Vice-Chancellor

MESSAGE

It gives me immense pleasure to welcome each one of you to the University of Rajasthan, an institution which has been awarded with '**A**' **Grade** by the National Assessment and Accreditation Council (NAAC). The University has a dedicated team of qualified faculty and an equally sincere non-teaching staff caters to the requirements of the students.

The academic atmosphere of the University generates a cordial and ambient feeling. As a result students from India and abroad come to the University to acquire knowledge and experience as they pursue diverse courses of study. This encourages them to channelise their academic learning into fruitful areas of research. We strive to evolve qualitative changes to ensure excellence in education and research.

The beautiful campus of the University and its constituent colleges makes us aware of the need to protect the environment. Students are cautioned that ragging is banned. Use of plastic, consumption of alcohol and drugs and smoking are strictly prohibited in the University. We believe in the theory that cultural growth goes hand in hand with academic development. Diverse cultural activities and a well equipped sports complex and free medical facilities in Ayurveda, Allopathy and Homeopathy helps to create a healthy atmosphere in the campus. Our Placement cell, Counselling Cell and a well stacked 24 x 7 library fulfils the academic needs of the students.

As you enter the portals of the University, the image of the goddess of Learning *Ma Saraswati* and the statue of *Swami Vivekananda* greet you and inspire you to attain the pinnacle of honour and glory. We shall enable you to convert your dreams into reality.

I wish you very best in life and in all your endeavour.

(Rajeshwar Singh)

UNIVERSITY OF RAJASTHAN: AN OVERVIEW

The University of Rajasthan holds the distinction of being the oldest Institution of higher learning in Rajasthan. It was established as University of Rajputana on 8th of January, 1947 and recognised from the time of its inception under sections 2f and 12B of UGC Act.

The main objective of the University has been the creation and dissemination of knowledge. It caters to the aspirations for higher education of students of Rajasthan and from other parts of the country. The location of the University is Urban and its Central Campus is spread over 338.14 acres. The satellite campus, comprising the Constituent Colleges, is spread over 138.21 acres. In the beginning the University's jurisdiction encompassed the entire state. In the year 1956, the Rajputana University was renamed as the University of Rajasthan, keeping intact its enveloping jurisdiction. With the creation of other Universities, its affiliating jurisdiction was modified in geographical terms. However it has today UG and PG Colleges affiliated to it. The University is still the hub of Higher Education in Rajasthan and attracts students from all over Rajasthan and other parts of India and also from abroad. The University believes that in its journey of 68 years it has brought about a transformation in Higher Education in Rajasthan and the country at large. Some of the distinctive features of the University are:

- ★ 9 Faculties, 37 Departments and 22 Centres
- ★ Now the Jurisdiction of the University has reduced to Jaipur and Dausa Districts. Earlier 1139 affiliating Colleges were spread in seven districts of Rajasthan; more than 9 lac examinees (including more than 4 lac non-collegiate students)
- ★ accorded UPE status under XI Plan
- ★ four of the six constituent Colleges accorded CPE status
- ★ Three PG Departments (Chemistry, Zoology, Philosophy) have been sanctioned UGC Centre for Advanced Studies status, Department of Physics and Economics have been sanctioned DSA Programme and five Departments (Botany, Geology, Mathematics, Sociology and Home Science) have been sanctioned DRS programmes.
- ★ Department of Hindi was sanctioned Rs. 56 lacs under upgradation programme by UGC under XII Plan for the first time since its inception of the Department.
- ★ As per DST evaluation based on 'h-index' of the research publications in Science, the University ranks 13th at the national level; in view of this standing DST sanctioned its prestigious PURSE Program to the University.
- ★ Seven of the Science Departments have been sanctioned DST-FIST programmes.
- ★ Faculty members receive research funding through research projects sanctioned by different agencies like UGC, DST, BRNS, CSIR, ICMR, ICSSR, ICHR and ICAR. In the last five years more than 80 individual Research Projects have been in operation with an outlay of about Rs. 15 Crores.
- ★ In the last 5 years, more than 2770 Research Papers have been published in refereed Journals. More than 550 books have been authored by the Faculty members in this period.
- ★ Faculty participates in prestigious International Collaborations such as large hadron collider at CERN (Geneva), nuclear reactor at Dubna (Russia), Synchrotron radiation sources in Italy and Chicago, nano-particle based drug delivery

research in Roswell Park Cancer Institute, State University of New York, Buffalo etc. **Former Prime Minister Dr. Manmohan Singh** gave recognition to this fact in his address at the 91st Indian National Science Congress in Bhubaneshwar, in which he said "**The University of Rajasthan leads among the top 50 Indian scientific institutions in citations per paper under international collaboration**".

- ★ In 2017, University of Rajasthan ranked 79 in University category by National Institutional Ranking Framework (NIRF), Ministry of Human Resource Development, Government of India.
- ★ Ministry of Human Resource Development (MHRD) Govt. of India, sanctioned Rs. 20.00 crores as infrastructure grant under Rashtriya Uchchar Shiksha Abhiyan (RUSA) to University of Rajasthan, Jaipur.
- ★ University with Potential for Excellence (UPE) : UGC has recognized the University of Rajasthan amongst the top 15 Indian Universities with Potential For Excellence (UPE) in 2012. A grant of Rs. 50 crore has been sanctioned for furtherance of academic and research activities., materials and converging science has been recognized as the focused area of research besides other holistic and infrastructure development grants. In addition, UGC has also sanctioned a grant of Rs. 10 crores for the fellowship to the non-NET Ph.D. students of the University.
- ★ Promotion of University Research and Scientific Excellence (PURSE): Department of Science of Technology, Govt. of India has recognized the University of Rajasthan under its Promotion of University Research and Scientific Excellence (PURSE) programme. The h-index of the University stands above 50 and a grant of Rs. 32.4 crore has been sanctioned to the University for Scientific Research and development.
- ★ Faculty members have established International linkages and undertake collaborative programmes with research Institutes and Universities from countries such as USA, Germany, Switzerland, Italy, Australia, Canada, Japan, UK, Norway, Sweden, Brazil, Russia, Mexico, Finland and France.
- ★ At the national level, faculty members have been using National facilities such as neutron reactor at BARC in Mumbai; particle accelerators at IUAC in New Delhi and VECC in Kolkata; synchrotron radiation source in CAT, Indore; facilities at TIFR in Mumbai, IGCAR in Chennai, UGC-DAE CSR in Indore, Mumbai and Kolkata, CDRI in Lucknow, IUAC in Pune, AIIMS in New Delhi and NPL in New Delhi.
- ★ Centre for Development of Physics Education has earned national and international recognition for developing innovative experiments for Physics Laboratories at UG and PG levels.

The University aims to impart higher education with quality and social relevance. It provides academic and research facilities in various streams to the students studying in University Departments, university Constituent Colleges and Affiliated Colleges/Institutions. University of Rajasthan offers 41 Ph.D. Programmes, 25 M.Phil programmes, 56 Masters degree programmes, and 14 Bachelors degree programmes. Besides focusing on dissemination of knowledge and search for excellence in teaching and research, the University prepares the students as good future citizens and endeavors to inculcate amongst them a sense of discipline and dedication. The University is transforming its curricular

activities keeping in view the recent trends of development.

The University generates cost effective resources to achieve financial self-sufficiency. Self financing courses are offered both at U.G. and P.G. level. Being both teaching and affiliating University, it ensures equitable distribution of facilities for higher education in different parts of the state under its jurisdiction.

The University encourages its teachers to undertake research activities and gives financial support to attend seminars and workshops. Financial grants are also given for Organizing Conferences. Interdisciplinary approach and collaborative research are being encouraged to achieve excellence in education.

Teaching Units

The University of Rajasthan consists of the following components:

- (a) Constituent Colleges
- (b) Post-graduate Teaching Departments / Centres
- (c) Research Centres

(a) Constituent Colleges

Undergraduate teaching is imparted in the 7 constituent colleges of the University, by the teaching faculty appointed in the University Post Graduate Departments:

- (i) University Commerce college
(Commerce Faculty)

The Support Services in the University

University Central Library

The Central Library building is located near the main gate of the University. It has a sitting capacity of about 700 students. It has collection of more than 5 Lac books, bound periodicals, etc. The Library subscribes to 40 plus current journals and popular magazines relating to various subjects. In addition, about 15000+ e-journals are available for online access under UGC-INFONET Digital Library Consortium (e-Shodh Sindhu). New Library building is under construction and will be completed during this academic session 2017-18.

Sports Complex

The University has a modern Sports Complex. It has also a swimming pool, which has been a venue of many National Swimming Meets. The University accords a high priority to games and sports. Facilities for all major indoor and outdoor games are available at the Constituent Colleges as well. Fully developed indoor stadium along with a yoga centre are the unique attractions of the Sports Complex. Besides this, the Department of Physical Education has started a postgraduate diploma and a masters' programme in Physical Education.

Health Centre

The University provides Allopathic, Ayurvedic, and Homeopathic facilities at its Health Centre. Medicines are provided free of cost to the employees & students of the university. Health checkups are arranged from time to time. Blood donation camps are also organized.

Student Advisory Bureau

Students Advisory Bureau, since 1962, upholds the motto: "We do not believe in framing the future for next generation, rather we wish to frame the next generation for the future."

Counseling Centre

The University has started a Counseling Centre, to guide the students and resolve their personal and emotional problems.

Hostels & Residences

Residential accommodation is provided to the teachers and the students. The University has 19 hostels, 10 for boys, 9 for girls. The University is going to construct two hostels one for SC girls and other for SC boys with 45% assistance from the ministry of Social Justice and Empowerment with a cost of Rs. 5 crores. Besides hostels, there are Teachers Hostel, Working Women Hostel and faculty residences located at the main campus. Some residences are for the non-teaching employees as well. The University has an eco-friendly environment. The nursery-cum-garden office of the university looks after lawns and parks. The university has nursery which has some rare plants and shrubs.

Students' Welfare

In order to stimulate and coordinate various activities of the students the Dean of Students' Welfare is provided grants and facilities. The Dean, Students Welfare, is also Advisor of International Students.

UGC Human Resource Development Centre

The University has also a UGC Human Resource Development Centre (erstwhile UGC–Academic Staff College) which was set-up by the UGC in 1988 for an overall development of young university and college teachers. The HRDC (ASC) organizes Refresher and Orientation Programmes. The Refresher Courses are interdisciplinary as well as discipline-specific, whereas the Orientation Programmes are interdisciplinary. The latter aims to enhance overall intellectual worth of the teacher. Our ASC (HRDC) was ranked as the second best by NAAC in 2012 amongst 66 ASCs in the country.

Service and Instrumentation Centre

University Service and Instrumentation Centre has well-equipped workshop under its control with facilities for mechanical (Lathe machines, Milling Machines etc.), glass blowing, electronics, welding, and gas filling shops and an analytical instrument sections. The Centre houses costly instruments such as (1) Semiautomatic X-Ray Diffractometer DIANO (USA) make, (2) Phillips Liquid Nitrogen Plant with 6 liter per hour capacity.

Infonet Centre

The University has established a UGC Infonet Centre which coordinates all the activity of UGC Infonet Project at University of Rajasthan end. The centre will further distribute and maintain the internet connectivity over Campus Wide Area Network making it available to constituent colleges, teaching departments, research Centres, and administrative units. The Centre

maintains and host University Website and Mail-server. The Centre will also coordinate and maintain Intranet of University when it comes up.

University Printing Press

The University has its own Printing Press, established 1962. It looks after the publication needs of the University, Departments, Colleges and University Administration.

Administrative Service Pre-Entry Training Centre (APTC)

The Centre was set up by the University in 1978 and it's given the status of an Independent Centre in 1999. At present the centre is running in an independent building close to the University Nursery. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Subordinate Services for the last 35 years on, Self Financing basis.

UGC has also recognized the Centre as supporting centre for upliftment of SC, ST, OBC and Minority Community students in 10th & 11th Plan for coaching of RAS, CS, RJS, NET/SLET, Bank P.O., Spoken English and other competitive examinations. This Centre acts as a facilitator by inviting eminent academicians, bureaucrats and experts of respective fields.

The Centre imparts rigorous training and makes available reading material, handouts, and other literature which helps the candidates for various competitive examinations. The centre has conducted more than 200 programs for various examinations. The past performance in terms of selection of the candidates enrolled in this Centre has been very encouraging, as almost 1/3 of such candidates have been getting selected.

The Centre is known for preparing and grooming the students for competitive examinations through providing subject knowledge as well as developing their personality and communication skills.

Students' Entitlement

Guidelines for Students' Entitlement as per UGC Letter D.O. No.14-32/2011(CPP-II) Dated 25-04-2013

These guidelines have been issued by the University Grants Commission (UGC) in order to help students, teachers, administrators and institutions understand what the minimum entitlements of the students are. These guidelines apply to all the colleges and universities in the country (this expression includes every institutions of higher education even if it is not called college/university) without any exception. It shall be mandatory for every college/university to publish the present Guidelines in full in its Prospectus and also post it on the homepage of its website. Fulfillment of these entitlements imposes obligations on educational institutions, administrators, policy makers, teachers and students themselves. If these obligations are not met, a student can approach the Grievance Redressal Authority or the Ombudsman. Any serious or persistent violation of these Guidelines can be brought to the notice of the University Grants Commission and can be the basis of punitive action against the offender. Some of the provisions stated here are already covered by existing laws or Rules and Regulations of the UGC. But the students shall continue to enjoy all the right under existing laws, rules and regulations which may not have been mentioned in these Guidelines.

1. Admission

- 1.1. An announcement or advertisement for any course of study must clearly specify whether the degree granted is notified by the UGC and other relevant statutory authorities [Under Section 22 c of the UGC Act, latest list available at the UGC website] and whether the university that awards the degree figures in the list of universities maintained by the UGC [available at the UGC website].
- 1.2. A student seeking admission is entitled to a document (usually called 'Prospectus') that specifies the curricula including syllabi, names and academic profile and status of the faculty, mode and frequency of evaluation, duration of the course, academic calendar,

comprehensive information about fees or charges of any kind, and refund rules. The information given in the prospectus should not be changed to the disadvantage of the student during the course of study; any change if necessary must be communicated to each student individually spelling out reasons for such a change.

- 1.3. The Prospectus must spell out exactly the process and criteria for admissions. This includes weightage given to previous academic performance, entrance examination and interview. The syllabi and format of the entrance examination must be spelt out. The final scores of each candidate who appeared for entrance examination including all the components and the entire waiting list must be made public.
- 1.4. Information about any reservations or quota for any category, the eligibility criteria for these reservations/quotas, certificate required for seeking admission under these must be stated clearly in the Prospectus.
- 1.5. The student must not be asked to produce documents which have not been mentioned in the Prospectus. While the institution can ask the student to produce the original documents (such as School Leaving Certificate, Marksheets, Caste certificate) for verification, they cannot retain any original documents of any students. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]

2. Quality of teaching and learning

- 2.1. It is the responsibility of the college/university to help the students develop their learning skills by facilitating the creation of learner centric environment conducive for quality education. The students are entitled to receiving instruction and reading material in all the languages allowed by the institution as medium of instruction or examination.
- 2.2. The students who begin with a difficulty due to social handicap or a shift in the medium of instruction are entitled to special support to bridge the gap.
- 2.3. The students are entitled to availability and presence of qualified teacher, fulfillment of the specified number of teaching days and contact hours for each course and completion of syllabus on time. [UGC Regulations on Minimum Qualification of Teachers... 2010]
- 2.4. The students are entitled to reasonable access to facilities, services and resources including library (that stocks textbooks, reference books, journals, e-resources), laboratories, and ICT facilities in the languages permitted as medium of instruction or examination.
- 2.5. The student are entitled to fair, transparent and timely evaluation, including fair provisions for timely re-checking or re-evaluation of the scripts and redressal of any grievance related to the evaluation process. The students are entitled to a copy of their answer scripts after the declaration of results.
- 2.6. The students are entitled to timely conduct of examination and declaration of results as specified in the academic calendar in the

54

Prospectus. They shall be entitled to the award of degree within 180 days of the declaration of results.

- 2.7. The students are entitled to give regular feedback on the quality of teaching, students services and institutional infrastructure. The college/university shall establish mechanisms for seeking this feedback regularly and taking student feedback into account for review and improvement.

3. Fee and financial aid

- 3.1. The students are entitled to prior and full information about amount, components, frequency and mode of any kind of payment including fees or charges of any other kind and refund rules. If a student withdraws before the beginning of the course, the student should be refunded the entire fee given to it with a maximum deduction of Rs. 1000. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]
- 3.2. A college/university will make utmost effort to ensure that no student is deprived of opportunities of quality education for lack of sufficient financial resources. It is the responsibility of the policy makers to ensure that sufficient funds are made available to implement this principle. The Prospectus shall contain consolidated information about scholarship/fellowship/financial aid scheme of any type that that is available to the students. It shall bring to notice and assist the students in accessing such schemes. It shall ensure that the procedure for selection is fair and transparent.

4. Infrastructure

- 4.1. The students are entitled to access to appropriate resources including classrooms, libraries, laboratories and other academic facilities necessary for quality education. [UGC rules and regulations for fitness of universities and colleges for Grants under section 12 B of the UGC Act 1956, Private University Regulation, Deemed University Regulation].

- 4.4. The students are entitled to a reasonable access to adequate, clean and hygienic hostel/residence accommodation that provides basic amenities including recreational facilities. Such accommodation should be affordable and must not be utilized by the institution for profit making. Accommodation meant for students must not be encroached upon by the institution for any other purpose.
- 4.5. Student with disability are entitled to access to all schemes, facilities and services in the university without discrimination. The college/university shall strive towards a universal design of learning based curriculum that can address the needs of the broadest possible range of students by minimizing barriers and maximizing learning for all students. The college/university shall provide barrier free access, special library resources (including Braille and ICT resources), provisions for sign language interpreter/transcriber, the required equipments and electronic resources and the required relaxation in

examination to all students with disability. [Person with Disabilities (Equal Opportunity, Protection of Rights and Full Participation) Act, 1995; UGC D.O.No.F-6-1/2006(CPPII), F.No.6-1/2012(SCT)]

5. The students are entitled to non-discriminatory treatment (in the sense of absence of harassment, victimization or exclusion) in every aspect of institutional functioning. Any discrimination based on caste, gender, creed, colour, race, religion, place of birth, political conviction, language and disability shall be prohibited.

- 5.1. In particular, institutions shall not discriminate against students belonging to Scheduled Caste and Scheduled Tribes and racial profiling of students from any region or ethnic group. [UGC (Promotion of Equity in Higher Educational Institutions) Regulations, 2012]

- 5.2. The students are entitled to protection from sexual harassment by complaining to the Gender Sensitization Committees against Sexual Harassment. It is mandatory for each college/university to constitute and publicize this committee as per the Guidelines and norms laid down by the Hon'ble Supreme Court [Vishaka and Others Vs. State of Rajasthan and Others(JT 1997 (7) SC 384)]

- 5.3. All students are entitled to protection from ragging in any form [UGC (Curbing the Menace of Ragging) Regulation, 2009]

6. As democratic citizens, the students are entitled to freedom of thought and expression within and outside their institution. The college/university must allow space for free exchange of ideas and public debate so as to foster a culture of critical reasoning and questioning. College/university authorities must not impose unreasonable, partisan or arbitrary restrictions on organizing seminars, lecture and debates that do not otherwise violate any law.

7. The students are entitled to forming associations and unions, directly electing their representatives to Students Unions and having their representatives on the college/university decision making bodies including internal quality assessment, grievance committees, Gender Sensitization Committees against Sexual Harassment and the Academic/Executive council. University/colleges shall evolve mechanisms for adequate consultations with students' representatives before taking any major decision affecting the students.

8. The students are entitled to full and correct information about any institution of higher education in which they study or propose to study. Therefore, every college/university must disclose the following information on its website and Prospectus: status of the institution, its affiliation, accreditation rating, physical assets and amenities, membership of governing bodies and minutes of the meetings of bodies like Academic/Executive council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice. [Section 4 (1) of Right to Information Act 2005].

9. The students are entitled to redressal of their grievance by the Grievance Redressal Committee of the institution within 10 days of making a representation. If they are not satisfied, they are also entitled to an appeal to the Ombudsman of the University concerned for redressal within 30 days. [UGC (Grievance Redressal) Regulations, 2012]

10. The UGC may issue instructions for proper implementation of these Guidelines.

Department of Hindi हिन्दी विभाग

एक परिचय

राजस्थान विश्वविद्यालय, जयपुर के हिन्दी विभाग की स्थापना 1 जुलाई 1961 ई. को हुई। इसके पूर्व हिन्दी विभाग महाराजा एवं महारानी कॉलेज में संचालित था। अपनी स्थापना से ही हिन्दी विभाग को अकादमिक क्षेत्र के शीर्ष विद्वानों का नेतृत्व प्राप्त हुआ। इनमें डॉ. सरनाम सिंह शर्मा, डॉ. माताप्रसाद गुप्त, डॉ. सत्येन्द्र, डॉ. विश्वम्भरनाथ उपाध्याय, डॉ. हीरालाल माहेश्वरी प्रमुख हैं। वर्तमान अध्यक्ष डॉ. विनोद शर्मा के कार्यकाल में विभाग द्वारा राष्ट्रीय एवं अन्तरराष्ट्रीय स्तर की कई संगोष्ठियों एवं कार्यशालाएं आयोजित हुई हैं। यूजीसी की बारहवीं योजना के तहत हिन्दी उन्नयन के लिए विभाग को 56 लाख रूपए की राशि का आवंटन एक महत्वपूर्ण उपलब्धि है। हिन्दी विभाग उपलब्ध अकादमिक संसाधनों का समुचित उपयोग करते हुए अपने लक्ष्य प्राप्ति हेतु सतत प्रयत्नशील है। अंतरानुशासनिक शोध हेतु यह विभाग इतिहास, समाजशास्त्र, दर्शनशास्त्र, जनसंचार एवं पत्रकारिता तथा नाट्य विभागों के साथ सक्रिय है।

दादू अध्ययन प्रकोष्ठ

राजस्थान में उपलब्ध पाण्डुलिपियों के विपुल भण्डार के अकादमिक उपयोग तथा मध्यकालीन साहित्य के अध्ययन एवं अनुसंधान को बढ़ावा देने के लिए विभाग में 'दादू अध्ययन प्रकोष्ठ' वर्ष 2012 से स्थापित है। इस प्रकोष्ठ के अन्तर्गत दादूपंथी साहित्य और संत परम्परा पर शोध कार्य करने हेतु शोधार्थियों को प्रोत्साहित किया जाता है तथा प्रतिवर्ष राष्ट्रीय संगोष्ठी का आयोजन किया जाता है।

वैष्णव साहित्य अध्ययन केन्द्र

राजस्थान मध्यकालीन सगुण भक्ति का केन्द्र रहा है। राजस्थान में विभिन्न भक्ति संप्रदायों की पीठ स्थापित हैं तथा प्रचुर मात्रा में पांडुलिपियां उपलब्ध हैं। इस विपुल साहित्य और भक्ति परम्परा पर शोध अध्ययन हेतु विभाग में 'वैष्णव साहित्य अध्ययन केन्द्र' स्थापित है। शोध छात्रों को फैलोशिप प्रतिवर्ष तथा राष्ट्रीय संगोष्ठी का आयोजन भी इस केन्द्र के तत्वावधान में किया जाता है।

यूजीसी मानव संसाधन विकास केन्द्र के संयुक्त तत्वावधान में विभाग विभिन्न महत्वपूर्ण विषयों पर अब तक दस पुनश्चर्या पाठ्यक्रम आयोजित कर चुका है।

अकादमिक उपलब्धियाँ (सत्र 2016–17)

वैष्णव साहित्य अध्ययन केन्द्र की स्थापना और 'मध्यकालीन वैष्णव साहित्य: भाषा, समाज और संस्कृति' विषय पर राष्ट्रीय संगोष्ठी।

Centre for Jain Studies

About the Department

On the auspicious occasion of Lord Mahaveer's 2500th Nirvan Mahotsava the Centre for Jain Studies was established in 1975 and a Chair founded for promoting research work in Jainism. The Centre has a missionary zeal to sponsor and promote research in Jain Studies and other aspects of Comparative Religions and Culture. With its longstanding and renowned status, the Centre is located in the Humanities Block, University of Rajasthan Campus, Jaipur.

At the time of establishment of the Centre the University had taken a decision that Jainology be treated more as an area of research and the main purpose for establishing the chair should be to encourage the study of Jain religion and ethics in the related departments i.e. Sanskrit, Hindi, Philosophy, Psychology, Sociology, Political Science, Public Administration and History, already existing in the University, and conduct and direct research in the field of Jainology.

In order to attract the diversified Jainological studies the University also accommodated the study of source material, ideas, thoughts, literature and history of Jainism to be studied as special papers in the regular courses of the Department of the Sanskrit, Philosophy and History with the co-operation and guidance of the person occupying the chair in Jainology. In view of this decision the PG classes in Jain Studies are being taken with PG departments of History, Sanskrit and Philosophy of the University and the faculty of the Centre is associated with them ever since the establishment of the Centre.

It is one of the premier institutions of international repute for Jain Studies in India, engaged in research on various aspects of Jain Studies and Manuscriptology, committed for dissemination of knowledge on Prakrit, Apabhramsa language & Literature, Jain Philosophy & religion and Manuscriptology in a comparative, critical and historical perspective. The Centre awards every year

Director

Prof. Sanjeev Bhanawat

various Fellowships and Scholarships.

It has so far organised more than 5 International, 10 regional and 30 National Seminars and held several extension Lecture-series, and published about 26 books on Jainology and Manuscriptology. It has its own Library and subscribes to a large number of Journals and Magazines, relevant to the Jain Studies and allied subjects.

Research work has been carried out in Centre and as many as 250 research scholars have been awarded D.Litt, Ph.D. and M.Phil Degrees in Jain Studies by this University.

Department of Library & Information Science

About the Department

The Department was established in the year 1960. This is the oldest Department of Library & Information Science in the state of Rajasthan and one of the few in the country to have started Masters' and Doctoral Degree programmes. It started Masters' and Doctoral degree programmes in the subject as early as 1974 and 1975 respectively. The Department has already produced more than 60 Ph.Ds and many students are pursuing the research degree. A number of ex-students of this department are serving in senior positions in the country and abroad in premier and prestigious institutions. In view of the changing scenario due to rapid development in ICT, the syllabi for both MLIS & BLIS have been revised to include ICT based curriculum as per U.G.C. model.

Infrastructural Facilities

The Department has a well equipped modern ICT laboratory, with state-of-the-art facilities.

Department of Life Long Learning

(Formerly Deptt. of Adult and Continuing Education)

About the Department

Lifelong education is the cherished goal of an ideal educational process. In a technology driven, knowledge based competitive economy, the landscape of learning is changing. Keeping in view the socio-economic changes taking place in the country, the acquisition of relevant skills and regular upgrading of skills implies the need for creating a variety of training and learning opportunities. The Department of Lifelong Learning (DLL), University of Rajasthan caters to this critical development issue of continuous development of quality and quantity human resources and up gradation of skills.

The responsibility of the university to discharge adequately its responsibilities to the entire education system and to the society as a whole has been assumed by the Department of Lifelong Learning in the mainfestation of extension activities for various target groups ranging from illiterates, semi-literate to experts, professionals and elite groups.

With the purported aim of expanding the frontiers of knowledge and extending the institutional resources to the community DLL conducts short term training courses, workshops, seminars, summer schools, capacity building and skill development programmes etc. throughout the year. The department organizes programmes which are need based, flexible, catering to the diverse needs of small and large segments of people.

DLL has been successful in reaching out to large

sections of society, especially the marginalized and disadvantaged, through varied interventions and capacity enhancement endeavours. It has been instrumental in conducting sensitization and awareness programmes regarding universal literacy, gender justice, HIV/AIDS, environment conservation, e-learning, sanitation, entrepreneurship development etc. Special thrust remains on capacity building, leadership skills, personality development, stress management, career counselling and guidance programme for youth. DLL also develops teaching learning, instructional, training and promotional material as part of providing academic/technical support to different programmes. DLL has engaged in conducting English language teaching classes in rural areas, government schools and urban slums for the needy and poor and e-learning for senior citizens and deprived sections of society.

Collaboration and support for various activities and programmese are solicited from the university department & colleges, NGOs, and resource centres of National Literacy Mission Authority etc.

The aims and the objectives of the Department are promote a meaningful, sustained and stiumulating relationship between the University and the community. The impetus is to provide opportunities for a learning society, to facilitate the overall development of people and meaningfully help to improve the overall quality of life.

Department of Physical Education

About the Department

The Department was established in 1947 with its Physical Education programme including Courses like Bachelor of Physical Education (B.P.Ed.) from 1994-95 and Master of Physical Education (M.P.Ed.) from 1995-96. The Department introduced Yoga Certificate & Yoga Diploma Courses in the Session 2003-04. M.Phil in Physical Education was introduced in 2007-08. The Department has ample facilities for research work, enabling the post graduates to pursue their Ph.D. in Physical Education. Till date 78 students have been awarded Ph.D. in Physical Education.

Centre for Converging Technologies

About the Centre:

The Centre for Converging Technologies (CCT) at the University of Rajasthan is conceptualized as a centre to strengthen quality education and to pursue high standard research in the frontier areas of Nanotechnology, Biotechnology and Bioinformatics, Information & Communication Technology and Cognitive & Neuroscience (NBIC) technologies so as to accelerate techno-economic development of the country

The Centre is pursuing the following activities:

- ★ Creating and maintaining a critical mass of Converging Technologies research specialists who can effectively contribute to the need of the industry and society.
- ★ Focusing on interdisciplinary research in areas like Nanotechnology, Bioinformatics, Biotechnology, Information and Communication Technology, Cognitive and Neuroscience.
- ★ Founding a strong training and research base in academia to make an attractive international training ground for Converging Technologies; Generating, designing, and applying NBIC technologies in an innovative way.
- ★ Developing laboratories and facilities to efficiently engineer and design new products.
- ★ Promoting global level research in allied theoretical science (logic, data structures and algorithms, computational complexity, database systems, knowledge representations, constraint satisfactions, artificial intelligence, intelligent agents, theoretical computer science and quantum computing), Systems Biology and Metabolomics.
- ★ Encouraging post-doctoral students in Converging Technologies to uplift the capacity for research.
- ★ Imparting postgraduate education in Converging Technologies.
- ★ Collaborating with Industry, National and International Institutes/Universities to augment NBIC research so as to accelerate techno-economic development of the country.

Infrastructure Facilities:

The University has received financial support under Member of Parliament Local Area Development Scheme for creation of the centre on recommendations of Hon'ble Ex-Member of Parliament Late Shri R.P. Goenka. The first phase of Centre's new building has been completed in

2009. It has specifically been designed to meet the requirements of Converging Technologies research and education activities. It has fully networked, well-furnished, air-conditioned, dust and germ free research labs and class rooms. A State of the Art research infrastructure is being created with assistance from various funding agencies and through public private partnership. The government of Rajasthan has announced in budget in 2011 (State Budget Announcement No. 155] a Rs. 13 crore budgetary support to setup a "Centre of Excellence for Nanotechnology" at Centre for Converging Technologies.

In 2014, under the Scheme "National Initiative for setting up of Design Innovation Centers", Ministry of Human Resource Development, Government of India, has approved the

establishment of DIC at Centre for Converging Technologies, University of Rajasthan. The DIC will receive a total financial support of Ten Crore rupees from Department of Higher Education, MHRD, Government of India and has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh, and Lachoo Memorial College of Science and Technology, Jodhpur.

In 2014, CCT was awarded a grant of 222 Lacs by Biotechnology Industry Research Assistant Council (BIRAC) to establish University Innovation Cluster in Biotechnology (CIC-B). This is a unique platform acting as the nodal center for budding student interproneurs and innovators with industry academia collaboration.

CCT has been selected as nodal centre for the DBT-supported IPLS (BUILDER) programme under which a grant of Rs. 10 Crores has been sanctioned by Govt. of India. The phase 2 of CCT building construction has been completed with support under IPLS and from Centre's own fund as it runs under SFS. It was inaugurated by Hon'ble Chief Minister Shri Ashok Gehlot on 24th January, 2013. Research equipments have been housed at CCT under IPLS program too.

The Centre plans to collaborate with leading International Universities and Research Institutes to foster research in Converging Technologies. Students of CCT have received financial support under Student Project scheme of Department of Science and Technology, Government of Rajasthan. The centre has also achieved a distinction with a few students publishing papers in peer reviewed journals during master course. Students have undertaken training in X Semester at premiere research institutes like BARC, IISc, IITs, IIITs, CSIO, DRDO, NPL, NCL, NBRC, NIMHANS, INMAS, CEERI, SAMEER, DIAT, IGCAR, CGCRI. The students have undertaken training at R&D units of leading companies like Reliance Life Science, Reliance Textile, Shalimar Paints, ARCI. Several students qualify NET, GATE, JEST and GRE during their course at this centre.

Ph.D. Programme:

The primary aim of establishing the Centre for Converging Technologies (CCT) is to produce high quality research in the four streams of Nanotechnology, Biotechnology and Bioinformatics, Information and Communication Technology, Cognitive & Neuroscience. The research scholars are working mainly in the following areas. The admission will be through Uniraj- MPAT.

Thrust Areas:

- a. Nanotechnology
- b. Biotechnology and Bioinformatics
- c. Information and Communication Technology
- D. Cognitive and Neuroscience

Master's Programme

(1) Ten Semester (Five year) Integrated Dual degree Master of Technology (M.Tech.) course in the four

streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only. The Course has been cited as "This new technology education program (of University of Rajasthan) may become a pattern for other universities" at the Portland International Conference on Management of Engineering and Technology 2007 (PICMET-07), Portland, USA.

The Master's programme includes two years of common curriculum in all fields of basic science and engineering. The third year course involves training in all streams of converging technologies. The last two years of programme is fully customizable in specialized domains in the streams of converging technologies.

All courses of First to Fourth Semesters are assigned credits as General. On successful passing of all papers of First to Tenth Semesters the candidate will be awarded dual degree B.Tech. and M. Tech. in a particular stream of Converging Technologies. M. Tech. degree will be awarded on the basis of performance in all ten semesters and in the stream in which he/she has obtained maximum credits. B. Tech. degree will be awarded on the basis of performance in first to eighth semesters and in the stream in which he/she has obtained maximum credits in these semesters. The training will include multidisciplinary perspective necessary for rapid progress of the new technologies and create a synergistic view for potential application in various areas of relevance. Medium of Instruction and Examination is ENGLISH only.

The students of Centre for Converging Technologies enjoy an active campus life with several invited talks, seminars and interactive sessions by eminent experts. The annual cultural and sports event has been a very attractive feature providing a week long celebrations and opportunities to showcase talent.

Seats : 120 +15% NRI Seats

- i. Nanotechnology
- ii. Biotechnology and Bioinformatics
- iii. Information & Communication Technology
- iv. Cognitive and Neuroscience

Fee: See SFS Fee Schedule (Tuition fee for the session 2017-18 will be announced separately by university)

Eligibility:

Admissions will be made purely on the basis of merit in international / national level entrance exams like SAT, JEE (Main), NEET, AIIMS, BITSAT etc or XII Board Examination. The candidate should have passed the XII (10+2) with science subjects (both Mathematics and Biology group students are eligible). Minimum eligibility

shall be 55% score or equivalent grade in the Senior Secondary Examination of RBSE or CBSE or equivalent. Reservation of seats will be as per University and Government of Rajasthan policy. The minimum eligibility criterion for SC/ST category will be reduced to minimum pass marks if required to fill the seats of these categories. The number of seats may be increased from present 120 on approval of the Vice-Chancellor to accommodate more talented students as course is run under SFS and facilities created may be optimally used. Students who are appearing for XII examination in 2017 are also eligible to apply, however, their eligibility for admission is subjected to fulfilling the requirement of passing XII examination. To attract talented students from foreign countries and NRI/PIO students, the fee of NRI/PIO/Foreign students will be at par with other local students seeking admission to this course for students admitted in the academic session 2017-18.

(2) Six Semester (Three year) Master of Technology course in the four streams of Converging Technologies. The course is of non-affiliating nature and available on the campus only.

The Master's programme will have common curriculum with last six semesters of Ten Semester M.Tech. in Converging Technologies course. Thus students admitted in this programme will be laterally entered in the Fifth Semester of students of batch admitted in academic session 2015-16. The first year course involves training in all streams of converging technologies. The last two years of education will be fully customizable in specialized domains in the streams of converging technologies.

On successful passing of all papers of First to Sixth Semesters (i.e. Fifth to Tenth Semester of Ten Semester M.Tech. Programme) the candidate will be awarded M. Tech. degree in the stream in which he/she has obtained maximum credits. Medium of Instruction and Examination is ENGLISH only.

University Innovation Cluster In Biotechnology (UIC-B)

University Innovation Cluster in Biotechnology (UIC-B) is a milestone program of BIRAC initiative jointly with the Biotech Industries. Here at University of Rajasthan focus area of UIC is Converging Technologies. The key objectives of the program are:

- ★ To play the role of a facilitator to stimulate entrepreneurial activities within the Universities & Academic Institutions and linkages with the industry.
- ★ To develop and strengthen the Industry-Academia partnership for research sponsorships development and effective transfer of know-how from the University to the entrepreneurs and industry.
- ★ To develop area specific technologies for the industries through R&D projects of student entrepreneur.
- ★ To provide Intellectual Property protection and management services and facilitate the technology transfer and commercialization.

The current project aims towards establishment of a platform for increased participation, interaction and mutual

co-operation between academia and industry. The focus of the proposal is converging technologies. The project aspires to evolve new strategies, products and services which can be commercialized and can be later taken up for university spin-off and start-ups. Tentatively five major thrust areas have been identified for UIC in collaboration with our industrial partners viz. development of commercially viable phytochemicals, stem cells as cellular therapeutics, isolation and characterization of microbial enzymes for plant secondary metabolite extraction and development of value added food products, industry oriented amalgamation of *in silico* domain with biological data and establishment of nanomaterial synthesis facility for water purification solutions.

The output/outcome of the project would be utilised for an industrial application project and also the potential to develop into a technology or prototype with through academic and industrial mentoring. The initiative would aim towards self-sustainability through endowments, royalty, financial support from government funding agencies and industries, consultancy charges and extension services.

Fellowships and Projects

★ **Innovation Fellowships:**

There are two Post Doctoral and four Post Master's BIRAC Innovation fellowships.

★ **Sponsored Research Projects:**

In order to undertake sponsored research projects, the potential industrial partners with specific scientific concerns have been identified. A plan of action for solving the problem in collaboration with industry is being formulated. The plan will be executed with the co-operation of all stakeholders. Financial aid in the form of fellowships to execute sponsored research projects will be provided.

★ **R&D for testing the ideas/discovery for taking it to proof of Concept:**

This will be done jointly with Industry/academia and other organizations.

Activities

1. **Development of commercially viable phytochemicals**
Objective: Development of herbal based bioactive drugs & phytochemicals and their cytotoxicity effects using cell lines
2. **Stem cells as cellular therapeutics**
Objective: Isolation and identification of stem cell derived growth factors and cytokines for tissue regeneration/repair and other cosmetic applications.
- 3a. **Microbial enzymes for plant secondary metabolite extraction and development of value added food products**
Objective: Commercial exploitation of microbial sources for industrially important enzymes.
- 3b. **Microbial enzymes for plant secondary metabolite extraction and development of value added food products**
Objective: Development of value added convenience and ready to eat food products enriched with phytochemicals.
4. **Industry oriented amalgamation of in-silico domain with biological data**
Objective: To develop optimized algorithms and simulations for Genome analysis.
5. **Establishment of nanomaterial synthesis facility for water purification solutions**
Objective: Carbon nano tube synthesis and immobilization into polymeric/ceramic membranes for water purification system.

Design Innovation Centre

Under the scheme National Initiative for setting up of Design Innovation Centre. Ministry of Human Resource Development, Government of India, has approved the establishment of DIC at Centre for Converging Technologies, University of Rajasthan, Jaipur. The DIC has three spokes namely, Birla Institute of Scientific Research, Jaipur, RK Patni Govt. College Kishangarh and Lachoo Memorial College of Science and Technology, Jodhpur. The Project aims towards establishment of a platform for increased participation, Interaction and mutual co-operation between academia and industry for design innovation. The focus of the proposal is converging technologies. The project aspires to develop a continuously evolving curriculum for innovation in process, product and system design aligned to meet the needs of the industries in the milieu and society at large.

The major objectives of DIC are to spread Design Education, thereby creating Design Culture and Design thinking and to promote innovation among the students. DIC will integrate various resources to develop a larger platform for the university and industry partnership by constructing a platform by bringing industry and university together to foster development of design innovation network that nurtures pioneering ideas and translates them into commercially viable initiatives.

Presently six major thrust areas have been identified for DIC in accordance with the industrial requirements in the surrounding region and the existing strengths and assets of the centre.

Courses and areas of Design innovation:

1. Certificate course in RF planar component test. (6 months duration)
2. Diploma course in innovation food designing. (12 months duration)
3. Certificate course in computer assisted drug designing. (6 months duration)

Department of Dramatics

About the Department

The Department of Dramatics was established in 1975 with a one-year part time Certificate Course. Today the Department has earned the status of one of the most exciting and innovative Drama Departments in the country. Combining the study of traditional theatre with cutting-edge performance practice, the Department aims at providing an all round development of the students. This is one of the renowned institutions of learning theatre arts in the entire country and provides an opportunity of five years training programme followed by Ph. D

Infrastructural Facilities

For the benefit of the students, guest teachers and theatre professionals are invited to talk about theatre design, stage management, television and films. Besides its own open-air theatre on the campus, the department has access to the infrastructural facilities of the Jawahar Kala Kendra and the Ravindra Manch. Productions are not always restricted to campus venues. Students have performed in many other places around the campus and in the nearby towns as well as other metropolitan cities.

Department of Drawing & Painting

About the Department

The Department of Drawing & Painting started P.G. classes in 1974.

The Department of Drawing and Painting aims to enhance the artistic aptitude and creative talent on the students and scholars in the field of Fine Arts. Special attention is given to interdisciplinary approach. The innovative ideas and research oriented aptitude are encouraged and inculcated. Department organized international and national conferences, seminars, refresher course and national and regional workshop and demonstration by the eminent artists. Other University Professors delivered lectures to train the P.G. and Research Scholars in the new perspective of Indian Contemporary Art.

- ★ Organised one-man shows and group shows of painting by faculty members in various prestigious art galleries of the country and abroad.

- ★ Faculty members have received International, National & State Awards and recognition.
- ★ Many students have been appointed as lecturers in various prestigious institute of India.
- ★ Faculty members have participated in various National Conferences/Seminars/Artist camps etc.
- ★ Faculty members are the members of renowned Academic Bodies & Research Committees of various universities.

Department of Music

About the Department

The Department of Music was established in 1973 with Vocal and Instrumental Music (Sitar) as the main subjects. Many Internationally & nationally acclaimed performing Artists have been part of this department.

A Four-Years performance oriented Professional Degree Course (B.P.A.) was introduced in 1987. Subsequently, a Two-years Post Graduate course (M.P.A.) was added in 1991. A Great achievement of the department is that two New Courses B.P.A. Kathak Dance and Tabla were introduced in 2016. These courses were designed with more stress on practice/performance & Theory so as to produce performing Artists and scholars. The Department aims to produce professionally skilled Artists and Musicologists; develop creative and innovative abilities in the students; expose the students to emerging perspectives of Indian Music; inculcate research oriented attitude in the students; organize seminars, workshops, refresher courses, music concerts and summer classes for New Comer students for giving basic knowledge of the subject.

Highlights & Achievements

The Faculty of the Department includes A graded Artists of All India Radio, Nationally and Internationally acclaimed performers/ Musicologists and recipients of State/national & International Level awards/Honours.

Faculty members are the members of renowned Academic Bodies & Research Committees of various universities.

Faculty members have participated in various International/National Conferences/Seminars and workshops etc.

Students who have passed out from the Department have achieved name and fame in the field of Performing art as artists (TV, Radio and Stage), Sound designer, Composer, Recordist, writer & Scholar etc.

Research scholars of the subject have availed research scholarships like JRF, SRF, Rajiv Gandhi and Departmental Scholarships for Ph.D. research work.

A number of students have cleared the NET/SET exam.

Proposed Programmes:

Deptt. is going to organize firstly Summer Classes (workshop) for the students of vocal and Instrumental Music in the deptt on dated from 2nd to 16th June, 2017 for those students, who wants to Opt Music as career. Dean, Faculty of Fine Arts; Head of the Department and invited experts will give training in the workshop. The aim of the workshop is to give fundamental knowledge of the practical and theoretical aspects of the syllabus. The Subject of workshop is "Dhrupad gayki and Main Syllabus Ragas"

Deptt. will organize summer Hobby classes of other Musical Streams (vocal, Instrumental & Dance).

Department will organize a National Seminar and a workshop during the Session.

Department of Visual Arts

About the Department

Department of Visual Arts began teaching the professional degree course BVA in three disciplines such as Painting, Sculpture and Applied Arts in the year 1988. We have been able to orient a good number of professionals in the subject of Visual Arts, and we are excited to see some of them have been contributing significantly to the discipline.

The faculty members have been regularly participating in National and International Art Exhibitions, Art and Education camps and seminars and have received various National awards. Many of them are also members of BoS bodies of various Universities. We are delighted that a number of our former students have also been appointed Head of Departments and faculties in various teaching Institutes of India and abroad.

After about 14 years of path breaking hard work by the academic community, the faculty started the Masters degree MFA under the Self Financing Scheme (SFS) in the year 2000. Our clear education vision and well defined goals are being achieved, and we are confident our reputation as an institution, dedicated, and committed to excellence is resulting in graduates showing excellent promise in Visual Arts, equipped with first class educational skills for their future.

The faculty today has proven its competence not only in providing the excellent education but has also grown its sphere of activity, in spite of enormous constraints. We are proud that our course of Masters in Visual Arts has been so designed that a student is given sufficient freedom of expression. Students are allowed to innovate and explore a style of their own which we consider essential in order for our graduates to establish a distinct identity in the visual art scenario.

Department Facilities:

The Department has large studios for each discipline apart from separate studios for the elective subjects such as Photography, Print Making, and ceramic.

Apart from regular studio practices, the Department holds separate workshops for the students to explore their abilities in the areas of their specialization.

The Department utilizes its large seminar hall, fully equipped with all the latest communication and presentation equipment for Lectures, Seminars, Presentations, and Discussions organized as part of the regular curriculum activity.

From time to time the Department invites eminent people from various walks of life for the academic benefit of the students. These presentations, visiting professors and internationally reputed artists, are always extremely popular with our students.

The use of computer as an essential tool for design is no longer questioned in this Department. Modern graphic studios equipped with computers with multimedia capacities are being used by the students, thus provide them for the workplace of the 21st Century.

Study Tours are organized every year to the major Art centers and places relevant to the subjects. This enriches the students and helps them to have a wider knowledge base.

Department of Law

About the Department

The Department of Law is one of the oldest Departments of the State of Rajasthan. Legal Studies started in the year 1947 which corresponded with the foundation of the University of Rajasthan. Since then it has been one of the premier institutions of legal studies. The Law College was first housed in the University Maharaja College, Jaipur. Later on, July 1, 1953, it was shifted by the State Government to the University of Rajasthan.

Teaching of LL.M. classes started in 1953 and Diploma in Labour Law started in 1962. After a lapse of six years, P.G. Courses in Criminology and Taxation were started from the session 1967-68. Thus, the Department of Law with three P.G. Diplomas started running independently from 1993.

P.G. Diploma in Environmental Law has been introduced from the session 2005-2006. It is being run on a Self-Financescheme. LL.M. in Human Rights and Value Education has also been introduced in the Department from the session 2007-08 on SFS basis.

University R.A. Podar Institute of Management

About the Institute

University R.A. Podar Institute of Management was established in 1974 as a constituent unit of the University. It was the 6th B-school to be established in the country.

The Institute has carved out a niche for itself in the field of management education especially among the state university level B-Schools. In addition to the permanent faculty, the highly experienced visiting faculty add rigor to the academic program. The curriculum is contemporary and taught through interactive pedagogies.

In addition to the M.B.A. courses the Institute also offers a Ph.D. program in Management. The alumni of the Institute is well placed in the corporate sector, civil services, banking and other financial services, management academics, business and consulting.

During the past three years the major recruiters have been;

Axis Bank Ltd.; Jaro Education (Pvt.) Ltd.; Idea Cellular Ltd.; Naukri. Com (Infoedge Ltd.); jaipur Rugs (Pvt.) Ltd.; ICICI Bank Ltd.; Shree Cements Ltd.; LNJ Textiles; 99 Acres; Bosch Ltd.; Reliance Communication.

Some of the summer placements (mandatory eight week on-the-job training) have been with; State Bank of India; Reliance Jio; NBC Ltd.; Bosch Ltd.; PNB Ltd.; FoodPanda.com

Commitment to excellence within the given resources is the motto of the Institute fraternity. Interactive teaching, personality development, grooming, games and sports are an integral part of the learning experience at RAPIM

About the Department

Established in 1960 at the Jaswant College, Jodhpur, the Department was shifted to Rajasthan College, Jaipur in July 1963 and to its present building in August 1974. It is one of the largest and oldest department of Botany in the country, known for its pioneering work in the fields of Mycology, Plant Pathology, Biosystematics, Morphology and Embryology. Now it has established itself as a research centre in Experimental Morphogenesis, Plant Biotechnology, Nematology, Seed Pathology, Biosystematics, Ethnobotany, Phytochemistry, Plant Ecology, Cytogenetics and Developmental Botany. The Department has 16 different laboratories where basic and applied research is conducted. The Department has received generous financial support from UGC (DRS), and DST (FIST), in addition to support from UGC, CSIR, DST, DBT, ICAR, ICMR, Rockefeller Foundation, DAAD and other funding agencies. The faculty has been awarded prestigious fellowships including Fubright, Rockefeller, European Commission, DAAD, AV Humboldt, DANDIA, DFG, National overseas Commonwealth, INSA, etc.

Research students include NET qualified various fellowship holders, Post-Doctoral fellows, Research Associates and Women Scientist awardees.

Department of Chemistry

About the Department

The Department of Chemistry came into existence in July 1960, thirteen years after the establishment of the University of Rajasthan, Jaipur. Ever since its inception, the Department has made all-round progress and acquired a preeminent status. With Dr. Y.P. Singh as present Head of the Department, current faculty strength includes one Professors, eighteen Associate Professors, thirty two Assistant Professors and three UGC-FRP Assistant Professors.

Department offers M.Sc. in Chemistry and Ph.D. courses at University campus and B.Sc. pass and honours courses at two constituent Colleges. Majority of PG students qualify NET examination and/or successfully compete in national level tests of ONGC, NTPC, UPSC, GSI, BARC, ISRO, DRDO, Forensic Research Laboratories, CSIR Laboratories, Petroleum and Pharmaceutical companies to get placements.

The Department is well known for its par excellence in academic and research programs in various areas of Chemistry both nationally and internationally. The Department has been recipient of various developmental grants from National agencies. The Department was selected by the UGC for University Leadership Project (ULP). After successful implementation of DSA-Special Assistance Programme sponsored by UGC for more than thirty three years and first phase of Centre of Advanced Study (CAS), the department has persently been sanctioned the second phase of Centre of Advanced

Research programmes in the Department are supported by various funding agencies of the Government of India-DST, CSIR, UGC, DAE, ICMR, etc.

The Department organizes International and National Conferences/Workshops regularly, Moreover, invited lectures of Eminent Scientists and Academicians from National and International reputed Institutes and Universities are also regularly arranged for the exposure of the research students to the current advancements in the contemporary research. The Department is also actively engaged in organizing the recharging programmes, such as, UGC-ASC Refresher courses, besides, seminars, workshops, conferences and Extension Lectures by Eminent Scientists / Academicians etc.

The Department has a Local Chapter of the Chemical Research Society of India (CRSI), Bangalore and a Sub-centre of ACS-Green Chemistry Network. Various academic and student-recharging activities are being organized under these banners and special lectures, invited talks and Interactive session with Eminent Scientists are also organized regularly. The Department publishes CHEM NEWS LETTER A biannual publication of research and education in Chemistry (ISSN 2278-6201).

Department of Geography

About the Department

Initially, the teaching of Geography began in 1962 at the undergraduate level in the Arts Faculty in University Rajasthan College. Thereafter the undergraduate teaching in Science faculty in University Maharaja's College and in Science/Arts faculties in University Maharani's College commenced from 1974 and 1987, respectively. The Post Graduate Department was established in 1967. The faculty is actively engaged in research programmes. The Post Graduate Department is located in the University Campus since July, 2002.

Infrastructural Facilities

The Department of Geography has a well equipped Remote Sensing and Geographic Information System Laboratory named as (Late) Shri Rajesh Pilot Memorial Laboratory. It has been established under the FIST-Programme of the Department of Science & Technology, Govt. of India, New Delhi.

Edusat program is being run in the Department relayed by IIRS, Dehradun. Automatic Weather Station (AWS) has also been installed in Department since September, 2012.

Department of Geology

About the Department

The department was established in 1985 when post graduate teaching was initiated at the Maharaja's College Campus. The Department shifted to its own building in the University Campus in 1989. The Department runs M.Sc. and Ph.D. Programmes with an objective of:

- ★ Creating and effectively disseminating fundamental knowledge about the Earth, its resources and the internal and external processes that bring about changes in the Earth's surface as development of landforms.

Faculty

Head & Associate Professor

Mahla, N.S.

Professor

Maheshwari, Anil

- ★ Training students to take up responsibility as professional geologist in various exploration and mining organizations and to pursue a career as research scientist.
- ★ Integrating scientific knowledge from different geosciences and allied fields for application in solving societal issues such as natural resource management, natural hazard evaluation and mitigation.
- ★ Providing basic infra structural facilities to carry out research in specified fields.

To achieve the above goals, the Department offers a very congenial atmosphere and regular student-teacher interaction. Field trips are conducted as a part of the M.Sc. curricula that allow the students to learn the practical aspects and develop a better understanding of the subject in the field. It also helps in making students confident and self motivated to work as a team. The Department has regularly organized training programmes and special lectures to benefit both the students and the faculty.

Infrastructural Facilities:

The Department has facilities for teaching and research and boasts of the following technical facilities:

Geochemical Lab: Double Beam Atomic Absorption Spectrophotometer (GBS); UV-VIS Spectrophotometer, Analytical Balance, Jaw Crusher, TC Ball Mill.

Petrological Lab: Petrological Microscopes, Automatic thin section preparation unit

Palaeontology Lab : Binocular microscopes, High resolution Zoom Stereomicroscopes with photographic attachment and Tracing Tube. In addition, it has a large collection of fossils collected from Rajasthan and Kachchh.

Computer and GIS Lab : Ten computers, GIS and image processing software, Satellite data and topo sheets..

Other Facilities: LCD projector, Field Camera, Survey equipment, Light Table, Mirror Stereoscope, Departmental Library, etc.

Ph.D. Programme

Individual faculty members have been associated in international collaborative research programmes. Collaborations with the University of Erlangen (Germany), University of Florida (US) and University of Pavia (Italy) & have offered a platform for the university to work in

overseas laboratories and to get a chance to interact with the students from these institutions.

Thrust Areas

- ★ Hard Rock Geology (Geochemistry, Petrology, Constraining Ancient Geodynamic Setting, Rock Magnetism)
- ★ Paleontology and Soft Rock Geology (Paleoecology, Sequence Stratigraphy)
- ★ Environmental Geology
- ★ Hydrogeology

Master's Programme

MASTER OF SCIENCE (GEOLOGY)

Seats : 10

Duration: Four Semesters (Two Years)

Other Highlights: "The department of Geology is unique among the PG departments of the University because the student who gets first rank in first year of M.Sc. receives a scholarship of Rs. 5000/- per month for one year. This scholarship the ONGC Scholarship is provided by the Oil and Natural Gas Corporation Ltd, under the industry- Academia interfaces. The Department, during its very short span of existence, has been identified under the DRS-SAP of UGC and FIST Program of DST. A large number of international collaborative research programmes are being undertaken. The Department has been very active in dissemination of scientific research and has hosted national and international, Seminars/conference. A software " Virtual Petrological Microscopes" developed by the students of our department is being used by number of Geology departments all over the country as a useful teaching aid.

Department of Home Science

About the Department

The Department of Home Science was established in 1985 with Maharani College offering Home Science in BA for the first time. In 1979, the B.Sc. Home Science programme was started. In 1985, the PG Department of Home Science was started. At present, the PG Department offers M.Sc. specialization in Foods and Human Nutrition, Human Development and family, Development Communication and Extension.

The Department offers Ph.D. programmes in all the five areas of Home Science, i.e., Foods and Human Nutrition, Human Development and family, development Communication and Extension Clothing and Textiles and Family Resources Management.

- ★ Child, Parenting and Personality Development
- ★ Under Privileged Segments

Other Highlights

Home Science is one of the twelve Departments of the University having Special Assistance Program (SAP). UNICEF supports the Department of Home Science as one of its close and active partners to provide technical support to development programmes. The Home Science Alumni Association was established in the Department in 2000. The alumni have been working as dietitians, consultants and counselors in various government and organizations (NGOs), as entrepreneur's institutions.

Department of Mathematics

About the Department

The University Department of Mathematics was established in August 1960 at Maharaja's College after the amalgamation of its Post-graduate wing. The Department got its permanent abode at the second floor of the Vigyan Bhawan in the University Campus in 1964. Various National and International honours have been conferred upon some faculty members of the Department. M.Sc., M. Phil. and Pre-Ph. D. course work classes are held in the main campus and the under-graduate teaching takes place in the three constituent Colleges of the University. A good number of students of Mathematics Department have made a mark in different walks of life e.g. Research, Teaching, Civil Services, Defence, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement. The Department organizes Prof. P.D.Verma Memorial Lecture every year since 1997. The eminent scholars of Mathematics are invited to deliver memorial lecture. Also organization of National and International Seminar/ Conferences, Workshops and Lectures by eminent scholars of various fields is a regular features of this Department.

Infrastructural Facilities

The Department have Six classrooms with one of them have ICT facility. The Department has its own Library consisting 9500 books and well equipped Computer Laboratory with internet facility available for the benefit of teachers, research scholars and students. Facilities of Smart Class room are also available in the Lab.

The Department has received UGC DRS-II under SAP, DST sponsored FIST Programme and NBHM grant for purchase of books in the Departmental Library.

Departmental Library consisting of about 9500 books, one well-equipped Computer Laboratory consisting of 30 computers with internet facility for teachers, research scholars and students.

The Department has active programmes of research in a number of different areas in Mathematics. Emphasis is laid equally on Pure and Applied Mathematics. The following are thrust areas of research:

Ph.D. Programme

Thrust Areas

- ★ Fluid Dynamics (Porous Medium, Heat Transfer, Non-Newtonian Fluids, MHD, Boundary Layer Theory)
- ★ Bio-Fluid Dynamics

Department of Physics

About the Department

Department of Physics was established in the year 1960. The department has been given status of "Centre for Advanced Studies" (CAS) by University Grants Commission for (2015-20) with Condensed Matter Physics and High energy Physics as thrust areas. The department offers M.Sc. (Physics) four semester program and Ph.D. program in different experimental and theoretical fields of Physics. The department is receiving financial support under FIST Phase-III Level-2 from DST, Govt. of India. The department is also beneficiary in PURSE support granted by DST to the university and UPE status granted by UGC to the university. In addition research

Infrastructural Facilities

M.Sc. and research laboratories of this department are well equipped. Some of the major equipments and facilities available in the Department include:

- ★ X-ray diffractometer for study of powder and thin film materials and also SAXS facility.
- ★ Scanning Probe Microscope (STM & AFM)
- ★ Low energy electron accelerator,
- ★ Vibrating sample magnetometer (20 K-1000 K),
- ★ Mossbauer spectrometers with temperature variation (80K- 1000 K) and high pressures up to 10 GPa, resistivity measurement,
- ★ High field Magnet Facility (8T)
- ★ X-ray photo electron spectroscopy set-up.
- ★ 2.5 m long neutron time of flight facility,
- ★ Grid computing laboratory with multiprocessor servers,
- ★ Impedance analyzer
- ★ Vector network analyzer and Spectrum Analyzer
- ★ Microwave signal generator
- ★ EM simulation softwares

Facilities available at USIC and CCT are also accessible to the faculty members of this department.

MASTER OF SCIENCE (PHYSICS)

Seats: 35

Duration: Four Semesters (Two Years)

Four semesters M.Sc. Physics course is governed by ordinance 199F. Elective Core Courses are offered in following clusters:

- a. Astrophysics and Cosmology
- b. Condensed Matter Physics
- c. High Energy Physics
- d. Electronics and Communication
- e. Energy Studies
- f. Plasma Physics
- g. Nanotechnologies

M.Sc. pass outs are selected every year in prestigious scientific institutions like IPR, IUAC, BARC, NPL, TIFR for pursuing research. Several students qualify in examinations like NET and GATE every year.

Other Highlights & Achievements

Department organized "Pustak Vimarsh" programme in March 2017 and five faculty members presented their reviews on the books of their choice. Another programme "Shikharon Se Sakshatkar" was organized in April 2017 and four faculty members presented the achievements of four renowned Physicist before the students and faculty members. Department organized invited talks of Prof. V.K. Tripathi (Retd., IITD and Prof. BK Agrawal, (SNIP, Kolkata) during this year. Faculty

members and students of department participated in the 3rd Rashtriya Hindi Vigyan Sammelan organized by university in Dec. 2016. Three faculty members of this department received their Ph.D. degrees during this year. The faculty members and research students also attended different national and international conferences and workshops during the session 2016-17.

Department of Psychology

About the Department

The Department of Psychology was established In year 1971. The faculty of the Department is highly Qualified and specialized in the areas of Clinical, Vocational, Organizational, Guidance and Counseling and Social Psychology. The faculty Members and researchers of the department have made significant research contribution in these fields. The faculty members are also involved in Development of 'Psychological Measurement Devices'.

The department attracts students from Rajasthan and outside, including international students. Previously, a cooperation agreement has been signed between University of Rajasthan and Montpellier University, France under which students from Montpellier University can apply for further studies in the Department.

Department organised International Conference in Feb. 2017. More than 1200 hundred researchers here participated from abroad i.e. Lanka, Nepal, Oman, USA, Zambia and Thailand alongwith all parts of India.

Infrastructural Facilities:

The Department has smart class room/Seminar Hall, a well-equipped laboratory and Equipped Counseling Centre with P.G.R., ECG, Bio-Feedback and Research support-tools such as Psychological Test, Audiometer, Projector with Laser Printer, Braun Paxilux, OHP and Computers with Wi-Fi connection.

The University Department of Statistics was established in 1962. Department has been shifted in the new premises i.e. Vigyan Bhawan (IInd floor). The Department is engaged in teaching U.G., P.G classes and Research work. The Undergraduate courses, in Statistics Subject, are held in three constituent colleges of University of Rajasthan, Jaipur namely University Rajasthan College, University Maharaja College and University Maharani College under the faculties of Science and Arts.

A large number of students have completed their M. Phil. & awarded Ph.D. degree from the department in various areas of Statistics. The research thrust areas of the department are Design of Experiments, Statistical Inference, Distribution Theory, Applied Statistics, Statistical Computing, Sampling Theory etc.. Department of Statistics is well equipped with one computer lab and statistical software like SPSS and STATA.

The department has been granted a financial assistance of Rs. 47 lakhs from Department of Science and Technology under the DST-FIST Programme. Department of Statistics has also been granted a financial assistance of Rs. 57 lakhs from DST-PURSE (Phase II).

Infrastructural Facilities

1. More than 1000 books of National & International publications in the Deptt. Library.
2. Department is well equipped with 9 rooms consisting of two class-rooms, one big Computer Lab, Office rooms, Library-cum-Common room for students, Staff rooms.
3. 40 PC's with pre installed OS.
4. Following Software are available :
 - (i) MS Window-7

3. Effort will be made for "Statistical Consultancy Cell" & Campus placement.
4. To invite eminent scholars in different discipline to deliver popular lectures for the benefit of students.

Department of Zoology**About the Department**

The Department was established in the year 1960 at the Jaswant College, Jodhpur. It was later shifted to Jaipur in 1963 at the Vigyan Bhawan of the University of Rajasthan, and finally to its newly constructed building in October 1966.

Earlier, the Department had received generous financial support from Ford Foundation (USA), Rockefeller Foundation (USA), National Institute of Health (USA) United States Department of Agriculture, PL480 (USA), UGC-ULP, DRS, COSIST, SAP, DST- FIST (Phase I). The Department was recognized as the Centre for Advanced Studies (CAS Phase-I) in Zoology in the year 2005. Recently, Department has completed UGC support under CAS (Phase II) and DST support under FIST program (Phase II). Besides the major funding, several faculty members have received financial support from the different funding agencies like UGC, CSIR, BRNS, ICMR, DST, DBT and MHFW. Research scholars include NET (UGC & CSIR) JRF, ICMR-JRF, DST-INSPIRE Fellows, Rajiv Gandhi Fellows, Post Doctoral Fellows, Research Associates and Women Scientist awardees.

The Department is known for its pioneering research in the fields of Radiation Biology, Reproductive Biology, Cancer Biology, Toxicology, Entomology, Microbiology and Developmental Biology. The faculty has been awarded prestigious fellowships including DAAD, AvHumboldt, Full Bright, Smithsonian etc. The Department has celebrated its Golden Jubilee in the year 2010. The alumni are successfully engaged in various positions in teaching at universities and in research at reputed institutions in India and abroad. The Department has been regularly organizing International & National Conferences, 'Ramaswami Memorial Lectures' and invited talks by eminent scholars in the different areas.

Infrastructural Facilities

The Department has a whole range of sophisticated instruments to facilitate quality research. A Central Instruments Facility is available for the use by all research scholars. It includes Atomic Absorption Spectrophotometer, RT-PCR, RIA (Gamma & Beta Liquid Scintillation Counter), Gas Liquid Chromatography, HPLC, Computer Assisted Semen Analyzer, Flow-Cytometer, Autoanalyser, Fluorescent Microscope with Digital Microphotography, Refrigerated Microcentrifuge, ELISA Reader, Deep Freezer, Refrigerated High Speed Centrifuge. CO₂ Incubator, Blood Analyzer, Chemiluminescent Analyzer. In addition, it has Tissue Culture Laboratory, Central Computer Facility with internet connectivity, Smart Classroom, excellent Museum, L. S. Centre for Computer Science & Information Technology

About the Centre

The centre was reported to have started in year 1986 offering initially certificate courses in Computer Applications (Computer Languages like BASIC, C, FORTRAN, Lotus 123, Dbase etc.) at University Science and Instrumentation Centre (USIC). The Centre started one year PG DCA in 1989 & three year MCA course in 1990. The Centre shifted to its own building in 1996 and the Centre merged with USIC with the name Institute of Informatics and Instrumentation (III) in the year 2002 and the same time the Centre also started two year M.Sc. (IT) course. The Centre is re-named University Centre for Computer Science & Information Technology (UCCS & IT) in the year 2007. Presently the Centre, is running 3 year (6 semester) MCA and 2 year(Four Semester) M.Sc.(IT) courses under Self Financing Scheme (SFS). The Centre has earned the status one of the most exciting and innovative in the Computer Science and Information Technology in the state of Rajasthan. The students of the centre enjoy an active campus life with several invited talks, seminars and interactive sessions by Eminent Experts. A good number of students of MCA and M.Sc.(IT) have made a mark in different walks of life e.g. Government sectors, Research, Teaching, Civil Services, Defence, MNC's, etc. The Department provides learning friendly environment for enabling students to meet global requirement.

Infrastructural Facilities

The Students have access to excellent infrastructural facilities. These facilities are augmented by the addition of hardware/software, library and space

facilities. The Centre has 4 class rooms with LCD Projector & Internet facilities, a Seminar Hall, Reading Room, 4 Computer Laboratories with latest technologies and the students will enable to have access to international technologies as a part of their course work from several internationally reputed multinational companies and organizations during their final semester.

Internet Connectivity

The Centre has Internet connectivity through the University Leased line. The entire building has CAT 5/CAT6 cabling so that the Internet can be accessed from almost any location in the building.

Computer Labs

The computer labs consisting of more than 120 computers are connected through LAN and support diverse operating systems like MS DOS, Windows Vista, Windows 8.1 and Linux. The labs are equipped with wide ranging development tools and platforms such as C, C++, Visual Basic, MS Office, Visual Studio, .Net, Java, Oracle DB2, SQL Server, My SQL, Apache Tomcat, Eclipse, Dream viewer and many more. The students are allowed to work even during off hours. The high-tech laboratory having 60 Pentium i7, 30 Pentium Core 2 Du, 30 Pentium computers & 2 Servers has been established in the centre to fulfil requirement of the courses to support latest technology and environment.

Library

The students have access to an in house library, which has more than 11500 books related to Computer Applications and Information Technology. The Centre's Library is computerised and transactions of books through computer. In addition, the students have access to on-line resources, News papers, Magazines & Journals.

Ph.D. Programme

Scholarship for Ph.D. programme in Information Technology Students of this centre has been offered by the University of Wroclaw, Poland since 2007-08 for outstanding students. Collaborative website has been launched between Cornell University, New York and University of Rajasthan, Jaipur from March, 2009.

Masters' Programme

The Centre is running a three Years (6-Semesters) MCA and two years(4-Semesters) M.Sc.(IT). These Post Graduate Professional degree

programmes as per recommendations of the Department of Electronics, Government of India and aims to provide the students with, necessary computer science and software development expertise so that they can be absorbed as System Analysts/ Information System Specialists/IT Experts etc. Admissions in the courses MCA & M.Sc.(IT) is made through URATPG conducted by the University of Rajasthan every year.

Centre for Development of Physics Education

About the Centre

The Centre for the Development of Physics Education was established in May, 1978 by the University Grants Commission. This was a sequel to excellent Developmental work done by the Department of Physics during the University Leadership Programme (1971-78).

The activities of the Centre are (i) development of new Physics Experiments and literature, (ii) assisting other institutions under contact programme, (iii) fabrication and supply of equipment developed by it to academic /research institutions on no profit & no loss basis, (iv) development of teaching aids in the form of Computer and Audio Visual Programmes. The Centre has developed over 100 experiments and supplied Physics equipments fabricated at the Centre to many Universities and institutions in India and abroad. These instruments are also being used in training programme sponsored by ICTP. Italy, at the University of Dar-es-Salam, Tanzania, University of Maidugur, Nigeria, and the University of Zimbabwe, Harare. The Coupled oscillator was awarded First Prize at an International Competition.

The Centre has been supporting research groups in the Physics Department for fabrication of equipment and extending maintenance of equipments. The Centre conducts workshops, exhibitions and training programmes for college teachers and also school children through INSPIRE Programme of DST, Govt. of India..

Director

Singh, Usha

Infrastructural Facilities

The Centre has (i) a mechanical Workshop (ii) an Electronic Workshop (iii) a Computer Lab, (iv) Smart class room facility, (v) a museum & (vi) library. The mechanical workshop is equipped with a Lathe Machine and a Milling Machine. The electronic workshop is equipped with measuring, testing and assembling equipment for electronic circuits. The computer lab is equipped with computers with online support. The Centre also has Smart Class room facility.

The museum, houses equipment developed by the CDPE and is a major attraction for visitors and students of Physics.

Centre for Non-Conventional Energy Resources

About the Centre

Reliable supply of energy is a key issue of this century. With the aim to achieve this need of human life, Centre for Non-Conventional Energy Resources was established in the year 2000. The aim of the centre is to work for Green power.

The UGC has sanctioned an innovative one year M.Phil. degree course in Energy. This course deals with the issues of alternative energy sources and sustainable development. The aim is to perform an objective cost-benefit analysis on each form of alternative energy to determine large and small scale application. Particular attention is on the efficiency and limitations in terms of usable energy. This course provides a chance to students to work for energy problems of our country by providing them training in both theoretical and experimental aspects.

Infrastructural Facilities

The Centre has a research laboratory equipped with sophisticated equipments. Following are the available facilities at this centre:

1. UHV (10^{-9} Torr) E-gun evaporation technique
2. HV (10^9 Torr) E-gun evaporation technique
3. HV (10^9 Torr) Thermal evaporation technique
4. High Energy Ball Milling for nanomaterials
5. Glove Box (Homemade)
6. Furnace ($\sim 1000^\circ\text{C}$)

Centre for Water Management & Research

About the Centre

The Centre for Water Management and Research was established during the academic session 2010-2011 with the aim to make the aware about the significance of water management and research in a water-scarce state like Rajasthan. Keeping in view the water scarcity problem of portable water in particular in some parts of Rajasthan, the importance of the center has grown. The centre offers PG. Diploma in "Water Conservation & Management". The main objective is to train students in water resource management, who can eventually work in various government/non-governmental organizations to ensure water security through efficient management. In addition, centre also provides platform for academic interactions in this field through seminars/ workshops, and also undertakes collaborative research programs in the water resource management.

Department of Anthropology

About the Department

Anthropology is the scientific study of culture and biology of man. The distinguishing mark of the subject is the contact of an anthropologist with living societies. Anthropology is a 'laboratory science' as well as a 'field science'. This makes the subject equally popular amongst students with science as well as arts background.

The department was established in 1991 as a response to undertake studies to bridge the gap between perception of the people and the agencies of development. This is the only department of Anthropology in Rajasthan. It offers the following courses:

- (i) Post Graduate
- (ii) Doctoral

The employability options for students are teaching, research and development sector.

Centre for Rajasthan Studies

About the Centre

The Centre for Rajasthan Studies is one of the oldest research centres of the University and has been instrumental in promoting studies and research on Rajasthan's history and culture. Established on 11th November, 1975, the Centre is housed in Maharana Pratap Bhawan of the University to promote and coordinate research on historical, social, cultural, literary, economic and environmental aspects of Rajasthan together with collection, compilation, cataloguing, and publication of relevant source material. Prof. G. N. Sharma, the renowned historian of Rajasthan, was the founder Director of the Centre.

Since its establishment, the Centre has made a seminal contribution towards creation of knowledge on numerous aspects of history of the region through research projects related to collecting, cataloguing and publishing source material and organizing seminars on various themes related to the history, culture, society, economy and environment of the region. The Centre has so far organized 15 national seminars on various themes of Rajasthan. The Centre also hosted the CLAI International Conference on 'Culture, Arts and Socio-Political Movements in South Asia: Comparative Perspectives.' The Centre also organised a three day Rajasthani Kavita Utsav in collaboration with Sahitya Academy, Delhi. Recently, the Centre has organized a mega National Conference on January 29-30, 2016 in association with the University Department of History & Indian Culture. This Conference, focusing on the theme 'Emerging Perceptions of Historical Writings in India' held two special sessions on the historical writings of Rajasthan. This Conference was attended by more than 500 delegates from all over India.

The Centre for Rajasthan Studies has brought out 20 publications as follows : *The Sources of Social and Economic History of Rajasthan* ; *Bibliography of Rajasthan Studies*; *Kachawahani Vanshavali* ; *Social and Political Awakening among the Tribals of Rajasthan* ; *Jaswant Singh ri Khyat* ; *New Catalogue of Approved Theses on Rajasthan*, Vol. I, Pt. I & II, 1988 ; Vol. II, 1989 ; Vol. III, Pt. I & II, 1990; *The Historians and Sources of the History of Rajasthan* ; *Peasantry through the Ages in Western India with special reference to Rajasthan* ; *Political Awakening and Indian Freedom Movement with special reference to Rajasthan* ; *Catalogue of Approved Theses on Rajasthan (Social Sciences)*, Vol. II, 1995 ; *Religious Movements in Rajasthan* ; *Ideas and Antiquities; History of the House of Diggi*; *Charan Sahitya Parampara (Essays on Bardic literature)* ; *Rajasthan ri Vigat* ; *Jaipur ri Vigat*; *Dhundhad ki Vigat*; *Rajasthan Itihas ke Abhikhekhagariya evam Niji Strota*; *Sturdy Sikhs of Ganganagar: Dimensions of their Growth* ; *History and Culture of Rajasthan*.

The Centre has also inaugurated a series of

memorial lectures - Prof. G. N. Sharma Memorial Lecture and Prof. M.S. Jain Memorial Lecture - to commemorate the life and works of historians who have made seminal contribution to historical writings on Rajasthan.

The Centre has built up a good research library consisting of nearly 5400 books and a valuable collection of *Thikana* records. This library is widely utilised by Indian and foreign students and scholars of History, Culture, Archaeology, Anthropology, Sociology, Literature and other disciplines. As a result of persuasive efforts, the Centre was able to obtain as gift, a treasure of 1417 rare books on history and culture of Rajasthan from late Professor G.N. Sharma's collection.

The Centre also possesses nearly 500 books in a separate collection known as Prof. K. G. Sharma Collection.

The Centre had begun a new Course for M.A. in Rajasthani Language, Literature and Culture, w.e.f. the academic session 2011-12 under Self Financing Scheme. This Course has become very popular and is running successfully. This is a unique composite course in Rajasthani Language, Literature and Culture which has been introduced exclusively in the University of Rajasthan.

Presently, there is one permanent Research Assistant in the Centre, namely Dr. G. S. Gupta. The Centre has granted affiliation to many Post Doctoral Fellows and Senior Research Fellow of ICHR and ICSSSR and also to Emeritus Fellows of UGC. The Centre also had the privilege of extending affiliation to foreign scholars (US Fullbright Fellows, Researchers from University of Heidelberg, Germany and other institutions) Presently, Dr. Shashi Arora Devra is associated with the Centre as UGC Emeritus Fellow and Dr. Suman Rani Makkar as ICSSSR Post Doctoral Fellow.

Shri Guru Gobind Singh Centre for Sikh Studies

Shri Guru Gobind Centre for Sikh Studies was set up in the Department of History and Indian Culture in 2002 for an intensive study of the teachings of Sikh Gurus and other subjects related to Sikh religion, society and history with special reference to Rajasthan. The Centre seeks to contribute towards creation of knowledge on Sikh religion, culture and history through: Research/Seminar/Conference/Lectures. The Centre has so far organized three national seminars and a series of extension lectures.

The Centre is presently engaged in a research project on "**Displacement, Resilience and Trvobrtu: Narratives and Voices of Sikh Migrants in Jaipur.**" The project will be completed in two phases. The first phase would deal with the trauma, travails and tragedy of Sikh refugees who rehabilitated in Jaipur city after they were uprooted as a result of inter-communal riots that took place following partition of India in 1947 and their responses to the catastrophe.

Director

Dr. Sangeeta Sharma

The second part would deal with the contribution of Sikhs to the economy, society and culture of Rajasthan. The report of the first phase of the project is completed.

The Centre has brought out two publications: B.L. Gupta (ed.) Sikh Society, Culture and Polity in Historical Perspective; Sangeeta Sharma & Tejinder Kaur, Exploring Space, Identity and Challenge of Resettlement: Naratives of Sikh Migrants in Jaipur City.

INTRODUCTION

The University Commerce College is one of the biggest colleges in Rajasthan having more than 4,000 students on roll. The University Grants Commission has recognized the College as "College with Potential for Excellence (CPE)" in the year 2011.

Apart from traditional courses like B.Com (Pass Course) and B.Com (Hons.) the College has gained prominence in recent years in running professional courses - BBA and BCA. The opening of Bhartiya Chintan Anusandhan Kendra in December, 2015 is one of the greatest achievements of the college in recent years. This centre has about 1700 books on Life and Thoughts of Indian Thinkers as well as Indian Scriptures. Videos on life, contributions, speeches of eminent Indian Thinkers are also available in the centre. The centre is equipped with TV set, computers and Photostat machine.

The College has organised the All-India Commerce Conference twice, in 1977 and 1995. It also successfully organised various National & International Seminars and Conferences such as "Changing Perspectives in Management Education" (2004), "Globalisation and Changing Business Environment in India" (2004), "Globalisation: Myth or Reality?" (2005), "Emerging Issues in Commerce and Management" (2006), "Corporate Governance and Ethical Issues in Changing Economic Scenario" (2009), "Professional Orientation of Business Education" (2010), International Seminar on "Rural Marketing" (2010) and a National Seminar on "MNREGA: Opportunities and Challenges" (2011). The college organised a National Seminar on "Emerging Issues in Tourism: Opportunities and Challenges" in the month of February, 2015. A short term course on Skill and Personality Development was also conducted in the month of February, 2015. A job oriented Skill Development Training Programme of 100 hours was organised in the college in association with RSLDC and BSE Institute Ltd. Mumbai in May-June, 2015. A Short Term Course in Communication Skills in English was conducted in February, 2016. In addition, the college organised many seminars in the session 2015-16 and 2016-17 including Seminar on Life and Thoughts of Dr. A.P.J. Abdul Kalam, and

Seminar on Life and Contributions of Sardar Patel. Books on Life and Thoughts of Mahatma Gandhi, Sardar Patel, Dr. Abdul Kalam, Dr. B.R. Ambedkar were also exhibited. A Workshop on Life and Thoughts of Indian Thinkers was also organised in March, 2016. Teachers and students paid tributes to Dr. B.R. Ambedkar in the Session 2015-16 and 2016-17. In the month of December, 2016 Diamond Jubilee Celebration was organised in which different students activities like quiz contest, power point presentation and lectures were organised. Foundation Day and Alumina meet was also organised on 14th December, 2016. A distinct approach was also applied through Parents Teachers meet in BCA Course in the month of December, 2016.

The College has two big play grounds. It also has three A.C. Computer Labs having 77 computers. The college has a smart classroom and a language lab.

The college has a rich library with a very large number of books, many prestigious journals and magazines.

A large number of our students have qualified in professional examinations like CA, CS, ICWA, MBA and MCA courses. The achievements of the College in the field of games and sports, NSS, NCC and Scouting are highly commendable. Recently, some students have been selected and placed in reputed organizations. The College has highly qualified and experienced faculty for providing quality education in Commerce, Business and Management and Computer Science.

During 2014-15 students of the college participated in inter college tournaments and secured first position in chess. During 2015-16, the college organised West Zone Inter University Football Tournament.

The college is continuously upgrading its infrastructure in achieving excellence in commerce education in Rajasthan. The college has developed a Smart Class Room, Language Lab and research facility for teachers with the help of the UGC and the University. These advanced learning centers are fully equipped with all teaching aids of advanced level such as interactive board, visualizers, multimedia projectors and LED presentation systems. These facilities are also helpful for the students of SC, ST,

OBC minorities and other less privileged sections of the society. The college has also installed an advanced security system through (CCTV) cameras with continuous power supply and backup system.

INTRODUCTION

Recognised by the Bar Council of India, the University Law College is a constituent college of the University of Rajasthan and one of the oldest law-schools in India imparting legal education. The Law College, as it was originally called, was established in Jaipur by the Government of the erstwhile State of Jaipur in 1947, that is the year corresponding with the foundation of the University of Rajasthan. It was housed, first in the building now known as the University Maharaja's College and had 306 students, a full time Principal, one Reader, three Part-time teachers. In the beginning, only a two-year LL.B. Course was started from 1947 to 1952 and the Law College was affiliated to the University of Rajasthan. On July 1, 1953, the College was transferred by the State Government to the University of Rajasthan.

The foundation stone of a separate *Vidhi Bhawan* was laid by Shri Barkatullah Khan, the then Chief Minister of Rajasthan, on Friday, 22nd December 1972. Teaching began in this building from the session 1975-76. During the session 1993-94, the College was declared by the UGC as a Constituent College of the University of Rajasthan, Jaipur.

INTRODUCTION

University Maharaja College was established in the year 1844 by Sawai Ram Singh as Maharaja's School, located at Manak Chowk, close to Hawa Mahal. Initially there were about 40 students and education was mainly imparted in Hindi, Persian, English, Sanskrit and Urdu. The College is one of the oldest and most reputed colleges of India. In 1873, it was upgraded to intermediate level and got affiliated to Calcutta University. Later it was affiliated to Allahabad University in 1890 for Bachelor of Arts (B.A.) degree and was raised to post graduate status in 1896. In 1897, Bachelor of Science (B.Sc.) was started in all principal subjects and M.A. in English was also introduced. In 1927 History, Philosophy and Mathematics were introduced at Post Graduate level. The College was shifted to the present building in 1933 and was constructed at a cost of Rs. 8.5 Lakhs at that time. Commerce was introduced in the curriculum in 1940 and Faculty of Law was set up in 1947. Till the establishment of University Maharani College in 1944, this college was imparting education to both boys and girls. The College became a constituent college of the University of Rajasthan in 1962 and since then it is offering under-graduate science courses to boys. The College campus has a total land area of 19.47 acres and built in area college building is nearly 1, 20,000 square feet.

The total area of various laboratories is nearly 65,000 square feet. In addition, the IT building in its premises was constructed at a cost of Rs. 1 Crore and is spread over nearly 5000 square feet area. College has well equipped modern science and computer labs.

Apart from imparting education in science the college also offers self-finance BCA course. More than 2500 students are getting education in this college. The College was granted status of "College with Potential for Excellence" by the UGC in 2011. Continuing its tradition of excellence, the college was awarded the status of a "Star College by the Department of Biotechnology Govt. of India in the year 2016 .

The College has its own boys hostel with a capacity of nearly 200 students. It has a well furnished library with more than 1 lakh books and magazines. Development and many other areas. Under this programme many Workshops, Seminars and Lectures have been organized for the benefit of the students. These courses are specially designed for equipping our students with necessary skills to compete and excel on global level. No extra fee is charged from the students who register for these courses.

Thanks to its highly qualified, dedicated and devoted faculty, the college has become one of the most coveted institution for girl students desirous to attain quality education. Besides facilitating students for achieving academic excellence, the college, focuses on over all grooming of students and provides them ample opportunity for participating and excelling in co-curricular activities such as N.C.C., N.S.S., debate, drama, dance, music (Vocal and Instrumental) essay writing, poetry and drawing and painting.

Hostel:

There are two hostels, Annie Besant hostel and Mother Teresa hostel within the college campus that strive to provide comfortable accommodation for students. Admission in the hostels is given on merit basis.

Counseling Cell:

A counseling cell has been set up to provide counseling services to college students to help them to deal with emotional and social problems and also to ensure healthy personality development.

A College which began with only a handful of students has now grown into one of the most popular and a populous institutes with eight thousand registered students and has become a 'guild of quality' and a family of 'intelligentsia'.

Candidates seeking admission to the college are welcome. They have to apply separately for the four streams-Science, Arts, Commerce and Home Science offered by the college. They are required to fill up separate application forms for the Honours and Pass courses respectively with subject combinations and code numbers. Students are also required to fill up separate application forms for each Honours subject they are seeking admission to.

RAJASTHAN UNIVERSITY NETWORK (RUN)

RAJASTHAN UNIVERSITY NETWORK

The University of Rajasthan has created the Campus Wide Area Network (CWAN) named RUN (Rajasthan University Network RUN is based on Gigabit Ethernet Technology with Optical Fiber Backbone. The core switch [Cisco 6513] is located in the Infonet Center. The Zonal switch [Cisco 4507] is located in Vigyan Bhawan which caters to the nearby buildings, University Commerce College and University Rajasthan College. University Maharaja's and Maharani's Colleges are linked through BSNL leased line.

The buildings of the University main campus are connected to Core/Zonal Switch through Optical Fiber Backbone. Layer 3 Managed switch are being used to distribute and control connectivity to each room in the main campus buildings wherever RUN is operational. Each port can be controlled through Core Switch and the network is fully manageable.

NATIONAL KNOWLEDGE NETWORK

The NKN comprises of an ultra-high speed CORE (multiples of 10 Gbps), complimented with a distribution layer at appropriate speeds. Participating institutions at the Edge will connect to the National Knowledge Network seamlessly at speeds of 1 Gbps or higher. The network is designed to support Overlay Networks, Dedicated Networks, and Virtual Networks. Advanced applications in areas such as Health, Education,

Director

Dr. V. K. Saxena

Dy. Director

Dr. Pankaj Nagar

Science & Technology, Grid Computing, Bio informatics, Agriculture, and Governance will be an integral part of NKN. The entire network will seamlessly integrate with the global scientific community at multiple gigabits per second speed. The purpose of such a knowledge network goes to the very core of the country's quest to build quality institutions with requisite research facilities and create a pool of highly trained persons. The NKN while impacting the existing academic and student community will also alter the R&D landscape for future generations.

The Rajasthan University Network is part of the National Knowledge Network (NKN). NKN providing 1 Gbps internet bandwidth and IP space. NKN has all IITs, TIFR, BARC, SINP, IISc, HRI, COAC, IMT, VECC, Inst. Of Mat. Science and other premier institutions. Access of any system on NKN will utilize Intranet bandwidth. Every registered system on RUN has a unique NKN IP address. University is complying with IP Usage policy, Operations policy and Security policy of NKN.

The purpose for usage of NKN network a) higher knowledge/advanced studies b) regular studies c) research development. The average usage level in a month and in a year in term of Gbps/Mbps is as 50 Gbps and 1000 Mbps. The NKN connectivity is available on 24x7 basis without any restrictions and all the telecommunications are sufficiently reliable.

OPEN SOURCE INITIATIVE

The University subscribes to the philosophy of Open Source Initiative and has adopted a policy of optimum utilization of freeware. Linux-Apache-Mysql/Perl/PHP (LAMP) platform is employed for all applications.

- Please go through the disclaimer before viewing contents on University websites. The HoDs', Director', DR of concerned units are responsible for information on University website which is technically managed by Infonet Center.

INFONET CENTRE

The technical responsibilities assigned to the Centre are (i) to coordinate all activities pertaining to UGC Infonet project at the University end, (ii) to technically maintain access to e-journals available under Infonet project or subscribed by the University Central Library, (iii) to maintain University Websites, (iv) to maintain University Mail Server, (v) to maintain University Result Server, (vi) to maintain University Research Server, (vii) to maintain the Open Archive Repository, (viii) to manage hosting of e-content on University Server and promote e-content development, (ix) to maintain Rajasthan University Network and coordinate with the NKN

UNIVERSITY WEBSITE

Almost all syllabi are available through the link - Syllabi on the main page of <http://www.uniraj.ac.in> University prospectus and information about University, Jaipur and Rajasthan are available at a click. Several university circulars, advertisements, tender notices are made available through respective pages on Administration tab. Each PG Department has its own page. Contact details of all members of the Syndicate, Senate, Academic Council, and all faculty members are made available. E-journal access is made easy through e-journal access page.

E-contents developed by some faculty members can be accessed. The main page also provides a link to other servers viz. daak server, result server, research server and earxiv server. Students may ask the faculty members about online resources provided by them on the University website..

EXAMINATION TIME-TABLE ON WEBSITE

Examination time-table would also be made available on the university website.

CURRENT STUDENTS TAB ON UNIVERSITY WEBSITE

Students can access information relevant to them through the "Current Students" tab available on the main page.

University Result Server

A milestone achievement of the Infonet Center is the University Result Server, which was fully developed and designed on Fedora linux platform using PHP as front-end interface and MySQL database at back-end by the Infonet team. With this achievement, now the University is fully enabled to keep online all the results of University examinations. Computer firms processing the University examination work are allowed to upload the result data files directly to University servers. A system for universal mark-sheet format is being evolved for quick and easy printing of mark sheets by the Examination Section.

UNIVERSITY RESEARCH SERVER

With the view that ongoing research efforts at the University of Rajasthan are not duplicated elsewhere, the Chancellor directed the University to make available all information about ongoing research work of Ph.D. students on the University website. The University of Rajasthan launched the Research Server providing all the necessary information about the research topic including the synopsis in PDF format. Online Comment Submission Form is included using which any interest user can make comments on the ongoing research work. Comments so submitted are forwarded by e-mails to the student, supervisor and Deputy Registrar, (Research) for necessary action. This ensures transparency and accountability.

UNIVERSITY OPEN ARCHIVE REPOSITORY

The University of Rajasthan has set up an Open Archive Repository where every researcher shall deposit a copy of his/her publications or presentation so that it can be easily accessed through internet. The University Open Archive Repository with URL <http://earxiv.uniraj.ac.in> was launched by the Secretary, UGC, New Delhi. The online submission facility is available on NIS authentication. University will also be launching online notice and news and views services too.

BLADE SERVER AND SAN SOLUTION

Recently University has acquired new Blade Server and SAN solution because of the following reasons:

The demand for greater data centre capacity in further and higher education is rising rapidly, for reasons which include:

1. The growing use of internet media and online learning, and demands for faster connectivity from users.
2. A move to web based interfaces which are more compute intensive to deliver.
3. Introduction of comprehensive enterprise resource planning (ERP) software solutions which are much more compute intensive than earlier software;
4. Increasing requirements for comprehensive business continuity and disaster recovery arrangements which results in duplication of facilities;

University Health Centre

The University Campus has dispensaries and health set-up of Allopathic, Ayurvedic, Homeopathy and Remedial Yoga. Essential medicines are provided free of cost. Medical health check-up camps, both routine and specialized (ECG, B.P., Blood Sugar, Bone Mass Density, Pulmonary Function Tests, Diabeties, HbA1c, Uric acid, Thyroid Function, Lipid Profile tests, Neuropathy detection etc. are organized from time to time. The Health centre is providing curative, comprehensive, preventive counseling, rehabilitative and Remedial Yoga counselling services to the students, teachers, employees and their dependents.

5. Increasing digitization of data; and
6. Rapidly expanding data storage requirements.

Blade servers pack more computing power into a smaller physical footprint. Going a step beyond rack servers, blade systems offer the Educational institutions have some characteristics in attitude that result in special requirements for the underlying technical infrastructure used for the education process. Those requirements are quite different from those of operational businesses: Unlike enterprise systems used in their intended context within companies, educationally dedicated systems have to bear the peculiarity of the educators' usage patterns. There are three main characteristics that can be identified: long-term discontinuity, short-term discontinuity and atypical workload

For infrastructures with multiple backup solutions, SAN allows for the consolidation of your backup and recovery process to one centrally managed software package. SAN provides the ability to backup files, physical servers, and virtual servers, among other key business applications like SQL. Not only did this prove to be an overhead cost on training of IT staff, but complicated their backup and recovery process.

Dean Students' Welfare & International Students' Advisor

The office of the Dean, Students' Welfare (DSW & ISA) helps the University students in their overall cultural, social, literary and academic development. This office provides career counseling for the students to enable them to choose academic fields of their interests.

This office also monitors the 'Students' Group Insurance Scheme' for regular students of this University and also facilitates the University in providing financial assistance to the brilliant and poor students out of the Students' Welfare Fund.

International Students Advisor looks after the interests of the international students and co-ordinates all activities related to them in the University. This office examines all the documents such as mark sheets and academic certificates to adjudge the eligibility of the students for their admission to various courses and takes care of admitting International Students for pursuing their studies. Human Resource Development Govt. of India are examined from time to time so that International Students do not face any difficulty in due course of time.

Under the administrative supervision of the DSW there is Rajasthan University Students' Union consisting of four office bearers namely President, Vice-President, General Secretary and Joint Secretary who are elected directly by the regular

students of the University. Research Scholars are represented by a research representative. The Dean Students' Welfare and the RUSU collectively organize numerous cultural activities and career counseling camps. Inter College cultural activities are organized in the month of September/October every year. Inter University Youth Festival popularly called as 'Ghoomar' is organized regularly.

Students' Advisory Bureau

Student Advisory Bureau, established in the year 1962, aims to provide information on courses and combinations available in different Universities and Institutions of India and abroad. We enhance the reach and scope of available opportunities for the students and prepare them for future challenges. The Bureau helps the students with appropriate guidance to establish linkages with the world of work and locate career opportunities vis-a-vis the realities and job profiles, in the context of highly competitive occupational patterns. There is a vast gap between perception about the market demands and individual expectations. We bridge them through psychological and confidence-

building measures. The Bureau supports the students in the development of soft skills and develops the ability to challenge the rigors of competitive tests and on job training. It is a centre of information, guidance and counseling with free accessibility and internet based global connectivity for exchange of information on professional placements.

UGC-Human Resource Development Centre

The UGCHuman Resource Development Centre (known as Academic Staff College, prior to April 1, 2015) of the University of Rajasthan, Jaipur was established on 11th May, 1988 under UGC's scheme of setting up Academic Staff Colleges (ASCs) in suitable universities in India, in the wake of National Policy on Education (NPE) 1986 which emphasized the crucial link between teacher motivation and the quality of education.

As per UGC XII Plan revised guidelines, the existing Academic Staff Colleges have been renamed as UGC Human Resource Development Centres (HRDCs) w.e.f 1st April, 2015.

On the initiative of the MHRD, in 2012, the NAAC peer review committee had visited our ASC (HRDC) for its accreditation. It was ranked as the second best performer amongst 66 ASCs (HRDCs) in India

The Human Resource Development Centre conducts Orientation Programmes (for newly-appointed teachers); Refresher Courses (for in-service teachers); Short Term Courses (on themes of multidisciplinary significance) Summer/Winter Schools (on a specific thrust area, open for all teachers); and Special Programmes (like Academic Administrators' Workshops; Principals' Meet; Interaction Programmes for Ph.D. Scholars; Non-Teaching Staff Training Programmes etc.).

Since its inception the HRDC, University of Rajasthan has organized 102 Orientation Programmes, 340 Refresher Courses, 22 Short Term Courses, 2 Summer Schools, 1 Winter School and a number of Special Programmes including 1 Principal's Meet, 1 Academic Administrator's Workshop, 1 Workshop on Examination Work for newly established Universities in Rajasthan, and an Interaction Programme for Ph. D Scholars. In all, 16549 (10119 male and 6430 female) teacher participants have benefitted from the various courses organized under the auspices of HRDC, University of Rajasthan.

During the financial year 2016-17, the HRDC successfully organized 6 courses. This session was marked with 3 Orientation Programmes, 3 Refresher Courses. In all, 400 teachers participated in the above courses (243 male and 157 female).

The Refresher Courses and Short Term Courses,

Director

Prof. V. V. Singh

Dy. Director

Dr. Meeta Mathur

Assistant Director

Dr. Nidhi Mehta

approved by the UGC for the session 2016-17 were unique and innovatively designed e.g. Refresher Course in Rajasthan Studies and Culture, Refresher Course in Globalization and Emerging Economic Trends, Refresher Course in Subaltern History and Studies. Refresher Courses were also focused on selective themes of Human Rights and Women Studies, Comparative Indian Literature etc. Some of these courses were multidisciplinary while other were specific for sciences / social sciences discipline.

For the financial year 2017-18, our HRDC will be organising 16 Programmes as approved by UGC: - 4 Orientation Programmes, 7 Refresher Courses, and 5 Short Term Courses.

Our HRDC is the hub of academic activities of the city. Among the resource persons are eminent educationists, academicians, scientists, jurists, artists, literary personages, social activists, journalists, critics and other persons specialised in their fields.

Besides Rajasthan, our HRDC has drawn candidates from various other states like Harayana, Delhi, Chandigarh, Punjab, Uttar Pradesh, Uttarakhand, Himachal Pradesh, J & K, Madhya Pradesh, Gujarat, Maharastra, Goa, Daman & Diu, Dadar Nagar & Havelli, Karnataka, Kerala, Tamilnadu, Pudduchery, Andhra Pradesh, Chhatisgarh, Orissa, West Bengal, Bihar, Sikkim, Assam, Andaman & Nicobar, Mizoram, Nagaland etc.

Our HRDC has two AC Seminar Halls well-equipped with Digital Podium and WIFI High Definition Projector with motorized screen audio-visual aids, and a state-of-the-art Computer Lab with latest version Computers. The HRDC computer lab, office as well as the library, has internet connectivity with 100 mbps and WIFI, available through INFONET.

The HRDC Library, with computerised catalogue

facility, has a rich collection of 5360 books, with a stream of regularly subscribed newspapers, magazines and reputed journals. The HRDC has its own Guest House with well furnished double-bedded 32 Rooms and other basic facilities for the comfortable stay of the participants. The Human Resource Development Centre is located on the first floor of the Vice- Chancellor's Secretariat in the university campus and its Guest House is situated behind B-1 premises in the campus, near Gandhi circle.

The HRDC's main philosophy is to keep in mind that the teacher is central to the system. The concept of an orientation/refresher programme emphasizes teachers as agents of socio-economic change and national development and underlines the need to make them skill-oriented teachers. The programmes of HRDC aim at enabling teachers to discover themselves and their potential through a positive appreciation of their role in the total social, intellectual and moral universe within which they function. It is now accepted that a teacher must not be confined only to transmitting information; he/she must also orient students to meet the challenges of life, to become not merely a trained professional, but also a better citizen.

From an elitist approach in the beginning, our system of higher education has now become mass based. This places greater responsibilities on teachers. New methods of teaching and educational technology along with developments in Information Technology have made the job of a teacher more demanding. These subjects form an essential component of the programmes run by HRDC. Especially designed orientation programmes/ refresher courses in IT and pedagogy are run by HRDC almost every year. Furthermore, there has been knowledge explosion in every discipline. A college/university teacher has to

continuously update his/her chosen field of expertise, or run the risk of becoming totally outdated in a very short period of time. Subject-specific refresher courses are organised by HRDC to update the knowledge of the teachers in related subjects. It is also envisaged that the programmes run by HRDC must engender in the teachers awareness of the problems that Indian society faces. Matters relating to subject-knowledge and pedagogy would be meaningful when understood in the total context of national development.

The details of the activities of HRDC, University of Rajasthan, Jaipur are available on its website www.uniraj.ac.in/asc. The email id of HRDC is: hrcd.uor.jpr@gmail.com

The Coordinator, CDC from the day of its establishment in the University has remained in close contact with the Colleges. He exists them to prepare their proposals and invites their attention about the various schemes of the UGC. The Coordinator, CDC visits the Colleges from time to time for monitoring the proper Utilization of UGC grants and for proper guidance.

The CDC recommends the proposal of the Colleges and Teachers to the UGC as per the guidelines provided on UGC website www.ugc.ac.in.

The CDC plays an important role between UGC and Colleges for improving infrastructure facilities in the Colleges and for the benefit of faculty members and students in multiple ways.

Administrative Service Pre-Entry Training Centre (APTC)

The Centre was set up by the University in 1978 and it's given the status of an Independent Centre in 1999. At present the centre is running in an independent building close to the University Nursery. The Centre has been organizing several pre-entry training courses for Indian Civil Services and Rajasthan Administrative and Subordinate Services for the last 35 years on, Self Financing basis.

UGC has also recognized the Centre as supporting centre for upliftment of SC, ST, OBC and Minority Community students in 10th & 11th Plan for coaching of

RAS, CS, RJS, NET/SLET, Bank P.O., Spoken English and other competitive examinations. This Centre acts as a facilitator by inviting eminent academicians, bureaucrats and experts of respective fields.

The Centre imparts rigorous training and makes available reading material, handouts, and other literature which helps the candidates for various competitive examinations. The centre has conducted more than 200 programs for various examinations. The past performance in terms of selection of the candidates enrolled in this Centre has been very encouraging, as almost 1/3 of such candidates have been getting selected.

The Centre is known for preparing and grooming the students for competitive examinations through providing subject knowledge as well as developing their personality and communication skills.

National Service Scheme

On September 24, 1969, the Union Education Minister Dr. V.K.R.V. Rao, launched the National Service Scheme in 37 Universities covering all states. The cardinal principal of the National Service Scheme is that it is organised by the students themselves and both students and teachers through their combined participation in social service, get a sense of involvement in the tasks of national development.

At present in the University of Rajasthan there are 30 units of National Service Scheme with an enrolment of 3,000 volunteers and 30 Programme Officers dedicating themselves for the successful implementation of the scheme. Prof. S. C. Bardia is the coordinator of N.S.S. w.e.f. August 2014. Some of the contemporary coordinators who have played vital role in mobilizing youth energy besides others include Prof. Shashi Sahay, Prof. C.K.G. Rajurkar, Prof. Joya Chakraborty, Prof. R.V. Singh and Prof. S.G. Sharma.

The Units of National Service Scheme are distributed as follows:

1. University Campus	1 Unit
2. University Law College	2 Units
3. University Law College Centre II	2 Units
4. University Commerce College	5 Units
5. University Rajasthan College	8 Units
