Gujarat Law Society

“Give a man wealth and he might squander it. But give him education and it will not only enrich his own life but also make him more conscious of his duties towards society”.

With this mission to enrich lives of many through education, like-minded visionaries like Shri Sardar Vallabhbhai Patel, Shri Ganesh Mavlankar and Sheth Shri Kasturbhai Lalbhai established Gujarat Law Society in 1927. Initially, the Society was established with the specific purpose of imparting legal education and training. Since then, the Gujarat Law Society has come long way with 38 educational institutions under its umbrella.

The financial framework of the Society was strengthened by munificent donations given by philanthropic personalities like Shri Charandas Haridas, Shri Mahendra Kanaiyalal, Shri I.M. Nanavati, Sir C.U. Shah, Shri Deepak Nanavati, Dr. Pramod Mehta.

With the steadfast resolve to “aim higher” & the motto of “Excellence in Education”, today Gujarat Law Society aptly ranks among the premier educational bodies of the country.

From the Honorary Secretary

It is with a lot of pride that I welcome all our corporate partners to the Placement Process at Gujarat Law Society's PGDM Programme.

We have come a long way in terms of management education- from our flagship MBA programme at NR Institute of Business Management (NRIBM), to the new MBA programme under the aegis of GLS ICT (GLSICT MBA), and one of our most noteworthy initiatives, the Post Graduate Diploma in Management (PGDM).

At a time when India in general & Gujarat in particular, is achieving astronomical growth rates, it is imperative that management education touches both chords-global and local. I am proud to be able to claim that this task has been successfully accomplished by NRIBM. Not only do the stunning academic results in terms of topping the Gujarat Technological University, bare testimony to this achievement, but it is also borne out by the encouraging feedback of our previous recruiters & industry partners. Every student of NRIBM is a shining example of how the best academic & para academic practices can be used to the optimum to groom a management professional par excellence.

India is poised to lead the world with its "soft power" & the collective efforts of the director, faculty members & students at NRIBM will surely go a long way in enhancing this soft power.

Once again, I welcome you to the placement process at PGDM programme & am confident that you will find the talent you are looking for.

Devang Nanavati
Honorary Secretary

Invitation from Director

It gives me immense pleasure to extend you a most cordial invitation to you for participating in campus placements. We are pleased to introduce our self as pronounced institute in the field of Management Education. At NRIBM are we are looking ahead at a transformed business world in which management professionals are examined for their expertise, innovation and other codes. NRIBM's sole approach is to contribute to business sector and development by equipping its students with modern techniques and decision making skills.

NRIBM's PGDM Program has been offering results for industries and business, modicum ever changing needs of a dynamic business environment. To satisfy these challenges, students of PGDM have been straining to achieve the height of success through their arduous work, unity and leadership quality. The intelligence, high energy and exuberance of our students backed by their strong academic and analytical skills assure that they bring an added measure of expertise to the industry.

Ubiquitous students of our institute, selected through a rigorous process, are amongst the best of the managerial talent available. They are guided and trained through a constantly updated curriculum, by a highly qualified and experienced faculty. Regular student and faculty interaction with the whales from the corporate world are helping us in grooming our students to meet the fast changing needs of the era.

We will be extremely obliged if you could be a part of our endeavour of making the untapped talent shine. We would like to invite you for a Campus Placement Drive of final year students – batch 2014 -16. We would be glad to provide you with any further information and assistance in this regard.

Dr. Hitesh Ruparel

Director

Institute...

Gujarat Law Society imparts post graduate management education through its most prominent institute N R Institute of Business Management (NRIBM). Currently NRIBM offers the two year Post Graduate Diploma in Management and a GTU affiliated MBA.

The prime philosophy behind the management programme at Gujarat Law Society is to create innovative thought leaders well equipped with strong functional skills along with palpable ethos to contribute the society at a micro as well as macro level.

In order to foster innovation, the institute adopts a flexible culture, welcoming new initiatives, firmly believing in the capabilities of students as internal stakeholders. This has ensured a large number of students in evolving their own business models and ideas, simultaneously participating into various social events as well.

There is a strong emphasis on fulfilment of one's own social responsibility as a result of which the students are constantly encouraged to evolve campaigns with social messages.

The institute proves to be a perfect facilitation ground, to the extent that its locational advantage empowers students to indulge into multiple activities.

The 32,000 sq. mt campus has been well planned to provide best in class amenities in form of technically equipped air-conditioned class rooms, an auditorium with a capacity of 300 for conducting seminars and conferences and computer labs with around 400 nodes, dedicated wireless network and seamless net connectivity.

The institute possesses one of the richest library which is central to learning for all management graduates. The library currently hosts more than 16500 books, 129 national and international journals, and 7000 electronic resources.

The students are also benefited with the vast experience of faculty members who not only act as facilitators but also as mentors to provide them the most realistic educational and training experience.

Learning Aids

The academic and physical infrastructure at NRIBM provides an inspirational environment, inspiring intellectual minds and creativity. The student-friendly ambience is accentuated by the vast pool of amenities and facilities on the campus.

Classrooms

The classrooms at NRIBM are designed to endorse interactive learning involving the students and the faculty. All the classrooms are air-conditioned and operational with multimedia and audio-visual Equipments that facilitate effective teaching and learning

Computer Labs

The institute has high-technology supported labs which are equipped with more than 230 computers. All computers are connected to a Local Area Network which also connects the faculties for sharing and communicating information to students. Apart from this, the students and faculties can have access to 5.5 MBPS broadband internet connection and WIFI facility.

Library Resource Center

The library at the institute boasts of 129 international and national journals, magazines & periodicals as well as over 16500 books, 7000 e-books, reference volumes & CD-ROMS. This keeps the students abreast about the Indian & Global corporate environment, which nurtures and enhances their knowledge.

Knowledge & Experience

Being a dynamic institute, NRIBM advocate innovations in its teaching pedagogy. Apart from the popular pedagogical tools like Case studies, Role-plays, Presentations, Management games & Seminars, it has adopted innovations like Spare-time learning, Mentor Group, Live Projects and Student's club to illustrate a few.

Spare-Time Learning

During their spare time, students and faculties join hands to explore management theories by exploring empirical researches and relating the same with the modern practices in management.

Mentor Group

Each faculty (Mentor) and a group of students who share common interest in a specific area of management or inclination towards a common industry, come together and the faculty mentors the group of students by imparting required knowledge to provide them insights and conceptual clarity in their shared interest area.

Live Projects

The institute by virtue of exploring its corporate ties, invites corporates to accommodate selected students as per the requirement of the industry or company to get first-hand experience of corporate assignment. So far, our students have undertaken live projects at reputed companies like Mudra Communications, Adani Group, Suzlon Energy Ltd., One Advertising, GSFC, to name a few.

Student's Feedback

Being a responsive organization, the institute seeks regular feedback from the students with respect to their satisfaction and expectation from the faculty and execution of various academic pursuits by the institute in order to utilize the feedback as a tool for planning future activities and understanding the scope for improvement

About PGDM Programme

The post graduate diploma programme is a maiden initiative for from Gujarat Law Society's most reputed management institute N R Institute of Business Management. Ever since its conception, PGDM has ventured out of the conventional educational model of management studies and experiments with innovative techniques and methods of teaching. This novel model of education gives way to an extremely pioneering programme in Management with a special emphasis on leadership and innovation.

PGDM has been challenging the traditional model of management education in many a ways. With the experience of running various batches of MBA and setting up new benchmarks of excellence in education, the maiden batch of PGDM now evolves to be one of the most unique educational models, and is equipped to offer the various distinct experiences.

- Education in Business, Management Innovation, leadership and sectorial exposure leading to Post Graduate level Diploma
- Relevant industry experience through Industry Institute Partnered Internship (IIPi) in the chosen domains
- Contemporary learning in three thrust areas (chosen careers) viz. Marketing Management, Finance Management and Human Resource Management

Approach & Framework

PGDM has been designed as a unique course with perfect blend of education, industry experience and innovative self-learning pedagogies, which formulates the core of unique approach towards management education.

The entire course structure has been designed keeping in mind constant learning from contemporary educational training comprising of four rigorous terms:

- Building foundation on business formats, channels and processes, macro-economic scenario, communications, and operations research
- Sensitization towards different functional areas of Management / Business organisation
- Business Implementation and Management at advanced level including the chosen career area (specialization)
- Business Expansion and specific business (specialization) and skill set impartment through advanced courses.

Simultaneously, the participant has a choice to select one of the three thrust areas of the programme viz.

Major Specialization

- Marketing Management
- Financial Management

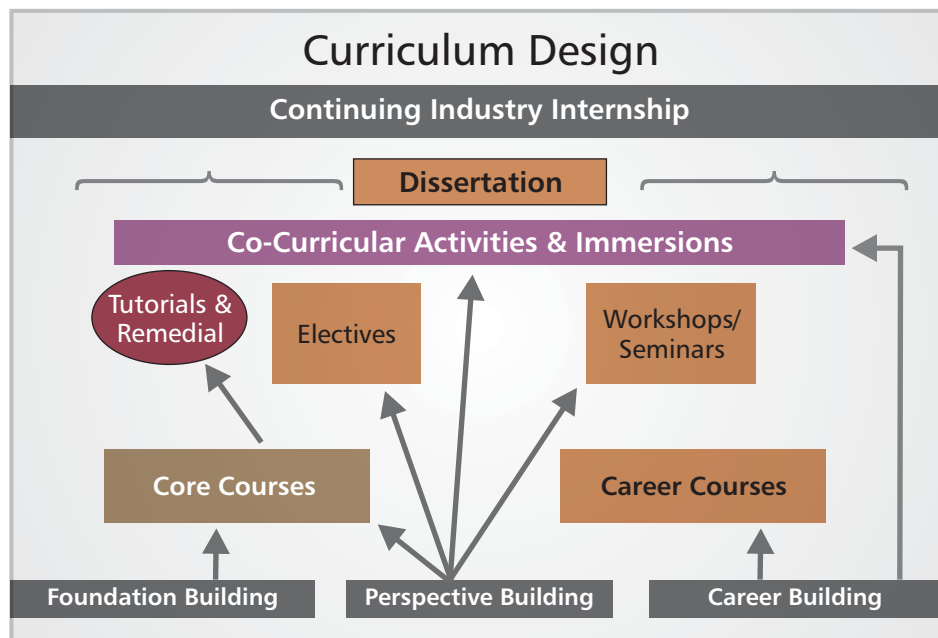

Minor Specialization

- Marketing Management
- Financial Management
- Human Resources Management

The curriculum is divided in a mix of core courses, career courses and electives. The framework of the curriculum has been conceptualized to provide the participant a globally relevant management perspective along with honing the personal skills inculcating leadership abilities to manage innovative ventures in current techno-economic domain.

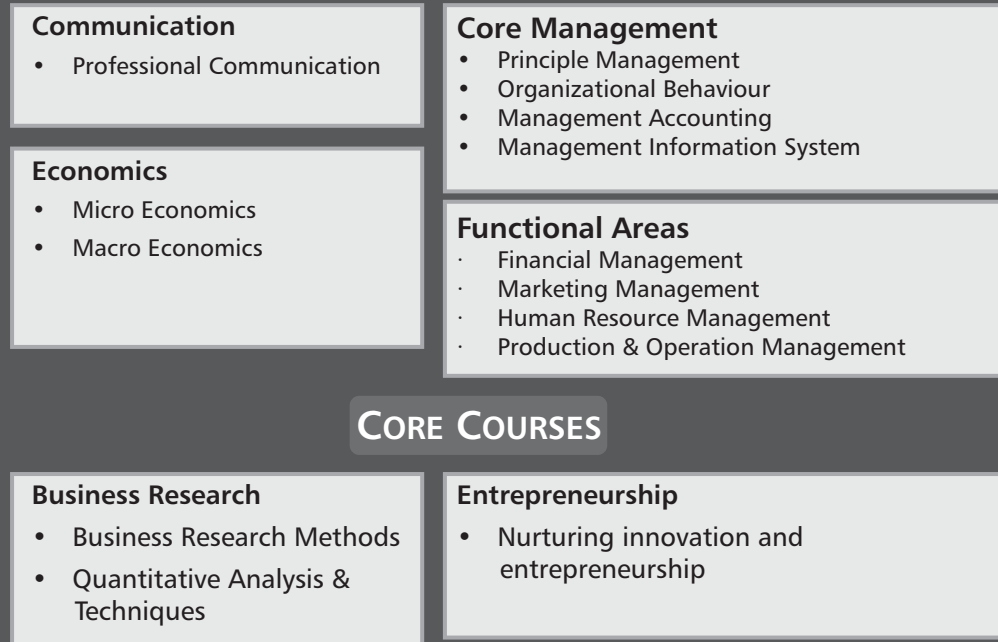

Curriculum Design

Programme Structure		
Year and Trimester	Description	Duration
Year 1 Trimester 1, 2 and 3	Foundation on Business, Management, Macro and Economic Environment, Organizational Dynamics, Micro Quantitative and Operations Research Functional Areas of Business such as Marketing, Finance and Human Resources Management	Each trimester of 3.5 months approximately
Summer Internships	Summer Internship / Immersion	2 months
Year 2 Trimester 4	Business Implementation and Management at advanced level Courses on the chosen minor area (specialization)	3.5 months
Trimester 5	Perspective building courses and courses on selected major area (specialization)	3.5 months
Trimester 6	Perspective building courses and courses on selected major area (specialization)	3.5 months
	Final Dissertation (Comprehensive Project)	1 month
Overall		24 months

Curriculum Snapshot

Pedagogy

The overall structure of the pedagogy involves the following learning process:

- Classroom learning: Lecture/discussions
- Small Group works
- Simulations and role plays
- Industry Projects and Dissertations
- Self-reflection and Self-learning
- Tutorials/Remedial
- Internships/Live projects
- Immersions (Rural/International)

Students are expected to devote for each classroom sessions at least three hours of work outside the classroom. This may involve going through, pre-read, self-learning, cases analysis, group work as a part class preparation and post class assignments involving self-reflection, individual or group assignment, project work and so on.

Work Load and Students Assessment Systems

- a) The Institute uses the concept of “credits” to define the workload of a course in terms of class room sessions or equivalence in case of project work. Each course listed in the curriculum is essentially one credit
- b) A 40 session course of classroom learning combined with 72 hours of outside classroom work (fieldwork, self-learning, classroom preparation, project and examination) is considered equivalent to one credit course. In case of project course of one credit need to involve work load equivalent to 80 hours of work

Immersion

Global Immersion (Rural/International/Simulated Enterprises)

The prime objective behind offering International Immersion as part of the PGDM programme is to ensure a global orientation/perspective, through participation and understanding of international practices in a selected country's institutes/organizations. This participation and understanding needs to be directly relevant to one of the various identified areas/domains of Business and Entrepreneurship. This may result in a study of cultural, social, economic & political environment of countries chosen for immersion.

Satisfactory completion of International Immersion is one of the prerequisites for graduation from PGDM. It carries 4 course credits. The total duration of International Immersion is 15 days:

Objectives

1. To develop a global mind set, which is a critical factor for effective executive / entrepreneurial career
2. To appreciate and analyse different business practices as contingent upon the socio-cultural and economic contexts.
3. Identify, comprehend and apply - business practices globally relevant in the context of
 - some of businesses/industry verticals/academic topics (through a visit abroad)
 - rural development practices related to issues/opportunities in India (through rural immersion)
 - student's own business idea/model/domain (through immersion of simulated enterprises)

Students may choose the three alternatives to complete this requirement. These are:

1. Undertaking a visit to a foreign country
2. Rural Immersion
3. Simulated enterprises

Dissertation

Dissertation/ Strategic Industry Project – PGDM programme

Students opt for industry project for fulfilling the requirements of dissertation. Students use the learning and cases based on their project work as well as continuing industry internship to enrich the industry project.

Objectives:

1. To enhance and apply strategic and analytical skill set to macro environment to industry and an organization using multidisciplinary perspective
2. To apply some of communications, marketing, management and business model and techniques to understand challenges in industry and emerging trends
3. To draw best practices in industry – in Indian and global context
4. To identify critical factors for generating key decision options and propose new tools/techniques/methods and processes for analysing critical factors leading

Industry Project Framework

1. The students select any one of Industry/segment vertical or academic topics based on which they wish to study industry problem pertaining to their career interest. For example, a student choose to work on Strategic Marketing in Event Management vertical, or Strategic Brand Management across other segments in management domain.
2. The focus of the dissertation is on the critical analysis of key elements, future prospects and present it as a framework or a model which will guide the practices in industry.
3. As a part of the next step, One needs to consider the challenges and key trends (out of published sources) being faced in a particular industry vertical/ academic discipline using either industry wide or organisation level diagnostic problem solving exercise and propose innovative solutions/models approaches.
4. The students bring in innovativeness and strategic thinking approach to the entire analysis and perceive future opportunities and growth prospects. Along with or apart from this, the students try to spot a breakthrough innovation/process or idea in the said field.
5. Students ideally bring in the back up of some exploratory research work through qualitative research and quantitative projections about the industry/segment from the secondary sources.

Academic Extension Activities

In accumulation to its academic activities, the institute is involved in a swarm of additional activities which are an expansion into united meadows and which reinforces the institute-industry ties.

The Expert Opinion Series

In order to bridge the gap between academic knowledge and practical know-how, the institute have nurtured a practice of holding Annual Seminar Series featuring dignitaries from different industries and segments of the corporate world. It hosts an eleven day eXperts' Opinion (XO) series, a colloquium and discussion series in diversified sectors such as Banking, Telecom, IT, Pharmaceuticals, Media, Manufacturing, Retail, Travel, Tourism and Hospitality domains. The mode of knowledge sharing is through lecture series, round-table discussions, panel discussions coupled with formal and informal discussions

Communication and Soft Skills Workshops

The institute conducts Communication workshop for the first year students with the objective of grooming them and giving them practical learning by equipping them with the necessary skills and knowledge to enter, sustain and grow in the corporate world. Various tools and programs are used by corporate trainers to enable the candidates to have a competitive edge and being a winner in their career.

Since inception the workshops have been conducted by various corporate trainers: Dr. Nimrat Singh, practicing Clinical Psychologist and Human Behavior Scientist, Mr. Amar Gargesh, associated with reputed institutes like MICA and Nirma, Ms. Sharija Menon, lecturer at H.L.Institute of Commerce, Mr. Mohit Masand, Founder & Senior Copywriter at Wordistic Creations, Mr. Harsh Arora and Mr. Surjit Singh Aval, associated with Aspire Human Capital Management Pvt. Ltd., Gurgaon, Mr. Sunil Nair and Ms. Ankeeta Rao, Ethos HR Management and Projects Pvt. Ltd, Ms. Mandeep Kochhar associated with Adroit Learning & Manpower Pvt.Ltd., Mr. Veeral Shah, IELTS Trainer, Corporate Trainer and Lt. Col. Dr. V.K .Gautam associated with Modern Group of Institutes

Research at Institute

Institutes attempt at developing innovations in management practices and leveraging the expertise of corporate partners. Five research cells have been set up in the areas of:

- Financial Services
- Non-Financial Services
- IT, Technology & BPO
- Engineering and Manufacturing
- Pharma, FMCG, Media and Advertising

These cells actively interact with companies in relevant sectors and undertake live research projects, organize guest talks and take up joint research projects.

Research Papers from Students and Faculty Associates

The institute, apart from establishing a robust teaching environment, facilitates and supports cutting-edge research in a wide variety of areas. This enables the students to acquaint themselves with latest developments in their respective areas of study and pursue their own research interests. The institute encourages its faculty members and students to establish collaborative research ventures. The students and faculty members of the institutes are actively involved in writing research papers on various contemporary issues in national and international journals. Over the period of the last one year, the students and faculty members have published more than 35 research papers.

Students Activities

Student Activity committee (SAC) is conceptualized keeping the cut –to- cut competition in today's time. This committee identifies the hidden potential of the student, nurtures it and exposes to the right platform for the name and fame for their career. This committee gives an opportunity to the students to come out shining and in return add feather to the institute's cap. This calibre has been demonstrated by the students by winning seven trophies and medals in state & national level competitions in last academic year.

Group Discussion

It is a methodology used to gauge whether the student has organizationally desired personality traits and/or skills and in the process of polishing those desirable skills. The reason why the institute focuses on students going through series of Group discussions and interviews throughout the year is to gauge how well the student shall fit in the corporate world. Group Discussion again becomes a handy tool to groom the students. The evaluation is done by the committee coordinators based on the discussions. A report is prepared on analyzing the facts at the end of the discussion.

Management Quiz

Management Quiz has been designed as an innovative, interactive programme to facilitate a copious flow of knowledge and ideas packaged in exciting rounds. Learning through management quizzing is fun and goes beyond the traditional bounds of management training. It covers general management, marketing, advertising, HRM, finance & capital markets, business events and personalities in the news. The basic objective of arranging management quiz in the Institute is to assess and review awareness level on core management issues as well as latest developments in management concepts and practices, to benchmark knowledge with others in an environment of healthy competition and lots of fun, to feel stimulated and inspired, to accelerate learning curves and to develop the skills in lateral thinking, teamwork and decision making under pressure.

Contemporary Issues

'Contemporary' is an adjective that refers to events, issues, etc. that are ongoing presently. Contemporary issues' therefore is synonymous with 'current affairs'. They include issues that have gone on for some time but are still relevant today. Discussion of contemporary issues amongst the students gives them the knowledge regarding current affairs and happening. The students are required to give a presentation regarding the specific contemporary issue which ends with the healthy discussion amongst all the students. The contemporary issues are taken from the general topics like Politics, Science, Finance, Banking, Stock Market, Technology and also on various personalities.

Industrial Groups

Industrial groups are an innovative method of keeping students abreast with the happenings in major industries. Various industrial groups are formed with a faculty member in charge of each group. The members of the group meet on a weekly basis to discuss news articles, web casts and other developments in the industry of their choice. This exercise not only enhances general knowledge, but is also extremely useful to students during the placement process.

MANEDGE – The Wall Magazine

Manedge is a platform provided by Institute to the students for expressing their view points in innovative manner on various themes such as Finance, Advertising, Economics, Politics, Management, Students' corner, Global happenings, Book Reviews, etc. The deliberation behind Manedge is to create a management lessons learning opportunity for students by assigning end-to-end responsibility. Manedge is entirely students managed by student's right from selecting the topics to creating meaningful story around it, and display it artistically as a wall magazine.

As a result of mammoth efforts of students, the Manedge comes out not just as a wall magazine but as a resource presenting feelings & beliefs of today's young generation who all will be contributing for the future growth. The most important lesson Manedge provides students is; how to "criticize" or "appreciate" anything in a creative manner with right spirit of professionalism.

Talentino

With the objective of providing a platform to explore the latent talent of the students, every year institute organizes "Talentino", the annual cultural festival. These activities exist to complement the academic curriculum and to enhance the student's educational experience as Education cannot happen just in classroom—it must go beyond the walls of the classroom.

Students get opportunities to improve their leadership and interpersonal skills while also increasing their self-confidence. Such involvement allows students to link academic knowledge with practical experience, which leads to a better understanding of their own abilities, talents, and career goals. Thus involvement in such events is a key tool for overall personal development of an individual.

Revel

"Health is wealth", those who understand the benefits of being fit can cherish its fruits of being active, focused, and strategically sound. All work and no play will certainly make a student get bored in academics, so we at institute have come out with Revel, a sports event considering of games like football, carom, cricket, football, chess and volleyball. The best part of the event is that the whole even is being organized by the students and for the students. Which portrays the leadership, team spirit and sportsmanship of the students on the ground, and is reflected in their work too, later on.

Sanshodhan

Sanshodhan is a Summer Internship Project Competition which acts as a bridge between lessons learn in the class and actual implementation of these learnings. The main objective of this competition was to give platform to the students of Management Programme to showcase and share their learnings through presentations. Sanshodhan is a notion, made to define, refine and find the best research done during the Summer Internship Project. Sanshodhan is an effort to make the students learn more; discover more; research more and present more.

EVOLVE – A Soft Skills Training Program

The institute has initiated a Soft Skill Training Program - "EVOLVE" to get our students out of their nut shells and enhance their employability. Students are guided and trained for the areas like, Communication Skills, English Speaking, Presentation Skills, Group Discussion, Interviewing Skills, Body Language and Attire, Business and Social Etiquettes and other areas which make them competent enough in their personal as well as professional life.

Yoga and Meditation

Healthy mind in a healthy body is quote, which remains true to the date and generations to come. But growing level of stress and anxiety has left neither of 'em in a better state. So we at GLS took a thought and organized a Yoga Camp for our students, where they learn the various techniques of Yoga and Meditation, to stay prepared for the situations which might land them in stress. Yoga exercises are believed to have a strengthening effect on the nervous system through its non-tiring physiological activities that bring about poise of body and mind. The institutes believe that students should indulge themselves in this Indian practice of de-stressing the body, mind and soul. After all, precaution is better than cure.

Blood Donation Camp

At GLS, we not only groom the future managers, but also a responsible citizens of the country, walking the path of humanity. And there is no other match of donation like that of blood, which we at GLS understand very importantly, and hence we annually organize the blood camp in coordination with the Red Cross Society, Ahmedabad. The students, show their immense voluntary participation in such a camp and make us all feel proud with such an instinct.

Alumni Association

The institute has a strong network of over 1000+ alumni members with whom it is in regular touch through various activities and events. GLS STAMP (Student Teacher Association of Management Program) organizes Sankalan - a reunion of alumni every year with the purpose of confluence between the past and future talent. The Alumni members are the ambassadors of the institute in the corporate and they continue to bring laurels to their alma mater in form of regular guest lectures and final placements. GLS management programmes aims at generating & maintaining a strong alumni network by reaching out to alumni & keeping them connected. At the institute's end, two faculty members are actively involved in maintaining the coordination of this association and expanding the already large alumni network.

Go Green – Tree Plantation Drive

When the whole world is discussing measures to counter climate change how can GLS remain behind on such a thing. Go Green is an initiative of GLS Management programme where the members of the GLS family come together to plant saplings. As these saplings turn into trees, they not only give us shade, but also fruit and better air to breathe. Growing trees is not only nurturing nature but also giving a healthy tomorrow to our forth coming generations. So we made this a part of our curriculum.

PAHEL

Keeping with the trend, initiated a couple of years back students of the post graduate diploma in management (PGDM) at N.R. Institute of Business Management organized exclusive competitions for the marginalized and differently abled children in the event PAHEL 2014.

Backdrop:

The pahal began with a dream to serve something for those kids who are special in some or the other direction, but don't generate an opportunity to demonstrate. The underprivileged and mentally challenged kids are given an opportunity to display their talents in music, dance and allied areas.

PAHEL was introduced by the students as a practice and implementation of the lesson they had learnt during their classes of corporate social responsibilities. The students of PGDM have been visiting NGOs to meet the children and help them prepare for the competitions as well.

The preparation for fourth edition started with a focus to exercise it on a grand scale in the mist of the society creating maximum awareness. Pahal 2014 was held on 8th march 2014.

More than 150 kids between the age group of 7 to 18 years, who is visually impaired, learning impaired, mentally challenged or have other disabilities showcased their talents in several arts including vocals, dance and thematic representations, fashion shows and dramas.

The participating NGOs include: Sparsh, Shwas, Sarjan and Blind People's association, etc. The events would compromise of performances by the kids representing these NGOs.

The Judges were:

- Prof. Amar Gargesh, Creative Head, MICA
- RJ Vashishth from Radio Mirchi 98.3 FM
- Mr. Mackey, owner of a well-known dance academy in Ahmedabad, Waves.

The event witnessed more than 400 attendees from all walks of life.

Overall the outcome was a tremendous success, instilling big smiles on the face of the little angels with enhanced learning capabilities.

Convocation

N.R. Institute of Business Management held its fourth convocation ceremony for the students of Post Graduate Diploma in Management of its batch 2013-15 on October 17, 2015. Amidst the presence of various dignitaries, principals and heads of all the institutes of Gujarat Law Society and various invited guests, it was a memorable and significant day for N.R. Institute of Business Management.

The Chief Guest for the day was Shri Kartikeya Sarabhai, Director, of Center for Environment Education (CEE) and Shri Sudhir Nanavati, Executive Vice President, Gujarat Law Society presided over the function.

The convocation ceremony was formally opened by Shri B.H. Joshi, Registrar, Gujarat Law Society.

Dr. Hitesh Ruparel, Director, N.R. Institute of Business Management delivered the welcome address and shared the various milestones and educational accomplishments achieved by the Institute during his association with Gujarat Law Society.

Talking about PGDM programme, Dr. Ruparel expressed a true sense of accomplishment upon its establishment and success. He shared his belief that the basic principles for this programme such as pioneering curriculum, innovative pedagogical tools, better access to infrastructure and technology and top-notch faculty have resulted in making this programme highly successful and most accepted in the corporate fraternity. He shared the outstanding placements students of PGDM Programme are able to achieve. Rural Immersion undertaken by the students of PGDM Programme under the Swachh Bharat Campaign of Shri Sudhir Nanavati was highlighted.

In his presidential address, Shri Sudhir Nanavati emphasized on ethics and tolerance as important principles of life. He advised to accept change whole heartedly and to think out of the box. He shared the importance of leadership traits in a good management professional.

The chief guest of the event, Shri Kartikeya Sarabhai, during his convocation address, advised the students to grab the opportunities available during their professional careers. He emphasized the importance to be environment-friendly alongwith sustainable development. The graduating students and others present were mesmerized by his convocation address and highly appreciated it.

Dr. Rajesh Asrani, Professor, N.R. Institute of Business Management shared his journey of PGDM programme, including the unique orientation process and successful placements.

Finally the diplomas and certificates of merit along with gold medals to the toppers of Finance and Marketing were conferred upon the graduating students. The convocation was concluded by a vote of thanks by Dr. Dharmesh Shah, Professor, N.R. Institute of Business Management.

2nd India-New Zealand Business Forum

In accordance with the MOU of Indian and NZ government, to promote bilateral trade, within the two nations, the first New Zealand, India Business Forum was successfully held at Hamilton, New Zealand in the month of November, 2012 and it went ahead as building a platform for the academicians and corporate fraternity of both the countries to come together and understand the nuances of doing businesses at each other's territory. While the first Business forum, hosted at Hamilton, focused largely on channelizing NZ investments in India and developing a better understanding of Indian markets and business practices, the 2nd forum was proposed to be a platform for exploration of mutual and reciprocal opportunities in choosing areas of economic development.

N.R. Institute of Business Management (GLS MBA) hosted 2nd New Zealand-India Business Forum on December 14, 2013 in association with University of Waikato, New Zealand and Federation of Indian Chambers of Commerce and Industry (FICCI). Guest of Honour for the event was Mrs. Jan Henderson, High Commissioner of New Zealand, amidst the presence of various dignitaries consisting of Shri Sudhir Nanavati, Executive Vice President, GLS, Shri Devang Nanavati, Honorary Secretary, GLS, Prof. Geof Holmes, Chairperson, India Regional Group, University of Waikato, the convenor of the forum from New Zealand: Dr. Asad Mohsin, Director, Institute of Business Research, University of Waikato, the convenors of the forum from India: Dr. Hitesh Ruparel, & Dr. Rajesh Asrani, N.R. Institute of Business Management and Ms. Chandni Kapadia from Gujarat Law Society.

The forum was mainly deliberated to achieve the objective of developing ties between organizations of similar interest as well as those willing to partner in strategic areas. It will also focused to help the academicians and corporate fraternity of both the countries understand and appreciate each other's cultural differences and dynamics of businesses, practices and economic policies. In addition it focused on topics to facilitate the inflow of investments in both the countries in a reciprocal manner by involving a trade counsels and federations in a structured manner. It also focused on topic to build the forum as a platform for understanding the challenges faced in doing businesses across both nations and suggest solutions to advice Indian Government (and if possible NZ) on required policy changes to ensure better trade and investment opportunities between the two nations.

3rd India-New Zealand Business Forum

For the first time in the history of its more than eight decades of existence, GLS hosted an international business forum outside India. GLS was proud to partner with University of Waikato, New Zealand. India New Zealand Business Council and Federation of Indian Chambers of Commerce and Industry and host the third edition of India New Zealand Business Forum at Hamilton between 5-6 December, 2014.

The forum was attended by major dignitaries from India and New Zealand, including the High Commissioner of India in New Zealand, His Excellency Mr. Ravi Thapper and the Mayor of Hamilton Her Excellency Ms. Julie Hardaker. The forum deliberated upon several issues related to enhancement of bilateral trade between both the countries in their chosen sectors of mutual collaboration. Several keynote presentations and panel discussions were held in the areas of Tourism and Hospitality, Education and Research, Agri Business and Information Technology.

From GLS, Dr. B. H. Joshi, the Registrar and Dr. Rajesh Asrani, Professor N R Institute of Business Management participated in the Forum. Dr. Asrani was conferred the responsibility of being the convener of the forum from Indian Side. He also led the Indian delegation to New Zealand. He was also given a responsibility to deliver the welcome address to the gathering.

As a prelude to the forum, a two day international conference on advances in academic research was also held. This conference attracted researchers from India, New Zealand, Singapore and Australia. During this conference,

Dr. Asrani presented a research paper in his key note address titled "Strategic Implications of Intellectual Property Management in Developing Nations" Dr. B H Joshi and Dr. Asrani also participated in a panel discussion on "Advances in Education and Research" during the forum. Dr. Joshi stressed on the development of skill oriented programmes in partnership with the universities abroad. He also propagated the adoption of Yog and Ayurved as alternate health and wellbeing areas by NZ universities. Dr. Asrani identified opportunities

in mutual research collaboration and in his final comments suggested to take a realistic stock of the effect of such networking events.

Process of Placement

1

The Placement Cell sends invitations to companies/ organizations along with relevant information.

5

Interested students show their willingness to appear for the recruitment process of a company by registering at the Placement Office.

2

Company/ organization sends in the details of the job and the offer using campus visit confirmation form.

6

Placement Office allots dates in consultation with the company for conducting Pre-Placement Talk (PPT) and campus interviews.

3

If the company/ organization wishes to conduct a Pre-Placement Talk (PPT) they can send a request along with the preferred dates.

7

Company visits the campus on the allotted date/s and conduct Written Test and/or GD/Case Discussion and/or Personal Interview according to their recruitment process.

4

The job and offer details are announced to the students, along with any other information furnished by company/ organization.

8

The company/organization is required to furnish the final list of students selected during the recruitment process and issue a copy of Offer Letter on successful selection of candidate/s.

Internships

Industry Interaction through the internship programme is an important component of curriculum in PGDM at NRIBM. Industry Institute Partnered Internship Programme would be one of the innovative offerings of this programme aimed at developing future leaders and innovators in the industry.

The IIP has been designed to offer several new value-added deliverables to the industry and enhance significant learning opportunities for students. IIP combines two major components, viz. industry immersion and long term learning association with an organization through offline assignments.

Under IIP, each student is attached with an organization at the end of the term II and associates over the next 12 months (till the end of the programme) for undertaking a major online assignment and one major offline assignment, both of which would be defended by the participant in front of a panel of experts appointed by the institute and industry. This ensures that students exhibit a high level of commitment to organizations and deliver key values with comprehensive strategic insights.

The students, upon confirmation of internship, would work in close co-ordination with the mentor from NRIBM faculty and/or industry practitioners as well as from the organization.
