**Absolutely dissatisfied because of Faculty, really good infrastructure and facilities etc.**

**Placements:** The placement in our college are good. The Placement cell is handled by the students and the companies are brought by that cell. The Placement process is good due to that cell. I don't about the highest salary offer but mainly is around 3-4 Lacs p. a.

**Disclaimer:** This PDF is auto-generated based on the information available on Shiksha as on 09-Sep-2022.

**Infrastructure:** Yes, My college has necessary infrastructure and facilities. We have many fans, lights, blackboard, smart board in the classroom. We have all courses text book as well as other books in our library. Our college is always clean the food in canteen is hygienic too.

**Faculty:** Studying ECE and curriculum is good and very less hectic. The teachers are also very helpful and projects given are also very helpful for learning new technology. On a whole a very good environment for learning. Faculty Teaching Quality Is Average But overall good.

**Other:** Sure we get all the necessary things that we want in a particular college. We get good academic opportunities, good environment, good infrastructure, good placements. We get to know different kind of people coming from different parts of the country.

**Our college has good infrastructure and placements.**

**Placements:** Our college provided great placements to our previous batch. The placements are very good at Marwadi University. More than 200 companies visit the campus for recruitment. College also provides a good internship in the respective branches. There are foreign students also to exchange culture.

**Infrastructure:** Our college has a good infrastructure with a hostel and a sports ground. It is spread in almost 40 acres of land. Every classroom contains air-conditioners and has a good canteen and medical facilities. There are huge grounds for cricket. Marwadi University also has a huge ground for football. They have a basketball ground and many indoor games as well.

**Faculty:** Exams are conducted on a regular basis. We have both theory practical exams. All the exams are conducted by Marwadi University and they also focus on project-based learning.

**Other:** Marwadi University campus has many different canteens for different foods.

**The fee is high, but it is worth it, and I had an amazing experience.**

**Placements:** The minimum package offered is 8 Lacs per annum, and the maximum is 26 Lacs per annum. It depends upon the grade you have scored in the past semesters and how much you are into external activities with other universities and colleges.

**Infrastructure:** Some of the faculty members are amazing at teaching. The lab facilities are good. There is a library with a huge collection of books. Every single book is present to read, and it has a peaceful environment. The college has a biometric facility to record enter and exit timings.

**Faculty:** The course is quite difficult, but the students who attended all the lectures and gained knowledge give an outstanding performance. Thanks to our faculty. Different courses are available.

**Other:** Events are amazing.

**The college is value for money.**

**Placements:** Some of my seniors in the last semester got good placements. The average package offered is 4-6 LPA, and it's good for a start. Practical knowledge is also provided.

**Infrastructure:** Marwadi University is one of the best campuses I ever went at Gujarat. The hostel life is the best part of life, but because of Corona, we couldn't live our hostel life. Maybe after all this, we can again go to college and enjoy our campus life.

**Faculty:** Marwadi University has the best faculty all over Gujarat. They're friendly and well-behaved. They give their 100% to us. I'm in civil engineering, and it is all about practical knowledge, and they give their 100% for us to gain knowledge.

**Other:** Marwadi University has all types of sports and extracurricular activities like music, dance, etc., for hostel students.

**The college has a good infrastructure and peaceful environment.**

**Disclaimer:** This PDF is auto-generated based on the information available on Shiksha as on 09-Sep-2022.

**Placements:** There are many opportunities for students as placements are mainly provided by major international and national companies. Students got good salary packages. Companies like Byju's, Flipkart, etc., visit our college for placements. About 70-80% of the students get placed every year.

**Infrastructure:** The infrastructure of our college is good. Our college provides all facilities like a hostel, library, Wi-Fi, playgrounds, labs, medical, mess, canteens and shops. The quality of food served is good. Hostel rooms and classrooms are well-maintained. Sports and games room is also available for our refreshment.

**Faculty:** Faculty members and HODs are qualified and very helpful. They are kind and friendly towards students. Their way of teaching is good as most of them are knowledgeable. The course curriculum is relevant.

**Other:** I have chosen this course because I am interested in this subject, and job opportunities are good in this course. Many events and fests are organised in our college. Many celebrities are invited here.

### It is the best college ever in India.

**Placements:** I scored 8.53 CGPA in Bachelor of Engineering. By the end of the 5th semester, companies like TCS, Amazon, Google, etc., visit our college for placements. The salary package offered ranges from 1.5-2 LPA, which is a decent package.

**Infrastructure:** The infrastructure of our college is well-designed. Marwadi University has separate hostels for boys and girls with well-furnished and modern rooms. All the classrooms are equipped with Wi-Fi and an air-conditioned facility. Overall, the atmosphere of the college is cool for the students, and they can concentrate on their studies.

**Faculty:** Teachers in our college are very helpful, and their behavior is polite. IT is a very demanded course in this era. Faculty members are good, and they teach well. If we have any doubt, then they freely solve all our doubts. Some faculty members are engineering graduates, and some are post-graduate.

**Other:** Our college organises many events like MU fest and hackathon. There is also a student exchange program in our college.

### I am really satisfied with our college.

**Placements:** In Marwadi University, placements are quite good. Some of our seniors got placed in very well-known multi-national companies with the highest salary package of 5 LPA to 7 LPA. I observed that any interested student will definitely get placed from college. I think such opportunities are good for diploma students at the starting.

**Infrastructure:** Marwadi University has a luxury infrastructure and also a huge campus with many trees. If you sit just for 5 minutes on the balcony, you will be free from all tensions of all day. The campus is lush green, and there is also a lake in front of our hostel. I think it is very good.

**Faculty:** In our course of computer engineering, all faculty members are helpful and also well qualified in their field. They are friendly to me also. In our department, almost all faculty members hold a master degree at least. Moreover, we learn all types of coding languages and programme languages also.

**Other:** Marwadi University has all types of sports facilities. The mess is also quite good, and there is greenery. All things are good.

### MU - Marwadi University has good campus life.

**Placements:** At Marwadi University, placements are very good. Almost interested seniors are placed in well-known multi-national companies. In the previous year, the salary package offered was around 2.5 LPA to 5 LPA and I think is quite good at starting. Our college provides good placements.

**Infrastructure:** It is one of the best campuses in the Rajkot district and also one of the biggest campuses. The campus is full of greenery and in the hostel. You will feel good and healthy on campus.

**Faculty:** In our department, all the faculty members friendly and are holding master's degrees in their field. They are helpful for our study and their teaching quality is very good.

**Disclaimer:** This PDF is auto-generated based on the information available on Shiksha as on 09-Sep-2022.

Students understand well what they are learning.

**Other:** We have good cultural activities, and campus life here.

### It is a very good university with a fabulous infrastructure.

**Placements:** Almost 80% of the students got placed. Top recruitment consultants like TCS are the top recruiter. I think students are eligible and confident for the upcoming industry project. Overall, computer engineering is quite good at Marwadi University.

**Infrastructure:** I like the infrastructure of the hostel. The quality of food is very good, and the arrangement of the mess is quite good. The seating arrangement of the mess is fabulous, with one table and 5 to 6 chairs. So students can easily sit together and share things.

**Faculty:** Teachers are very helpful, and all queries and personal queries are solved by any teacher. In the covid pandemic, all teachers and staff members are helping students on how to get good marks in exams. Students are easily following their guidelines. So, faculty members are quite good.

**Other:** I think this university is strict in dressing and identity cards. Overall, it is the best university.

### Review of MU - Marwadi University.

**Placements:** Almost 90% of the students got placed from the campus and outside it. The highest salary package offered till now is 12 LPA, and the lowest salary package offered is 2.4 LPA. The top recruiting company is rtCamp. Top roles offered are software developers and AI and ML embedded software developers.

**Infrastructure:** Marwadi University has a great infrastructure and facilities. There is a 24 hours open laboratory for students, and a rich set of books is available in the library. It is a Wi-Fi-connected campus, and it is great to start an engineering career. The campus is very

**Disclaimer:** This PDF is auto-generated based on the information available on Shiksha as on 09-Sep-2022.

big and has greenery around, and it is a very silent place to work.

**Faculty:** Teachers are very helpful as they are available 24x7. We can approach them at any time, and they are always ready to solve doubts. They are highly qualified in the particular field and have experience of more than 8 years. The course curriculum is specially designed in such a way that every student can choose their right career from the start and won't stick to only one career option. They have a wide variety to go in future.

**Other:** Our campus students believe in learning by doing things. They learn, implement and again learn. The campus has achieved a NAAC A+ grade also.

### My experience at Marwadi University.

**Placements:** In 3rd year itself, I got placed as a software engineer with a CTC of 12 LPA. Along with me, my 2 classmates and 1 senior also got the same offer. So I believe Marwadi University has one the best placement opportunities. My senior batch got 95% placement with an average package of 3.5 LPA.

**Infrastructure:** Facilities provided in the campus are outstanding. A big lake at the center of the campus adds beauty to the campus. Along with that, AC classrooms, labs, world record holder library, Wi-Fi throughout the campus, clean sanitary, canteens, sports stadiums, etc. are well maintained.

**Faculty:** Teaching learning process in ICT department is based on project-based learning, which makes student learn more practical stuffs than the conventional stuffs. Moreover, there is flexibility in choosing course subjects and industry experts teaching added cheery to the top.

**Other:** I was a student of B.Tech in information and communication technology. This course gives us flavor of EC, CE and IT in one field. So, later in 3rd year, you can choose one of a specialised branch as an elective subjects. Hence one can discover his interest domain moving with the time.

### Review of MU - Marwadi University.

**Placements:** Marwadi University provides the highest placements in Gujarat. All the interested students from my senior batch are placed in very well-known MNCs with an average package of 7 to 8 LPA. The lowest package is 3 to 5 LPA, and the highest package is 12 LPA and 34.5 LPA in 2020 of ICT and CE branches. Last year, ICT branch has got 100% of placements.

**Infrastructure:** Our Marwadi University has achieved NAAC A+ rank, so according to that, MU campus is one of the examples of the best infrastructure and hi-tech and fully Wi-Fi enabled campus with lots of trees and greenery surrounding us. The campus has a big garden, big lake, and big cricket as well as volleyball, basketball and football grounds. For indoor games, there is a sports complex, where students can enjoy carrom, chess, table tennis etc. All the facilities are available for hostel students and day scholars. In the hostel, there are 3 wings, one for girls hostels and 2 wings for boys hostels. The hostel rooms are very clean and ventilated for the hostel students. They have facilities of gym, TV room, and reading room for free. Overall, the infrastructure and hostels are excellent.

**Faculty:** In Marwadi University, almost all the faculty members have their PhD degrees. They are very friendly with all students. There is a mentoring system, where every student has their personal mentor for solving their personal doubts, queries and also the mentor will motivate students to improve their academics. I am a student of B.Tech, so the final year of B.Tech is for industrial work like projects, startups, hackathon and international or domestic internships. In Marwadi University, there is an SPI/CPI grading system instead of percentage, and there are two mid-semester examinations for 30 marks each, and the end semester exams for 70 marks.

**Other:** In Marwadi University, there are many laboratories, which are very useful for students. They have very high configuration computer systems which are very helpful for running very heavy applications or software. The campus has Wipro lab, Cisco lab, app development lab etc.

## There are good placements and nice teaching in our college.

**Placements:** Many students got placed from our college in cloud computing companies, and many students got placed in AWS in Amazon. If you have a CGPA of more than 6.5, you are eligible to apply for any software-based or embedded-based company. In our college, the top role offered is a manager.

**Infrastructure:** There are Wi-Fi, PCs, supercomputers and labs which have components to use for your projects. After completing projects, you have to return components to the lab, and also you can purchase them from the college for your requirements. On the campus, students can stay only with the permission of CC.

**Faculty:** Teachers here use a project-based method for teaching, and it is very helpful to work in any company. Our college provided workshops, so students experience how the industry works and what is the criteria company wants from us. It is possible due to our faculty members who always help us.

**Other:** The best thing here is the support provided by faculty members. Many events are organised on this campus. MU fest is one of the most memorable functions celebrated here every year.

## Review of Marwadi University.

**Placements:** We are the second batch in this university. Many students were placed from campus with the lowest salary package of 2 LPA and the highest salary package of 11 LPA. Many companies from Ahmedabad and Pune and also some top companies like Amazon, etc., visit here for recruitment.

**Infrastructure:** The infrastructure and facilities of the hostel are awesome, like every student is missing the hostel life as we have made many memories there. We also missed our hostel food and some random night events of Garba and disco. We had a lot of fun during festivals like Navratri, Ganesh Chaturthi, Holi, etc.

**Faculty:** Teachers of our college are very helpful to us. The mentor system is very helpful to every student to their personal level to build their career. The friendly nature of professors makes students feel comfortable to ask anything and any type of questions. So, many students get their perspective of future goals.

**Disclaimer:** This PDF is auto-generated based on the information available on Shiksha as on 09-Sep-2022.

**Other:** I have completed a bachelor degree in information technology. The future completely depends on technology, website and application, so I have chosen IT.

### **Marwadi University provides the best hostel facilities.**

**Placements:** Almost 80% of the students got placed from Marwadi University in computer engineering. The highest salary package offered was 16 LPA, and the lowest salary package offered was 2 LPA. The average salary package offered is 6 LPA. The top recruiting are TCS, Infosys, Microsoft, etc. Top roles offered are computer engineering.

**Infrastructure:** Our college offers the best facilities and infrastructure available for all courses. The entire campus is Wi-Fi enabled. Classrooms have digital facilities, and there is an air-conditioned library. The best hostel facilities are mess and good canteen. Medical facilities provided are also the best. We also have a gym, indoor games and sports ground in the hostel. Lab facilities provided are the best.

**Faculty:** Teachers in our college are helpful and knowledgeable. All the faculty members are available or all the courses. The teaching of quality is good. MU is the best college for placement in computer engineering.

**Other:** All the events are organised and fests held are the best. The connectivity on the campus is good. We have the best scholarship. Activities held are very good, and students enjoy a lot. All the scholarships are accepted like MYSY, etc. It is a good campus with a good structure.

### **In this college, you will achieve your dreams.**

**Placements:** Marwadi University is good in placements because the owner of Marwadi University is businessmen, and his name is Ketan Marwadi. Technical courses are also available in our college. Multinational companies require talented students, so Marwadi University prepares students accordingly.

**Infrastructure:** In Marwadi University, hostel facilities are good, and there are the top hostel facilities in our state. The hostel is sprawled over 13 floors, and there are A, B and C wings. Girls and boys hostels are in different wings, and canteen facilities are quite good. Every floor in the hostel has elevator facilities and Wi-Fi with high-speed.

**Faculty:** In Marwadi University, the high number of faculty members have a PhD degree and have a minimum of 10 to 25 years of experience in their field. Faculty members are good and very helpful. They also teach according to industrial jobs and work, and they share practical work in the industry.

**Other:** I chose mechanical engineering because I love machines and their work. Our college is famous for celebrating events and festivals. On our campus, international level events are organised.

### **It is a good college to join, and it is value for money.**

**Disclaimer:** This PDF is auto-generated based on the information available on Shiksha as on 09-Sep-2022.

**Placements:** About 75% of the students from our course got placed. The highest salary package offered was 3 LPA, and the lowest salary package offered was 1.5 LPA. Top recruiting companies like Byju's, Bajaj Finserv, Tata, etc., visit our campus for placements. Almost 100% of the students from our course got an internship in Bajaj Finserv. A top role offered is a manager.

**Infrastructure:** Our college provides everything like Wi-Fi, food courts, a world-class library and huge classrooms. There are many streams available for every subject. International students are also learning here from around 20 countries over the world. Our college is accredited A+ grade by NAAC.

**Faculty:** The majority of the teachers are PhD holders. They have atleast masters in their respective fields. Their teaching is good, and allocations are made as per their qualification. It is worth learning under them. They provide good support. Exams are well-formatted and a bit easy.

**Other:** It gives 7 different certificates. Nothing should be improved here. Every single activity is conducted here.

### **Our college provides average placements and excellent infrastructure.**

**Placements:** Mass recruiters like Wipro, TCS, Capgemini, Cognizant, etc., visit our campus. Mostly all are service-based companies. College is promising to bring product-based companies in future. If you are an average student, you can get an average salary package of 6.5 LPA. The lowest salary package offered ranges from 3 LPA - 4 LPA. Our college is famous in the entire Saurashtra region, and many opportunities are available.

**Infrastructure:** Our college has advanced labs and classrooms. There is an excellent library on the campus. The E-content provided by the college is good. Mac labs also present. Unavailability of resources won't be an issue. The hostel is one of the best you can get. Fast Wi-Fi is available with common TV rooms, gyms, indoor games, etc. The food served in the mess is also good.

**Faculty:** Teachers in our college are helpful regarding career guidance and other things. As far as teaching is concerned, you might get disappointed because sometimes it feels like you are attending a lecture at school. Don't expect much from teachers. Students have to work hard and do self-study.

**Disclaimer:** This PDF is auto-generated based on the information available on Shiksha as on 09-Sep-2022.

**Other:** Events and fests in our college are organised regularly. A lot of top-notch stars visit the college. The MU fest organised by the college is attended by thousands of students coming from other colleges nearby.
