those who got placed is at the best companies. Efforts are taken to the fullest by the organisation. Giving up your skills up to 100% is also important.

**Infrastructure:** The infrastructure on the campus is awesome. The whole campus designed by one architect into a whole unit is beautiful. The seminar hall, the computer labs, the library, the classrooms, and all the amenities are needed to feel like a top business school. There is also a canteen facility on the campus.

**Faculty:** The faculty members give their best to mould a simple graduate not only to the post-graduation but also make him/her a good manager, as well as focus on the entrepreneurs. The extracurricular activities is an added feather to only studies. There is full-fledged access to books in the library is a remarkable thing.
