

ADARSHA

Institute of Technology

#73, Lingadheers Golehalli, Kundana, Bangalore 562 110
Approved by AICTE, Affiliated to VTU, Recognized by Govt. of Karnataka

Affordable Quality Education

CET Code: E222

www.ait-b.edu.in

Adarsha Institute of Technology (AIT-B) started in 2013 under Sharada Education Trust by a group of well educated philanthropists with 'Service' as their motto.

First Semester Results of December 2013

- Only college in VTU with 100% pass in Computer Science & Engineering (CSE)
- Only college in VTU with 100% pass in Electronics & Communication Engineering (ECE)
- Only college in VTU where every student in CSE passed with First Class / First Class Distinction
- Only college in VTU where every student in ECE passed with First Class / First Class Distinction
- Every student improved over 10+2 score, average being 12% improvement
- A student with 53% in PCM at 10+2 scored 84% by end of first semester, an increase of 31% which is the best improvement by a student in VTU

Management congratulates all the students and thanks all the teachers for their excellent effort.

About Chief Promoter & Principal

Dr. K. Udaya Kumar obtained M.Tech. Degree from Indian Institute of Science and Doctorate degree from Yugoslavia. He has taught various subjects in the field of Computer Science and Electronics & Communication Engineering. He has authored a number of books that are popular among the staff and students of VTU and other universities. He has also delivered lectures over EduSat for the benefit of all students of VTU and has a number of publications to his credit. He has worked as Principal/ Professor of MSRIT, Dr. AIT and BINMIT. In VTU, he held positions like Member of Executive Council, Academic Senate and Chairman - Board of Studies.

Feedback from a 2014-15 admitted student

I have appeared for my 10+2 exams and I'm awaiting the results. I have decided to pursue B.E. in Computer Science. I was looking for a good college which can provide quality education at a reasonable fee. I went through the websites of many colleges and finally decided on Adarsha. I visited the college and was really impressed with the infrastructure. I spent quality time with their students and was very happy with their feedback. Their performance in the recently concluded exam is one of the best in the university. The faculty at Adarsha are extremely warm, inspiring and of the highest quality. I was glad to know that there is absolutely no ragging in their college. When I was informed in writing that the advance I pay would be refunded entirely in case I do not secure eligibility, I made up my mind to join immediately. Anyway, I am sure to pass with a decent First class. I was also offered a substantial early bird discount.

Radha N.S., Mallethwaram, Bangalore

Feedback from a parent of 2013-14 admitted student

I would like to mention that there is personal attention by the faculty including the Principal who knows each and every student by name. This aspect sets apart Adarsha from other institutions. My son enjoys going to college. The focus is on all round development of the students rather than just academics.

I am confident that the college will definitely be one among the best Engineering Colleges in Karnataka in the near future and will continue to strive for excellence in the field of technical education.

I am glad that I admitted my son to Adarsha and I wish them all the very best.

D. Deepak, RT Nagar - Father of D. Hemant, II Sem Mech.

Feedback from our 2013-14 students

I was having only 53% marks in PCM at 10+2 level with a CET Rank of 58413. My father and I visited the college as it was quite near to our house. I was impressed with the serene environment, excellent faculty and infrastructure. Hence I joined Adarsha college. We were all motivated by our Principal sir who said that everyone in the college can improve by at least 10%. With highly experienced teachers teaching us, Engineering study is appearing very easy to me. I scored 84% in the very first semester. Now I want to see how I can further improve on my percentage.

Amrutha Varshini, Aradesha Halli, Devanahalli Taluk II Sem CSE

Everyone at my home was upset with my PUC results. I had secured only 49% marks in PCM and a CET rank of 81567. I promised my parents to do well henceforth. I browsed through the websites of many colleges and finally decided on Adarsha. I was also motivated like others in the college by the inspirational messages we see on all the walls. I am happy to announce that I scored 65% in the First semester exam. All teachers are extremely helpful and understanding. Even my class mates are very helpful. I got 6 books from the Library, one for each subject and the college is willing to give us more. Class Tests are conducted like exams. Overall, the academic environment helped me to blossom.

Niveditha B R, K H B Colony, Mysore II Sem CSE

I am from a rural background in Tumkur district and studied in Kannada medium till 10th standard. With my marks of 42.56% in PUC and CET rank of 78972 I was still lucky to get into Adarsha college through CET. I was new to using computers like many others in my class. But the teaching was so good that I scored 70% in Computer theory paper, 92% in computer programming lab and most importantly 100% in computer Aided Drawing. In fact more than 50% of our college students scored more than 90% in Computer Aided Drawing. We have such experienced teachers. I scored 68.4% marks in the First semester. I recommend Adarsha college whole heartedly to any student. Of course, you need to have good CET ranking to get into Adarsha. I was very lucky to get admission to Adarsha last year.

Nuthan G, Tumkur II Sem Mech.

Mobile: 89517 62819

From the very first semester, we are trained to deliver presentations which helped many of us to overcome our stage fear. We are being trained to overcome our deficiencies in soft skills, as many of my friends are from rural background. We all sense a marked improvement overall. This will help us in getting placed at the time of our campus placements during the 6th semester. Our Principal, staff and Governing Council are very well connected with the industry/software companies and we are assured of good placements. I had only 61% marks in 10+2 and CET rank of 45608, but now I have improved to 76.3%. We all are motivated every other day to better our previous performance.

Trustees of AIT-B

Smt. Gayathri Dharshinee B.Sc.

Rtn. Dr. M.P. Raghu MBBS, FRCS

Rtn. M.P. Mukund Ananda B.E.

Smt. B.H. Nagarathna B.Com.

Smt. Niveditha U. Kumar B.E.

Governing Council of AIT-B

Dr. T. Gangadharaiah, Retd. Professor IIT (Kanpur)

Dr. Y.N. Srikant, Professor, Indian Institute of Science

Dr. Shyam Vasudev Rao, Director, PHILIPS

Mr. Raj Maganti, Executive Director, Morgan Stanley, USA

Mr. K. Srihar, Retd. Chief Engineer, KPTCL

Mr. Raghu G.S., CEO, Chira Information Technology

Mr. Adviteeya U. Kumar, Formerly Technology Analyst, Morgan Stanley, USA

List of Staff handling First year classes

AIT-B recognizes the importance of senior teachers handling first year classes so that the new entrants to the College are taught the Engineering fundamentals very well to provide a very strong foundation.

Name	Experience (years)	Name	Experience (years)
Rtn. Dr. K. Udaya Kumar	40	Anantha Padmanabha	22
Puneet Kumar Parthasarathy	7	Dr.P.V.Krupakara	34
Dr. Rangappa Keri	5	Dr. Manjunath H.R.	10
Dr. A. Ganesh	14	Krishna Reddy B.V.	11
Amrutha H.P.	3	Kavya H.S.	3
H.R. Krishna Prasad	41	Sreenivasa Murthy B.V.	41
Manjunath S.	4	Basavaraj T.	4
Adviteya Udaya	4	Prof. C. Murail	40
Prof. B. Narayanappa	40	Sri H.C. Aswath	40
H.V. Kulkarni	6	Dr. Seema Sridhar	1

**Well qualified, committed Staff with Average experience of 15 years, one of the best in VTU
See website for more details about our staff**

B.E. degree courses available and intake

After PUC/10+2		After Diploma (lateral entry)			Change of College
Course	Intake	Course	Intake	Fee	Seats are available in ECE, CSE and ME branches for students seeking change to ADARSHA from other colleges at II year level. Fee is only Rs.25000 pa.
ECE	60	ECE	24	Fee for any branch is only Rs. 25000 pa.	
CSE	120	CSE	24		
ME	120	ME	12		

ECE: Electronics & Communication Engg. CSE: Computer Science & Engg. ME: Mechanical Engg.

Scholarships

At the time of joining AIT-B		During study at AIT-B		Additional Scholarships	
Amount	PCM %	Amount	Full year %	Amount	Condition
5000	90 or more	5000	90 or more	5000	Physically handicapped
4000	80 or more	4000	80 or more	5000	Sports quota student
3000	70 or more	3000	70 or more	5000	Blood relative of AIT-B staff
2000	60 or more	2000	60 or more	3000	Relative of other college staff
1000	50 or more	1000	50 or more	FREE Education on death of only earning parent, if income <200000 pa	
500	All others	500	40 or more		

Incentives for winners in university level sports /cultural / technical events

In Individual events, incentive amount is Rs. 3000, Rs. 2000, Rs. 1000 for 1st, 2nd and 3rd places respectively.
In Team events, incentive amount is Rs. 1500, Rs. 1000, Rs. 500 each for 1st, 2nd and 3rd places respectively.

INFRASTRUCTURE

Classrooms, Laboratories, Workshops, Library and other common areas of the Institution are spacious and well ventilated. The library has a large collection of books, E-Journals and E-Resources.

Students are issued 6 books which they are allowed to return after the semester examination.

Other facilities include a separate **Hostel Facility for Boys and Girls** and a **Hygienic Multi-Cuisine Cafeteria**. **College bus facilities** provided from **Yelahanka, Devanahalli, Doddaballapur, Chidambalur, Vijayapura, Chintamani, Hoskote** and many parts of **Bangalore**. **BMTC is also requested to increase frequency of services to AIT-B.**

Fee structure
CET: As per CET Norms
COMED-K: Rs.75000
Management: Rs.75000
Full amount refunded, if eligibility condition not met
