hostel not available here, but private hostel and paying guest facilities are available. A good canteen is available in the institute.

Faculty: Teachers in our college are very helpful, and all of them are highly qualified, knowledgeable and very good. This course curriculum is relevant, and it makes students industry-ready.

Other: I have chosen this course because the salary offered is very high. The best thing about this course is its save money. Our college should provide more practical and theoretical knowledge to improve our course. Many events and fests are organised on our campus.

Best institute with best faculty members and infrastructure.

Placements: The best part about Navkar Institute is its placement services. I personally got the placement from Navkar Institute. Navkar supports every student until the time they get placed happily. Many multinational companies regularly visit Navkar campus for placements.

Infrastructure: Navkar Institute has the best infrastructure in the market if I compare the same with its competitors. It has 4 buildings with sufficient parking spaces, canteen facility, library, auditoriums, for its students. Navkar has also started providing hostel facilities to its students.

Faculty: The faculty members at Navkar are very much supportive and talented. Every faculty is having its backup which can be used at the time, but the earlier one is not available. Doubt solving lectures and its faculty are also available at Navkar premises.

Other: Kshitij and Josh are the 2 events that Navkar organise every year apart from the routine they conduct co-curricular activities also.

The college has good faculty members, and the fee is high.

Placements: 80% of students got placed in CA intermediate. Out of which, we generally have 10 All India Rank holders. Big 4 and medium-level firms are top recruiters. After intermediate, articleship experience of 2.5 years is great with support from Navkar Institute.

Infrastructure: The college has AC classrooms. There is no canteen or Wi-Fi, but the teaching quality is the finest in the industry, as ICAI's recommended top teachers teach in Navkar Institute. Sports don't exist as it's a professional course institute, and you're only meant to study here.

Faculty: The faculty members are very helpful and 24*7 supportive. The pass percentage is 11% in ICAI and 15% in Navkar Institute. The college conducts fun activities which are good for learning, so the students can get all-around knowledge.
