

**Society for Computer Technology and Research's
Pune Institute of Computer Technology, Pune-43**

Pioneers in the Field of Computer Education

**AICTE Approved, Affiliated to Savitribai Phule Pune University (SPPU),
NBA Accredited (All UG Programmes), NAAC Accredited,
ISO Certified (9001-2008), 'A' Grade by DTE, Govt. of Maharashtra**

Here we stand apart.....

VISION

Pune Institute of Computer Technology aspires to be the leader in higher technical education and research of international repute.

MISSION

To be the leading and most sought after Institute of education and research in emerging engineering and technology disciplines that attracts, retains, and sustains gifted individuals of significant potential.

HIGHLIGHTS

- Pune Institute of Computer Technology popularly known as PICT is the first institute in Maharashtra to start Computer Engineering course.
- **Most sought after institute.**
- PICT is No.1 amongst all private engineering colleges, 4th amongst all colleges including IITs, NITs and Govt. colleges in Maharashtra (*as per the survey conducted by EDU-RAND*). **PICT is 6th amongst all engineering colleges including IITs in Western part of India,**
- PICT is Ranked # 8 among private engineering institutions in India and 53rd amongst all engineering colleges including IITs in India (*as per the survey conducted by EDU-RAND*).
- NBA Accredited (All UG programs: CE and E&TC – 4 times, IT – 3 times).
- **NAAC accredited.**
- 'A' grade by DTE.
- **State of art digital library.**
- Complete campus connectivity through wired and wireless network and fast Internet access (100 Mbps).
- **Excellent results in all streams with large number of distinction holders and consistent ranks at University level (SPPU).**
- Outstanding placement record with maximum annual package of 38 lakhs and average salary of 6 lakhs per annum.
- **Excellent Industry Institute interaction resulting in MoUs (covering Industry sponsored Laboratories, Academic Projects and Scholarships, etc) by organizations like National Instruments, Texas Instruments, Wipro, Brown Cover, 3DPLM, Microsoft, IIT Bombay.**
- Strong EDC cell to develop leaders in ICT.
- **Realization of ideas through Incubation & Business Development center, PICT incubated 10 companies so far and companies like Fizzible, ZangOut app, Code Dynamix, Edureo etc. are currently incubated.**
- Innovation and research oriented learning.
- **PICT Alumni have created niche by reaching the top positions like CEO, President, Vice President. Many of them are also successful entrepreneurs.**

We create versatile ICT Professionals

Pune Institute of Computer Technology was established in the year 1983. It is considered to be one of the India's leading institutions of education and research in the field of Computer Engineering, Electronics & Telecommunication Engineering, and Information Technology. PICT is focused on creating versatile IT professionals who can be accepted globally by virtue of their knowledge and skills.

Lively Environment

PICT is a friendly, informal, vibrant, community of learners. Our students come from different linguistic backgrounds. They have the opportunity to network, swap ideas, tinker, & evolve concepts. Our ambience adds music, drama, dance, and sports to the repertoire of hard-core engineers.

Quality Education

PICT is a center of learning recognized for its high quality education. We offer undergraduate (B.E.), postgraduate (M.E.) and Ph. D degrees in Engineering from one of the India's largest & most renowned university (SPPU). Our learning system integrates mastery of fundamentals with cross-domain competencies.

Our Graduates Build Successful Academic & Business Careers

PICT graduates are admitted to major foreign universities for their Master and Doctoral programs. They are employed in challenging positions by leading national & international ICT businesses. They have received great appreciation from their employers for their significant contribution.

Student Centric Learning Platform

PICT continues to attract individuals of outstanding potential. At PICT, they work on exiting projects that are industry standards. They network with businesses and become a part of this Holistic & competitive environment.

Campus life

Situated in Nation's Education Hub, Pune, PICT is recognized for its quality education & vibrant, friendly campus life which nurtures individuals to become socially responsible citizens of visible values and high ethical practices through environment of equality, enlightenment, freedom and enterprise that enriches the learning societies.

Spread over 5 acres of beautiful landscape, PICT is home to 200 hostellers, 2600 day scholars and around 250 staff. A Canteen is functioning to cater the need of students, staff, parents and visitors. Rejuvenating facilities like Basket ball, Volley ball, Cricket, Gymnasium, Table Tennis, Chess, Carom, etc. are available. 24-hours Medical facility is available. Guest house facility to accommodate parents/Guests is also available. PICT ensures barrier free environment for physically challenged students. Two electricity generators are provided for uninterrupted power supply to the entire campus, round the clock. In addition, almost all computers have online UPS support.

Academic Programs

PICT offers Bachelor of Engineering (B.E.) & Master of Engineering (M.E.) courses in Computer Engineering, Electronics and Telecommunication Engineering, and Information Technology, under Savitribai Phule Pune University (SPPU). PICT is also a SPPU recognized research centre in Computer Engineering and Electronics and Telecommunication Engineering.

Each department is having adequate number of laboratories with high-end systems and equipments, latest software (system and application), and other facilities. Each department has R&D Laboratory with necessary infrastructure to cater the research needs of the staff & students. In PICT, all machines are connected to LAN and are supported by 100 Mb Internet service (1:1).

Almost all classrooms are well furnished with ceiling mounted LCD projectors, and Internet connectivity. In addition to a well equipped auditorium, each department has a multimedia enabled Seminar Hall. Institute has a Computer center facility which can be accessed by the students even beyond working hours. However, the students & staff can have 24 hour access to all facilities, on demand. PICT digital library has very rich collection of digital contents (journal / conference papers, video lectures, text books, and repository).

General Rules

1. Students/Staff/Parents should read notices regularly and visit PICT web portal (192.168.25.100/pictdigitalworld) and PICT website (www.pict.edu), for all information.
2. It is mandatory to provide E-mail address and contact numbers (like Mobile, landline, and Fax number) of parents/guardians in the college office. Any change in the same should be immediately communicated to the college office.
3. Students should strictly adhere to the Academic Calendar displayed by the Institute / Department.
4. For the academic calendar of Savitribai Phule Pune University (SPPU), please visit http://www.unipune.ac.in/university_files/academic_calender.htm

5. As per the University rules, **minimum 75% attendance** is compulsory for Theory & Practical classes (in each head), **failing to which the term will not be granted** and the student will not be allowed to appear for the university examinations.
6. While in campus, **students should be in proper dress** to maintain the college decorum. In addition, specified dress code must be observed on certain occasions.
7. For improvement in the results, unit tests/tutorials are conducted which are compulsory. The Internal assessment is based on the performance in these unit tests / tutorials.
8. **Action against ragging: Maharashtra Prohibition of Ragging Act 1999 and prevention and prohibition of ragging (published in AICTE approval process handbook) and their amendments published from time to time are strictly implemented. Maharashtra Prohibition of Ragging Act 1999 which is in effect from 15th May 1999 has the following provisions for Action against Ragging:**
 - a) Ragging within or outside of any educational institution is prohibited,
 - b) Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty which may extend to ten thousand rupees.
 - c) Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.
9. **Anti-Ragging Committee**: Institute has constituted Anti Ragging Committee. Please contact Principal / Head of department of First Year Engineering for further information. The complaints regarding ragging should be forwarded in writing to Principal by the student. For any help and guidance the students are asked to contact principal / HOD/Anti-Ragging committee members / warden of the hostel. The Telephone numbers are available on website/Brochure (**Anti Ragging- helpline number: 1800 180 5522 (Toll Free) / E-mail: helpline@antiragging.in**)
10. **Use of mobile is banned in the academic & instructional areas** within the college premises. If any student is found using mobile in the academic & instructional areas within the college premises, the mobile will be confiscated and will be returned after one year.

PICTalways a step ahead

PICT is one of India's most sought after institutes for Bachelor & Master of Engineering programs in Computer Engineering, Electronics and Telecommunication Engineering and Information Technology.

- **Tops in Ranking and Cutoff**

PICT is No.1 amongst all private engineering colleges in Maharashtra and continues to attract the cream of students who are individuals of outstanding potential.

- **Tops in Results and Ranking**

PICT tops SPPU 2015 FE examination with highest numbers of distinction holders (69.7%) with All Clear passing percentage of 87.4%. PICT students consistently stand in the merit list of SPPU examination and has bagged 19 ranks in 2014 Examination with 1st rank in FE and Information Technology.

- **Tops in Placements**

One of the major IT industry recruited 8 PICT students out of 12 students all over India with a package of 33 lakhs per annum. Almost all eligible students have been placed in multinational ICT companies.

- **Tops in Initiation in IT Education**

1st IT Institute in India to pioneer Bachelor of Engineering Degree program in Computer Engineering & first private institute under Savitribai Phule Pune University (SPPU) to start PG Course in Computer Engineering.

- **Tops in Alumni Abroad**

Over 40% PICT alumni are studying or working in the USA, EU & other foreign countries. PICT Alumni acquired the top positions like CEO, CTO, President, and Vice President in the industries and many of them are also successful entrepreneurs.

- **Tops in Accreditation**

Over 30 dynamic processes audited for their effectiveness by **Det Norske Veritas (DNV)**, PICT is among Asia's very few institutions of higher technical education to be accredited under **ISO 9001:2008** in the USA (RAB) and in the EU (RvA). The under graduate programmes for Computer Engineering and Electronics & Telecommunication Engineering are accredited for 4th successive time by NBA while under graduate programme in IT is accredited for 3rd time.

- **Tops in Internship**

PICT propel large number of students for internship within India and abroad as well.

- **Tops In IEEE Students Chapter**

PICT has the largest Student Chapter of the institute of Electrical & Electronic Engineers, (IEEE), USA, the world's most acclaimed society of electrical & electronic engineering professionals.

- **Tops in Innovations**

At IMPETUS & CONCEPTS our students conceive IT projects that incubate academia-industry cooperation leading to a NEW service, a NEW technology or a NEW product. Also, many innovative projects were carried out under AMDOCS innovation.

- **Tops in Industry –Institute Interaction**

PICT has signed many MoU's with leading industries in the area of research, projects (academic and industry), scholarship, training, centre of innovation, centre of excellence, industry sponsored /

collaborative labs, etc. Faculty are sent on sabbatical to learn latest industrial practices & procedures and also, for product development.
