PROSPECTUS 2016

Choosing a College

Choosing a college is one of the most important decisions you will have to make, and it is one that will enlighten you through out the rest of your life.

Almost all colleges work on the same lines, they vary in age and tradition, in size, subjects offered, situation and general atmosphere. Vidyasagr College will provide the best academic and social base, needed for your future life. You will need to take all these into account and we shall try to help you by giving you a flavour of life at Vidyasagar College in the following pages of this prospectus. At the same time, more detailed information can be found in the relevant section of our College website: www.vidyasagarcollege.edu.in

nation for 143 years
since 1872...

VIDYASAGAR COLLEGE

Upholding the cause of education & nation building

Pundit Iswar Chandra Vidyasagar (1820 - 1891)

“Gyan, Tyag, Seva” - Knowledge, sacrifice and care through service and truthfulness, reflects the vision of the Institution in inculcating a value system. The prophet and founder of the Institution (1859, in the form of Calcutta Training College) Pundit Iswarchandra Vidyasagar was a great fighter of intellectual freedom and had founded the College for the noblest cause of dissemination of higher education among the middle class and the poor at an affordable expense – for the Indians and by the Indians. The college has always tried to abide by two most important visions of Iswarchandra Vidyasagar – *‘Mass Education’* & *‘Women’s Education’*.

Campuses & its location

There are total three campuses of Vidyasagar College. The main campus located at 39 Sankar Ghosh Lane is situated in the heart of the city, very near to both the main railway stations Howrah & Sealdah.

Main Campus for UG Courses

39 Sankar Ghosh Lane,
Kolkata- 700 006

Salt Lake Campus for PG Courses

Block CL, Plot 3-8 & 44-50,
Sector- II, Salt Lake,
Kolkata- 700 091

Bidhan Sarani Campus for UG Courses

17 Bidhan Sarani,
Kolkata- 700 006

Built up area: 8210.13 sq. Mt

Why to choose Vidyasagar College

Vidyasagar College came into being as Metropolitan Institution in the year 1872. Vidyasagar College emerged as the first private college in the Presidency of Bengal, established at a time, when the British Colonial rulers were keen to establish their cultural dominance over the sub-continent to complement the political, social and economic hegemony on this rich land of ours. This institution aimed at disseminating higher education to the needy students at a meagre cost, without taking any aid from the colonial rulers.

It is the first college in Asia which was founded by an Indian. The 143 years voyage commenced with only 5 departments i.e. Sanskrit, English, Philosophy, Economics and History (General) having approximately 50 students only. Today we have more than 3500 students pursuing both General and Honours curricula in as many as 20 departments along with two Post Graduate departments. A creditable job is done by the institution in enhancing infrastructure and in the field of curricular and co-curricular activities.

Motto

Upholding the cause of
education and nation building

Know your Institution

Flexibility to the students to move from one discipline to another :

Institution provides flexibility in accordance with availability of seats and qualifying criteria as applicable for Institution. In the new (1+1+1) curriculum devised by CU and effective from 2006 – 2007 session, students have to register themselves in CU with a particular subject combination, within one month from the date of admission, hence flexibility to change discipline ceases after registration.

Flexibility to pursue the programme with reference to the time frame (flexible time for completion):

Flexibility to pursue each programme within the time frame is guided by the CU norms. Each student registered under CU with a particular subject is allowed to pursue his / her studies up to

5 years from his / her date of registration, after which it gets cancelled. If however, an Honours student fails to qualify for Honours with percentage of marks less than that required to qualify Honours but enough to qualify for General), he /she may be qualified for continuing study as a General student, but the total time frame under any circumstance should not exceed 10 years.

Compulsory study of Environmental Science as prescribed by CU, all UG students in B.A./B.Sc. Honours and General Courses have to study Environmental Science as a compulsory subject (1 paper of 100 marks) to create general awareness among students about environmental problems, issues and concern.

Vidyasagar College Computer Centre is accredited to the Department of Electronics (DOEACC), Government of India, to conduct CCC, 'O' level and 'A' level courses. It provides basic computer

awareness or training programme for the student of General Courses at the end of which students receive certificates.

Parent-Teacher meetings are conducted at the departmental level twice a session after mid-term test and annual test. Marks scored in assignments, tests and University examinations are recorded to track the academic performance of students. Attendance of the students is reviewed regularly. Absenteeism is tracked out which helps to identify the students who are at the risk of drop out. Those students and their parents are approached to identify the possible reason behind their absenteeism. Economically weak students are provided with facilities like scholarships and free-ships to prevent them from dropping out.

Educational tours, field visits and industrial visits are organized for the students so that they can acquire exposure to practical knowledge. Students are encouraged to show enthusiasm in practical classes for science subjects. Workshops and seminars are an integral part of the college as it influences the students to go forward in the field of knowledge. Various creative competitions like exhibition, photography, poster and model making etc. are organized to bring out the creativity in students.

Admission to 1st year courses (UG & PG) of the college is based strictly on merit. Of the total number of students 43% are female, 14% are from the SC/ST category and 40% are from the rural, urban and backward areas of West Bengal.

The average percentage of success of graduating students is 90-95%, while that for post graduation is 100%. The academic subcommittee deals with the attendance of the students strictly and regular parent-teacher meetings are held.

Periodical tests are also held to ensure that the syllabi are properly covered and that the students improve their academic performance. With a view to supplementing the curriculum, **seminars, workshops and popular lectures** on various topics of academic and social interests are organized. The teachers **counsel students** on academic and personal issues and a **grievance redressal** mechanism has also become operative.

A health-care unit has been set up to cater to the health check-up of students & staff of the College through a medical practitioner. The College is thinking of implementing a health insurance for the regular students

Sports, social and cultural functions, science club, cine club and N.S.S. are some of the student activities which deserve special mention.

Apart from **prizes, scholarships and endowments, free studentship and assistance** from the Students Aid Fund are offered to financially handicapped but meritorious students.

There is also an **SC/ST cell** providing statutory educational and financial facilities to SC/ST students.

A **placement cell** is very active to cater opportunity for students.

The college is proud of the fact that the first phase of construction of its third campus, situated in CL Block of Bidhannagar, is complete. Currently, two Post Graduate programmes in Zoology and Geography are run from that campus. Efforts are on to introduce more technology based and job-oriented courses.

Post Graduate Department of Geography has established a Research Centre in the academic

session 2015 – 2016 and subsequently many of the interested students are pursuing their career in research works for obtaining Ph.D. Degree.

The college has been accredited by NAAC in January 2009. Department of Zoology of the college has been supported by DBT Sponsored Star College Scheme, under Ministry of Science and Technology, Govt. of India, for its excellent academic performance.

In compliance with this the College is thinking of opening **Community College** with diploma degree. As a whole, with its wide range of academic programmes and excellent educational facilities, the College, whose motto is 'Wisdom, Sacrifice and Service', is set to take on the challenges in the field of education in the twenty-first century.

Academic environment

UNDER GRADUATE

Science Departments:

Chemistry, Physics, Mathematics, Botany, Zoology, Physiology, Computer science, Electronics, Bio chemistry, Geography, Economics, Food and Nutrition

Arts (Language and Social sciences included) Departments:

Bengali, English, Sanskrit, Hindi, History, Political science, Philosophy, Journalism

Commerce Department: N.A.

INTERDISCIPLINARY DEPARTMENT

Environmental Science & Psychology

POST GRADUATE

Departments:

Zoology & Geography

The Institution offers flexible programmes at the undergraduate and postgraduate (under autonomous status) levels. It has, at present 20 Honours courses, 4 General subjects and two postgraduate courses in Zoology and Geography.

Programmes are broadly divided into Masters Degree (autonomous status) and Bachelors Degree (affiliated to University of Calcutta) and Certificate Courses in Computer (Vidyasagar College Computer Centre).

Undergraduate courses are subdivided into B.A. & B.Sc. with Honours and B.A. / B.Sc. General programmes

At present there are 20 Honours & 01 General subjects at undergraduate level.

At the Computer Centre, students have options to study DOEACC Certificate Courses (C Level, O level and A Level), Hardware Courses, Visual basic, Oracle and others.

Undergraduate Courses

Core Options: Academic flexibility in all the (Honours or Core) subjects are regulated by the University of Calcutta of which the Institution is an Affiliated College. The syllabus under University of Calcutta is modified at regular intervals in view of its value and necessity in the required subjects in the present day perspectives. The Institution abides by the regulations of Calcutta University.

Each Honours course has 8 (eight) papers of 100 marks each, supported by 2 (two) elective options with 4 papers each of 100 marks (elective marks = 8×100 marks). In addition, Compulsory English and Compulsory Second Language (Bengali / Hindi/ Alternative English) each of 50 marks are compulsory for all UG programmes. Environmental Science is a compulsory paper of 100 marks (Theory- 75 & Project- 25 marks), for every U.G. course.

Elective Options: Students can choose any two elective subjects along with their Honours subjects, as per CU regulations and allowed as possible combination by the Institution (provided in the College Prospectus).

Students enrolled in the General UG programme can choose 3 (three) elective papers, as per CU regulations and allowed as possible combination by the Institution (provided in College Prospectus).

Add On Courses: A Computer Awareness Certificate Course is available (conducted by Vidyasagar College Computer Centre) but not mandatory under CU regulations.

Certificate Courses in Computer Courses (conducted by Vidyasagar College Computer Centre) are flexible and students can enrol themselves if they require and wish.

Trophies won by the students

PG Courses

The PG programme enjoys autonomous status, affiliated to University of Calcutta, having its own constituted Board of Studies, and follows the Semester System. The duration of study is 2 years, divided into 4 semesters (Total 1000 marks, 250 marks / semester). There is provision for opting special paper for 200 marks in both Geography and Zoology in semester III & IV.

Available Special Papers in PG		
Sl. No.	Geography	Zoology
1	Regional Planning	Fisheries and Aquaculture
2	Advanced Geomorphology	Entomology
3	Population & Welfare Geography	Environmental Biology & Ecotoxicology
4	Urban Geography	Genetics & Molecular Biology
5	—	Parasites & Immunology

International students can enjoy same status and privileges enjoyed by other students, provided they have properly cleared their VISA formalities.

Students' Cheap Store & Canteen

The College has a well-stocked Cheap Store from which students can buy books related to their courses of study. Such books are made available at a discounted price. Arrangements are made in most cases to supply rare books within a short time frame.

The Vidyasagar College Canteen (at UG & PG) is the focal point of the spirit of students. The canteen, though small is a cozy nook with a large heart. Apart from supplying scrumptious snacks and tea at a very reasonable price, it is the favourite rendezvous for all students when they have their classes off.

The Vision

The genesis of Vidyasagar College is a momentous and happy event in the National history of India, as its parturition midwifed by none other than Pundit Ishwar Chandra Vidyasagar – the torch bearer of Indian Renaissance, that took place in 1872 in the form of the Metropolitan Institution.

In this backdrop he set out to form a college that was run by the natives, with no help from the ruling British in shape or form. In fact this college is the first one in India under the British yoke to be run entirely indigenously – the first attempt to free ourselves, in thought and practice, and the first cry of freedom.

In accordance with the ideals set by Pundit Ishwar Chandra Vidyasagar and following the motto of knowledge, sacrifice and service, the college aims to provide the best education possible to students coming from diverse backgrounds. As the founder sought to promote higher education as a part of his philanthropic social reform program, the college continues to make available special welfare and aid to backward and deprived sections of the society. It seeks to provide an environment of learning which is beyond the boundaries of caste, religion and gender. The students are exposed to diverse fields of knowledge and exposed to structured learning through the college curriculum. They are offered guidance and suggestions to help them solve problems and encouraged to acquire high academic standards. They are made aware of their moral responsibilities in a fast changing multicultural world, and strengthened to surmount the evils of irrationality and intolerance.

The Mission

The foremost mission of Pundit Ishwar Chandra Vidyasagar was to establish a completely national education institution in the growing metropolis of the then Calcutta. It was Vidyasagar who was able to unite the western inquisitiveness and religious search for perfection in the realm of knowledge, with the tenderness and sympathetic warmth of the Indian heart.

Situated in a place, well connected transport-wise, the college as a flourishing centre of learning, draws in students from the suburbs and far flung districts of West Bengal. Keeping in mind the rich and varied past the college hopes to inculcate among students, year after year, values of generosity and warm fellow feeling and finally to create a programme of actual human resource development, deploying social justice and ensuring equity to foster competences amongst students. It has a mission to support, all its teaching-learning programmes by values of traditional, eternal and ethical thoughts. It caters its human and other resources to the backward and the underprivileged communities as well as advantaged

regions. The mission is also communicated to the students through prospectus and the first day-lecture delivered by the Principal, Head of the Department and other teachers during the "routine dictation procedure" and orientation programme.

Teachers, staff and other stakeholders are made aware regarding the mission through cultural programmes, college publications, prospectus, journals (Occasional volumes). The slogan of the 125th year celebration 'To uphold the education of the nation' highlighted its mission. It was the crystallization of the vision of a visionary who believed that the education in our dependent country ought to be directed for the benevolence of the common underprivileged people.

It intends to provide a platform where during the most formative years of their lives students may learn to expound, argue and assess all social, economical, cultural and environmental issues before them. The college endeavours to produce skilled professionals who can engage in the task of improving the world around them socially and economically.

The mission of the institution today is to enhance higher education, creating a dynamic environment through implementation of higher technology delivered educational opportunity in collaboration with private, public and semi-public organizations and to create a well-balanced programme of actual human resource development, deploying social justice and ensuring equal opportunities among students.

Objectives

To provide

- Opportunity to nurture hidden talents of the students and help them to evolve into gifted individuals.
- Encouragement to the students to participate in projects, competition, excursion, social work, awareness drives and self-development sessions.
- Grooming ground for future citizens.
- Online tests to prepare for success in competitive examinations.
- Smart classrooms as a knowledge centre that disseminates education to inspire the students.
- Innovative teaching programmes for the students to blossom into natural leaders in life.
- Infusion of sportsmanship in the students stimulated by national icons.
- Smart boards, libraries, computer labs, and research rooms.
- Gymnasium and Yoga for body building under the supervision of physical instructors.
- Platform to inculcate careers in film study under Cine-club.
- Learner centric Wi-Fi access for all.
- NSS programmes for general development
- NCC to be implemented soon

Best practices

As per University rule, students should secure 75 % attendance record and in no case students with attendance below 60 % in each subject separately will be allowed to appear in Final University Examination.

Seminar and special lectures are arranged at least once a year by every Department for the students, apart from seminars on generalised topics are arranged by the college.

Student participation in such seminars is mandatory. Many Departments arrange lectures by guest academicians whose topics are often syllabus / curriculum oriented. In many Departments, seminars are presented by all 3rd year students (mandatory) and they are credited by the Departmental staff.

Field work based Project Reports (Curriculum based in Geography, Zoology, Botany, Journalism and Mass Communication, Bio-science General) are mandatory in UG curriculum, as per C.U. prescribed syllabi. Project for Environmental Studies is mandatory for all.

PG students prepare an experimental project study report under a Research Guide, mandatory for the PG course.

Students may participate by contributing their write-ups in Annually Published College Magazine, Students' quarterly Periodical (Angan), Wall Magazines and knowledge based exhibition.

Students of some Departments, as a part of curriculum use Computer Softwares (GIS – Geography, Journalism & Mass Communication, Physics, Maths etc.)

Students are allowed to participate in the seminar organized by the Departments & may present their lectures by preparing their own transparencies and making use of overhead projectors, power point presentations using LCD projectors. They also make use of charts and models.

Apart from books in the Central Library, majority of the Departments have their own library within their own Departmental space (Departmental Library). The same are used both by Faculty for ready reference or lending. List of Departmental books are available in the Library Blog (www.vclibrary.wordpress.com)

Within the campus, activities performed by the Students' Union, NSS & College itself

- Fresher's Welcome
- Social (UTSAV)
- New Year Celebration (BARSHABARAN)
- Saraswati Puja (every year on date)
- Annual Picnic [Winter season]
- Inter Class Cricket & Football Tournament
- Common Room Tournament
- Annual Sports
- NSS Activities
- Pre-puja celebration
- Cine club programme
- Photography & poster competition

General Information

Students are liable to be expelled for misbehaviour and/or for adopting unfair means in examinations.

Students must carry their College Identity Card in the college campus at all times and produce the same if the college authority so demands.

Caution money must be withdrawn as refund within the stipulated period as directed by the College Office.

1st, 2nd and 3rd Year Degree class students must clear all their dues before the commencement of each University examination.

Students migrating from other Boards/Universities must contact the college office to regularise their admission.

The medium of instruction is English and Bengali only.

The Departments of Geography, Botany and Zoology organise Excursions/Compulsory Educational Field Tours as a part of the curriculum.

Tours involve expenses on the part of the students which they should be ready to bear.

Parents and guardians are requested to co-operate with the college authorities by urging their wards to be regular in attendance, taking care that their wards appear at all the college examinations, and pay the college dues in time.

The college may change or modify the existing college regulation(s) or may impose new regulation(s) as and when considered necessary.

Production of ID & Acknowledgement Cards are mandatory for any kind of official work or assistance.

Students are directed to follow the Notice Board in **College Website** (www.vidyasagarcollege.edu.in) for Notice and other relevant instruction(s) or information(s).

For library related information students are advised to follow the **College Website** (as given above) along with the **Library Blog** (<http://vclibrary.wordpress.com>) or by clicking the link for Library from within the College website.

- Installment and Library facilities are also available here.
- Certificate-recognized by the Directorate of Employment, Government of West Bengal.
- Placement assistance also available.
- Internet facilities available.
- No age limit for the students.
- The centre remains open for 7 days in a week.
- Students from all stream are accepted.

Vidyasagar College Library

(Established in the year 1872)

Location: 17 Bidhan Sarani Campus (First Floor)

Library Blog: <http://vclibrary.wordpress.com>

Motto: Service is our prime objective. By serving the information hungry users with precise and relevant information, we may feel elated. We shall serve the user's satisfaction to the hilt.

The auspicious inception

Vidyasagar College has been a unique institute of higher education, conceived, established and managed by Indians only during the height of British rule in India. Its object was to impart higher education to Indian students, and inculcate in theme of patriotic outlook. It also sought to make higher education affordable to the economically weaker students.

Because of these noble objectives, Vidyasagar College became the cradle of the national freedom movement. A galaxy of eminent sons of India was associated with this institute either as committee members or teachers or as students.

It is a matter of unique distinction for Vidyasagar College that four undergraduate colleges, namely, Seuri Vidyasagar college, Nabadwip Vidyasagar college, Vidyasagar college for Women and Vidyasagar Evening college have taken their origin from this college. It is also worth mentioning that the Dawn Society, which was established in 1902, from which The Jadavpur University developed subsequently, operated from this college building.

Genesis

1872 Vidyasagar College Library was established. It started functioning in the main building which is at present our Geography Department at 39 Sankar Ghosh Lane Campus.

1926 After construction of Vidyasagar Hall (Hostel Building at 8, Cornwallis Street; at present 17, Bidhan Sarani Campus) library & common room was shifted to its first floor. The library & common room used to remain open from 10-45 A.M. to 9 P.M. on all working days. At that time there was almost 80 seating capacity in the reading room.

1872 Metropolitan Institute got affiliation to the C.U for First Arts (F.A.)

1879 Metropolitan Institute got affiliation to the C.U for Graduation

1882 Metropolitan Institute got affiliation to the C.U for B.L. Course

1917 Metropolitan Institute was renamed as Vidyasagar College.

As it had given birth to four other Colleges & large number of books were transferred to those

independent College branches. Thus, its main collection was divided into five parts.

At present the library houses more than 55,000 books and bound volumes of journals. Beside these collections, online journals and e-books have been subscribed through N-LIST programme initiative which is funded by MHRD, Govt. of India. As an authorised user of NLIST programme, can access e-resources, which contain

more than 6000 e-journals and 97000+ e-books (<http://nlist.inflibnet.ac.in/>)

Document on twenty three major subjects & other reference materials are available here & thus Dr. C.D. Deshmukh's (First Chairman of University Grants Commission, 1953) observation on libraries as "**The students form the body of the University, the administration is the head while the teachers are the soul and the Library is the heart.**"- is most relevant for this library.

Vastness of the Library

Total carpet area: 1140 sq. ft.

Total Collection: Near about 55000 (Books & Journals);

Computerised database partially ready : More than 33000 books are present in the database

Audio visual material (CD/ DVD/Floppy): 210

Access: Open access for staff but the students are allowed to go near the almirah to find their books/ periodicals. We should have to introduce open access for all, in near future.

Services & Achievements of Vidyasagar College Central Library

1. Library hours from Monday to Friday are from 11am to 5pm and 11am to 2pm on Saturday. The Library has the Reading Room facility for the students. More than 40 students can use the reading room at a time.
2. There is separate reading space for the teachers.
3. Honours' students are allowed to borrow 3 books from the central library and 1 book from their departmental library while pass students can borrow 2 books from central library at a time.
4. Lending service beyond clearance is given against caution deposit of Rs.50/- only.
5. Reference service and referral services are available for the user.
6. Library management software has been in use for long time; this provides OPAC facility and locates transaction records easily.
7. Online Public Access Catalogue (OPAC) through intranet is very helpful for finding out the required books & digitisation of the library is in progress.
8. Online journals and e-books through N-List are accessible for all users.
9. The library provides computer access for Internet surfing/ journal download.
10. Reprographic services are available on demand within the limit of copyright act.
11. Scanning service is provided to users on demand.
12. Departmental Libraries have already been implemented in each and every department.
13. The User education program is available through library website and personal/ group interaction/PPT.
14. The library provides personal care to those users who are preparing for any projects or seminars.
15. The library provides support and career oriented guidance for those preparing for the NET, SET or competitive examinations.
16. The library subscribes to hard copy journals related to competitive examinations. It also provides job information to the 3rd year students or to any interested student.

17. The library blog is being used for last 5 years and users are allowed to post demand lists for new books, journals.
18. Services provided through the library blog can be learnt from the librarians upon enquiry.
19. Student's grievances are solved by the librarian.
20. The detailed library webpage helps to know the new users.
21. The digital repository of the library contains previous year question papers and syllabus.
22. As recommended by the concerned departmental teachers the library purchases of new books
23. It provides reading lists to the users as prescribed by the teachers.
24. It provides maintenance of an archive (Bhagabati Devi Archive) which contains valuable history of our past.
25. It updates library rules & regulations that help the library to run without any hindrance.
26. The constitution of the library is the foundation of this well maintained library.
27. The Library Committee comprising the principal, teachers and librarians help to make the library an important part of the students college life and ensures overall progress.
28. Research scholars are permitted to use the library.
29. Any member of the community may use the library only for reference purposes.

Know your library

Duration: Normal College hours on all working days except Saturdays & holidays.

Criteria for membership: All regular students of this College are eligible for the membership.

How to be a member: Regular students may get their Library Cards at the time of admission but they have to get it signed by the Librarian, on production of the acknowledgement card along with money receipt at the library, from 11-30 a.m. to 1-30 p.m. on all working days except Saturday.

Duration of membership: For a session only. Students must renew/ acquire their library cards for the next academic session, as they have to surrender their cards & borrowed books at the time of form fillup prior to University Exam (Library Clearance is mandatory).

Rules & Regulations

- (1) Every honours student may borrow 3 books at a time
- (2) Pass/ General Students may borrow 2 books at a time
- (3) For both cases they may retain the books for maximum 30 days
- (4) Overdue charges beyond the stipulated time period may be imposed according the library rules.
- (5) Books are issued against requisition slip, duly filled up by the students themselves between 11-30 a.m. and 1-30 p.m. & they have to borrow it on the same day between 3 p.m. and 4-30 p.m.
- (6) Students are allowed to go near the closed almirah for the purpose of book selection. Manual & computerized catalogues are also there for this purpose.
- (7) Please ensure the content of a document before borrowing it, as a borrowed book may not be taken back before stipulated time.
- (8) Students are allowed to choose any documents for their reference work, but they must retain it for minimum 45 minutes.
- (9) Reference books are not allowed to borrow or students are not allowed to leave the reference desk with these books in any case.
- (10) Students are bound to replace the book in case of loss or damage.
- (11) Some rare marked books (specially the costly books/ multi-volume books/ dictionary/ encyclopaedia, etc.) are there in the almirah & these are generally meant for reference purpose only.
- (12) Any damage of set ups in the library and tearing or mutilation of a book will attract a handsome penalty.

Archive

Vidyasagar College have lots of rare collections in its possession & we are very proud to open it for the visit of research scholars and our students.

Treasure of this Library

- (i) Prabasi Patrika- one of the old magazine in Bengali
- (ii) Royal Economic Society, London; published Journals
- (iii) First University Calendar 1858-1859, C.U. which shows that Bankim Chandra had passed the B.A. Exam in 2nd Division and many other documents, probably available in this library only.

(iv) First University Calendar 1858-1859, C.U. which shows that Bankim Chandra had passed the B.A. Exam in 2nd Division

Library in the 21st Century

- Library is a centre for creation of knowledge
- Library as a centre of recreation.
 - Library as a publisher.
- Library as a centre of e-learning
 - Library as a digital class room
- Library as a resource which provide 24×7 access

Education is a life long process, be it formal in a school, college, university or in an institute of higher learning, or informal education via self learning process. One can do life long learning. But, the prima facie aim of higher education is to impart knowledge that makes one a good citizen. Libraries of Higher Education are repositories of knowledge and form an integral part of higher education. India is a glaring example of moving towards that goal.

N S S Activities

NSS members won Inter-College Quiz Competition in the year 2016

NSS members performed their duty satisfactorily during the West Bengal Inter College Sports Meet, 2016.

Extension Activities: NSS team members are selected from the students & generally perform the following activities **outside the campus:**

Environmental awareness Programme

Within the campus, activities performed by the NSS & Students' Union in 2015-16:
Blood donation Camp
Thalassemia carrier detection Camp

Thalassemia carrier detection Camp

Vidyasagar College was the organiser of W.B. State NSS Republic Day Parade, 2016, held at Red Road and won the best participant trophy

Sports: Facilities & achievements

Madhulekha Hazra, Department of Electronics has won the Gold Medal in Inter-College swimming competition (2016) conducted by University of Calcutta and stood third in the National Swimming competition (2016) held in Punjab.

The College has carved a name in the arena of sports and have conducted the State Sports organized by the Higher Education Department, Government of West Bengal.

The College also boasts of a well equipped Gymnasium with a Qualified male & female trainer

Sl. No.	Name of the Award/ Scholarship	Criteria	Remarks
1	Vidyasagar College Centenary Medal	Highest scorer in Geography Honours	Part- III, Book
2	Vidyasagar College Centenary Scholarship	A) First in B.A. Exam B) First in B.Sc. Exam	Part- II, Cash
3	Nrishingha Chandra Sen Prize	First in Economics Honours	Part- III, Book
4	Nilima Banerjee Memorial Scholarship	First in English Honours	First Year, Cash
5	Belarani Medal	Highest scorer in Physics Honours	Part - III, Book
6	Late H.L.Mitter Gold Medal	Highest scorer among B.Sc. Honours subjects	Part- III, Book
7	Ashim Roy Memorial Prize	Highest scorer in Chemistry Honours	Part- III, Book
8	Aurobinda Guha Life Science Award	Highest scorer in Honours examination in Botany & Zoology	Part- II, Book
9	Manada Sundari Stipend	Highest scorer in Honours Exam. In Physics, Chemistry & Math	Part- II, Book
10	Sudhir Kumar Bose Memorial Prize	Best student in the Science stream	Part- III, Book
11	Indranarayan Mitra Memorial Prize	Highest scorer in Bengali Pass B.A. Final examination	Part- III, Book
12	Avijit Raha Merit Scholarship	Highest scorer in Economics Honours Final examination	Part- III, Cash
13	i) Niladri Bhattacharyya Memorial Award ii) Niladri Bhattacharyya Memorial Students Welfare Fund	i) Best scorers (Part-III) in Physics & Chemistry Hons., Pol.Sc., Bengali & History Honours ii) Poor & meritorious students	Part- III Annual
14	Beduin Chakraborty Memorial Welfare Fund	To be awarded to poor and meritorious students	Annual
15	Nakul Chandra De Memorial Award	Highest scorer in Zoology Honours Male candidates	Part- III, Book
16	Priyabala De Memorial Award	Highest scorer in Zoology Honours Female candidates	Part- III, Book
17	Sudhansu Bikash De Award	Highest scorer in B.Sc. - Bio-General	Part- III, Book
18	Brahmananda Giri Smarak Scholarship	Highest scorer in B.Sc. Honours (Male & Female)	Part- III, Cash
19	Promit Basu Memorial Fund	Highest scorer in Economics Honours & financial assistance to needy and meritorious student	Part- III, Medal & Cash
20	Tara Shankar Nayek Memorial Prize	Highest scorer in Mathematics Honours, Male student	Part- III, Cash
21	Special Award among fees enhanced courses	Highest scorer	Part- III, Book
22	Beduine Chakraborty Memorial Prize	Highest scorer in Bengali Honours	Part- III, Cash
23	Vidyasagar College Poor & Meritorious Students Fund	Poor, Meritorious & needy students	Monthly
24	S. K. Banerjee Award	Highest scorer in B.A. General, B.Sc. General	Part- III, Book
25	Shyamal Banerjee Award	Highest scorer in Chemistry Honours, Male & Female	Part- III, Cash
26	Jogamaya Nayek Memorial Prize	Highest scorer in Mathematics (Honours). Female	Part- III, Cash
27	Madhusudan De Scholarship	Highest scorer in Science Stream	Cash, Monthly
28	Bhaswati De Scholarship	Highest scorer in Arts Stream	Cash, Monthly

Proposed Subject Combinations, Subject Codes & fees for the Academic Session 2016 – 2017 (Honours Course)

UG: Total seats in Arts: 922; Total seats in Science: 811; All total: 1733

Detailed criteria & process of admission for UG

Online admission procedure is followed in the college. Eligibility criteria of the University and reservation policy of the Government and University are strictly followed. Admission Notice with criteria of admission is available in the Website as well as in the Prospectus. List of total seats for each category as well as for every subject is displayed. Reservation for sports personnel of repute are also taken into consideration as per University guideline. Fee structure is also available in the website for each and every subject combination. The final merit list which is generated by automated computerized system is published and displayed in the Website for the applicants. There is scope of rectification if any kind of error is found in the merit list. Students are invited to appear in the counselling conducted by the respective Departments. Counselling process continues (three to four times) until the total number of seats are filled up.

The University sets a minimum percentage of marks for admission to various courses. However, for many courses minimum marks are set above that level due to growing demand for the subject. Considering the reputation of the College higher marks criteria is set up for some courses like Zoology, Geography, Physics, Chemistry, English etc.

Criteria for applying for admission to First Year Degree Class

Admission Qualification vide Notification No. CSR/54/09 dated 24.11.2009 and Ref. No.: CS/1683 / Adm.(Cir.) dated 06.05.2016

Admission Qualifications

- A candidate who has passed the Higher Secondary (10+2) or its equivalent Examination is eligible to seek admission to the 1st year of the 3-year B. A. / B. Sc. (Honours and General) Course of Studies provided he / she has also passed in English having full marks not being less than 100.
- Candidates who have passed Higher Secondary (10+2) Vocational examination conducted by the West Bengal State Council of Vocational Education and Training shall be eligible to seek admission to the B. A. (General / Major) 1st year Course of Studies taking the subjects under Humanities Division only.
- However, no candidate shall be allowed for admission after a lapse of more than 5 years from the year of passing the previous qualifying examination. (Explanation: The year of admission shall not be taken into account while calculating five years from the year of passing the previous qualifying Examination).
- Students who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards / Councils (i.e. CBSE, ISC and National Institute of Open Schooling) need not require to submit the Migration Certificate for getting Registration under this University.
- For the purpose of determining eligibility for admission to the Honours Course, aggregate marks shall be calculated by adding the marks in top-four subjects in order of marks secured by a candidate. However, marks in compulsory Environmental Education / Studies shall not be taken into account for calculation of aggregate marks. If the subject "Environmental Science" is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining aggregate marks.

Criteria for applying for admission to First Year Degree Class

Honours Subject / Stream	Minimum marks required			Subject(S) to be compulso- rily passed
	General candi- dates	OBC-A & OBC-B	SC/ ST candi- dates	
Physics Honours	60% in Aggregate with at least 60% in Physics and Mathematics	60% in Aggregate with at least 60% in Physics and Mathematics	40% in Aggregate or 40% in Subjects or related subjects	English, Physics and Mathematics
Chemistry Honours	60% in Aggregate with at least 65% in subject	60% in Aggregate with at least 65% in subject	As above	English, Chemistry, Physics and Mathe- matics
Zoology Honours	55% in Aggregate with at least 60% in Biology	55% in Aggregate with at least 60% in Biology	As above	English, Zoology/Biology/Bio technology
Botany Honours	55% in Aggregate with at least 45% in Biology/Botany/ Bio- technology	55% in Aggregate with at least 45% in Biology/Botany/ Bio- technology	As above	English, Botany/Biology/Biot echnology
Physiology Honours	55% in Aggregate with at least 45% in Chemis- try and Biology	55% in Aggregate with at least 45% in Chemis- try and Biology	As above	English, Physiology/Biology/ Biotechnology and Chemistry
Electron- ics Hon- ours	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying ex- amination Or 50% marks in the aggre- gate, when the candi- date has not studied the subject in his/her previ- ous qualifying examina- tion	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or re- lated subject at the pre- vious qualifying examination Or 50% marks in the aggre- gate, when the candidate has not studied the sub- ject in his/her previous qualifying examination	As above	English, Electronics/ Physics and Mathe- matics
Biochem- istry Hon- ours	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying ex- amination Or 50% marks in the aggre- gate, when the candi- date has not studied the subject in his/her previ- ous qualifying examina- tion	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or re- lated subject at the pre- vious qualifying examination Or 50% marks in the aggre- gate, when the candidate has not studied the sub- ject in his/her previous qualifying examination	As above	English, Physics, Chemistry, Mathe- matics & Biology/Biotechnolo gy

Honours Subject / Stream	Minimum marks required			Subject(S) to be compulso- rily passed
	General candi- dates	OBC-A & OBC-B	SC/ ST candi- dates	
Mathemat- ics Hon- ours	50% in Aggregate with at least 60% in subject	50% in Aggregate with at least 60% in subject	As above	English, Mathemat- ics
Computer Science Honours	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying ex- amination Or 50% marks in the aggre- gate, when the candi- date has not studied the subject in his/her previ- ous qualifying examina- tion	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or re- lated subject at the pre- vious qualifying examination Or 50% marks in the aggre- gate, when the candidate has not studied the sub- ject in his/her previous qualifying examination	As above	English, Mathemat- ics & Physics
Food and Nutrition Honours	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying ex- amination Or 50% marks in the aggre- gate, when the candi- date has not studied the subject in his/her previ- ous qualifying examina- tion	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or re- lated subject at the pre- vious qualifying examination Or 50% marks in the aggre- gate, when the candidate has not studied the sub- ject in his/her previous qualifying examination	As above	English, Chemistry & Biology
B. A. in Psycholo- gy Hon- ours	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying ex- amination Or 50% marks in the aggre- gate, when the candi- date has not studied the subject in his/her previ- ous qualifying examina- tion	Minimum 50% in aggre- gate and 45% in the Sub- ject or related subject at the previous qualifying examination Or 55% in the Subject or re- lated subject at the pre- vious qualifying examination Or 50% marks in the aggre- gate, when the candidate has not studied the sub- ject in his/her previous qualifying examination	As above	English

Honours Subject / Stream	Minimum marks required			Subject(S) to be compulsorily passed
	General candidates	OBC-A & OBC-B	SC/ ST candidates	
B. Sc. in Psychology Honours	Same as B. A. in Psychology Honours	Same as B. A. in Psychology Honours	As above	English, Biology
Journalism & Mass Communication Honours	50% in Aggregate with at least 55% in English & 55% in Bengali/Hindi	50% in Aggregate with at least 55% in English & 55% in Bengali/Hindi	As above	English and Bengali/Hindi
English	60% in Aggregate with at least 60% in English	60% in Aggregate with at least 60% in English	As above	English
Bengali	55% in Aggregate with at least 55% in Bengali	55% in Aggregate with at least 55% in Bengali	As above	English
Sanskrit	Minimum 50% in aggregate and 45% in the Subject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying examination Or 50% marks in the aggregate, when the candidate has not studied the subject in his/her previous qualifying examination	Minimum 50% in aggregate and 45% in the Subject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying examination Or 50% marks in the aggregate, when the candidate has not studied the subject in his/her previous qualifying examination	As above	English
Political Science	Minimum 50% in aggregate and 45% in the Subject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying examination Or 50% marks in the aggregate, when the candidate has not studied the subject in his/her previous qualifying examination	Minimum 50% in aggregate and 45% in the Subject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying examination Or 50% marks in the aggregate, when the candidate has not studied the subject in his/her previous qualifying examination	As above	English

Note: As per University rule, students should secure 75 % attendance record **and in no case** students with attendance below 60 % in each subject separately will be allowed to appear in Final University Examination.

Honours Subject / Stream	Minimum marks required			Subject(S) to be compulsorily passed
	General candidates	OBC-A & OBC-B	SC/ ST candidates	
History	Minimum 50% in aggregate and 45% in the Subject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying examination Or 50% marks in the aggregate, when the candidate has not studied the subject in his/her previous qualifying examination	Minimum 50% in aggregate and 45% in the Subject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying examination Or 50% marks in the aggregate, when the candidate has not studied the subject in his/her previous qualifying examination	As above	English
Philosophy	Minimum 50% in aggregate and 45% in the Subject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying examination Or 50% marks in the aggregate, when the candidate has not studied the subject in his/her previous qualifying examination	Minimum 50% in aggregate and 45% in the Subject or related subject at the previous qualifying examination Or 55% in the Subject or related subject at the previous qualifying examination Or 50% marks in the aggregate, when the candidate has not studied the subject in his/her previous qualifying examination	As above	English
Economics	As above	As above	As above	English, Mathematics

General Subject / Stream	Minimum marks required			Subject(S) to be compulsorily passed
	General candidates	OBC-A & OBC-B	SC/ ST candidates	
B.Sc General Physical Science (PG)	40% in Aggregate	40% in Aggregate	40% in Aggregate	English, Physics, Mathematics, Chemistry
B.Sc General Biological Science (BG)	40% in Aggregate	40% in Aggregate	40% in Aggregate	English, Biology
B.A general with Geography(GG)	40% in Aggregate	40% in Aggregate	40% in Aggregate	English, Geography
B.A general without Geography	H.S/ Equivalent passed	H.S/ Equivalent passed	H.S/ Equivalent passed	English

Eligibility Criteria - Post Graduate (PG)

Online admission procedure is followed for all. For applicants of University of Calcutta a General List along with the specific lists of SC/ ST / OBC- A / OBC- B categories are published, strictly based on the merit score of B.A. / B.Sc. qualification and notified duly for filling up of 60% of the total seats for both the subjects (Zoology & Geography).

For the applicants of Other Universities an admission test is being conducted in the College followed by publication of lists strictly based on the performance in the said test for each category to fill up the rest 40% of the total seats. The willing applicants of University of Calcutta may also sit in the said admission test and they are enlisted according to the performance in the said test along with the applicants of Other Universities. Total seats: Zoology- 65 & Geography- 65.

Anti ragging

National Anti Ragging Help Line (UGC Crisis Hotline)
24x7 Toll Free Number 1800-180-5522
(helpline@antiragging.in) or contact the Principal

As per the Supreme Court directives, the students of all the colleges have to fill-up & submit the 'Anti-Ragging Affidavits' online to the Anti Ragging Cell, Government of India at www.antiragging.in (link is external) or www.amanmovement.org (link is external), even if they have submitted the same on a 'stamp paper' earlier.
