PRESIDENT'S WELCOME

Greetings to all of you!

I have great pleasure in conveying my best wishes to all of you. NarseeMonjee has a reputation for attracting the best students in their chosen faculty. Today, we are living in a world which has become smaller due to the advancements in transport, communication and information technology. As a result of this, trade and commerce have increased substantially and have come to dominate the relations between countries. This means that education in Commerce and Economics is becoming more relevant at any time in the past.

However, Challenges and Opportunities are two sides of the same coin. Modern education, curriculum development and teaching methodologies have to keep pace with the demand of the economic environment.

The manager, businessman and the entrepreneur of today need many more weapons in armoury. Holistic education should include all round development of a student.

I am glad that all of you undertake various co-curricular activities which sharpen your personality, managerial and inter-personal skills. At SVKM we continue to encourage all forms of activities which contribute to the overall development of the student. I am also particularly glad that you students are also engaged in activities like NSS Camp in rural areas which sensitize you to the realities of lives of different sections of the society in our country. All this has been possible only due to the dedication and commitment of the Teaching Faculty and the Non-Teaching Staff of the College.

I wish you all the best for achieving greater success and scaling newer heights in your education and career ahead.

My good and warm wishes to all the new entrants to our Parivar.

Shri Amrish R. Patel

President, SVKM

BRIEF HISTORY OF N.M. COLLEGE

SVKM's NarseeMonjee College of Commerce & Economics, popularly known as NM College, is a leading college affiliated to Mumbai University. It was established in 1964 by Shri Vile Parle KelavaniMandal (SVKM), a professionally managed trust with a large number of prestigious academic institutions, under its umbrella. SVKM is the brain child of leading industrialists and socially conscious philanthropists who wanted to contribute to the local area by founding educational institutions.

The Mandal has an extensive local base with a large primary membership. The Status of NM as a minority institution for the Gujarati Linguistic Community is a significant achievement in providing access to students from the Gujarati Speaking Community, to the most coveted college in the Commerce and Business Management Streams.

Although the College started by focusing on education to make students self-reliant and to prepare them for careers in the commerce field, it gradually extended the scope of its activities to include the molding of the overall personality of the students. With greater competition in every walk of life it has become a necessity to prepare students to shine in all areas.

The year 2014-2015 was celebrated as the "Golden Jubilee" year of the College, as the college was established in the year 1964. It is a very happy and proud moment in the history of N M College to be celebrating its 50th year of existence.

The Alumni Association of the College , **NarseeMonjee Alumni Association & Movement (NAAM)** which now is a registered body extends their support to the college in conducting various academic and related activities like felicitating students for their academic achievements at the University, Board and College level, felicitating the teaching and the non-teaching staff on their superannuation etc. Ex-students associated with NAAM who have shown extraordinary entrepreneurial skills are involved with the Intent business programme every year.
