**MBA degree without written examination.**

**Placements:** ITM does not provide campus placements. Any job requirements will be forwarded as an email to all the students by the centre coordinator. The job openings were

**Disclaimer:** This PDF is auto-generated based on the information available on Shiksha as on 21-Aug-2022.

mostly related to entry-level or mid-level finance, marketing, accounts, sales and HR. The Job openings usually cover PAN India. Companies that I know who have approached us were TCS, Sulekha.com, Indo-Tech Transformers Limited, Reliance Global Comm, Atos, Citibank, TATA Chemicals Ltd, Bisleri International Pvt Ltd, Advanced Bolting Pvt Solutions Ltd, Bombay Dyeing Pvt Ltd, Panoramic Universal Ltd and The Edge.

**Infrastructure:** The centre provides AC Classrooms and library. Though the rooms are little small and compact, the quality offered by the college is decent enough. There is no hostel facility, no canteen, no medical facilities available. The institute has got only limited bike parking area within the campus. The parking lane is very narrow. You have to park outside the institute which is on the main road and at your own risk. There is no car parking.

**Faculty:** The faculty were helpful and qualified. Mr PR Vittal was our statistics professor. He is a famous professor whose statistics book is used for UG courses recommended by the universities. Most of the teaching methods were given using PPT presentations using LCD monitor, and in few cases, they use the board for writing. We followed international curriculum books for the course, and it was really useful. We also had industry exposure because of the co-attendees who have had work experience.

**Other:** If you are taking XMBA with work experience, you are exempted from taking up written examinations. Passing marks are based only on the presentation. Hence this course will be viable for someone who wants to possess MBA degree while working, without having the pressure to write exams.

### **ITM Education Center Chennai is for MBA aspirants.**

**Placements:** All the students are currently employed. Hence, all students have joined the course to enhance their managerial skills for career growth. The campus posts job openings and will help students to get placements. Most of the students are selected through the campus and able to get significant salary packages.

**Infrastructure:** Facilities available here are a canteen and games. Often seminars will be conducted by alumni or subject matter experts on current technology and management theories. In addition, this campus offers daily newspapers and refreshments. There is a good gaming zone to develop our energy level and team spirit.

**Faculty:** All faculty members here have vast experience and are great in the subjects. Mostly the classes will be interactive rather than one-way communication. Most of the subjects are taught by the well-experienced staff members, and they clear the doubts even out of subjects. They encourage to apply all the theories that they teach.

**Other:** There is a very calm and pleasant atmosphere to keep us good and concentrate on studies.
