INSTRUCTIONS OF SGI

Candidates are advised to study this booklet carefully, before applying for admission. This is only for information and does not constitute a legal document. Where the rules are silent in the booklet, the rules contained in the general hand book of information of university will be applicable. Notwithstanding the information provided in this booklet, the Management will have the right to delete, change or make additions in any of the provisions contained in it. In case of ambiguities, decision of the management will be final.

Note:

1. Terms and Conditions are applicable: Everywhere/ Universally
2. Before applying- Please read, understand and agree on the instructions of the separate admission form

WELCOME

TO

SGI

AT SGI, WE MAKE YOU BELIEVE IN YOURSELF !

The changing economic scenario has brought about a new era that is as turbulent as it is dynamic. Today, the world is facing a new spectrum of challenges brought about by the integration of global economies, adoption of new technologies, innovative manufacturing business practices and paradigm shifts in our approach towards customer service and corporate governance. Today, corporate world needs successful global team leaders, who have the skills and confidence to meet these challenges and become pioneers and path breakers of the future. We believe you to be a part of that future!

The contemporary curriculum with a blend of carefully

designed Pedagogy makes the Programme more challenging at SGI. Through innovative study, insightful lectures and interactive group discussions, you will develop powerful decision making, problem-solving, leadership and technical skills in an environment that is both enriching and supportive.

SGi is not just about State-of-the-Art infrastructure, Wi-Fi enabled campuses, top-notch faculty and Hi-Tech classrooms, but also about holistic student development; a unique learning space that gives an opportunity to discover your potential, sharpen your skills, shape your personality and ultimately realise your potential in both technical and management

sphere.

In the following pages you will find details on the Programmes being offered, their structure ,course contents and study options.

We look forward to welcome you to SGI campus for a cherishing experience.

SGi Family

ABOUT SGI

At SGI, we make you believe in yourself! Think Different - Think Samalkha

Samalkha Group of Institutions is a sunrise hub for providing education in the part of Delhi-NCR. In a world where knowledge and talent count so heavily, it is people-faculty, students and staff- who matter the most to the quality of a vital educational institution. Under the banner of Nav Nirman Sewa Samiti (The Promoting Body), Samalkha Group of Institutions (SGI) situated in NCR-Haryana, Samalkha, Distt. Panipat (Haryana) has been envisioned to be an institute promoting academic and professional excellence, nurturing and sustaining conducive ambience for sculpting budding talents into technology and management leaders of tomorrow and inculcating professional ethics, cultural values, sensitivity and sense of service towards society. SGI is approved by AICTE, Ministry of HRD, Govt. of India and DTE Haryana and is affiliated to Kurukshetra University, Kurukshetra-which has been conferred 'A' Grade by NAAC. Emphasis at SGI is firmly on grooming strong core faculty base by inducting well qualified and bright faculty who have a missionary zeal for teaching and are committed to the cause of shaping careers. Guided and graded classroom instructions, interactive tutorial sessions, hands on laboratory experience and interaction with successful entrepreneurs & visiting faculty are planned to help the students in developing self-confidence, clarity of thought and over all personality. It is a unique institution for imparting education where student will find, campus wide computer networking, Wi-Fi enabled buildings, pollution free environment and power backup. The culture at SGI is that of openness, mutual trust and faith and the purpose is to impart training through head, heart, hands and soul with the belief in having a transparent system and an excellent academic environment. There are ample facilities and opportunities to develop physical and mental abilities through sports, recreational, dramatics, debates and much more. SGI has a tradition of inviting celebrities and specialists in their respective areas for delivering guest lectures on the latest issues relevant to industry. SGI has the philosophy of imparting education to develop human potential to its fullest extent so that intellectually proficient and ingeniously talented leaders can emerge.

The basic aim of SGI is to impart technical training to the students so that they become more consignable in the industries by having a varied exposure to the practical atmosphere. We have the approached NODAL CENTRE of Training & Placement. The various Clubs and Training Centers at SGI are: ERDC (Embedded Research and development Centre), Mechatronics Centre, Cyber Forensic Lab, Language Lab, Soft Skills Center, Psychometrics Level of Education, Robotics Lab, CAD/CAM Center, Discover Yourself Lab, SPICMACY (For cultural affairs), Software Solutions Services Lab, Mind and Soul Centre, Summer Training Club and Proposed Radio Station.

Various Faculties are planned to help the students in developing self confidence, clarity of thought and over all personality. Once a part of SGI, student will be groomed as an achiever.

SGI AT A GLANCE

MESSAGES

In today's technological age, a complete revision of current education advancements, policies & principles is required if organizations are to continue to thrive. This is especially required as technology is moving at ever increasing pace. The future of any country lies in its ability to use resources to build a strong technological base. It is perhaps necessary that in the face of these trends, institutions must also cope with rising demands for accountability and focus on the social responsibilities. This perhaps forms the crux of Samalkha Group of Institutions. There are several inventive, imaginative and innovative add ups and cut offs to the regular and conventional methods of knowledge delivery system.

The principle mission of SGI is to foster a consummate milieu of educational delivery system that has perhaps a comprehensive and complete enhancement of knowledge erudition to one and all. We strive to enhance the capabilities of our students in areas

like independence of thought, judgement, creativity, motivation and use of information, thereby ensuring that they perform well and excel in their academic pursuits. The delivery systems, we have designed to make our philosophy reality are even more innovative. Creating job seekers alone is not the axiom. Thus, we make Managers and Engineers, not mere degree holders. Our faculty has prestigious academic credentials coupled with an intense dedication to the innovative knowledge delivery. I am delighted to welcome the new entrants in our various Programmes for a bright future with a meaningful existence.

Ajay Goyal
(Chairman)

Dear All,

SGi aims at providing you with a distinctive combination of academic excellence and professional relevance, a combination designed to provide a solid foundation for a life time of professional and personal development.

SGi has optimum mix of academic fineness and professional learning. Our slogan of 'Knowledge Delivery Experts' is achieved by transmission of knowledge by providing a dynamic and interactive environment.

Our vision is to groom leaders and entrepreneurs, who have a global thinking and futuristic mindset. "Competing for the Future" is a philosophy that the institute imbibes in each member of its fraternity.

At SGI, we shape and sharpen the mindset of our students by Academic rigor of our various programmes. In addition to providing best theoretical inputs, we provide adequate exposure to real life situation through a vast

programme of organizational trainings and a constant interface with the best brains in the industry. We have organized the Technical Festivals, where more than thousand students from surrounding Senior Secondary Schools visited the fest. Also, our institute has invited reputed persons from IBM, TAURUS INDIA Ltd., Wipro, Siemens, Microsoft, HDFC Bank, Hewlett Packard, LPS, OSAW, Vikram Valves & Gen. Ind., Lohia Steels, Autogenx, GCPL Technologies, TIKONA Digital Network Pvt Ltd, Idea Cellular, ICRA, Vodafone etc. for accelerating the Training & Placement activities, signing formal MOUs, advancing knowledge & tie ups and inspiring innovation & discovery. Our institute has earned good reputation as a leading institute in the region.

We understand that in addition to academic excellence, every student is interested in having a fulfilling and enjoyable quality of life while at campus. Visit to SGI website or campus will provide a snapshot of Campus Community, which is professional, caring and exciting. Further we believe in building strong futures for our students and accordingly SGI has taken number of initiatives

Let us strive together as together we can.

- Education Excellence Award 2012 to SGI-Best Professional Institution in NCR by Big Research (The Award was Presented to us by Mr. Shashi Tharoor-HRD Minister of State).
- SGI won overall running trophy at Arya PG College Fest-Dishayein 2013 & 2014.
- SGI student of M.Tech(ECE) emerged as University Topper-Topped Kurukshetra University Examinations.
- SGI Mechanical Engineering Faculty published book on "Implementation of Total Productive Maintenance of Steel Sector (ISBN 978-3-659-41516-6) with Lambert Academic Publishing House".
- Students of SGI got Silver and Bronze medal in Taekwondo Inter Collegiate Tournament at S.A. Jain College, Ambala.

FOREIGN COLLABORATIONS

SGi has joined hand with Edith Cowan University Australia for International Qualification in Engineering & Management. SGI students may now opt for international qualification while doing their regular course from SGI and may get the opportunity to go to Australia for qualification enhancement. Edith Cowan University may also send their experts to deliver trainings, seminars and guest

lectures at SGI and may also invite SGI students to attend such activities at their Australian Campus.

VISION, MISSION & OBJECTIVES

VISION

To make SGi a global integrated education hub capable of providing vibrant, resilient and holistic education to prepare technocrats, business leaders and entrepreneurs with a futuristic visualization and strong urge to stand upto global competition.

MISSION

To serve every segment of the society and improve the quality of life through excellence and leadership in engineering and management education, research and development, as an academia which is forward looking and committed to life long learning and innovation.

OBJECTIVES

- Assimilation of knowledge as it is created, in various areas of technology and management.
- Dissemination of such knowledge to students and facilitate their ability to apply knowledge to real life situations.
- Aspiration of being a catalyst in transformational change among students.
- State-of-the-art training for faculty to adopt the latest & most appropriate pedagogical techniques.
- To build our students placeable.
- To extend the benefits of our nodal centre for training and placement to all.

NAV NIRMAN SEWA SAMITI

The society that has funded and founded the Institute is Nav Nirman Seva Samiti(Registered) with a noble cause of imparting education and help to the deserving and the needy. The society has rendered significant service to the people of Haryana, through its well established social Institutions.

The management is headed by Mr. Ajay Goyal, a distinguished industrialist from Delhi, adorned with an array of awards. He has rendered an immense service in this region. The society is duly registered with the Registrar of Societies. The Trustees and professionals are of proven merit endowed with trusted credibility. The philosophy of the promoters is to contain in its ideals the quintessence of our culture. Their meaningful mission is to activate an almanac of their good-will gesture. The wisdom of our sagacious sages has always motivated these promoters and they hold, in high esteem, the message of these sages:

“Material wealth is to be acquired with the objective of serving the society which is but a manifestation of GOD.”

SAMALKHA FACULTY OF ENGINEERING

B.TECH & M.TECH

BACHELOR OF TECHNOLOGY (B. TECH)

COURSE DURATION : 4 YEARS

SGi offers Full time (four-year) B. Tech Programme in various streams as shown below. Our B.Tech Programme is approved by AICTE and is affiliated to Kurukshetra University , Kurukshetra for this Programme. Our faculty has blend of highly qualified, energetic and enthusiastic teachers and highly experienced professionals who have brought rich talents, backgrounds and professional experiences to the programme, thus putting the course of students on a fast track.

SPECIALISATIONS

• Computer Science & Engineering • Mechanical Engineering • Electronics & Comm. Engineering • Electrical & Electronics Engineering • Civil Engineering • Mechanical Engineering(Auto) • Aeronautical Engineering

ELIGIBILITY CRITERIA

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry / Biotechnology / Biology/ Technical Vocational subject. Obtained at least 45% marks (40% in case of candidate belonging to reserved category) in the above subjects taken together. However, pass in English is a must.

BACHELOR OF TECHNOLOGY (B.TECH)

COURSE DURATION : 3 YEARS - LATERAL ENTRY TO 2ND YEAR

Diploma in Engineering aims to provide students a basic development of Applied Science and Engineering and has content wise rich orientation for operative skill and applied learning. After B.Tech, Diploma Engineers will become the technocrats.

ACCOMPLISHMENT

Blending of Diploma in Engg. with Bachelors of Engineering/Technology.

ELIGIBILITY CRITERIA

Candidates must have

- Passed Diploma examination from an AICTE approved institution, with at least 45% marks (40% in case of candidates belonging to reserved category) in appropriate branch of Engineering / Technology.
- Passed B. Sc Degree from a recognized University as defined by UGC, with at least 45% marks (40% in case of candidates belonging to reserved category) and passed XII standard with mathematics as a subject.
- Provided that in case of students belonging to B. Sc. Stream, shall clear the subjects of Engineering Graphics / Engineering Drawing and Engineering Mechanics of the first year engineering Programme along with the second year subjects.
- Provided further that, the students belonging to B. Sc. Stream shall be considered only after filling the supernumerary seats in this category with students belonging to the Diploma stream.
- Provided further that students, who have passed Diploma in Engineering & Technology from an AICTE approved institution or B. Sc Degree from a recognized University as defined by UGC, shall also be eligible for admission to the first year Engineering Degree courses subject to vacancies in the first year class in case the vacancies for lateral entry are exhausted. However the admissions shall

be based strictly on the eligibility criteria as mentioned in a, b, d, and e above.

OBJECTIVES

- To inculcate in students' professional and ethical attitude, effective communication skills, team work skills, multidisciplinary approach, and an ability to relate engineering issues to broader social context.
- To provide students with an excellent academic environment conducive for acquiring leadership qualities, ethical codes and aptitude for life-long learning needed for a successful professional career.
- To develop as innovators and professionals in technology development, technology deployment, and system implementation.
- To develop as team members that will interact with their peers in industry and society as engineering professionals and leaders.

MASTER OF TECHNOLOGY (M. TECH)

COURSE DURATION : 2 YEARS

ELIGIBILITY CRITERIA

The candidate must have Bachelors Degree in Engineering or M.Sc. or Equivalent in the relevant field obtained at least 50% (45% in case of candidate belonging to reserved category) at the qualifying Examination – As per the norms of KUK.

OBJECTIVES

- To provide excellent education and guidance in engineering branches at post graduate and research level.
- To cater the need of Engineering Industries and Research organizations at National & International level.
- To train HR to carry out innovative research for creating intellectual property through master programmes.
- To Inculcate innovative and interesting teaching methodologies amongst the students.

NOTE: The candidates will/may however be required to

qualify at the Entrance Test conducted by the competent Authority. • Pass in the subject of English in the last qualifying exam is a must for admission to every course.

ANNUAL INTAKE FOR B.TECH PROGRAMMES

Sr. No.	Course	Sanctioned Intake
1.	Computer Science & Engineering	60
2.	Electronics & Communication Engineering	120
3.	Mechanical Engineering	120
4.	Electrical & Electronics Engineering	60
5.	Civil Engineering	60
6.	Mechanical Engineering (Auto)	60
7.	Aeronautical Engineering	60

ANNUAL INTAKE FOR M.TECH PROGRAMMES

Sr. No.	Course	Sanctioned Intake
1.	Electronics & Communication Engineering	18
2.	Mechanical Engineering	18
3.	Computer Science & Engineering	18

ENGINEERING LABORATORY STRENGTHS AT SGI

MAJOR EQUIPMENT / EXPERIMENTAL FACILITIES OR ARRANGEMENTS, BESIDES REGULAR CURRICULUM REQUIREMENTS

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

In Addition to Computer Centre with all Facilities Required for Study and Research in Computer Science and Engineering Field, SGI have:

- IBM X Series Servers
- Project Labs Equipped with Latest Desktops & Development Software's
- Cisco Managed Switches Based Network
- Eight MBPS Leased Line (Pure Internet) Internet through Firewall Protection
- Round The Clock Highly Secured Wi-Fi Connectivity with Firewall Protection
- IBM DB2 & Oracle 11G
- Open Source Laboratory
- Web Application Development Centre
- Licensed Software's - Over 580
- Above 750, Intel Core 2 Duo , 2GB RAM Desktop
- Microsoft Standard Network (1000 Mbps Standard Peer)
- Centralized Console Technology (Video, Audio, Database and Web Server)
- ERP Based Database Management System
- Microsoft Certified Authorized Test Centre
- Linux Resource Centre
- Ethical Hacking / Hack Group Policy Resource Centre

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

In Addition to Embedded Research & Development Laboratory, Equipped with all Facilities Required for PCB Manufacturing and Robotics Designing & Research, SGI have:

- Arbitrary Function Generators
- Radio Communication Analyzer
- Frequency Meters

- Microwave Training System
- Digital Multimeters, Pico Ammeters & Meggers
- Optical Power Multi-Meter
- Digital Phospor Oscilloscope upto 2-4 Mhz & Mixed Signal Oscilloscopes
- 20 MHz Arb waveform generator
- Logic Analyzer
- AM and FM Signal Generator (100-110MHz)
- Spectrum Analyzer
- Acoustic Optic Modulator with Rx Unit
- 100MHz Digital Storage Oscilloscope
- Antenna and Wave Propagation Training System
- Programmable Fiber Optic Demonstration Kit
- Bread Boards and Multi-utility Kits for Enhanced Practical Exposure
- Matlab, Model Sim, Xilinx, Pspice softwares, Sci lab, Multisim, Ghdl, Freehdl etc.
- Simulation Technique Softwares
- 8085 and 8086 Microprocessors Emulators
- Different Microprocessor Based Interface Device

DEPARTMENT OF MECHANICAL ENGINEERING

In Addition to Workshops Equipped with all Facilities Required for Studying and Practicing the latest Techniques for Production & Manufacturing in Mechanical Engineering Field, SGI have:

- Petrol and Diesel Engine
- Single and Double Stage Air Compressor
- Hydraulic Arm
- Centrifugal and Reciprocating Pump
- Francis, Kaplan and Pelton Wheel Turbine
- Universal Testing Machine
- Brinell Hardness Testing Machine
- Torsion Testing Machine
- Epicyclic Gear Train Apparatus
- Journal Bearing Apparatus
- Mortise Gyroscope
- Torque Measurement Tutor
- Advanced Milling ,Lathe and Drilling Machines

- CNC Machines
- Forced and Natural Convection Apparatus
- Static and Dynamic Balancing Apparatus
- Cam Analyser
- Automobile Steering Gear
- Universal Governor Apparatus
- Cooling Tower
- Universal Vibration Apparatus
- Fuel Injection System
- Electric Arc Welding
- CNC Based Production Technology Arrangement
- Impact Testing Machine
- Vapour Absorption Machine
- Ice Plant Tutor
- Software for Engineering Drawing & Graphics
- Siemens PLM Training Laboratory- Maintained by Siemens Authorized Technocrats

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

In Addition to Electrical Workshops with all Facilities Required for Study and Research in Electrical and Electronics Field, SGI have:

- Load Test of Single Phase Transformer Panel
- Open Circuit & Short Circuit Test of Single Phase Transformer Panel
- Digital Multimeters, Picoammeters & Meggers
- Speed Control of DC Shunt Motor Panel
- Open & Short Circuit Test of Three Phase Induction Motor Panel
- Power in Three Phase System by Two Wattmeter Method Panel
- 100MHz Digital Storage Oscilloscope
- Cut Section Model of Star & Delta Starter
- Project Labs with Heavy Industrial Equipments
- Cut Model of Auto Synchronize Motor
- Cut Model 3 Phase Slip Ring Motor
- Parallel Operation of T/F Panel

- Ward Leonard Panel
- Auto Synch. Motor /Dc Shunt Generator
- Cut Section Working Model of 3-Phase Induction Motor
- Cut Section Working Model of Synchronous Motor
- Project Board and Multi-Utility Kits for Enhanced Practical Exposure.
- High Performance PCs with Softwares
- ABCD Parameter Testings
- BDV Testing Panel
- Various Power Relays like IDMT, Thermal Overload, Distance Relays etc.
- Microprocessor Based Motor Control
- Measurement of LCR Through Bridge
- Variable Frequency Controllers for Motor

DEPARTMENT OF CIVIL ENGINEERING

In Addition to Workshops with all Facilities Required for Study and Research in Civil Engineering, SGI have:

- Deflections of a Truss Apparatus
- Three Hinged Arch Apparatus
- Coloum and Strut Apparatus
- Centrifugal Pump Test Rig
- Standard Penetration Test Apparatus
- Unconfined Compressive Strength Testing Machine
- Penetration Test Apparatus
- Deval Attrition Test Apparatus
- Los-Angeles Abrasion Test Apparatus
- Dorry's Abrasion Test Apparatus
- Vibrating Machine
- Permeability Apparatus
- Aggregate Impact Test Apparatus
- Deflections of a Truss Apparatus
- Orificemeter and Venturimeter Test Rig
- Electronic Theodolite
- Ductility Test Apparatus
- Dynamic Cone Penetration Test Apparatus
- Grain size analyser and sieve shaker
- Impact of Jet Apparatus
- Bernoulli's Theorem Apparatus
- Cavitation Analysis Apparatus
- Heavy compaction Test Apparatus
- Software for Engineering Drawing & Analysis
- Fluid and Soil Mechanics Arrangements
- Water Supply and Irrigation Engineering Design and

- Drawing Tools
- Bridge, Railway and Airpot Engineering Design Mechanisms
- Surveying Equipments

DEPARTMENT OF MECHANICAL ENGINEERING (AUTO)

With all Facilities Required for Practical Exposure in Automotive and Automobile Field, SGI have:

- Compression Ignition Engines
- Spark Ignition Engines
- Orificemeter Appratus
- Venturimeter Appratus
- Bernoulli's Theorem Appratus
- Wet and Dry Servicing Equipments
- Digital Dynamometer
- Compressors and Thermostat
- Smoke Meter
- Catalytic Convertor
- Garage Equipments
- Master Cylinder
- Redwood Viscometer
- Martin's Appartus
- Advanced Carburettors
- Gear Box and Propeller Shaft
- Clutch Assembly
- Front Suspension System
- Four Wheel Drive System
- Differentials, Rear Axles and Hubs
- Dynamos, Altenators and Genrators
- Solenoid Switch and Self Starters
- Different Types of Fuel Injectors
- William's Lines Instrument
- Engine Tuning Equipment
- CNC Based Production Technology
- Humidity Chamber Machine
- Alternator Performance Testing Machine
- Automotive Operation Management Tools
- Autronics (Vehicle Electronics) and Vehicle Design Systems
- Semi Automatic Plastic Injection Machine
- Cuff Slotting Machine with Cyclic Timer
- Orbital Riveting Machine
- Automotive Mechatronics

- Siemens PLM Training Laboratory- Maintained by Siemens Authorized Technocrats

DEPARTMENT OF AERONAUTICAL ENGINEERING

With all Facilities Required for Practical Exposure in Aeronautical Engineering Field, SGI have:

- Computer Aided Engineering /CAM Laboratory Specializes with Latest Engineering Software
- Wind Tunnel
- Research Activities in Aircraft Control System
- Static and Dynamic Structure Analyzer
- Micro-Controller Programmer
- Advance Communication Techniques Systems
- Acoustic Optic Modulator with RX Unit
- Numerical Analysis Techniques Software's
- Propulsion & Structural Techniques Lab
- Energy Conversion Techniques and Various Transducers
- Aerodynamic Laboratory for Teaching and Research Activities in Aerodynamics Field
- Advance Aircraft Analysis
- Nastran & Patran and Computational Fluid Dynamic Analyzer
- 20MHz Arb Waveform Generator
- Antenna & Radar Systems
- High Performance Desktop PCs
- Modeling & Analysis Tools
- Measurement Techniques on Strength of Material

SAMALKHA FACULTY OF MANAGEMENT

BBA & MBA

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

This is a three year full time course that is designed to give rise to future professionals, rather than mere 'degree holders'. This course keeps in mind the needs of the industry where the students would ultimately find employment, and therefore, has a completely different approach to learning. It sharpens students managerial skills through presentations, case studies, industry visits, guest lectures by professionals etc., that help them to deal with real-life situations in a better manner. 70% subjects taught in this course, be it areas of management like marketing, finance, systems or human resource management, are similar to that in the MBA Programme.

OBJECTIVES

- To prepare students to take up middle level managerial positions in business sectors.
- To develop students' skill in object-oriented business management capable of understanding and solving practical business problems.
- To prepare students to proceed on to postgraduate level study.
- To produce up-to-date, assertive and effective executives for business and other organizations.
- To provide academic advising and placement to make the students capable of career advancement.
- To make them gain practical knowledge in all the fields to

make them efficient and effective managers.

- To inculcate values & ethics in students through academics, co - curricular & extra - circular activities.
- To prepare graduates for management career through unique blend of quality & flexibility.
- To develop an all-round personality, integrated with the very best of the Indian values and civilizations.

ELIGIBILITY CRITERIA

10+2 pass with 40% marks from a recognized Board of Education or an equivalent examination recognized by the University. Admission on Merit Basis. However, pass in English is must.

BBA 3 Years (Having Following Skills-set)

Management Skills, Marketing Skills, HR Skills, Financial Skills, Business Skills.

MASTER OF BUSINESS ADMINISTRATION (MBA) - DUAL SPECIALIZATION

MBA (2 years, full time) Programme has been approved by AICTE, Ministry of Human Resource Development, Govt. of India, an apex body for governing & regulating the entire higher education in India. The programme is affiliated to Kurukshetra University, Kurukshetra, Haryana. SGI is firmly committed to a rigorous, integrated and carefully sequenced programme of professional education in Business Management. Managers from SGI would be well equipped to think analytically and creatively, and to make reasoned and responsible decisions. They would be fully informed about ethical and moral dimensions of business decisions and have a superior command of the interpersonal relations & communication skills required in contemporary business. Our students would be fully conversant with current thinking and trends in the functional areas of business.

SPECIALISATIONS

As per the annual intake for Management Programme described further.

OBJECTIVES

- To expose students to practical knowledge through field visits, expert lectures by industry professionals and internship experience.
- To develop in students a capacity for critical enquiry, logical thinking, and analytical skills through research.
- To motivate lifelong learning by exposing them to various sources of information.
- To provide a rigorous treatment of the theories together with related practical aspects. It allows students whose career choices lie in the various sectors to develop their analytical skills and acquire knowledge.
- To motivate lifelong learning by exposing them to various sources of information.
- To enhance students' understanding of various business functions and their inter linkages through the core business courses.
- To provide students with a platform where they can study and learn different facets of Business world.

- To develop critical understanding of the social, political, economic, and technological environment of modern society and economy which are imperative to become effective leaders having potential to transform organizations.
- And to develop an all round personality that is well integrated with the very best of the Indian values and civilization across the world

ELIGIBILITY CRITERIA

The candidate must have

- Recognized Bachelor's Degree of minimum 3 Yrs duration.
- Obtained at least 50% in the qualifying Examination. (45% in case of candidate belonging to reserved category)

ANNUAL INTAKE FOR MANAGEMENT PROGRAMMES

Sr.No.	Course	Sanctioned intake
1.	Bachelor in Business Administration	120
2.	MBA (Dual Specialization, Major-Minor, Opportunity)	180
a	Finance	30
b	Marketing	30
c	Human Resource Management	30
d	International Business	30
e	Information Technology	30
f	Production & Technology Management	30
3	Communication & Media Technology (Masters Management Programme)	60

NOTE: The candidates will/may however be required to qualify at the Entrance Test conducted by the competent Authority. • Pass in the subject of English in the last qualifying exam is a must for admission to every course.

SAMALKHA FACULTY OF MANAGEMENT

PGDM

POST GRADUATE DIPLOMA IN MANAGEMENT (PGDM)

SGi offers a two year full time PGDM programme which is approved by AICTE, Ministry of Human Resource Development, Govt. of India, an apex body for governing & regulating the entire higher education in India. We are firmly committed to a rigorous, integrated and carefully sequenced programme of professional education in Business management. Alumni of SGi would be well equipped to think analytically and creatively, and to make seasoned and responsible decisions.

OBJECTIVES

- To develop students to use multi-decision making approach to comprehend about the nature of the business and to learn how to work in a cohesive manner in a team for achieving the excellence in industries along with developing their personality worth for a dynamic professional manager with entrepreneurship and path finder managerial skills.
- To train students using national & international case studies in order to develop a global mindset so that they can address the challenges of global competition
- To develop conceptual and analytical skills and in depth understanding of functional areas to gain practical business experience.
- To produce a highly qualified professionals impart with the knowledge of sound management and decision making.
- To inculcate positive attitudes, abilities and practical skills that is essential for a socially responsible and competent manager.
- To provide an in-depth knowledge of specific sub-

disciplines chosen by the students as areas of special interest in the form of elective courses.

- To understand the social, economic, political, technological and ecological environment of modern society and create effective leaders, who have the potential to transform organization.

HIGHLIGHTS

- Dual degree from India & overseas (Optional)
- Internationally acclaimed Personality Development & skills enhancement Programme
- Free laptop with high speed data card
- Study materials for all the semesters
- IELTS band assurance
- Industry interface with IBM as education partner
- Foreign Tour/Overseas industry visit
- Assured Campus Placement
- Extended Industry Internships closely guided by faculty and mentored by industry
- Learning process at the academy include classroom discussion, case studies, simulations, practical training, work visits, group assignments etc

SPECIALIZATIONS

As per the annual intake for Management Programme described further.

ELIGIBILITY CRITERIA

The candidate must have

- Recognized Bachelor's Degree of minimum 3 Yrs duration.
- Obtained at least 50% in the qualifying Examination. (45% in case of candidate belonging to reserved category)

ANNUAL INTAKE FOR MANAGEMENT PROGRAMMES

Sr. No.	Course	Sanctioned intake
1.	PGDM	180
a	Banking and Finance	30
b	Business Development & Marketing	30
c	Fire Safety & Security Management	15
d	International Business Strategies	15
e	Event and Hospitality Management	10
f	Hospital & Patient Record Management	15
g	Investment & Financial Management	15
h	Network and Data Management	15
i	Textile Management	15
j	Advances in Retail Management	10
k	Telecom Management & Marketing	10

NOTE: The candidates will/may however be required to qualify at the Entrance Test conducted by the competent Authority.

For Cheques & Drafts : Samalkha Faculty of Management (PGDM), Payable at Samalkha, Panipat Haryana.

INFRASTRUCTURE & FACILITIES

The campus is located in the pollution free sprawling land of NCR with following facilities:

- The conference hall is well equipped with state-of-the art audio-visual and multi-media tools to facilitate smooth presentations.
- Operating with a large number of desktops, world class servers and a Wi-Fi campus to ensure mobile computing at all locations. Internet bandwidth of 12 Mbps helps support our systems.
- Sports lounge has various indoor and outdoor games facilities like Table- Tennis, Carom, Chess, Basket Ball, Volley Ball, Football, Cricket and other board games.
- Hi-Tech Classrooms & Wi-Fi (INTERNET) enabled Campus.
- Comfortable and luxurious fleet of buses is available from all adjoining areas.

24 X 7 ONLINE LIBRARY

The library is well stocked with text and general books along with the magazines and research journals, regular newspapers, both regional and national are specifically subscribed to cater the need of all the readers. Various facilities like e-library, e-journals & subscription with various International agencies like 'DELNET or J-GATE'.

HOSTELS FOR BOYS & GIRLS

The institute has large separate hostels for boys & girls with in-house mess facility. Our hostels are not only protected with high walls and large gates, but are also guarded strictly round the clock. The hostels are inside the campus and ensure the maintenance of absolute discipline among the students.

THE CAFETERIA

The cafeteria not only provides a vibrant atmosphere and unleaded fuel for the day but also is an effective way to put forth a new method called the "Cafeteria approach". This is a new method of learning in an informal manner.

SEMINAR HALLS

The campus has large Seminar Halls which can easily accommodate a large number of audience. The Halls are well equipped with technological tools like LCD Projectors, OHPs and other multi-media equipments. The seminars /guest lectures/group discussions are carried out in these Seminar Halls.

LABORATORIES

The laboratories and mechanical workshops being the central facility, have most modern equipment & machinery conforming to highest standards. The institute has state-of-the-art Physics, Chemistry, Electronics & Communication, Electrical Technology labs, Computer Engineering labs, Automotive Engineering and Automobile labs, Aeronautical Engineering labs, Mechanical Workshops and Civil Engineering labs. The laboratories have been planned with absolute care to ensure safety while working. All the required machines and equipment in the labs/mechanical workshops are as per prescribed norms and standards. Each lab/workshop is spacious enough for the students to work comfortably.

THE CLUBS

The various Clubs and Training Centers at SGI are: ERDC (Embedded Research and Development Centre), Mechatronics Centre, Cyber Forensic Lab, Language Lab, Soft Skills Center, Psychometrics Level of Education, Robotics Lab, CAD/CAM Center, Discover Yourself Lab, SPICMACY (For cultural affairs), Software Solutions Services Lab, Mind and Soul Centre, Summer Training Club and Proposed Radio Station.

HIGHLIGHTS

OF

EVENTS, CELEBRATIONS & EXTRA CURRICULAR ACTIVITIES

OVER 40+ JOBS OFFERED FOR ENGINEERING STUDENTS AT SGI CAMPUS PLACEMENTS WITHIN A MONTH

In the Month of November – December 2013, SGI Employment Office at Samalkha Group of Institutions organized one Job Fair and two Campus Drives for its final year students. In total, approx 14 corporate/companies participated for the placement of its students.

SGi successfully organized "Talent Hunt 2014" on 23rd November 2013 to provide plenty of job opportunities in corporate sector at national level to the deserving candidates. Many students registered for the event from all over the country. Thousands of registrations were made online from different parts of the country. About 12 reputed companies visited the campus for hiring candidates against 200+ vacancies.

Samalkha Group of Institutions had organized a Pool Campus Drive for OFOS Services Pvt. Ltd on 29th November 2013 at Campus, for its own Engineering CSE/ECE/EEE/ME final semester students. Clubbing both event, SGI got more than 40+ Offer letters and approx 60+ students were shortlisted for the Final Round.

Among the companies recruiting from SGI Campus were InterGlobe Technologies, Maintec Technologies, Logic ERP, Futuronix Automation, QSource Global, IKYA Human, Airtel, CFE India, Fidelity Investments, Jyoti Electro Systems, Bon Digital INC, HIND HYDRAULICS & ENGINEERS and OFOS

Services etc. The recruiters had expressed their satisfaction with the knowledge and soft skill competencies of SGI students.

MECHANICAL ENGINEERING STUDENTS OF SAMALKHA GROUP OF INSTITUTIONS (SGI) VISITED HMT MACHINE TOOLS LIMITED, PINJORE

The Mechanical Department and the Training and Placement Cell of Samalkha Group of Institutions organized an industrial visit for its B. Tech Mechanical students to HMT Machine Tools Limited, Pinjore on 2nd December 2013. HMT Machine Tools, the pioneer in Machine Tools Industry in India and manufacturers of a diversified range of products. A multi-technology company manufacturing a wide variety of state-of-the-art machine tools. Around 40 students were taken on this industrial visit where they were briefed on how Advanced and sophisticated Tool Room and Computer Numerical Control (CNC) Machines work and how the different parts of the tractor are manufactured and transported into the market. The students got an opportunity to interact with the engineers and technical staff and learnt about the work atmosphere and various functional areas like manufacturing, quality control, supply chain and other major operations of the company. Company's officials were impressed by the initiative and inquisitive attitude of the SGI students and provided a thorough sneak into core manufacturing skills. The visit lasted couple

of hours but the kind of influence it left upon the students is irreversible. Next day after this industrial visit, a short report preparation on this visit was conducted by Prof. (Dr.) Rajesh Goel (Director, SGI) and Mr. Sunil Kumar (HOD, ME) to understand the learning students got recently. The results were immense. Every student who visited the HMT, Pinjore came up with highly effective and impressive project report.

"We are very happy with the recent developments in Samalkha Group of Institutions and hope to enhance our educational quality to even higher level" said, Mr. Amit Sinha, Manager Placements SGI. The last session of the visit was very interactive where students got an opportunity to have a discussion with the management like Production Officer, Supply Chain Manager and they all interacted with the students on the quality standards and customer confidence. It may be noted that at HMT, all products are manufactured under the most advanced technical guidelines and a solid quality measure is put in place to ensure high customer retention and minimize the re-works. Great care is exercised in the selection & quality control of raw materials, packaging materials & rigid quality standards are ensured at every stage of the manufacturing process. A complete knowledge about production and assembly made this industrial visit very knowledgeable experience for all the students of Samalkha Group of Institutions.

“ETHICAL HACKING WORKSHOP ORGANIZED AT SGI BY ERDC THROUGH AIESEC IIT KHARAGPUR AND INFOZZ TECHNOLOGIES PVT. LTD”

A two days Ethical Hacking and Information Security Workshop named “HACKMANIA” was organized by Embedded Research and Development Centre (ERDC) at Samalkha Group of Institutions on 29th & 30th November 2013 in association with AIESEC IIT Kharagpur and Infozz technologies Pvt. Ltd. The workshop was conceived by Er. Pawan Garg, Research Engineer, ERDC. SGI students Adhikansh (EEE 2nd yr.) and Nikhil (EEE 2nd yr.) also helped in organizing the said workshop.

Students of B.Tech (ECE, EEE, ME and CSE) attended this workshop. This workshop was organized with the sole aim of providing awareness to ECE, EEE, ME and CSE students about information security.

The workshop was delivered by ethical hacking expert Mr. Chandersh Kwatra. The workshop included concepts of Hacking, Trojans and Viruses, Attacks on Email, Reverse Engineering, Wireless Hacking, Targeting web apps, Mobile and VOIP Hacking and cyber laws etc. He told the students about how they can secure and prevent their devices and important data from various virus attacks, Trojans attacks etc. He also taught various techniques from which students can secure their E-mail accounts from various threats.

This type of workshops are necessary for students because industries are demanding skilled engineers and SGI fulfill this employability gap by organizing such extension lectures & workshops. Students were provided with the information security toolkits and participation certificates.

Prof. (Dr.) Rajesh Goel (Director, SGI) also discussed the whole concept related to ethical hacking with the organization and participants.

“NEEV 13 WORKSHOP” ORGANIZED FOR CIVIL ENGINEERING STUDENTS AT SGI

Civil Engineering Department of Samalkha Group of

Institutions(SGi) organized a Workshop “NEEV 13” for B.Tech Civil Engineering students on 29th November 2013.

The workshop was organized in association with ABCI Infrastructures Pvt. Ltd. The workshop started with lamp lighting and Saraswati Vandana. Then the guests from ABCI Infrastructures Mr. SC Dhingra, General Manager and Mr. Yogesh Bansal, Bridge Consultant were presented with mementos by Hon'ble Dr. (Prof.) Rajesh Goel, Director, SGI.

The focus of the workshop was on promotion of recent development in Civil Engineering field, IS and IRC specifications regarding construction, live demonstration of equipments, new trend in concrete technology, practical(field) experience sharing by experts, Job opportunities in future for this field in Govt. Sector, Private sector and PSC's.

After the encouraging lectures by field experts, live demonstration of the field equipments was done by experts with the help of Civil Engineering Department faculty members- Mr. Gaurav Kumar, AP and Ms. Saroj Jaglan, LT. Students were very excited during the workshop.

The event was coordinated by Mr. Shashank Sharma, Faculty Civil Engineering Department. The event was successful due to the dedicated efforts of Mr. Mukul Kathuria, HOD, Civil Engineering Department.

In this event, Director, HODs of all departments and all the faculty members & students of Civil Engineering Department were present. At the end of workshop, all the students thanked the SGI management for organizing such a learned workshop.

STUDENTS OF SGI PARTICIPATED IN FASHION SHOW “RUNWAY”

Students of SGI became part of one of the grand Fashion Shows “RUNWAY- Mr. and Ms. 2013” at Karnal Club Karnal on 24th November 2013.

This fashion show completely redesigned the high-traction ramp walk. The theme of fashion show was “Kaftan”. RUNWAY represents “the flames India Insight” and it was organized in association with Nandini film production and Millan samachar. There were many professionals from the field of modeling who walked the ramp along with SGI students.

The event had many popular faces of fashion world including fashion designer Gurvinder Arora and his team who recently launched his new Kaftan range for the middle-east countries.

On 12th November 2013 auditions were taken at Seminar hall, SGI campus for screening students for final round of RUNWAY. Three days workshop was organized for grooming all the participants for the final round which was very effective and students found it very valuable. There were 3 rounds in the competition ethnic wear, traditional, and funky/ casuals. In all there were 20 contestants for the competition out of which 5 were from Samalkha Group of Institutions, they were Akash (CSE 1st sem), Rahul (CSE 1st sem), Nazrealam (CSE 1st sem), Kishan (CSE 3rd year), Jatin (ME 5th sem) and 4 of them could make to the finale. The entire programme was compared by Daljeet Kaur (MBA-3rd sem, SGI).

Everyone got carried away with the special singing performance by Gaurav (ECE 4th sem., Student of SGI). He rolled the stage with his collection of self composed songs and the ambiance was electric during the performance.

The mesmerizing music, flash freezing lights and the exuberant students were the defining moments on that day. SGI has proved it again that it is filled with talent and it is ready to face such kind of competition.

WEBINAR ON 10 COMMUNICATIONS SYSTEM DESIGN RESEARCH IDEAS ORGANIZED AT SGI

ECE, EEE & ERDC Department of Samalkha Group of Institutions organized an event “Webinar on 10 Communications System Design Research Ideas” for M.Tech ECE students on 23rd November 2013. The event was organized in association with National Instruments India. The event was coordinated by Mr. Vikas Uttraja, HOD, ECE & EEE, SGI and Mr. Pawan Garg, Research Engineer, ERDC, SGI.

Web conferencing refers to a service that allows conferencing events to be shared with remote locations. These are sometimes referred to as webinars, for interactive conferences and online workshops. In general, the service is made possible by Internet technologies, particularly on TCP/IP connections. The service allows real-time point-to-point communications as well as multicast communications from one sender to many receivers. It offers data streams of text-based messages, voice and video chat to be shared simultaneously, across geographically dispersed locations. The webinar was delivered by Mr. Abhay Samant (National Instruments India). M.Tech students attended this webinar to gain insights into the current trends in the wireless communications industry. They

also learned about the most pressing challenges being faced by the top players in this industry and how academia can help to solve these challenges.

SGi has always given priority to organize such time to time activities to give its students practical exposure.

All the students were very motivated and excited.

FRESHER'S PARTY OF MECHANICAL & MECHANICAL (AUTO) HELD AT SGI

The most awaited Mechanical & Mechanical (Auto) Fresher's party of the year finally took place on Saturday, 16th November 2013 at SGI. The Freshers Party was titled "Mech Fire 2K13". Fabulous team of seniors organized Freshers party for all the new faces. The senior batch students whole heartedly extended a warm welcome to their junior counterparts.

The day began with lighting of the lamp and garlanding the statue of Goddess Saraswati by Prof. (Dr.) Rajesh Goel, Director Samalkha Group of Institutions, Samalkha along with Er. Sunil Kumar-HOD, Mechanical Engineering and all HODs of other Departments. Director in his welcome speech congratulated the students for organizing the event wonderfully. Accentuating the importance of being a disciplined student, he stressed that it is essential to nurture and develop basic values in a student. He also said that he dreamt to see SGI among the Top Colleges and that can be possible only when all will become determined and will do work hard.

Speaking on the occasion, Dr. Puja Walia Mann- Dean FOM said, "We welcome the new students to our esteemed organization. These young boys are the future of our country and we can shape the future of our society by nourishing these young minds. During their stay here, we will ensure their healthy overall development". She also congratulated the students for organizing the wonderful event.

Er. Sunil Kumar, HOD, ME called upon the students to participate in curricular, extra-curricular and co-curricular activities with the same spirit as in the corporate world all around personality is very high in demand. He further added that the students must show their hidden talents at such occasion. The mesmerizing music, songs, flash freezing lights and the exuberant students were the highlights in the party. The youngsters cheered and hooted for their peers and

juniors. The newcomers were introduced through walk on the ramp. In this way, the formal introduction of juniors & seniors put a foundation of long-term relationship.

SGI CONVOKED INTER-SCHOOL ESSAY WRITING COMPETITION -2013 AT NATIONAL CHILDREN'S DAY

As a part of Corporate Social Responsibility, SGI along with our corporate partners like Vodafone had taken an initiative to organize an Inter- School "ESSAY WRITING COMPETITION" on 14th November 2013 on Children's Day for the students of IX to XII standard. The aim of this competition was to encourage students to showcase their thought process and writing skills on issues of social importance leading to youth awakening. The very name SGI has grown to be synonymous with excellence in education and under the banner of Nav Nirman Sewa Samiti (The Promoting Body), SGI has been envisioned to be an institute promoting academic and professional excellence, nurturing and sustaining conducive ambience for sculpting budding talents into technocrats and managers of tomorrow.

Prof. (Dr.) Rajesh Goel addressed the participants in his opening speech that Children's Day -- a day dedicated to children -- is observed as an event across the world to celebrate childhood and promote awareness about children's welfare. Endorsed by global organizations and governments, this celebration aimed at promoting the wellbeing of children and to uplift their social rights. Children are adorable. They are like divine gifts that parents get from the almighty. Their eyes are full of innocence. They smile when they receive love and admiration, they cry when it is their first day at school away from their parents, they giggle when they mingle with their buddies, and they signify nothing but the pure and faithful love. They truly symbolize god. 14th November is celebrated as children's day all over India. 14th November is also the birthday of Pandit Jawaharlal Nehru, the first prime minister of independent India. Childhood memories are sweetest of all. They can be savored for a life-time. Children's day celebration is fun for the little ones but it is important for the parents too. SGI understand the importance of the children's day that's why the event was organized by SGI said Dr. Puja Walia Mann (Dean, Faculty of Management).

Around 500 students from 25 schools registered for the event.

The students were very enthusiastic about the inter school Essay Writing Competition.

Muskan Khurana (Student, DPS Panipat City) was awarded 1st Prize in Essay Writing Competition, she was awarded a Certificate and also a cash prize of Rs 5000/-. Preeti Saini (Student, Hindu School, Sonapat) was awarded 2nd Prize, she was awarded by a certificate and also a cash prize of Rs 2000/. Shubhendu Raj (Student, Kendriya Vidhyalaya, Pitampura, New Delhi) was awarded 3rd Prize. She was awarded certificate and also a cash prize of Rs 1000/-. Siddhartha International School, Panipat won SGI "ESSAY-WRITING COMPETITION" 13" Running Trophy.

Prof. (Dr.) Rajesh Goel (Director, SGI) and the SGI management had also congratulated students with these marvelous achievements.

"WORKSHOP ON EMERGING OPPORTUNITIES IN BUILT ENVIRONMENT" ORGANIZED AT SGI

Civil Engineering Department of Samalkha Group of Institutions organized an event "Workshop on Emerging Opportunities in Built Environment" for B.Tech Civil Engineering and Mechanical Engineering pre final and final year students on 13th November 2013.

The event was organized in association with Royal Institution of Chartered Surveyors (RICS). The event was started with lamp lighting and Saraswati Vandana. Then the guests from RICS Ms. Anshu Arora, Deputy Manager, RICS and Ms. Swati Malik, Asst. Deputy Manager, RICS were presented with the mementos by Dr. (Prof.) Rajesh Goel, Director, SGI.

The focus of the workshop was to promote ongoing human resource development in built environment, promote appropriate standards of health, safety and environmental protection within the built environment industry, new techniques in built environment, contribution in GDP by built environment, Job opportunities in future for this field. The workshop started with the introductory note by Prof. (Dr.) Rajesh Goel on built environment. After the encouraging lecture by Ms. Anshu Arora, students of 5th sem Civil Engineering Vishal, Ankit, Jaspal gave presentation on the imagination of future city name "THE ARK" city. They compared these cities with Noida and Chandigarh & how these cities can be further improved.

The event was coordinated by Mr. Shashank Sharma, Faculty Civil Engineering Department.

In this event all the faculty members and students of Civil Engineering Department were present. At the end of workshop, all the students thanked the SGI management for organizing such an encouraging event.

SGI STUDENTS TAXIED DOWN THE RUN WAY!

"Cinderella is a proof that new pair of shoes can change your life" this quote states that a new opportunity change the life and gives new colors in one's life, so grabbing opportunity is an essential task and Samalkha Group of Institutions always like to exhibit the talent of students by giving such platform.

Students of SGI became the part of one of grand Fashion Show "RUNWAY- Mr. and Ms. 2013" by taking part in the auditions on 12th November 2013 for this grand event. This fashion show completely re-designed the high-traction ramp walk and cat walk. The Programme was coordinated by Dr. Puja Walia Mann, Dean SGI.

RUNWAY represents to "the flames India Insight" and it is associated with Nandini Film Production and Millan Samachar. Auditions were taken by professionals in the field of modeling i.e. Mr. Tej Singh Pundir (Choreographer and event Organizer), Ms. Akshma Sharma (Media person, Director, Nandini Production). The motto of this audition was to select students for the final round of RUNWAY- fashion show that is going to happen on 24th November at Karnal Club. Runway auditions took place in the Seminar Hall of SGI and many students took part in this. Students were judged on the basis of their body language, confidence, attitude etc. Students were delighted to participate in Runway. In the end, 20 students were selected for the final round of Fashion show. SGI always welcomes such kind of opportunities and ready to snaffle these so that students may get a chance to show their talent and to groom themselves.

Director of SGI enchanted by seeing spellbound performance of SGI students and he also blessed the students for their further round.

SGI STUDENTS PARTICIPATED IN WRESTLING TOURNAMENT

Wrestling is a form of combat sport involving grappling type techniques such as clinch fighting, throws and takedowns, joint locks, pins and other grappling holds. A wrestling bout is a physical competition, between two (occasionally more) competitors or sparring partners, who attempt to gain and maintain a superior position. There are a wide range of styles with varying rules with both traditional historic and modern styles. Wrestling techniques have been incorporated into other martial arts as well as military hand-to-hand combat systems.

Wrestling represents one of the oldest forms of combat. Literary references to it occur as early as in the Iliad, in which Homer recounts the Trojan War of the 13th or 12th century BC. The origins of wrestling go back 15,000 years through cave drawings in France.

A Wrestling Inter-Collegiate Tournament was held on 06th and 7th November 2013 at Government College, Sector-1, Panchkula. Three students (Sumit Hooda B.Tech CSE 7th sem), Ankit -B.Tech ECE 5th sem, Mountazir- B.Tech CSE 3rd sem) from Samalkha Group of Institutions participated in this event.

Mr. Pawan Garg, faculty ERDC also supported in this event. Mr. Somveer, Teacher in Physical Education was the coordinator of this event.

DEEPAWALI CELEBRATION AT SGI

Samalkha Group of Institutions organized vibrant Deepawali Celebration in its hostel campus with fervor on 3rd November 2013. Deepawali involves the lighting of small clay lamps filled with oil to signify the triumph of good over evil. All worshiped Goddess Lakshmi and Lord Ganesha as a ritual ceremony of Deepawali.

Staff and students made rangoli with beautiful colors and burnt crackers. Students participated with great zeal. It was followed by certain performances that include singing, dancing etc. The exciting dance and songs gave a reminder of our culture and traditions. Students of the institute danced on the exotic beats of western and local folk music.

Sweets were distributed among all. Students exchanged gifts

among them. The event was conducted in a nice manner and all were very happy.

Prof (Dr.) Rajesh Goel (Director, SGI) and the SGI management had also celebrated Deepawali with students.

TAEKWONDO TOURNAMENT ON 29TH AND 30TH OCTOBER 2013

Taekwondo is a Korean martial art. It combines combat and self-defense techniques with sport and exercise. It was developed by a variety of Korean masters during the 1940s as partial combination of taekkyeon, Okinawan karate and other traditions.

The name taekwondo was coined by Choi Hong Hi who is claimed to be the founder and creator of Taekwondo by the International Taekwondo Federation. The World Taekwondo Federation claims that taekwondo development was a collaborative effort. A Taekwondo Inter Collegiate Tournament was held on 29th and 30th October 2013 at S.A. Jain college, Ambala city. Four students from Samalkha Group of Institutions got positions in this event.

Ketan Thakur of ECE third year and Raj Kumar Jony of CSE second year got Silver medal and Suranjeet Singh of Mechanical second year and Sumit Hooda of CSE fourth year won Bronze medal. Mr Pawan Garg, Faculty, ERDC also extended his support in this event. Mr. Somveer, Teacher in Physical Education was the coordinator of this event.

SGI has always given priority to the students to participate in different activities so that they can explore and achieve the best in their interest.

The college is proud of such students achieving positions at such levels.

"FRESHER'S PARTY OF AERONAUTICAL AND CIVIL ENGINEERING DEPARTMENT" AT SGI

Department of Aeronautical and Civil Engineering conducted Fresher's Party for Aeronautical Ist Sem and Civil Ist Sem students under the Co-ordination of Er.Mukul Kathuria (HOD, Civil Engineering) and Er.Debraj Mitra (HOD, Aeronautical

Engineering) Fresher's Party was held on 26th October 2013 at 11:00a.m. in SGI campus. It was organized by the 3rd semester students of Aeronautical and Civil Engineering Department to show their gratitude and hospitality towards the fresher students.

In the presence of honorable chief guest Prof. (Dr.) Rajesh Goel (Director, SGI) and Prof. (Dr.) Puja Walia Mann (Dean, FOM) and HODs Er. Amit Verma (HOD, CSE), Er. Vikas Utterja (HOD, ECE/EEE), Dr. Praveen Bhatt (HOD, Applied Sciences and humanities), Er. Sunil Kumar (HOD, ME), the programmes were started with Saraswati vandana and Lamp lighting and encouraging speeches from the Director and the Dean. Programmes consisted of singing, dancing, mimicry and ramp walk competitions for chasing Mr. Fresher (Aero), Mr. Fresher (Civil) and Ms. Fresher (Civil). The Director handed over the prizes to the deserving winners at the end of the programme.

Department of Aeronautical and Civil Engineering were thankful to Prof. (Dr.) Rajesh Goel (Director, SGI) and the SGI management for extended efforts to support in organizing this Fresher's Party at Samalkha Group of Institutions.

FRESHER'S PARTY FOR CSE, ECE & EEE ORGANIZED AT SGI

Fresher's party was organized for B.Tech (CSE, ECE & EEE) 1st year students on 26th October 2013 at SGI. Fresher's Party is organized every year for 1st year students so as to make them feel comfortable in the new atmosphere.

The event started with traditional lamp lighting & Saraswati Vandana. Then the event started with motivating speech of Dr. Puja Walia Mann, Dean FOM, SGI.

The party comprised of dancing & singing performances by 2nd year students, games for 1st year students and Introduction Round for freshers.

Based on the performances of freshers, the titles of the Fresher party were given which were as follows:

Mr. Fresher title was given to Akash, Miss Fresher was awarded to Shivangi. The title of Mr. Personality was awarded to Rahul. The prizes were given by Prof. (Dr.) Rajesh Goel, Director, SGI and all the HODs.

Prof. (Dr.) Rajesh Goel welcomed the freshers and congratulated them for being a part of such a promising institute like SGI. He also extended his best wishes to all the

students for performing well in future. All were very excited and enjoyed a lot.

The whole event was coordinated by Ms. Dimpy, Faculty EEE Department, Mr. Tarunjeet Singh Chugh, Faculty ECE Department, Ms. Nutan, and Ms. Silky Azad, Faculty CSE Department. The student coordinators were Vishal, EEE 3rd semester, Shubham, ECE 3rd semester.

Dr. Puja Walia Mann, Dean FOM motivated the students with her speech.

WORKSHOP ON PLC/ SCADA AUTOMATION, IBMS AND EMBEDDED & ROBOTICS " AT SGI

ECE & EEE Department of SGI organized an event named "Workshop on PLC/SCADA, IBMS and AUTOMATION" for all B.Tech CSE, ECE & EEE students on 25th October 2013.

The event was organized in association with Sofcon India Pvt. Ltd. The event started with lamp lighting and Saraswati Vandana. Then the guests were presented mementos by Mr. Vikas Uttraja, HOD, ECE & EEE, SGI. In this modern world automation has become the need of an hour. Automation or automatic control is used in various control systems for operating equipments such as machinery, processes in factories, boilers and heat treating ovens, switching on telephone networks, steering and stabilization of ships or aircraft and other applications with minimal or reduced human intervention. The biggest benefit of automation is that it saves labor, however, it is also used to save energy and materials and to improve quality, accuracy and precision.

The experts from Sofcon India Pvt. Ltd were Mr. Bhaskar and Mr. Vineet. They focused on the need of automation, IBMS, Embedded & Robotics. They stressed on the fact that IBMS is becoming an essential in industries and Prerequisite of becoming an IBMS Engineer. They also covered the tools required for automation such as PLC & SCADA.

The whole event was coordinated by Mr. Hemant Chugh, Faculty ECE Department and Ms. Nitu, Faculty ECE Department.

The event was successful due to the dedicated efforts of Mr. Vikas Uttraja, HOD, ECE & EEE Department and Mr. Amit Verma, HOD, CSE Deptt.

In this event, all the faculty members and students of ECE, EEE and CSE department were present.

FRESHER'S PARTY OF BBA & MBA

The much awaited Fresher's Party at Samalkha Group of Institutions, Samalkha was held on 24th October 2013 for the 1st year students of BBA & MBA by their seniors. Fresher's Day Party named as "LET'S BE FRIENDS"-2013 manifested Fun, Frolic, Smiles and rejuvenated Spirits and also marked the start of the new bonds. The senior batch students whole heartedly extended a warm welcome to their junior counterparts. The day began with lighting of the lamp and garlanding the statue of Goddess Saraswati by Honorable Dean Dr. Puja Walia Mann along with Faculty members and HODs of other departments of college.

Honorable Dean in her welcome note congratulated the students who organized wonderfully. Accentuating the importance of being a disciplined student, she emphasized on importance of nurturing & development. Addressing on the occasion C.A Dr. Sarita Goel- Member executive, SGI said, "We welcome the new students to our esteemed organization. These young boys and girls are the future of our country and we can shape the future of our society by nourishing these young minds. During their stay here, we will ensure their healthy overall development." The party started with the Balloon Blasting by 1st year students, Dean along with HOD's of other departments.

The mesmerizing music, songs, flash freezing lights and the exuberant students were the defining moments in the party. The youngsters cheered and hooted for their peers and juniors. The newcomers were in this way the formal introduction of juniors & seniors put a foundation of longterm relationship. Heart throbbing dance numbers, melodious songs of today and past era, and other cultural performances of the students made the atmosphere extremely energetic. Student Coordinators Prajjwal & Renu Devi invited their juniors for first round of activity "Act with Directions". Students enjoyed the activity a lot & Anil of MBA (1st) & Bikram of BBA (1st) won the activity. After that atmosphere seemed to be engaged with more and more activities.

Students of MBA final year came out with different individual and Group performances by Ajay, Sarita, Randeep & Abhishek. Randeep and Vikas of MBA final year students arranged "Dare to Do" activity for their juniors and students participated

with full enthusiasm & zeal. Mukul, Deepak of BBA(1st) and Shravan of MBA (1st) won this activity.

A surprise activity was conducted by the student coordinators in which students were given various acts to perform. Anil of MBA(1st) won the surprise event and Dr. Sarita Goel honoured the winners. On the eve of fresher's party the birthday celebrations of two students Stephy MBA (2nd) and Monica (1st) was a surprise.

Sapna from MBA(1st) grabbed the show by her mesmerizing dance on "Dil Hai Chota Sa". The main challenge of the evening Mr. and Ms. Fresher were selected, on the basis of their performance in three different rounds. Monica Sharma of MBA and Pragati of BBA were crowned with Ms. Freshers and Sanjay of MBA and Bhavya of BBA were adjudged as Mr. Freshers. Nischal of MBA and Deepak of BBA were selected as Mr. Senora of the party along with Ms. Senorita as Monica of MBA and Jyoti of BBA.

SGI SNAFFLED THE OPPORTUNITY FOR EXHIBITING TALENT OF ITS STUDENTS IN YOUTH ZONAL FEST

Students of SGI participated in Youth Zonal/Inter Zonal Fest Sponsored by Kurukshetra University. "A wise man will make more opportunities than he finds." So the proverb that "rather than waiting for an opportunity grab the opportunity" is proved true by SGI students. The objective of education is not just to impart academic knowledge, but also to ensure the overall development of students. Education is complete and achieves its purpose only when the students become equipped to meet the challenges in Samalkha Group of Institutions never miss opportunities for providing such a platform to students for showing their talent and for grooming them.

Students of Samalkha Group of Institutions, Samalkha participated in the Inter – college "Technical Zonal Youth fest" for the year 2013 directed by Department of Youth & Cultural Affairs, Kurukshetra University, Kurukshetra.

The Objective of Department of Youth & Cultural Affairs, Kurukshetra University, Kurukshetra is to create an unparalleled forum for the students to test their intellectual and artistic prowess, simultaneously opening a venue for sharing mutual experience, skills and talent in the field of culture and other

activities on a common platform.

Students of Samalkha Group of Institutions participated in Skit competition at Youth Zonal Fest. The students participated were Arvind Kumar, Rohit, Sonu, Manjeet, Ashish, Ranjan, Rahul, Arvind, Harish and Ashish Tanwar from mechanical, Civil & ECE departments of SGI. The skit was on the theme entitled "Female Foeticide and Trafficking among Women"; as Socio economic empowerment of women is essential for making informed decisions and for change of the mind sets. The tale of the play revealed dark secrets of the Indian society - female infanticide in outstandingly thought provoking way. The theme of play was set on the angle of those unborn babies and their imaginative perspective. The unborn children have their own world where they all share their stories, sorrows and dreams which could not be fulfilled. Female feticide is a scary truth of India especially in Haryana.

Students plugged into the electrifying atmosphere of the Youth Zonal Fest. SGI will always be ready for such kind of opportunities & for exhibiting students' Talent. The Programme was coordinated by Dr. Puja Walia Mann, Dean SGI. The event was coordinated by Ms. Pooja Batra. Dr. Rajesh Goel, Director, motivated the students for above said events.

ETHICAL HACKING WORKSHOP ORGANIZED AT SGI BY ERDC

A one day Ethical Hacking and Information security Workshop named "HACKMANIA" was organized by Embedded Research and Development Centre (ERDC) at Samalkha Group of Institutions on 24th October 2013 in association with AIESEC IIT Kharagpur and Infozz technologies Pvt. Ltd. The workshop was organized by Er. Pawan Garg, Research Engineer, ERDC. SGI students Nikhil (EEE 2nd yr.) and Sunil (EEE 2nd yr.) also helped in organizing the workshop.

Students of B.Tech (ECE, EEE and CSE) attended this workshop. This workshop was organized with the sole aim of providing awareness to ECE, EEE and CSE students about information security.

The workshop was delivered by ethical hacking expert Mr. Chandersh Kwatra. The workshop included basic concepts of Hacking, Trojans and Viruses, Attacks on Email, Reverse Engineering, Wireless Hacking, Targeting web apps, Mobile and VOIP Hacking and cyber laws etc. He told the students how they can secure and prevent their devices and important

data from various virus attacks, Trojans attacks. He also taught various techniques from which students can secure their email accounts from various threats.

These types of workshops are necessary for students because industries are demanding skilled engineers and SGI fulfill this gap by organizing these types of workshops.

Prof. (Dr.) Rajesh Goel (Director, SGI) promised the students to organise these types of activities in coming future too.

DIYAS AND CANDLES EXHIBITION AT SGI BY "DIFFERENTLY-ABLED KIDS

Life is about trusting our feelings and taking chances. "Why fit in when you were born to Stand Out?" They believed in this, they took the challenge and set a good example for the young generation.

Samalkha Group of Institutions invited differently abled children to put an exhibition cum sale counter for Diyas and Candles on 23rd October at 10:00 am. In this exhibition they presented Diyas and Candles which were handmade and painted by Divya Special School children. They displayed good variety of Diyas and Candles at such reasonable rates and they were so attractive that Faculty and students of SGI took the privilege buying a token of the same and contributing in the noble cause.

Dr. Puja Walia Mann, Dean –FOM, who took the initiative to invite them said these kind of activities will help these kids boost their confidence levels and will improve social skills. In future we can kind find many more activities of this sort to make them a part of our surroundings.

Prof. (Dr.) Rajesh Goel, Director, motivated the students of Divya Special School with his thoughts.

APTITUDE TEST IN ASSOCIATION WITH APTECH ORGANIZED BY CSE DEPARTMENT AT SGI

An aptitude test in association with APTECH was organized by CSE Department at SGI on 21st October 2013 for B.Tech(ECE & CSE) all year students.

APTECH Computer Education is one of the premier education

institutes with 27 years of experience in the field of IT training. It has trained over 65 lakhs professional in over 40 countries. The institute provides a wide variety of career, professional, short term and certification courses, designed by expert academicians after careful market study and research.

Ms. Rashmi Grover, Director, APTECH was present to conduct test. The students had to register themselves for the test. There was no registration fee. Around 65 students appeared for the test.

The test was of 45 minutes duration. It included Reasoning, English and Mathematical Ability based questions. 10 students will be selected by APTECH and will be provided free training by the institute. The results will be announced soon.

The event was coordinated by Mr. Virender Kadyan, Faculty in CSE Department.

PARTICIPATION IN AEROMODELLING SHOW AT PINJORE FLYING CLUB, PANCHKULA

Aeronautical Engineering Department, SGI organized a Participation Programme visit to Aeromodelling Show Coordinated by AMA (Aeromodellers Association) at Pinjore Flying Club, Panchkula for its B.Tech Aeronautical Engineering 1st and 2nd year students on 19th October 2013 under the guidance of Er. Debraj Mitra (HOD, Aeronautical Engineering).

SGI is hub for providing Practical Education to the students with its Course Curriculum. Its aim is to make student competent for the need of global corporate world and it is providing vibrant, resilient and holistic education with practical knowledge by arranging Training, Live Projects and Project Module in Multinational Companies.

The students participated in Aeromodelling Show with honourable invitation from Mr. Virender Nagar, President, AMA (Aeromodellers Association). AMA is associated with Wings India and Aero Club of India for several years. Aeromodelling Show has been in Pinjore Flying Club every year as National Aeromodelling competition among Hobby flyers and Aeronautical Engineers. It has spent an amount near about one crore Indian currency to organize this event. Flyers and Engineers from every corner came to participate in this event.

The objective of the participation of Aeromodelling Show

was to help students to gain first hand information and guidance regarding production and flying techniques of the RC Aircrafts, Quadrotor, UAV, RC Helicopters and Hex copter. About 14 students attended this visit to get a practical exposure and to understand the application of theory into practice. Students were very excited about Ground Startup Procedure of Aircrafts, Removal of Engines, Instrumentation Calibration Procedures and Flying Techniques. This participation gave right perspective of what is disseminated in classrooms.

All the students thanked SGI Management for organizing such participation event.

Prof. (Dr.) Rajesh Goel, Director, SGI congratulated Aeronautical Engg. Dept. and students for the success of the visit and promised for many such activities in the future.

SGI WAS ONE OF THE EXAMINATION CENTERS OF ONLINE IBPS PO EXAM THROUGH TCS

SGI was one of the examination center of online IBPS PO examination through Tata Consultancy Services on 19th October 2013 & 20th October 2013.

IBPS has become a body providing integrated end to end solutions for human resource management of client organizations. The Institute is equipped with its very own fleet of qualified personnel - people from the banking and insurance industry, psychology, information technology and educational measurement who have specialized in the testing process. Its various verticals include Client Relations, Design and Analysis, Research and Development, Processing and Technology Operations and Support Services. It also has its own technology infrastructure for data ware house and processing.

The overall exam was coordinated by System Administrator of SGI along with the team of other senior staff members.

ELECTROFETE" ORGANIZED AT SGI

ECE & EEE Department of SGI organized an event "ELECTROFETE" for all B. Tech. 1st Year and B. Tech ECE & EEE students on 18th October 2013. The event included three events- "Short Technical Film", "Online Photography"

& "Workshop on Industrial Automation" by Max Group. The event started with lamp lighting and Saraswati Vandana. Then the guest was presented a memento by Prof. (Dr.) Rajesh Goel, Director, SGI. The registration for "Online Technical Photography" started from 9th October 2013. Around 50 students registered for the event and out of them 30 students submitted their Technical Photographs to the event coordinators. Then these photographs were uploaded on SGI's facebook page www.facebook.com/electrofete on 15th October 2013. The winners were to be announced on the basis of maximum number of likes for respective photographs up to 18th October 2013. A huge amount of people around the world got associated with the event by liking the photographs.

The registration for "Short Technical Film" also started from 9th October 2013. Around 4 students registered for the event and submitted their Technical Films of about 10 minutes duration to the event coordinators up to 15th October 2013. Then these films were viewed and judged by the event coordinators. The expert from Max Group was Mr. Shakti Veil and he conducted a workshop on Industrial Automation. He focused on the need of automation in various fields- Home Automation, Industrial Automation, Pneumatic Automation, Railways & Metro Automation etc. He also covered the various tools required for automation such as PLC, SCADA, HMI and DCS etc. He stressed on the fact that how automation is essential for an engineer to build a bright career. The duration of workshop was 1 hour.

After successful completion of workshop, the results for "Online Technical Photography" and "Short Technical Film" were announced. The results were Shivinder, EEE 7th Semester was declared first and Moumita, ECE 7th Semester was declared second in "Online Technical Photography". Simranpreet Kaur, ECE 7th Semester secured first position in "Short Technical Film". The winners were awarded with Certificate of Appreciation and gift by Prof. (Dr.) Rajesh Goel, Director, SGI & Mr. Vikas Uttraja, HOD, ECE & EEE Department. Shivinder, EEE 7th Semester was also awarded with a cash prize of Rs. 1100 by Max Group. The whole event was coordinated by Mr. Sagar Bhosle, Faculty EEE Department and Mr. Ankur Saini, Faculty ECE Department. The whole event was successful due to the dedicated efforts of Mr. Vikas Uttraja, HOD, ECE & EEE Department. Prof. (Dr.) Rajesh Goel, Director, SGI congratulated the ECE & EEE Department for organising such events. All the students were very happy and excited.

A WORKSHOP ON “C PROGRAMMING & AWARENESS FOR LATEST TECHNOLOGY” ORGANIZED BY APTECH AT SGI

A workshop on "C Programming & Awareness for Latest Technology" was organized by APTECH at SGI on 4th October 2013. The workshop was organized for B.Tech 1st year students and B.Tech CSE, ECE & EEE students.

The workshop was organized with the sole aim of providing latest knowledge to the students about the latest technologies and about the importance of C Language. C is one of the most widely used programming languages of all time. The students were told about the basics of C language and the facilities provided by the language which makes it very imperative and essential in programming. C has facilities for structured programming and allows lexical variable scope and recursion, while a static type system prevents many unintended operations. Its design provides constructs that map efficiently to typical machine instructions, and therefore it has found lasting use in applications that had formerly been coded in assembly language, most notably system software like the Unix computer operating system. Moreover, C compilers are available for the majority of available computer architectures and operating systems.

Mr. Manish, Expert from APTECH and Mr. Rajesh Dhiman, Faculty at APTECH conducted the whole workshop and guided the students about future trends and scope of C language in the field of programming. The whole workshop was coordinated due to the dedicated efforts of Mr. Amit Verma, HOD, CSE Department, Mr. Vishal Dora and Mr. Amit Sinha, Training & Placement Officer.

Prof. (Dr.) Rajesh Goel motivated all the students and promised them for such timely workshops in the future too.

SAMALKHA FACULTY OF RESEARCH CONDUCTED PHD ENTRANCE EXAMINATION FOR UNIVERSITY OF MYSORE

Samalkha Faculty of Research successfully conducted

PhD entrance examination for University of Mysore on 29th September 2013 in SGI campus. The exam was conducted for three streams- Electronics Science, Management Science (Business Administration) and Computer Science. The exam started at 10:00 am and duration was of three hours. The exam was conducted in three separate blocks in the campus. Many aspirants took part in the examination. The results will be announced soon. The candidates who qualify the entrance test will be called for interview for further processes.

VIDEOCON YOUNG -MANCH TALENT HUNT ORGANIZED AT SGI

Waves of excitement and enthusiasm had engulfed the students of Samalkha Group of Institutions who left no stone unturned to make the event a grand success. Videocon Young - Manch Talent Hunt Programme organized by Videocon powered by 92.4 MY FM at Samalkha Group of Institutions on 28th September 2013 where more than 1000 students had registered. The event started with lighting of lamps by the respected Director, SGI, the team of Videocon and MY FM. All the Heads of Various departments, Faculty and Staff were also present in the event. The main events were Solo Singing, Solo dance, Group dance, Mimicry, Ramp walk wherein the winners were chosen purely on the basis of their performance and attitude. Gaurav, (B.Tech CSE final year student) had given a spellbound performance which made judges to announce the result on spot he composed a song with his own lyrics which attracted the mass managed to qualify for the state finale. The whole show was hosted by SGI faculty & students in cooperation with Videocon Telecommunications. Talents of students rolled the stage. A splendid Punjabi performance by students helped to set the stage on fire. Ankit (student of B.Tech) mesmerized the folks with hearth throbbing break dance. Nitin Sharma (BBA final semester student) filled the environment with his pleasant voice from Ashiqui 2. Sakshi (B.Tech student) had set the stage on fire by her splendid performance which made folks to tap their feet along with her. Shiv, Anil, Kuldeep (MBA 1st year students) gave a tribute to their mother language by singing Haryanvi folk song (Ragini) which the Videocon team found very unique in a technical college. They got a good round of applause for their performance. Daljeet (MBA final year student) has gave an impressive speech on Honour Killing which made the folks to think about the freedom of women in India.

The event was bombarded by various tongue twisters, dumb charades which were thoroughly enjoyed by the students. New schemes of Videocon were announced in between the programme by the anchor.

The event was concluded by a sizzling Ramp walk by budding models of SGI from all the departments. It consisted of 3 rounds and the best top 5 models will fight for the face of Videocon.

At the end they announced five prizes for all the events which were as follows: The title of Mr. Face of Videocon was given to Zubeir (MBA 1st Sem) and that of Ms. Face of Videocon was given to Arusha (B.tech, Civil 1st Sem). Best Dancer (Girl), Videocon Young Manch, was awarded to Deepti (B.Tech, CSE 5th Sem) and Best Dancer (Boy), Videocon Young Manch, was given to Rajat (B.Tech ME 7th Sem) & Best Singer, Videocon Young Manch, was given to Gaurav (B.Tech, EEE 7th Sem). SGI also announced prizes for its students as follows:

The first prize for singing competition was won by Gaurav (B.Tech EEE 7th Sem) and consolation prize was given to Yash Nagpal (B.Tech ECE 3rd Sem). For dancing competition, first prize was given to Rajat (B.Tech ME 7th Sem) and consolation prize was given to Deepti (B.Tech CSE 5th sem) & Sakshi (B.Tech ECE 5th Sem). For mimicry & acting competition, first prize was given to Md. Mauheed (B.Tech 1st Year).

INTRA-DEPARTMENT TALENT HUNT ORGANIZED BY SGI FOR FRESHERS

Samalkha Group of Institutions organized an intra department Talent Hunt contest for the fresher students on Thursday (26th September 2013) & Friday (27th September 2013). Students showcased their innate talents in categories of dance, music, poetry and speech. Mounika. L from MBA 1st year won the first prize as she performed on traditional Manipuri dance while Mounica S won first prize in singing contest.

Dr Puja Walia Mann, Dean, Faculty of Management said "The Talent hunt contests provide a platform to students to exhibit their skills". She congratulated the winners and said that "our students are multitalented and we need to find out the hidden potential of the students". The Hunt is organized every year to unravel the creative talent in the cultural activities of the young students. Prizes were distributed to the winners of various events like for Poetry first prize was given to Sanjay from MBA 1st year, Bikram BBA 1st year won first prize for speech and Sunil Bhan MBA 1st year won first prize for singing.

SGI'S MECHANICAL ENGINEERING FACULTY PUBLISHED BOOK ON "IMPLEMENTATION OF TOTAL PRODUCTIVE MAINTENANCE OF STEEL SECTOR"

SGi heartily congratulated one of its faculty members for publishing a book. SGI's Mechanical Engineering Faculty Er. Rohit Rawat published his book on "Implementation of Total Productive Maintenance of Steel Sector"(ISBN 978-3-659-41516-6) with the publication House- Lambert Academic Publishing. Er. Rohit Rawat is working as Assistant Professor in the Dept. of Mechanical Engineering , Samalkha Group of Institutions, Panipat, Haryana. He did his B.Tech in Mechanical Engineering and M.Tech. in Mechanical Engineering, (specialized in Industrial & Production) from National Institute of Technology, Kurukshetra.

SGI ORGANIZED A SEMINAR ON 'CHALLENGES AND EMPLOYABILITY IN SEMICONDUCTOR INDUSTRY AND VLSI DESIGN'

Electronics Department of SGI organized a seminar on "Challenges and employability in Semiconductor industry and VLSI design" on 20th September 2013 at its campus. The event was focused on the future industrial aspects available for aspiring B.Tech (ECE&EEE) candidates. Students of B.Tech (ECE and EEE) attended this seminar. This seminar was organized with the sole aim of providing awareness to ECE & EEE students about the employability in core electronics industry. As there are a lot of opportunities available after B.Tech such as IT/BPO, Telecom etc. but the focus in the seminar was only on job opportunities in semiconductor industries for example integrated circuit design, design verification, production.

The seminar started with worship of Goddess Saraswati by lighting lamps by Prof. (Dr.) Rajesh Goel, Director, SGI, Mr.

Vikas Uttreja, HOD ECE and EEE Department, Mr. Amit Verma, CSE Department, Mr. Sunil Kumar, HOD ME Department, Er. Mukul Kathuria HOD Civil Engineering Department, Er. Debraj Mitra HOD Aeronautical Engineering and the speaker invited for this seminar. To motivate the students Dean, FOM Dr. Puja Walia Mann and Dr. Praveen Bhatt, HOD Applied Sciences and Humanities were also present.

In the beginning, Prof. (Dr.) Rajesh Goel made it clear the motive of the organized seminar to the participating students. He also made clear about the technical difference between semiconductor processes and designing. The main speaker of this seminar was Mr. Devender Khari, CEO and Director, DKOP Labs Pvt. Ltd. He is ME in CSE from BITS, PILANI and BE CSE from Shivaji University. He is having 11 years of experience in EDA tools used for Semiconductor design. Four students (Shivangi Goel, CSE 1st Sem, Harsh Chaudhary ECE 1st Sem, Ayush Sharma ECE 5th Sem, Sunaina ECE 7th Sem.) were also presented their papers on VLSI. In the last, a question round was conducted in which Mr. Devendar Khari answered the queries of the students. The event ended with the vote of thanks to all the guests and the dignitaries present there. In the end, the students who presented their papers were provided with gifts & winner with certificates and all other students were given the participation certificates for attending the seminar. The students felt highly motivated after attending the seminar.

"SPIN-A-YARN" GAME ORGANIZED AT SGI

Faculty of Management at Samalkha Group of Institutions organized a game /event "SPIN -A-YARN" on 17th September 2013 specially for its management students of BBA 1st semester, BBA 3rd semester and MBA 1st semester. Spin-A-Yarn was an interactive game. It was storytelling, where everybody could participate.

In this game, an incomplete line was given to each participant and the participant had to complete the line and tell a hypothetical story with the theme of the given line. It was really a very interactive session, as it called for the on spot talent or thinking and speaking abilities. The judges for the event were Stephy, Neeraj Jasrotia, Jitender Kaur. The house witnessed fruitful and stimulating performances. The judges commended the performance of all the participants. The student event coordinators were Daljeet Kaur, Shubdeep and Subhalaxmi. The whole game was coordinated with the help of Dr. Sonia Sardana, Faculty of Management. Sapna of MBA

1st semester was declared the Best Speaker. Shravan and Nishchal got the 2nd and 3rd position respectively. From BBA 1st semester Deepak Gupta and Ibrahim were awarded as 1st and 2nd position.

Dr. Puja Walia Mann, Dean FOM and all the faculty members were present and they really enjoyed the game.

SAMALKHA GROUP OF INSTITUTIONS INITIATED THE MOVEMENT AGAINST "FEMALE FOETICIDE"

Samalkha Group of Institutions initiated the movement against "Female Foeticide" by organizing a play in its campus. This play was organized in collaboration with the organization "Breakthrough" working for Human Rights. Sh. Virender, Programme Officer, Multi Art Cultural Centre, Kurukshetra was also fully involved in the organization of the play. Sh. Sanjay from Breakthrough team highlighted the fact that their organization is working for improving the condition of women in the society by organizing such plays. He stressed that the old traditions which make the life of a woman miserable should be driven towards end. He added that woman should be given equal opportunities so that the country may prosper. He cited the examples of woman from India-Saina Nehwal, Kalpana Chawla, Krishna Punia, Mamta Sauda to support his point of view. The agendas of play were differences on gender, exploitation of woman, female foeticide and decreasing sex ratio. SGI is raising its voice against domestic violence, child marriage and now it has also joined the movement against declining sex ratio and female foeticide. A workshop on the same theme was also being planned in SGI. The play focused the life of a girl named Rani who is facing the differences based on sports, gender and other fields. The play also concluded with the adverse effects of these gender based differences on the society as a whole. If the sex ratio continues to decline in the same manner then the cases related to domestic violence and girl unsafety will also increase. A workshop was also conducted by Sh. Virender in which the girls of SGI participated enthusiastically. In the end of event, he also discussed about the theme with the girls of SGI. Prof. (Dr.) Rajesh Goel, Director, SGI addressed the students and appreciated such an effort of management of SGI.

INDUSTRIAL VISIT TO BERI UDYOG PRIVATE LIMITED, KARNAL FOR MBA I & II YEAR

Samalkha Group of Institutions organized a one day industrial trip for MBA I & II year students on Sep 10, 2013 in a renowned agriculture implements producing company "Beri Udyog Private Limited, Karnal". On behalf of Beri Udyog Private Limited Karnal, a warm welcome was accorded by the HR Department. The HR officials interacted with students giving them a brief profile of the company; its production process and material handling department and other allied departments. He briefed the students about job expected for fresh MBA (HR/finance/marketing) pass out students in an industry and briefed them about procedure of compensation to the employees, training aspects, production schedule and methods and marketing strategies they adopt as well as the welfare activities for the employees etc.

The students were taken around the plant and explained the manufacturing of various agriculture implements like Rotary Tiller, Mounted Disc Plough, Disc Harrows, Trailer, Land levelers, Disc Ridger etc. Company sells these products with the brand name of "Fieldking" Faculty of Management Department accompanied the students during the visit.

Dr. Puja Walia Mann, Dean, Faculty of Management, SGI said "These industrial visits are very beneficial to the management students to gain hands on experience in a large scale manufacturing unit and its management at all levels like HR, Materials, Stores, Production, Finance and Marketing etc. Such exposure is an essential part of the teaching to professional management students frequently apart from college curriculum as it enhances the basic and practical knowledge of the student ". Finally, a memento was presented to the Country head- Sales (India) of Beri Udyog Private Limited Mr. Harbhagwan Arora by Dean, Faculty of Management, SGI.

"QUIZ COMPETITION" AT SGI

Department of Computer Science and Engineering organized a "Quiz Competition" on 9th September 2013. A written exam was conducted among registered 75 students and eight teams were selected for the quiz competition. These final eight teams were selected from the students of first year of all branches.

All the 24 members were awarded with the certificates of participation and the members of winning team (Rohit Kumar from Aeronautical Engg, Akul Prasad from Mechanical Engg and Abhijit Kumar from Mechanical Engg) got the first prize. The competition was organized under the guidance of Mr. Amit Verma, H.O.D. ,C.S.E department by the organizers Er. Neha Pahwa, (A.P), Er. Virender (A.P) and Er. Mayank (A.P) The event was started with the briefings of Director Prof. (Dr.) Rajesh Goel who encouraged the students and motivated them with the fact that these kinds of activities are important for the overall development of a student and awareness of General Knowledge and basics of computers is mandatory in everyone's life. The event was conducted in the presence of Head of Departments of all Engineering Branches who also gave answers of various questions and the environment was full of Zeal and Zest. The result was declared by respective judges Mr. Mukul Kathuria (H.O.D, Civil Department) and Mr. Debraj Mitra (H.O.D, Aeronautical Department). Audience were equally involved and answered many questions and were awarded with the prizes. All were very excited.

The event was conducted in a friendly, enjoyable, disciplined and healthy environment involving the participation of students, contestants, faculty and the director of the college and all were updated with the facts of General Knowledge.

TEACHER'S DAY CELEBRATION AT SGI

Engineering & Management students of SGI organized a celebration event for their teachers on 5th September 2013. The day is celebrated as Teacher's Day all over the world in remembrance of Dr. S. Radhakrishnan. Engineering students organized celebration event for Faculty of Engineering. They invited their teachers into a hall and wished them Teacher's day by organizing a party. They arranged eatables for their teachers and enjoyed the day. All were very excited. Management students also organized a celebration event for Faculty of Management. They invited Prof. (Dr.) Rajesh Goel, Director, SGI, Dr. Puja Walia Maan, Dean FOM, SGI and all their faculty members for the celebration with greeting cards. They organized two games- "Musical Chair" and "Passing the Parcel" for their teachers. Then Dr. Puja Walia Maan, Dean FOM motivated the students and wished them good luck for being good learners in life.

Prof (Dr.) Rajesh Goel, Director, SGI also wished the students and explained them the idea behind the celebration of

Teacher's Day. He highlighted the fact that everyone is a teacher in a way or the other. A present teacher is a student as he/she learns continuously. He also initiated that a present student is also a teacher for someone like their juniors, friends, younger brothers and sisters. The event concluded with warm regards of students towards their teachers.

COMPUTER PROFESSIONAL COURSE ORGANIZED BY APTECH AT SGI FOR SGI HOSTELLERS

In today's world with academic excellence knowledge of computer basics in software is very much important in all fields. Whether it is a management student or an engineering student knowledge of computer basic software is must. Therefore companies looking for intelligent, smart and skilled persons with Computer basic knowledge. SGI is committed to provide best and quality professionals to the global market. Therefore besides academics SGI has taken a step to improve the Computer Knowledge of Students. SGI has invited special trainers from APTECH which have expertise in the field of Computer Software whether they are basic software or advanced programming software. Ms. Rashmi was present as an expert from APTECH. APTECH Computer Education is a premier IT Education Institute. Established in 1986, APTECH is a pioneer in IT software & hardware training. The Institute has successfully trained more than 65 lakh (6.5 million) students through its wide network of education centers located in over 40 countries. Aptech Computer Education prepares students to be a part of this growing industry. Prof. (Dr.) Rajesh Goel, Director, SGI had said that Computer knowledge is very much important now a days. It not only help students to do faster but in a smart manner also. He said that SGI management is doing its best to inculcate best corporate culture among its students and this trend will be way of success at SGI. "This type of classes will be arranged for the day scholar students also in due course", he said.

INDUCTION CEREMONY OF M.TECH 2013

Orientation Day for M.Tech freshers was organized at SGI on 31st August 2013 to welcome the new admissions. All the students of M.Tech, faculty members and the guests were

welcomed with Tilak ceremony. The event started with the lamp lighting for paying a vow to Goddess Saraswati. Then Mr. Amit Verma, HOD, Computer Science Department then welcomed and motivated the students with a Power Point presentation on Research aspects- Selecting research area, Types of research etc. Then, Mr. Vikas Uttraja, HOD, Electronics & Communication Engineering Department threw light on the theme "Never Give Up" in life with the help of a motivational story. The guest Dr. Rishipal, Professor at Amity University, highly geared up the ceremony with his presentation on the Research methodology by citing various examples like that of Dr. APJ Abdul Kalam, Thomas Edison and Faraday etc.

Another guest from Videocon, Mr. Vikramjeet Singh also shared his experiences with the freshers. He enlightened many aspects of life which are crucial for achieving success. The students were then motivated by citing a story by Prof. Dr. Puja Walia Mann, Dean FOM. She highlighted the fact that anything can revert back to us in life and one needs to be honest and optimistic towards life.

Finally, Dr. (Prof) Rajesh Goel shared his valuable experience with all the students, staff members and the guests. He discussed briefly about the importance of dissertation report in M.Tech along with the publication of research papers in reputed journals. The students were also motivated by a motivational video highlighting that obstacles come in life but one has to overcome them. Students were also made familiar with the key persons at SGI and about the Do's and Don'ts in the SGI campus with the help of Power Point presentation. Then a workshop was conducted on "Embedded System & ROBOTICS" by Mr. Guravtar Singh, Think Solutions, Noida.

MANAGEMENT STUDENTS (MBA & BBA) OF THE SAMALKHA GROUP OF INSTITUTIONS (SGI), VISITED THE CHETAK COOK WARE PVT. LTD.

Expectations breed to innovation and innovation give birth to an entrepreneur. Someone aptly said "where entrepreneur would be more that country would grow more." On the way to achieve this mission SGI students visited at Chetak Pvt. Ltd. (A home appliances cookware manufacturer) in Karnal under the guidance of honorable Dean Dr.Puja Walia Mann

and coordinator Dr.Sonia Sardana and Mr.Ved Parkash .There students have got the hands-on-experience to see the success story of a simple shopkeeper who became a successful entrepreneur of the region. SGI organizes these types of Programme (Industrial visits, Conferences, Seminar, Business games, Guest lecture, Debate etc.) from time to time so that they can face every challenge which may prevail in the market. Chetak Cookware Pvt Ltd. was established in the year 1983, and a leading manufacturer and exporter of mirror finished aluminum cook wares. Based in Haryana (North India), and a reputed name in the industry known for strong customer oriented approach and industry expertise, Chetak comprehend the value of innovation and quality work. They believe in continually upgrading manufacturing techniques and embracing the latest technology to enhance the product quality. Their aim is to deliver an unparalleled level of quality with customer satisfaction. Chetak is a leading manufacturer and exporter of mirror finished aluminum cookwares including aluminum frying pans, aluminum sauce pans, pressure cooker, stock pots, casseroles and karahi. Chetak Management was very cooperative, they explained in detail about their managerial activities as marketing/HR/Production so that students can understand & learn how to manage things. At last Chairman Mr.Bajaj counseled students and shared his life experience how they have competed with other cookware companies. Chetak USP is "Baahri Talle Wale Bartan". They gave their blessings to the students for their bright future.

SGI'S STUDENT OF M.TECH (ECE) TOPPED THE KURUKSHETRA UNIVERSITY EXAMINATIONS

In the declared results of M.Tech(ECE) Ist semester, Samalkha Group of Institutions' student Pankaj Kakkar topped the Kurukshetra University by securing 86% marks (430 marks out of 500). He dedicated his success to all his faculty members of SGI. Pankaj is a resident of Panipat and his father is retired JE in National Thermal Power Corporation, Panipat. Pankaj also thanked the SGI management for being "Knowledge Delivery Experts" and imparting best knowledge to its students. He appreciated the unique and effective lectures of his faculty members and continual inspiration from them. He also credited the lucrative and well equipped labs for his success. SGI's vision and mission: - Research and Development Centre, journals (SGI Reflection) and motivation to attend conferences

had also contributed a lot in achieving such a success. It may also be noted that other two students of the same class i.e. Hemant Chugh and Nitu Jangra were among the top 10 students of the Kurukshetra University, Kurukshetra. Samalkha Group of Institutions congratulated its toppers, their family members and whole SGI family.

PERSONALITY DEVELOPMENT CLASSES BY NIIT YUVA JYOTI AT SGI FOR SGI HOSTELLERS

In today's world academic excellence is not enough for placement in global industry; a person must have the ability to "perform". Therefore companies looking for intelligent, smart and skilled persons rather than mere meritorious in academics. SGI is committed to provide best and quality professionals to the global market. Therefore besides academics SGI has taken a step to improve the personality of students. Personality is the key point taken into consideration before making any selection by the recruiters. SGI invited special trainers from NIIT Yuva Jyoti on 28th August 2013 who were having expertise in the field of improving personality of the candidates. Mr. Kulish, Mr. Ribhu Vashishtha, Mr. Kedar Nagawanshi, Mr. Suvendu Dhar and Mr. Gagan Deep Bhutani were the experts from NIIT who interacted with the students. Started with their English language improvement, they taught the students the etiquette of clothing and presenting themselves. On further scheduled classes, they will teach them the skills of the Group discussions and Interviews. NIIT is a leading Global Talent Development Corporation, building skilled manpower pool for global industry requirements. NIIT was set up in 1981, to help the nascent IT industry overcome its human resource challenges, is amongst world's leading talent development companies offering learning solutions to Individuals, Enterprises and Institutions across 40 countries. NIIT Yuva Jyoti is a joint venture of NIIT and NSDC (a PPP initiative of Govt. of India) conceived with the vision of providing high quality training to over 70 lakh youth, in the next 10 years. NIIT Yuva Jyoti's aim is to reach out to the youth of India living in cities, small towns & villages and provide them with job specific training to enable them to get jobs across different service sectors. Considering the opportunities and the growth of services sector in India, NIIT Yuva Jyoti is focused on providing skills training within the services sector which have a huge potential for growth. Prof. (Dr.) Rajesh Goel, Director, SGI said that personality of a

person is a very important part of life as it not only help you to get importance at the work place but at your social places also. He said that SGI management is doing its best to inculcate best corporate culture among its students and this trend will be way of success at SGI. "This type of classes will be arranged for the day scholar students in due course", he said.

WORKSHOP ON "INVESTOR AWARENESS PROGRAMME"

Samalkha Group of Institutions organized a workshop by Mr. Jatin Kumar (NSE, New Delhi) and Mr. Rahul Poswal (SEBI) on 23rd August 2013 (Friday). The workshop focused on "Investor Awareness on SECURITY MARKET". Mr. Jatin Kumar is an MBA (Finance) and an economics graduate from Delhi University. He is an Assistant Manager- NSE and incharge of inspection and compliance at NSE Delhi. The National Stock Exchange (NSE) is located in Mumbai, India. It is the 11th largest stock exchange in the world by market capitalization and largest in India by daily turnover and number of trades, for both equities and derivative trading. NSE has a market capitalization of more than US\$1 trillion (67,637.81 billion) and 1,665 companies listed as of December 2012. The NSE's key index is the S&P CNX Nifty, now known as the NSENIFTY (National Stock Exchange Fifty), an index of fifty major stocks weighted by market capitalization. NSE is mutually owned by a set of leading financial institutions, banks, insurance companies and other financial intermediaries in India but its ownership and management operate as separate entities. During workshop Mr. Jatin Kumar told about Investor Awareness & Knowledge of investors and other entities about a publicly-traded company's business. Companies believe that it is very important for investors to properly understand their business to make investment decisions. Widely-known facts about a company's business would garner good investor awareness. If little is known about a company, this is a sign of poor investor awareness and this may actually hurt the performance of the company. Investor Awareness significance is that investors are expected to base their investment decisions on awareness and knowledge, and a lack of these may lead to a low profile amongst its peers in the market (i.e. competing businesses and investment opportunities), to the detriment of the business. SGI provides such a platform to the students where they get exposure and gains on knowledge of the things happening in the corporate world. SGI provides knowledge and, understanding of culture, language, geography and

global perspectives to its students. SGI students are trained to access and evaluate national and international information resources. SGI curriculum enable students to understand the world by attending various seminars and workshops where they get experience & exposure. All the faculty members from Management attended the Workshop. Complete Programme was coordinated by Dr. Sonia Sardana and Ms. Neha Thakur, Assistant Professor FOM under the guidance of Dr. Puja Walia Mann (Dean, FOM).

INDUCTION CEREMONY FOR B.TECH FIRST YEAR STUDENTS

Induction Ceremony for newly admitted students of B.Tech First year students was organized on 22nd August 2013 at SGI campus. The ceremony was aimed to acquaint the students with the institutional ethos and enable them to adjust in the college environment and college life. The ceremony was attended by large audience including Faculty, students and their parents. Prof. (Dr.) Rajesh Goel, Director SGI presided over the function. Capt. R. Ganesh Yadav (Director-HR, Technisys Engineering Pvt. Ltd.), Mr. Chetnaya Sahu (Co-Founder & Managing Director, Thinnk Ware-a venture of KC Robotics & Embedded Pvt. Ltd.) and Mr. Atul Rana (Business Head, inTarvo) were the Hon'ble guests on this ceremony. On this occasion Dean-FOM Prof. (Dr.) Puja Walia Mann (Dean, FOM), Head of the B.Tech. First Year Prof. (Dr.) Praveen Bhatt, all other HODs and Faculty members were present. A help desk was set outside the Seminar Hall with a tag line "May I Help You?" for the students to sort out their queries. After registering themselves on this desk, students and parents were led to Seminar Hall. Ms. Anupam Mann (Assistant Professor-ASH) welcomed all the new entrants at SGI following that time table, library membership form and course booklet were distributed to the students.

Then, the students were introduced to all the key persons of the Institute. With the help of a power point presentation, the students were also acquainted with the rules and regulations of the institute and university, academic requirements, online web portal, book bank, ERP-SMS, student welfare department and anti-ragging cell. It was followed by a motivational story narrated by Mr. Ankur Saini (Assistant Professor-ECE). With arrival of the guests, Ceremony started with traditional lamp lighting and Saraswati Vandana. Team SGI then inaugurated the CV prepared for its students titled "A Road Map TO

Healthy CV". Dean- FOM Prof. (Dr.) Puja Walia Mann addressed and motivated students to set their goals and strive hard for achieving the same. Prof. (Dr.) Rajesh Goel, Director, SGI during his comprehensive and excellent speech inspired students to excel in academics and transform them to make themselves acquainted with the changing technologies. He stressed on smart work instead of hard work. Placement officers of Samalkha Group of Institutions Mr. Amit Sinha & Mr. Vishal Dora then explained the role of placement office established at SGI and its functioning. In his presentation on Team Work & Success Mr. Vikas Uttreja, Head of the department ECE &EEE inspired the students with the help of a story. In the end, students were accustomed with the do's & don'ts of SGI by Mr. Hemant Chugh (Assistant Professor-ECE). Ceremony was ended with vote of thanks by Ms. Anupam Mann (Assistant Professor-ASH). Students were then led to their respective class-rooms by the Faculty and made aware about the syllabus of particular subjects by respective teachers.

MANAGEMENT STUDENTS OF SGI VISITED THE INDO-ASIAN FUES GEAR PVT. LTD.

Students of Samalkha Group of Institutions MBA-1st & BBA-1st Semester had an insight plant visit to the INDO-ASIAN FUES GEAR Pvt. Ltd on 22nd August 2013 at Murthal, Sonapat. Students were given a power point presentation on the working of a plant as well as a global perspective of diversity management. Aspects of Supply chain management and plant manufacturing processes were also discussed. Indo Asian FuesGear Pvt Ltd is a reputed manufacturer of Electrical Products. Students learned that Indo-Asian is acknowledged amongst its clients for offering a wide range of electrical products, which includes Domestic Product-Gold Plus, Domestic Product- Gold Line, Domestic Product- Silver Line, International Product, ACB's, MCCB's and MPCB's. The organization has a vast experience in the electrical industry. All these products are manufactured using the finest quality raw material following the set of industry norms and guidelines. Based on latest technology, its products are known for their durability, sturdy construction and accurate dimensions. Owing to all these attributes, these products are widely used in agriculture, food industry, factories, hospitals and housing complexes. Company has appointed a team of electrical engineers, who helps it to design and execute the electrical

products. All the products are manufactured using the best quality raw material, obtained from the reliable vendors of the industry resulting in good quality and timely delivery. SGi extending its commitment of strong industry relations, organized industrial visit for management students. The students were accompanied by two faculty members Dr. Amit Sharma and Ms. Preeti Dhingra of Faculty of Management. SGi team presented a memento as a token of thanks to the management of the company. Sr. Manager of the company appreciated the interest of students and faculty and the steps being taken by the SGi management to enhance industry exposure amongst their students. The students were also told about the scope and opportunities in the industry. The students were very happy with the exposure and awareness earned through this visit.

GRAND SUCCESS OF AIR SHOW ORGANIZED AT SGI

SGi has successfully organized the "Air Show" on 31st July 2013. It was the first such show in this North region. The event included the practical aeronautical sessions and demo lectures on the take off, flying and landing of aircrafts. The event was organized with the prime objective of imparting practical knowledge to the students in the field of Aeronautics. The event started with the inauguration by flying balloons in the sky by Hon'ble Chairman-SGi Sh. Ajay Goyal, and Prof. (Dr.) Rajesh Goel, Director, SGI. The event also included the display of items and RC Flight simulation so that students and parents may feel the experience of real time flight. Many kits were also displayed so that students and parents can purchase the kits and can assemble their own planes. The aircrafts which were the major attractions included "Sky Star IC Aircraft", Scanner IC Aircraft", Easy Star RC Aircraft" and "Cessna 182". There were practical sessions on the take off, flying and landing of these aircrafts in the premises of SGI. For accomplishment of this practical session, runway was also made in SGI. Other highlights of the event were flying of small scale aircrafts-SBH Helicopter, 90 S Helicopter, PC 9 Plane, peace Cake and Cot Helicopter. The displayed items included RC Flight Simulator, 50 CC Gas Engine, Brush Less Motor, Electronics Speed Controller, FPV Camera (small and micro camera), Different Size Propeller Display, Flight Control Board, Receiver and transmitter and Engine Servos. About 9 to 10 aircrafts and helicopters/choppers took off from the ground of SGI, flew for several minutes in the sky and then landed back in the

college premises. The assembling of Cessna 182 aircraft before its take off was also done by 3rd Semester Aeronautical Engineering students themselves- Ashish Kumar, Shubham Sharma, Puneet and Suman Kumar Singh under the guidance of Er. Debraj Mitra and Mr. Vishal Dora. Many students from different schools and parents were the active participants of the event. They purchased the kits and assembled their own gliders. All were very excited and full of zeal and vigour. The event proved to be successful due to the dedicated efforts of Aeronautical Engineering Department, SGI Faculty & Staff and other experts in the field of Aeronautical Engineering.

BBA (A GAME CHANGER COURSE) HR CONCLAVE

Samalkha Group of Institutions, (SGi) organized an HR conclave named on "BBA –A Game Changer Course" on 20th September, 2013. The spotlight of the event was on the future career prospects for aspiring graduate students especially the BBA. It is generally assumed that the BBA (Bachelor of Business Administration) is just a graduation course; but BBA is a course that improves the confidence and employability skills of the students leading to job placement. BBA course grooms the personality of the students and aims at holistic development. Students from various regions including Karnal, Panipat, Samalkha, Delhi, Sonapat, Rohtak and Gohana came to attend the Conclave. The main theme of the Programme was to spread awareness amongst the youth who have to step forward towards their graduation. Through this conclave the participating HR heads from various organizations, shared that students can opt for further studies i.e. Post Graduation, while on the job. Reputed organizations encourage their graduate employees to undertake various technical/professional courses further. Corporate personnel from India's leading organizations i.e HCL Technologies, Vodafone, Securities Exchange Board of India, Ruva Customer Services, WIITS International, InTarvo Technologies etc. were present to guide the students in terms of career planning in various industries including Retailing, Banking, Insurance, Government Jobs etc. Principals of well established schools were also invited to share their views for opting the professional course- BBA as a career. Mr. Sumit Sachdeva from HCL Technologies, Dr. Sharad Ranjan from Securities Exchange Board of India, Mr. Tushar Kumar from Ruva Customer Services, Mr. Ranjit Kumar from Vodafone Telecommunication, Mr. Raj Senapati – InTarvo Technologies and Mr. Swaroop Mishra, Wiits International, shared their views

regarding the demand for innovation driven young graduates in the corporate world and inspired the students to build a positive attitude and sharpen their employability skills to be able to get ready to enter into employment by undertaking a professional course like BBA. The academicians from various schools were also present on the conclave along with their school students and appreciated the effort of the college for arranging such a seminar for developing awareness about the employability options amongst commerce students. Prof. (Dr.) Rajesh Goel, Director SGI, explained the confusion a class XII student generally faces after passing the board exam. He highlighted the need to have such a conclave for the benefit of the students and understanding the ground realities of taking up a course. Dr. Puja Walia Mann, Dean Faculty of Management SGI, shared the need of establishing a clear goal in life and working towards its attainment through quality teaching. These facilitate the success of students in the private and government sectors. The training and Placement Cell of SGI shared their past experiences at various campus drives for hiring the graduates and informed the students about the key skills which the corporate look for while recruiting and how a BBA course can impart the same. Now a days, many big brands and companies are hiring graduates, particularly BBAs. Following are the major companies, which visited SGI for hiring BBAs in the past: Genpact, IBM, IKYA Human Capitals Solutions Pvt. Ltd., NIIT, InterGlobe Technologies, Vodafone, Bespoke Digital Media, Teleperformance, Tech Futuristic, Country Club, Teamlease, Eureka Forbes, Creative Lipi, Servo, Target Group, Clearpath, Greenmind, Manpower, HT Media, Robinserve FM Pvt. Ltd. This shows that there is ample demand in the industry for skilled graduates.

The Conclave's guests appreciated the fact that the programme was coordinated by the students of Management department under the guidance of Dr. Puja Walia Mann, Dean-FOM, and indicated that such opportunities of managing events instill amongst the students the required managerial traits, including team working, time management and self discipline etc. The registration to this conclave was free and all the participants were given certificates of Participation. The parents of the students were very happy with this initiative of the college and thanked the college management for organizing a platform where both industry and academia interacted face to face with the students and also answered to students queries. They also requested the management of the college to organize such interactions frequently for other courses also for the benefit of the students.

SGI STUDENTS ASSEMBLED THE ROBOT "MAST RAM"

Students of Samalkha Group of Institutions (SGi) successfully assembled the SGi's Human Robot, named MAST RAM which resembles a human body physically. These (B.Tech)3rd year students achieved success after continuous effort in the field of ROBOTICS. The Robot was assembled under the guidance of Embedded Research & Development Centre (ERDC) at SGi. This robot has been made with the sole aim of providing aid in the day to day life of humans. This robot has two arms and two legs. So it can easily walk, dance and carry objects. This robot is made on a small scale but if fabricated on a big scale it can bring revolution in the technical world. The robot can be served as a labor force with comparatively high efficiency, thus reducing cost. The robot may also be used for entertainment purposes. It may be programmed for various movements and tasks. It uses four batteries of 1.5 unit each and is programmed using 8051 microcontroller. The robot can walk with the speed of 0.2 m/sec. At present, it is programmed for lifting, walking and dancing movements. SGi appreciates the success of its students and further encourages them to work for mankind.

- Main features of the Robot:-
- The ultimate in attitude
- Stretches up for a big High 5 and says "Aaay"
- Open hand strike with powerful Hi-Hah
- Able to talk back
- Lift both arms and roars
- Can Whistle
- Blinks and moves eyes appearing it is thinking
- Respond to a sound
- Angular movements
- Toss objects by throwing them in air

MOBILE CHARGER THAT DOES NOT REQUIRE ELECTRIC SOURCE MADE BY SGI STUDENT

Samalkha Group of Institutions (SGi) has always stressed on practical learning for its students. A student of SGi made

a charger which will facilitate charging of cell phone during non availability of any electric source. The charger uses a battery which can charge the cell phone when connected to it. The battery used is rechargeable and it makes the use of the charger dynamic. The main highlighting features of the charger are:

- Portable
- Easy to handle
- Can charge many cell phones at a time
- It can charge any brand of cell phone when there is no electric source, i.e., while traveling in bus, train where there is no sockets to connect the charger with an electric supply
- It can restrict the cell phone from shutting down in emergency by immediately connecting it to the charger. The charger is made by Shubam Sharma, B.Tech 1st year at Samalkha Group of Institutions .In context of interest of Shubam towards such projects SGi has decided to provide full support to the student in future. SGi heartily congratulates Shubam and its family for such project within SGi premises.

ACTIVE PARTICIPATION IN SEMINAR ORGANIZED BY DAINIK BHASKAR

SGi has always been known for its continuous progress in aspects of providing best environment to its students. SGi has also been a keen promoter of such activities which bring for students interests and their achievements. SGi actively participated in the seminar organized by Dainik Bhaskar on "Management concepts hidden in the mythological books" on 13th July 2013 at S.D. (PG) College auditorium, Panipat. Pt. Vijay Shankar Mehta was the guest of honour. He is a well known expert in Mythology and daily writer of "Jeene ki Raah" in Dainik Bhaskar. The event mainly concentrated on the knowledge hidden in the mythological books which have to be revealed for living a successful life. The heart touching elaboration of Hanuman Chalisa was the attraction of the event. With each elaboration the hall was filled with the sounds of claps and clearly was a symbol of appraisal of audience present.

Prof. (Dr.) Rajesh Goel, Director SGi, Prof. (Dr.) Puja Walia, Dean, (FOM), SGi and Mr. Vishal Dora, Assistant Professor, SGi were active participants in the event. Prof. (Dr.) Rajesh

Goel and Prof. (Dr.) Puja Walia presented a memento and an appreciation letter as a token of gratitude on behalf of Samalkha Group of Institutions. SGi appreciates such events which bring a new vista in the field of thinking and promises to be an active and continuous promoter of such events.

APPRECIATION & 100% FEE WAIVER TO STATE TOPPER FOR STUDYING AT SAMALKHA GROUP OF INSTITUTIONS

SGi extended its warm wishes to Ritu Bansal being State Topper with 96.6% (483 out of 500 marks) in the recently declared results of class XIIth, HBSE. SGi awarded her with an appreciation letter and 100% fee waiver for BBA course at Samalkha Group of Institutions at her house in 8 Marla Colony, Panipat on 16th July 2013. Her father runs a grocery store and they are three siblings. SGi has always been known for its uniqueness in imparting complete education to its students. SGi has always appreciated the meritorious students and worked for their bright future aspects. On this occasion Prof. (Dr.) Rajesh Goel, Director, SGi, Prof. (Dr.) Puja Walia Mann, Dean Faculty of Management at SGi and Dr. Satish Kumar Matta, HOD, FOM, SGi heartily congratulated the girl, her parents, her teachers and school management. On this occasion Ritu's parents were also present and they presented a heartfelt thanks to SGi management for such appraisal from them.

4 DAYS TOUR ORGANIZED FOR CIVIL ENGINEERING STUDENTS

The overall development of students has been the utmost priority of SGi. For providing industrial exposure to its students, SGi organizes industrial visits & tours from time to time. Recently a 4 days tour for B.Tech Civil Engineering students was organized from 2nd July 2013 to 5th July 2013.

DAY 1

On 2nd July 2013, a surveying camp was organized on Shivalik Hills (Sohna). All the students of Civil Engineering 5th

semester participated in the camp. The objective of the camp was to provide knowledge about survey at the proper site conditions in various terrains like hilly areas. Students learnt about levelling, Plane table methods, Contouring, Theodolite measurements of angles. All the aspects of surveying were learnt by the students of Civil Engineering.

DAY 2

On 3rd July 2013, another surveying camp was organized on Aravalli Hills, Surajkund (Faridabad). Students came to know about different surveying methods and various aspects of surveying. Students were found very excited during this second surveying camp. They practiced all the methods they learnt on Shivalik Hills (Sohna). Students very actively participated in the camp and they thanked SGI management for organizing such camps on regular basis for practical exposure.

DAY 3

On 4th July 2013, an Industrial visit to Ghogripur, (Karnal) Hydroelectric Power Plant was organized to provide the knowledge about the generation of hydroelectricity. The objective of the industrial visit was to help students gain the first hand information regarding functioning of the power plant and its various construction aspects, which provided the students with opportunities to plan, organize and engage in active learning experiences both inside and outside the classroom, to give a practical exposure and to understand the application of theory into practice. This provided opportunity for interaction with engineers and executives associated with visit to a working establishment. The visit gave right perspective of what is disseminated in classrooms. The engineers of Ghogripur Power Plant helped the students to understand the various phases of generation process and they also took the students for the visit at every section of the plant. On the onset, the officials of power plant and teacher in-charge explained to the students in brief about the Construction & working of Power Plant, Raw materials used, Plant Layout, Construction phases and they also explained the process from the Planning phase to the completion of project. Students understood the punctuality and the discipline at the plant.

DAY 4

On 5th July 2013, on their way back from Ghogripur, Karnal

Hydroelectric Power Plant, students visited Panipat Battlefield (Kala Amb). 'Kala Amb' is a memorial built in memory of the Maratha soldiers who died in the battlefield of Panipat. It is said that blood of the dead soldiers was mixed with the soil and the fruit of a mango tree became black in color due to that and hence the name "Kala Amb" meaning 'Black Mango'. It is one of the most eminent tourist places in Panipat. The Kala Amb Tree is a popular sightseeing spot of Panipat situated at a distance of 8 km from the city. This tree spot is the place where Sadashiv Rao Bhau located his Maratha troops during the 3rd battle of Panipat in 1761. It is a memoir dedicated to the Maratha soldiers, who sacrificed their life in this battle. Kala Amb is a Black Mango tree, whose dark colour foliage gave it its name. Apart from the tree, being the attraction of the place, there are many other places of interest near this site like cosmopolitan malls offering shopping and entertainment opportunities along with a handloom and textile market. There is also a black pillar with an iron rod situated in the place, which is surrounded by an iron fence. Renovation and maintenance of this site is under the supervision of a society built by the Governor of Haryana. Several remains of ancient buildings and structures that are of archaeological and historical importance are also present around this place. Students were very excited and found themselves relaxed after 3 day industrial visit and the camp.

DAY 5

On 6th July 2013, students arrived at SGI. They were full of zeal and enthusiasm and thanked the SGI management for organizing such events from time to time. The tour was successfully coordinated by Mr. Mukul Kathuria, Head Coordinator of Civil Engineering Department, Mr. Gaurav Jangra, Assistant Professor, Mr. Suriender Singh, Technical Assistant of Civil Engineering Department at SGI.

SGI CONDUCTED INTERVIEW FOR PHD ENROLLMENT

SGI had successfully conducted interview for PhD enrollment in Computer Sciences on 3rd June 2013. By conducting interview, SGI stepped forward for marking a new and peculiar milestone- PhD (Degree awarded by University of Mysore). The entrance test for PhD admissions was held on 30th September 2012 in SGI campus. Those candidates who had qualified the entrance test were called for the interview. Dr. Hemanth Kumar, Chairman, Department of studies in

Computer Science, University of Mysore, Mysore came to SGI for conducting interview. The criterion for "PhD Pre-Registration enrollment" is cracking the entrance test and interview both. The candidates called for the interview were full of zeal and vigour. They had to give a brief introduction about their interested area of research. All the candidates seemed very confident and were able to impress Dr. G. Hemanth Kumar with their creative ideas in their respective field of interest. Dr. G. Hemanth Kumar also appraised the candidates for their proposed work in research field. The final results are to be declared after the approval and final synopsis analyses etc by Research and Development Committee (RDC), University of Mysore, Mysore. SGI heartily congratulated all its family members for commencement of PhD programmes at SGI campus and promises to be continuously working for being a perfect 'Knowledge Delivery Expert'.

ZARINE KHAN VISITED SAMALKHA GROUP OF INSTITUTIONS

SGI has always been known for its excellence in infrastructure, education strategy, knowledge delivery, placements and much more. SGI has again proved its uniqueness by providing a dream come true chance to its family members. SGI Brand Ambassador, Zarine Khan again visited SGI campus on 29th May 2013. It was a golden opportunity for the SGI family to have a continuous personal meeting with Zarine Khan. She was received by Prof. (Dr.) Rajesh Goel, Director, SGI, Dr. Sarita Goel, Member Executive, SGI, Dr. M. K. Kulshreshtha, Dean-FOM and Dr. Sonia Sardana, Faculty in-FOM. After sometime, she came to wish all the final year students of B.Tech, BBA & MBA good luck in the ongoing examinations for their bright future ahead. Then students were given the chance to interact personally and freely with Zarine Khan in the conference hall. Students asked their career related questions. They discussed about the success mantra, way and vision of life etc.

Everyone was very excited. Staff members of SGI from all departments-ECE, EEE, ME, CSE, CIVIL, Applied Sciences, BBA, MBA were given chance to interact separately. These interesting moments were captured in still photographs to make them memorable for eternity. All the staff members shared their views with Zarine Khan.

RANG TARANG ALVIDA AT SGI (FAREWELL PARTY FOR CSE STUDENTS)

SGIians celebrated Farewell Party for its B.Tech (CSE) students under the banner of "Rang Tarang Alvida" on Friday (10th May 2013) at Samalkha Group of Institutions. The junior batch heartedly extended the warm welcome to their seniors with Tilak Ceremony. The warm hearted send off and the fun filled celebration- "Rang Tarang Alvida" was inaugurated by Prof. (Dr.) Rajesh Goel (Director), Dr. M.K. Kulshreshtha (Dean FOM), Mr. Vikas Uttreja (HOD ECE & EEE), Dr. Praveen Bhatt (HOD Applied Science), Ms. Garima Garg (Coordinator, CSE), Mr. Mukul Kathuria (Coordinator, CIVIL). The event started with lighting of lamp to pay a vow to Goddess Saraswati. The event was hosted by Samaksh & Sonam (CSE-3rd year). In between, the stage was handled by Vijay & Anuradha & Gajender (CSE-3rd year). The curtain of the function was let down by group dance performance by three girls (Takhe Ampii, Minakshi Vandana, Nehal). The students of 3rd year entitled each of their seniors in few lines and presented gifts. This was followed by a game "balloon blast"- in which final year students were called upon stage in a team of two. Kundan & Sushil were the winner of this game and was presented with a gift. Megha, Samaksh, Manisha Arya & Pulkit rocked the floor with their sizzling couple dance performance. Megha presented a song and on the note of music, students danced in a hilarious mood. The event was followed by talent hunt and again final year students were invited on the stage to show their talent and Rajesh and Preeti were awarded with star performer gift. The party ended with 3rd year students bombarding Punjabi Bhangra performance presented by Gajender, Samaksh, Pulkit, Sahib & Ashish. Everyone was witnessed having fun. Then, the stage was taken over by final year students- Chavvi & Rajesh. They also had many surprises for their faculty members. The farewell was organized and managed by the students Kashish, Nitish, Vijay, Priyanka, Sonam, Megha, Ishaan etc. under the guidance of Ms. Garima Garg, Ms. Silky Makker & Ms. Richa Arora. At the end, Mr. Farewell (Kundan), Ms. Farewell (Chavvi), Mr. Personality (Kunal), Ms. Personality (Garima Gandhi) were awarded with gifts and crown.

In the concluding session, Prof. (Dr.) Rajesh Goel motivated the final year students for a bright & prosperous future ahead. They also suggested students to grasp each & every opportunity availed to them in future. The mesmerizing music, songs, flash

freezing lights and the exuberant students were the defining moments in the party. It was the day of love, affection, trust and above all the bond of togetherness and belongingness.

ADIEU 2K'9 AT SGI (FAREWELL PARTY FOR ECE AND EEE STUDENTS)

SGI celebrated its first Farewell Party as the first batch of its B.Tech (ECE & EEE) students bid adieu on Saturday(4th April 2013) at Samalkha Group of Institutions. The warm hearted send off and the fun filled celebration- ADIEU 2K'9 was inaugurated by HOD and Senior faculty members. The event started with lighting of lamp to pay a vow to Goddess Saraswati. The event was opened by Shubhangam & Simranpreet (ECE-3rd year). Meanwhile, the stage was handled by Gourav & Shivinder(EEE-3rd year). The curtain of the function was let down by hilarious song presented by Gourav & group(EEE 3rd year). This was followed by a game – "Saree Tapping" in which 6 final year boys were called upon stage to wrap saree around them and have to walk on ramp. Nawazdeep was the winner of this game and was presented a gift. The audience was full of amusement and excitement. Then, the students of 3rd year entitled each of their seniors in few lines and presented them with gifts. Moumita, Simranpreet & Shweta(ECE-3rd year) rocked the floor with their sizzling dance performance. This was followed by again a game- "Hair Break" in which 5 boys & 5 girls among seniors were called upon stage and 5 teams were made comprising of a girl & a boy. The girls had to tie boy's hair in maximum number within 2 minutes. Mohini & Rahul Dyal were among the winning team.

Harmeet gave a rocking dance performance on Punjabi song. Then 8 volunteers were called for another game- "Pushups". Mayank Gupta & Mandeep were declared winners of this game. The farewell was organized and managed by the students Simranpreet Kaur, Shubhangam, Kunal, Gourav, Sonu, Shivinder under the guidance of Ms. Monika Gautam, Ms. Ritu Pahal, Mr. Ankur, Mr. Sagar Bhosle. Then the stage was taken over by final year students- Reena & Kapil. They also had many surprises for their faculty members. They showed their gratitude by entitling the Director & the faculty members in few lines. In the end, a competition for selection Mr. Farewell & Ms. Farewell was organized. This was conducted in three rounds in which the volunteers were evaluated in their abilities to compete for the Mr. Farewell & Ms. Farewell. Nawazdeep, Ajay Rana & Reena were declared as Mister & Miss Farewell

. Nishant(EEE) and Mayank Gupta (ECE) were selected as EEE Perfect & ECE Perfect respectively. They were honoured by gifts and crown.

In the concluding session, Prof. (Dr.) Rajesh Goel motivated the final year students for a bright & prosperous future ahead.

EDUCATIONAL TRIP TO JAMMU-SRINAGAR HIGHWAY

Samalkha Group of Institutions had organized an industrial tour to Jammu-Srinagar Highway (Jammu & Kashmir) for Civil Engineering students on 22nd March 2013 to pertain the knowledge about the site conditions at construction site. The students visited one company site namely AFCON on a Minor Bridge construction site, which is the part of four lane of the Jammu- Srinagar Highway NH 1A. The objective of the educational visit was to help students to gain first hand information regarding functioning of the construction Industry, which provided the students with opportunities to plan, organize and engage in active learning experiences both inside and outside the classroom. This activity provided opportunity for interaction with engineers and executives associated with working establishment. Visit gave right perspective of what is disseminated in classrooms.

The engineers of AFCON Limited helped the students to understand the various phases of construction process and they also took the students for the site visit. On the onset, the officials of AFCON and teacher In-charge explained to the students in brief about the construction industry, Raw materials, Plant Layout, Construction phases and they also explained the process which began from the Planning phase to the completion of project. Students understood the punctuality and the discipline at the site.

SAP TRAINING AT SGI

Dexler Information Solutions Pvt. Ltd., Bangalore organized a seminar at Samalkha Group of Institutions on 8th April 2013 to enlighten the participants about "SAP".

As market leader in enterprise application software, SAP (NYSE: SAP) helps companies of all sizes and industries run better. From back office to boardroom, warehouse to storefront, desktop to mobile device – SAP empowers people and organizations to work together more efficiently and use business insight more effectively to stay ahead of the

competition. SAP applications and services enable more than 232,000 customers to operate profitably, adapt continuously, and grow sustainably. SAP and other SAP products & their respective logos are registered trademarks of SAP AG in Germany and other countries.

The Seminar addressed the participants on how the training on SAP will be helpful in their future career. SGI is a global integrated education hub capable of providing vibrant, resilient and holistic education to prepare as an academia which is forward looking and committed to lifelong learning and innovation.

The eminent personalities who guided the participants were Mr. Shailendra Mishara (Manager Dexler) and Mr. Navjot Sharma (Key Account Executive). They focused on the role of SAP in today's competitive world. Mr. Mishra did a fantastic job of keeping the seminar moving in an excellent and interactive way. He focused on various uses and benefits of SAP which are needed for young Managers in addition to their classroom teaching. The Seminar was coordinated by Engineering and MBA students of SGI under the guidance of Dr. S.K. Matta.

NATIONAL SCIENCE DAY CELEBRATED AT SGI

Samalkha Group of Institutions celebrated the National Science Day on 28th February 2013. It was on this day that Sir CV Raman announced his unique discovery known as 'Raman Effect'. This discovery brought him Nobel Prize for Physics in 1930. Since 1987, this day is celebrated in various Schools, Colleges, Universities and Research Institutions. The theme of this year for the Science day was "Genetically Modified Crops and Food Security". On this occasion, Prof. (Dr.) Rajesh Goel, Director SGI, Dean (Mgmt.), all other HODs, coordinators, all faculty members and all the students of different branches were present.

In his inaugural speech, the Director of SGI inspired the young minds to follow the great scientists and engineers of India and being laurels to the Nation, & inspired the students to become an Entrepreneur rather than mere job seekers and explore their talent and mind in the research oriented studies. It was followed by an excellent presentation by Avinash (ECE-4th Sem.) on the topic "Genetic Crops". It was followed by presentation by Ketan (ME-2nd) with the topic "Genetic Engineering". Jayaluxmi (CSE-2nd Sem.) described why National Science Day is celebrated? Nitish Talwar (ME-2nd

Sem.) gave a wonderful presentation on "Future India". Last but not the least Muntazir Ahmad (CSE-2nd Sem.) gave a brief profile and contribution made by Sir CV Raman, in his unique discovery of "Raman Effect" which led to the growth of new discipline called "Raman Spectroscopy". The event was coordinated by the faculty members of Applied Sciences & Humanities Department under the guidance of Dr. Praveen Bhatt (Head of the Department). The celebration was ended with vote of thanks by Amit Bora (ECE-2nd Sem.).

SGI ORGANIZED NATIONAL WORKSHOP ON "MICROSOFT .NET"

A National level workshop "AVISHKAR'13" on "Microsoft .Net" was conducted by CSE Department on 27th February 2013 for Students, Engineers and Researchers from different institutes of Haryana. SGI is a premier and leading group of institute established with a quality vision and is committed to provide an eminent technical education. SGI is hub for providing quality education, situated in NCR-Haryana, Samalkha, Distt. Panipat (Haryana) affiliated to Kurukshetra University, Kurukshetra. Microsoft.Net evolves programming and technology requirements and also provides unrestricting and accessible development platform which overcomes installation, integration, and legacy issues for software developers. All these features of Microsoft.Net became the aim of workshop to share the knowledge and ideas of the recent trends in the field of Computer Science and Engineering. The event was chaired by Prof. (Dr.) Rajesh Goel, Director SGI, Dr. M.K. Kulshreshtha, Dean FOM, HOD's from all the departments, Ms. Garima Garg, Coordinator, CSE and Ms. Shweta Juneja, event coordinator and faculty members of various departments. Student coordinators Ms. Prerna Bhasin and Ms. Deepti welcomed Prof. (Dr.) Rajesh Goel, Director SGI, guest of honor Mr. Nitin Sharma, Trainer Ducat and participants from different fields of Engineering and announced for on spot registration handled by Ms. Silky Makkar at registration counter near seminar hall, A2 block for new participants. The event started with lamp lightning. Prof. (Dr.) Rajesh Goel addressed participants by talking about the importance of adaption of new technologies along with university curriculum. In his speech, Dr. Goel stressed on awareness of software development platform for better career development. The eminent Personality who guided the participants was Mr. Nitin Sharma, Trainer (DUCAT), well proficient in C#, ASP.NET, MS

SQL (2008), MVC, EDM. He started his career with Software Developer Company Vendorplus Pvt. Limited in the "Pathology Lab Test" project and S.S.B. Infosolutions Pvt. Limited in "Stock Inventory" project for one year each.

His session included the history of .Net and introduction about leading technology Microsoft.Net in the field of engineering. In addition to it, he explored the best and main features of Microsoft.Net. To explain the importance of technology, Nitin Sharma gave detailed comparison of Microsoft.Net with other technologies. Workshop later caught the interest of participants with the session of DNA architecture implementation and a general life chat application by the experts. All the students actively participated in cross questioning session.

All the faculty members of CSE Department played an important role in organizing and coordinating the event. The student coordinators for the event were Mr. Kundan Kumar (B.Tech. 8th sem.) and Ms. Prerna Bhasin (B.Tech 4th sem.) under the guidance of Ms. Garima Garg, Ms. Shweta Juneja, Mrs. Silky Makkar, Mr. Gagan Dhawan, Mr. Amit Sangwan, Ms. Richa Arora & Mr. Sumit Wadhwa Faculty of Engineering, Samalkha Group of Institutions. The event concluded with vote of thanks by Ms. Prerna Bhasin and memento presentation by Dr. Rajesh Goel Director, SGI to Mr. Nitin Sharma. Certificates were awarded to participants as a gesture of presence. Participants from many institutes attended the National Workshop enthusiastically.

CAREER PROSPECTS IN HIGHER EDUCATION

A career counseling session on Poland Education was held at SGI on 26th February 2013. Session was delivered by Mr. Abhishek Dutt [Consultant in capacity of Country Head (Asia Pacific), Education Poland]. All the final year and Pre-final year students of B.Tech attended the seminar. The session was introduced by Dr. MK Kulshreshtha, Dean FOM SGI with the reference of Red ocean Theory and Blue Ocean Theory. A short background of Poland Education was also given by him. Prof. (Dr.) Rajesh Goel (Director, SGI) graced the session with his eminent words.

Students were told that how they can proceed for a better career by having higher education in Poland in various streams. He explained to the students of SGI regarding scholarship provided by European Union especially for M.Tech and PhD Programmes from Varsaw University of Poland. He also

advised the students that there is a lot of scope in education industry in Europe and this opportunity can be grabbed by pursuing their research work in Poland which is stable and growing economy in the present era. Students found the interaction very useful and informative and cleared all their queries regarding building of their career. Dr. Satish Kumar Matta (HOD, FOM) expressed his gratitude on behalf of SGI family to the guest speaker Mr. Abhishek Dutt. He also thanked all his colleagues at SGI for organizing such an event.

“MODRIKA” PRE-PLACEMENT TALK CONDUCTED AT SGI

Samalkha Group of Institutions (SGI) took initiative to invite MODRIKA Pvt. Ltd. for Pre-Placement talk on 21st February 2013. The company targeted MBA, ECE and CSE students. As in the competitive world, a broad range of brokerage firms, investment services, financial consulting firms, foreign and private banks, global insurance companies, taxation service providers, equity firms and other banking companies are now expanding their operations across the globe. For young candidates, there are bright lucrative opportunities in the fields of financial advisory services, insurance and banking services, investment management, financial analysis, stock market consultants, broking agents, financial planners and economists. Over a million jobs in financial sector would be available by 2020 in India alone (as per report by Mc. Kinsey done for GIFT).

MODRIKA is primarily the training and technology solutions provider for capital markets, and has been operating internationally for over half a decade. They provide technology driven wealth management solutions. They develop custom software and financial market technical analysis systems for financial technology firms, retail brokers, market makers, exchanges and individual traders. Leveraging near-shore or offshore outsourcing allows clients to optimize project budget, reduce expenses, and maximize both fiscal and organizational goals. SGI (Samalkha Group of Institutions) is hub for providing Practical education to the students with their Course-Curriculum. SGI's aim is to make students competent for the need of global corporate world and it is providing vibrant, resilient and holistic education with practical knowledge by arranging Training, Live Projects and Project Module in Multinational Companies.

A unique initiative in the form of Training cum Project Module for students has been executed by and at Samalkha Group of Institutions (SGI) which aims to provide surveillance in Global Corporate World, Training cum Project Module which is meant to provide a platform to the students.

Students came across a Training session organized and managed by MODRIKA at SGI. Placement will be provided on the basis of online exam and personal interview. In the Training Session Mr. Bishwa Ranjan (Alumni IIT, Delhi) from MODRIKA described the basic difference between manual trading and algorithm trading. Students at SGI got a wide professional exposure due to a vibrant schedule of academic conferences and seminars which are conducted by top academicians, scientists and industry leaders.

Excellent performance of SGI students motivates companies to revisit. SGI will continue these type of efforts in the upcoming future also.

The Event would have not been successful without the dedicated efforts of Training & Placement Department at SGI: Mr. Amit Sinha (Manager-Corporate Relations), Mr. Vishal Dora (Training & Placement Officer), Dr. Sonia Sardana (Training & Placement Coordinator & Assistant Professor, FOM). Today Excellence is the buzzword at SGI.

A 10 DAYS TRAINING CUM PROJECT MODULE BY VIDEOCON TELECOMMUNICATIONS LTD.

Samalkha Group of Institutions is hub for providing practical education to the students along with its Course-Curriculum; SGI aims to make students competent for the need of global corporate world and provides vibrant, resilient and holistic education with practical knowledge with Training, Live Projects and Project Module in Multinational Companies. A unique initiative in form of Training cum Project Module for students had been executed. Students came across an interview organized and managed by Videocon Telecommunications Limited at SGI on 18th February 2013. The job description of the training Programme was Town mapping from retail & customer point of view to develop strategy for capturing maximum market share.

Videocon Telecommunications Limited is a multinational

company and it offers GSM mobile services. The Videocon Group is a \$4 billion, global business conglomerate with a strong presence in Household Consumer Goods, Oil & Gas, Retail, Telecom, DTH and the Power sector. The Videocon group has constantly leveraged a culture of innovation to develop a range of market re-defining products. The Group has several manufacturing facilities globally and R&D centers spread across Americas, Europe and Australia that are constantly working towards creating global quality products deploying the most up-to-date technology. Videocon has one of the largest distribution network in India with a nationwide presence. The Group has a full range of products in Flat Panel Devices (LCD's) and CTV's, Washing Machines, ACs, Refrigerators, Home Theatre systems, microwave ovens, food processors, and sophisticated small home appliances. Recently the group also successfully launched a range of Mobile Handsets.

Programme was coordinated by Randeep and Mukesh Kumar Saw (Students of MBA 1st Year) under the guidance of Dr. Amit Sharma & Dr. Sonia Sardana (Assistant Professors, FOM). In the process, trainers focused on different personality traits of the students like Excellent Communication Skills, Strong Client Facing, Efficient Team Player, Good Presentation Skills, Strong Strategic Thinker and Market Mapping skills of the students. They offered Karnal and Panipat location to the students for training Programme. There were two main benefits to the students for attending this Training cum Project Module: (1) Two Sessions of 1 hour each with Business Head on marketing & planning, (2) Certificates from HR on successful completion of project.

SGI CONFERRED WITH EDUCATION EXCELLENCE AWARD-2013

Samalkha Group of Institutions (SGI) has been awarded by the research team and management of 'One Planet Research – Indo Italian Research Centre, Bangalore' in their function organized in Delhi 'Education Excellence Award – 2013'. SGI has been awarded with 'Best Private Professional Institute in North India'. The aim behind the Education Excellence Award – 2013 was to celebrate the successes and achievements in educational field.

One Planet Research is an Indo-Italian Research Centre that has several business interests including market research and

brand management. It has been providing a comprehensive range of Market Research Services and Market Research consulting services reflecting its past experience and expertise. One Planet Research privately owned company engaging directly with local teams throughout India and Italy as well as with few major international research firms. It is experienced and passionate practitioners of both marketing and community research. The management team of One Planet Research has great experience of over many years in the areas of market research, media research, brand management, news and media, advertising, public relations, retail sales and operations.

The operation team at One Planet Research comprises talented market research professionals, complemented by a network of independent marketing and community research specialists, working together as a team. One Planet Research works for a broad range of clients, both in the public and private sectors, including not-for-profit organizations. It is committed to providing their customers with valid, reliable information and recommendations insights from veteran marketing pros so that they can improve their products into new markets and enhance their business relationships to develop winning marketing strategies.

Samalkha Group of Institutions is one which qualifies for Management, Engineering & special awards. One Planet Research is the India's largest and still expanding Education Branding and Research Company. This Award (Best Private Professional Institute in North India) is given by Mr. Sharad Yadav, Senior Member of Parliament in the ceremony of One Planet Research - Indo Italian Research Centre's 'Education Excellence Award – 2013' organized at Delhi. Prof. (Dr.) Rajesh Goel, Director SGI got this opportunity to attend the event and received the award. All staff members were highly encouraged after getting such type of awards for the institute.

STUDENTS VISITED NDTV

Students of Samalkha Group of Institutions participated in the well known show "Big Fight" recorded on NDTV on 15th February 2013 at Archana Complex, GK Part-1, New Delhi. The event was hosted by NDTV's Tech Guru Mr. Vikram Chandra. The Programme focused on buzzword in society "Should the age bar be lowered for the juveniles?"

NDTV (BSE: 532529, NSE: NDTV) is an Indian commercial broadcasting television network founded in 1988. It was founded by Mr. Prannoy Roy, an eminent journalist and

presently Chairman and Director of NDTV Group. NDTV currently has more than 1,000 employees producing news from over twenty locations in India. NDTV is an acronym for the original name of the company, New Delhi Television. On July 30, 2011, Mr. Vikram A Chandra was elevated to the position of group CEO replacing Mr. KVL Narayan Rao who is now Executive Vice Chairman of the company. New Delhi Television is among India's top broadcasters and has twenty-three offices and studios across the country. Its three national news channels NDTV 24x7, NDTV India (Hindi) and NDTV Profit (Business news) form the core of the company. Each year the channel also gives the NDTV Indian of the year award. As the chorus grows stronger for reducing the upper age limit for juveniles under the criminal justice system from 18 years to 16 years, lawyers and activists have rejected the proposal saying that the move, driven by emotions, would do more harm than good.

In the "Big Fight" show, participation of students of Samalkha Group of Institutions was fantastic in which they raised many questions on this warm issue such as "The juvenile age of 18 was decided at a time and age where children were innocent. However, in the present age of violent pictures and popular TV serials like CID in which many murders are committed by juveniles and in which new methods of murdering using innovative drugs with funny sounding names are shown, the age for committing crimes has reduced. So anyone, who commits crimes for which adults are awarded death penalty, should get the same sentence". SGI provides such a platform to the students where they get exposure and see the things happening in the world. SGI provides knowledge and understanding of culture, language, geography and global perspectives to its students. Students at SGI are trained to access and evaluate corporate information resources. SGI's curriculum enables students to understand the world by attending various National & International shows where they get experience & exposure. SGI as a representative of the education sector discussed about our role of imparting quality education in technology, learning and training young talent with corporate support. SGI always takes initiatives to participate in various academic and cultural Programmes. The Programme was coordinated by enthusiastic students of SGI, Prince, Sarthak (BBA 4th Sem.), under the guidance of Mr. Amit, Faculty of Management.

SGI CONVOKED NATIONAL SEMINAR ON "FUTURE PROSPECTS AND CHALANGES IN CAREER" (FPCC)

A National Seminar was organized by Faculty of Management of Samalkha Group of Institutions, on February 12th, 2013 to enlighten the participants about the "Future Prospectus and Challenges in Career" they have to encounter in the market. The Seminar was to motivate the participants about how they can be on their own to decide their future. SGI is hub for providing quality education, situated in NCR-Haryana, Samalkha, Distt. Panipat (Haryana). SGI a global integrated education hub capable of providing vibrant, resilient and holistic education to prepare as an academia which is forward looking and committed to lifelong learning and innovation.

Prof. (Dr.) Rajesh Goel addressed the participants in his opening speech that a fresh manager or technocrat should start his career with small company which can explore your potential and one will be in a position to recognize better in the company as well as in the society in the long run. Moreover Dr. Goel stressed on the necessity of today's management graduates to work in teams so that they get exposure to handle people from varied backgrounds. Dr. Goel also spoke on the concept of value creating which is the current trend and which has replaced the value capture.

"Challenges in Career are rapidly increasing in the Indian economy and moreover 50 per cent of the market is volatile and 80 per cent of the business organizations in the market believe that their market is becoming global," said Dr. M. K. Kulshreshtha (Dean, Faculty of Management) SGI. The eminent Personalities who guided the participants were Mr. Sumit Sethi, (General Manager, Perfect Relations). He focused on the role of career in Public Relations. PR helps the corporate or individuals to make familiar with the society. He discussed about case studies of Barbies and Bausch & Lomb that how these companies or products made their appearance among society with the help of PR.

Mr. Amarjeet Saluja (President, Co-Cubes), briefed in his discussion that during the past 15 years competition has increased among MBA's and Technocrats. During his dialogue he focused upon Attitude and Aptitude test for final selection in the corporate world. He equally was paying attention on the

time management. He perfectly portrayed that 'no amount of gold will buy you time that has passed.' Mr. Arun Ahlawat (CEO, Knowledge Serve) did a fantastic job of keeping the seminar moving in an excellent way. He focused on various types of training which are needed for young Managers' & Engineers in addition to their classroom teaching.

Mr. Rohit Malik (Manager, Xerox), focused on V-Model. He described that the cost of the companies on job training is increasing day by day. So the requirement of corporate now a days is only for knowledge workers, who are already trained while they are pursuing their studies. He also stressed on Resume Building. As per his recommendation to the students Resume is reflection of an individual, so it should carry true and correct facts about an individual. Dr. Shraddha Singh (Deputy Manager, Star Health Insurance) he taught to young managers how to participate in Group Discussion. She gave tips while going for interview. She stressed out on communication skill where the young generation is lacking a lot. She also advised the students to focus on quality instead of quantity.

The Seminar was chaired by Dr. S.K. Matta (HOD, Faculty of Management) Samalkha Group of Institutions, who also advised the students that they should be knowledge seekers instead of job seekers. The Programme was coordinated by enthusiastic students of SGI, Daljeet Kaur, Sahil Peshion, and Jaishree Gaur under the guidance of Ms. Preeti Dhingra & Ms. Shilpa Sinhmar FOM, SGI. Daljeet Kaur (MBA-2nd Sem) was the Master of the ceremony. Coordinators & Organizers were graced with certificates presented by Prof. (Dr.) Rajesh Goel Director, SGI. Participants from many institutes attended the National Seminar enthusiastically.

“BUSINESS QUIZ” HELD AT SGI

SGI situated in NCR-Haryana, Samalkha, Distt. Panipat (Haryana) is a global integrated education hub capable of providing vibrant, resilient and holistic education to prepare as an academia which is looking forward and committed to lifelong learning and innovation. A unique initiative in form of business quiz for students has been executed by Samalkha Group of Institutions (SGI) on 11th Feb 2013 which aimed at providing surveillance in corporate world, a business quiz which was meant to provide a platform to the students.

The business quiz provided an edge to the inner zeal of the students where students got a chance to face the challenges

in near future. Five teams participated in business quiz named Team A, B, C, D and E and each team comprised of three students. There were three rounds in business quiz. First round was 'ab aayega maza', second round was 'waqt hamara hai' and third was 'buzzer round'. Questions in every round were according to the name of the round.

Team A got first position in completion of the third round. Then again there was a competition amongst all the three members of Team A and that was a Final round of a business quiz contest. Then there were different questions for each and every student and it was not a passing round. On the basis of the answers of this final round, students from Team A were declared First, Second and Third.

The winner of this business quiz contest was Ishant Wadhwa, first runner-up was Prince Jain and the Second runner-up was Rahul Tyagi. After that eminent Corporate Personality Mr. Shashir Mudgal presented a presentation on the topic "Challenges for New & Young Managers". Mr. Shashir Mudgal, did his schooling from Frank Anthony school, B.com (Hon) from Venketawara college, (DU) MBA from IMT Ghaziabad. He worked at different capacity in different organization where he handled Sales, Production, Supply chain management, CRM, Branding. For the last 4 years he is working with publishing industry (Business Standard). The Programme was coordinated by enthusiastic students of SGI, Jaishree Gaur, Daljeet Kaur, under the supervision of Dr. Sonia Sardana and Mr. Amit, FOM. Participants and winners were graced with certificates and presented by Mr. Shashir Mudgal.

STUDENTS VISITED YAKULT DANONE INDIA

Students of Samalkha Group of Institutions from MBA-2nd Semester batch 2012-2014 had a very insight plant visit to the probiotic drink plant on 1st February 2013. Yakult Danone India is a joint venture between Japanese health drink manufacturer Yakult Honsha and French Groupe Danone. Yakult, Sonapat, has a total bottling capacity of 1 million bottles a day. Students were given a power point presentation on the working of a plant as well as a global perspective of diversity management. Aspects of Supply chain management and plant manufacturing processes were also discussed.

Yakult Danone India (P) Ltd is a 50:50 JV between Yakult Honsha, Japan and Groupe Danone of France, both of which are global probiotic leaders. The JV was formed in 2005 to

manufacture and sell probiotic products in the Indian market. Yakult, a probiotic drink was launched in India in 2007, and is presently available in Delhi, NCR, Chandigarh, Punjab, Jaipur, Mumbai, Pune and Bangalore. Yakult is an ISO 9001: 2008 and HACCP certified manufacturing facility in Sonapat, Haryana in India.

The factory is spread over 8 acres and out of this, more than 30% area is the green belt area. The total factory is designed as per international standards and special care has been taken while designing to maintain the highest level of hygiene standards and to deliver the best quality product to its consumers. The process of making Yakult is completely automated and there is no human touch at any point of time.

This plant was inaugurated by Mr. Subodh Kant Sahai, Honorable Minister of State (independent charge), Food Processing Industries, Govt. of India, on January 18th, 2008.

As a pioneer in probiotics, Yakult has formidable research capabilities and product technologies in the field of probiotics. Yakult Central Institute for Microbiological Research has for years researched the use of intestinal bacteria as a factor in health maintenance, conducting a wide range of studies on the benefits of microorganisms in Japan. In India too, Yakult Danone India is working actively to build awareness about probiotics and contribute to a healthier society. Yakult's benefits have been scientifically established through years of research and 30 million people in 32 countries drink Yakult every day.

The visit was coordinated by enthusiastic students of SGI, Sahil Peshion (MBA), Jitender Kaur (MBA), under the guidance of Ms. Preeti Dhingra & Mr. Kapil Kalra, FOM.

DIRECTOR SGI PARTAKEN IN CONFERENCE ON THE TOPIC “INSTITUTIONAL MEASURES TO PREVENT CRIME AGAINST WOMEN”

Prof. (Dr.) Rajesh Goel, Director SGI participated in a day long conference on "Institutional Measures to Prevent Crime Against Women", organized by Women Studies Research Centre, Kurukshetra University, Kurukshetra on 22nd January 2013 (Tuesday) at Dr. S. Radhakrishnan Sadan Kurukshetra University. More than 250 Directors, Chairpersons from KU and Principals of colleges affiliated to KU attended the conference. Conference focused on "It Should be taught

to girls how to lodge complaint to police, how to be safe after the complaint and how to react to a situation of crime. Educational institutions need to liaison with police and district administration to coordinate to prevent such crimes. Lt. Gen (Dr.) D.D. S. Sandhu, Vice Chancellor, Kurukshetra University said that we need to teach our students the values ingrained in our ancient culture to make them understand the importance of women in society.

Dr. Sandhu added that we also need to adopt zero tolerance strategy whereby strict punishment is given to people who indulge in crime against women. "There is a need to adopt multi-prong strategy to prevent crime against women together by educational institutions, police administration, social activists, families and individuals," the Vice Chancellor said. Director, SGI found the conference fruitful and time worthy. The conference ended up with a self realization need to facilitate measures to Prevent Crime against Women.

SGI ACCOLADES THE B-SCHOOL INDUSTRY AWARD

Samalkha Group of Institutions was privileged with "B-SCHOOL INDUSTRY INTERFACE AWARD" by MBA BY CHOICE division of Discovery Education Media Private Limited in its Award Ceremony Christened as "INDIAN B-SCHOOL AWARDS" scheduled on 21st January 2013 at Hotel-The Park, Parliament Street, New Delhi. The marathon is supported by the Indian Navy, the Government of Maharashtra and the Athletics Federation of India.

SGIANS PARTAKEN IN 8TH NORTH EAST BUSINESS SUMMIT

Students of Samalkha Group of Institutions participated in 8th North East Business Summit on January 9-10, 2013 at Le Meridian, New Delhi. The event was jointly organized by Ministry of DONER, Govt. of India and Indian Chamber of Commerce. The Ministry of Development of North Eastern Region (MDONER) is a Government of India ministry, established in September 2001, which functions as the nodal

Department of the Central Government to deal with matters related to the socio-economic development of the eight States of North-east India, Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Tripura and Sikkim. It acts as a facilitator between the Central Ministries/ Departments and the State Governments of the North Eastern Region including Sikkim in the economic development including removal of infrastructural bottlenecks, provision of basic minimum services, creating an environment for private investment and to remove impediments to lasting peace and security in the North Eastern Region including, Sikkim.

The Indian Chamber of Commerce, is the premier body of business and industry in Eastern and North-Eastern India. The membership of the Chamber comprises several of the largest corporate groups in the country, with business operations all over the country and abroad. Set up by a group of pioneering industrialists led by Mr. G D Birla, the Indian Chamber was closely associated with the Indian Freedom Movement, as the first organized voice of indigenous Indian Industry. Several of the distinguished industry leaders in India, such as Mr. B M Birla, Sir Ardeshir Dalal, Sir Badridas Goenka, Mr. S P Jain, Lala Karamchand Thapar, Mr. Russi Mody, Mr. Ashok Jain, have led the ICC as its President. One of the most pro-active Chambers in India, the ICC has been privileged to interact and host several of the esteemed Indian Presidents and Prime Ministers in the past. With over eighty years of service to the nation, the ICC retains the character of being the premier Chamber with senior Indian industry leaders forming the core of its Executive Committee or the Governing Board of the Chamber. Its enlightened leadership and membership has enabled the ICC to move ahead and respond pro-actively to the dynamic changes that have taken place in the world order and with a vision for the future.

The 8th North-East Business Summit, an initiative by the Indian Chamber of Commerce (ICC) aimed to harness the immense business potential the region has to offer. North-East India has a vast pool of resources, rich heritage and culture which offers investors and trade partners unlimited business opportunities. Many Union Ministers & Chief Ministers of North Eastern States, Ambassadors & Head of the delegations from ASEAN and South East Asian were present there.

SGI provides such a platform to the students where they get exposure and see the things happening in the corporate world. It provides knowledge and understanding of culture, language, geography and global perspectives to its students.

SGi Students are trained to access and evaluate corporate information resources. Its curriculum enables students to understand the world by attending various Business Summits where they get experience & exposure. SGi has always lived up to its motto of 'Think different! Think Samalkha! SGi always takes initiative to participate in various academic and cultural Programmes.

FACULTY PARTICIPATED IN FACULTY DEVELOPMENT PROGRAMME

Samalkha Group of Institutions is committed to provide best and quality professionals to the global market. Keeping in its objective in view Mr. Tarun Jeet Singh Chugh (Faculty, ECE) at SGi had given opportunity to participate in 15 days workshop organized by UIET, KUK. University Institute of Engineering & Technology (UIET) was established by Kurukshetra University in 2004 as a 'Centre of Excellence' to provide quality education in engineering & technology from the State of Haryana for UG & PG Programme. The institute is serving as a nodal agency for the matters of academic importance like, development of scheme of examination, syllabus, academic plan and maintenance of standards in affiliated Engineering colleges and is headed by Director and Dean Engineering & Technology. Entrepreneurship Development Cell (EDC) at UIET as set up in the year 2008 with the financial assistance from NSTEDB/DST and since then has been engaged in promotion of entrepreneurial activities in Kurukshetra University and other technical institutions of the region. The Cell is also organizing EDP for state department and providing consultation for setting up entrepreneurship cell in the institution.

Entrepreneurship plays a very important role in the economic development. Entrepreneurs act as catalytic agents in the process of industrialization and economic growth. The rate of economic progress of a nation depends upon its rate of innovation which in turn depends upon the distribution of entrepreneurial talent in the population. Technological progress alone cannot lead to economic development unless technological breakthroughs are put to economic use by entrepreneurs. It is the entrepreneur who organizes and puts to use capital, labor and technology in the best possible manner for the setting up of his enterprise.

The objective of the Programme is to train and develop professionals for the promotion of Entrepreneurship among persons and to prepare resource person for guiding and motivating young students for taking entrepreneurship as a potential career and to expose and enlighten the participating faculty members to comprehensive entrepreneurship development process and equip them to coordinate/organize the entrepreneurship related activities in the institution and nearby region. The contents of the Programme are self-directed attitudinal and behavioral changes by implementing entrepreneurship activities and the Programme involves Identification of the Business opportunity, Business Crises Management, Human Resource Management, Communication skills etc. Faculties from many universities and institutes have participated in the Programme. Mr. Tarun Jeet Singh found the FDP to be time worthy and fruitful. The Programme ended with a self realization need to promote entrepreneurship spirit among the youth of the nation.

MICROSOFT EDUCATION ADVANTAGE PROGRAMME

Students of Samalkha Group of Institutions, Samalkha participated in the Expert Lecture by Ms. Pulkita Chauhan on 17th December 2012. The topic of Debate was "Microsoft Education Advantage Programme". This was an expert lecture organized by Microsoft for students on latest Microsoft technologies along with their career prospects.

Focus of this expert lecture was on spreading the products and usability of Microsoft products that mainly concentrates on instilling the spark of learning technologies. Ms. Pulkita gave brief introduction about Microsoft company profile and its services like cloud computing and products like MS windows, MS office (application tool) etc. The expert lecture was followed with introduction of Microsoft Education Advantage Programme for students which has following steps: How to become a member of Microsoft student partner by visiting the site www.microsoftstudentpartner.com. There are three ways for enrollment such as video, application development and optional. These processes further associate steps like providing free licensed software for development and educational purposes, Free App Development training, Free Student Internships through Programmes like Microsoft. Dream Spark Access is offering free Dream Spark keys to

students along with enrolment Programme for institutions. It also offers to students a hand on training on the latest Microsoft technologies like Windows 8, Kinect, Cloud, and Windows Phone etc.

WHY SGI

I am glad to be associated with the Management Department. Our H.O.D and Faculty have been very helpful throughout. With their guidance and unstinted support we are constantly learning to achieve the path to success.

Vasu Jain, BBA

The team of highly dedicated faculty and staff with excellent infrastructure facilities provides the right environment and guidance to us to excel in the academics as well as other co-curricular activities.

Vikash Yadav, Mechanical Engineering

My Best experience of accessing internet which keeps me connected all the time due to Wi-Fi zone in the campus.

Divyansh Gupta, Mechanical(AUTO) Engineering

Building and maintaining strong corporate & industrial relationship is a habit of SGI. Thanks SGI for providing students corporate interface.

Mohit Chhabra, Electronics & Communication Engineering

The Guest lectures, workshops, seminars industrial visits are the events at SGI to improve knowledge as well as personality.

Rajkumar Joni, Computer Science & Engineering

SGI churning out worthy Business Professional & Technocrats capable of delivering best technology standards to the society.

Takhe Ampi, Computer Science & Engineering

Labs are well equipped with Modern Tools. Our labs are amongst the finest and provide with whatever a student can ask for.

Ghokito, Civil Engineering

The college system is exactly what I expected, lots of students all living together, with the Junior acting to support students and organize parties and social events.

Madan Pokhral, MBA

Working with Virtual labs in collaboration with Govt. organization with an objective to give the practical exposure using the internet is a mind blowing process.

Aditya , Computer Science Engineering

Imparting practical knowledge to students. SGI conducts various workshops through out the session like Hacking, Android Development, Cisco Networking Programme, Linux Server Security Programme.

Prerna Bhasin, Computer Science Engineering

I always wanted to be a part of such clubs like Cultural Club, Sports Club, Technical Club and Management. Only SGI is the one who gave me this opportunity.

Varun ojha, Electronics & Communication Engineering

Incampus training on Embedded System & Robotics is provided in ERDC Centre.

Nikhil, Electrical & Electronics Engineering

SGi is serious industry oriented college. I was placed even before I completed their Programme of study.

Adhikansh, Electrical & Electronics Engineering

Being a helping hand SGI helps financially poor students. It allow them to pay their dues in installments.

Sonam, MBA

SGi's vision is to rapidly evolve into a centre of international learning excellence that provides a high-quality, globally-oriented educational experience to us. Thanks to SGI for international exposure.

Holiho.k.swu, Electrical & Electronics Engineering.

Students are encouraged to participate in various sports .Students of SGI won silver and bronze medals in Teakwondo inter collegiate tournament.

Momita Roy, Electronics & Communication Engineering.

SGi provides us a cell to enhance and encourage an Entrepreneurial spirit among students, thereby creating more job providers rather than just job seekers.

Soni Kumari

Soni, Computer Science Engineering.

Guest lectures by illustrious corporate speakers from India & abroad.

Palak.

Palak Upal, Computer Science Engineering.

College life is the golden era in everybody's life. I am enjoying a lot. You may be the next one. "Come and Join SGI"--Best place to learn & live.

Sumaiyala

Sumaiyala Rafiq, Civil Engineering.

IBM Projects and training workshop helps to incur deep knowledge about specific domains and cutting-edge technology platforms.

Rimple

Rimple, Computer Science Engineering.

SGi provides opportunities for developing extracurricular skills which include student chapter of IEEE, IETE, social clubs, sports & games & many more.

Kashish

Kashish Grover, Computer Science Engineering.

I Love to stay at library. Spacious, centrally air-conditioned halls, equipped with modern and comfortable furniture for a good user experience.

Jatin

Jatin Purohit, Mechanical Engineering.

SGi is very good place for study. Our college is famous for the maintenance of discipline as well. Cheers for SGI in making Ragging Free Campus.

Kriti

Kriti Batra, Computer Science Engineering.

Special Attention is given to the weak students for continues improvement of their mental level and clearing their doubts. The College offers a counseling service to all its learners.

Ishant

Ishant, BBA

The best part of SGI is its diverse co-curricular activities.

Mohammad

Mohammad Ali, Civil Engineering.

Environment is very healthy. 24 hours electricity and facilities like RO water, laundry, Wi-Fi connectivity are available on the hostel premises.

Nischal

Nischal, MBA

With the current industrial scenario SGi provided me Robotics Training at its Robotics centre. Glad to be a part of this technology.

Ashish Sharma

Ashish Sharma, Mechanical Engineering

I love to work at ERDC. SGi gives an exposure to Classroom-based Learning, Project-based Learning and Research-based Learning .We have won first prizes at IIT-Bombay & IIT-Kharagpur for projects.

Mragendra

Mragendra Chawre, Aeronautical Engineering

Infrastructure is too good, fully air-conditioned, spacious lecture halls and tutorial rooms. SGi provides us high-quality learning ambience.

Ashish

Ashish Tawar, Mechanical Engineering

To achieve the professional competency the SGi has signed a number of MOU's like IBM, Cisco Networking Academy & Microsoft innovation Centre

Deepti

Deepti, Computer Science & Engineering

Quizards at SGi enhance mental ability & knowledge.

Yash

Yash Nagpal, Electronics & Communication Engineering

Infrastructure is good. Its better to be in college than to be at home.

Ibrahiem

Ibrahiem Raza, Civil Engineering

SGi has a well ventilated, spacious, centrally-located cafeteria that provide wholesome fare to all students.

Anjali

Anjali, BBA

The campus is surrounded by lush green lawns and playing fields. Facilities for indoor games like TT, carom, chess etc. are also available.

Burhan

Burhan Saifi, Civil Engineering

Events organized to create mass awareness at SGi is great.

Pragati

Pragati, BBA

Hostel rooms are well furnished and air cooled. Mess food is very healthy and hygienic.

Binit

Binit Yadav, Computer Science Engineering.

Meeting with Raghu and Rajiv was fascinating.

Supriya

Supriya Hans, Electrical & Electronics Engineering.

Ethnology is in the nerves of the SGI. Updating online regarding attendance, library & marks.

Sarabjeet

Sarabjeet, Electrical & Electronics Engineering.

Siemens PLM training Programme is a unique, interactive and highline for the future technocrats at SGI

Nancy Gupta

Nancy Gupta, Computer Science Engineering.

Amazing 24 Hours online digital library that gives us access to more than 50,000 books & journals.

Shilpa

Shilpa Shetty, Computer Science Engineering.

Microsoft Office Specialist Programme ensure proper viewpoints of the correlation between academics and real life application.

Deepakshi

Deepakshi, Computer Science Engineering.

I really feel so proud to be a part of this prestigious institute who is one among the top ranked colleges in state.

Priya

Priya Sharma, Electronics & Communication Engineering

I live in the campus. The people are amazing - I wouldn't want to live anywhere else.

Sapna

Sapna Thappa, Computer Science Engineering.

SGI incorporated finest teaching aids and latest multimedia technology inside the classrooms to hold interactive teaching sessions and make learning a unique experience.

Daljeet

Daljeet Kaur, MBA

Group Discussions, Extempore, Mock Lectures, Mock Interviews and many more helped me a lot in improving my speaking skills.

Ruchi

Ruchi Goyal, MBA

SGI runs a fleet of buses to provide transport facilities for a large number of students and staff members.

Sanskar

Sanskar Ravi, Computer Science Engineering.
