Message from the Director

Greetings from National Institute of Securities Markets!

It is a great pleasure to welcome you to the Summer placement activities of our Institute at Patalganga, which was inaugurated by Hon'ble Prime Minister of India, Shri Narendra Modi in December 2016.

The dynamic business environment today is competitive, far-reaching, and transcends boundaries, whilst seamlessly connecting economies across the globe. To survive in this highly competitive landscape, all players-old and new-need to defend their market footprints or create new ones. Keeping in mind today's marketplace, it is important for executives to continuously update their knowledge base and acquire new skill-sets and competencies. In this regard, NISM carries out a wide range of capacity building activities through Certification, Training and Academic programs at various levels aimed at enhancing the quality standards in securities markets.

At NISM, we have been developing the student's talent and capabilities as desired by the securities market and make them more suitable for industry.

I am certain that our students are ready to assume key roles in various organization and contribute to the development of securities market.

Dr. (Mrs.) M Thenmozhi
Director

Message from the Dean

Greetings from National Institute of Securities Markets!

I am pleased to convey that a batch of highly talented young men and women are ready to take up challenging responsibilities in securities markets. Post Graduate Diploma in Management (Securities Markets), i.e. PGDM (SM) is an AICTE-recognized programme and is intended to create and mould 'Complete Securities Market Professionals'. PGDM (SM) is a highly focused programme and the students have been exposed to various dimensions of securities market such as Financial Statement Analysis, Valuation, Corporate Finance, Econometrics, Corporate Laws, Taxation, Portfolio Management, Behavioural Finance, Mergers & Acquisitions, Securities Market Regulations, Derivatives & Risk Management and Global Financial Markets.

A decade of experience in specialized securities market experience in education, research and training has gone into the design and development of the curriculum for PGDM(SM) and this is reflected in our approach to learning, which embraces a meticulous, explore-every-solution attitude and an appraisal of every business problem through the lens of varied management disciplines.

This carefully crafted curriculum and multi-faceted delivery serves as a base for further learning and grooming into various career paths in research, equity and credit analysis, analytics, compliance, broking/ dealing etc.

Prof. K. Sukumaran
Dean

The students possess good communication skills, ability to crunch numbers, domain knowledge, ability to scan through databases, and they are ready for taking up challenging assignments which will definitely add value to your organisation.

We are confident that your search for a talent pool will be satiated by the rich and diverse nature of the students, and we welcome you to the campus to interact with the PGDM (SM) Class of 2018-20.

Mr. K. Sukumaran
Dean

About NISM

NISM is a world away from outside but still connected to everything. Situated about 50kms outside Mumbai, the college is off the Mumbai-Pune Highway amidst the lush green ghats. Just like Mumbai, a city that never sleeps, our college never sleeps.

The students are engaged with various activities throughout the day. Apart from the 10-5 schedule and an abundance of assignments, the students are still enthusiastic to spend their time at the recreation hall. The hall has various facilities- gym, table tennis, carrom, air hockey, and a swimming pool. The campus has a beautiful auditorium wherein various events are hosted. More often than not, there is musical night for the students and guest officers, by the end of which everyone's on their feet swaying to the tunes. The amphitheater is a lively hub where students enjoy their evenings. The size and the beauty of the campus allows the students to stroll at night and the small canteen allows them to have tea while they do it. The campus lives by, "Nights that turn into mornings makes friends turn into family". This lays an important foundation for the future networking of finance professionals coming out of the National Institute of Securities Market.

Learning-cum-Practice Programme

As a part of our initiative to develop the talent needed for securities markets, we are taking various endeavours to sensitize students to obtain a hands-on experience on securities market practices, apart from classroom sessions.

NISM is partnering with several institutions, which include market leaders, market infrastructure institutions & regulators, to achieve the same. Our students undertake projects at their respective workplaces for three days a week, (Monday, Tuesday and Wednesday), while attending classroom sessions on the remaining days.

This Programme has ensured that our students are uniquely placed to receive wide practical exposure to market practices, which in-turn supports their classroom learning; apart from building and fostering a long-lasting relationship with the market/industry.

Our students from the PGDM(SM) 2017-19 batch had undertaken projects in the following institutions-

- Securities & Exchange Board of India
- Bombay Stock Exchange
- Clearing Corporation of India
- Thomson Reuters
- SBI Mutual Fund

Industry Interaction

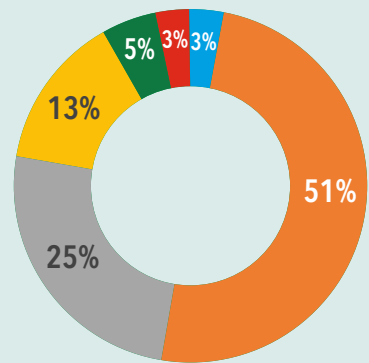

Industry Interaction is conducted at NISM's Patalganga Campus from time-to-time, at regular intervals. This provides a platform for the students and the faculty to interact with various eminent personalities from the industry; thereby providing a practical insight to the workings of the securities markets. The students are, as a result, benefitted from the knowledge of the field and are made aware of the roles they can play in Securities Markets.

Some of the well-known speakers at the Industry Interaction session have been –

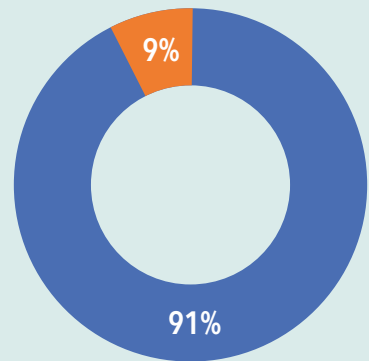

- **Dr. Prabhakar Patil**, Chief General Manager, Securities & Exchange Board of India
- **Dr. Venkatachalam Shunmugam**, Head of Research, Multi Commodity Exchange Limited
- **Mr. Pranjal Srivastava**, Senior Vice President & Head Equity Capital Markets, ICICI Securities Limited

Testimonials of Recruiters

Ms. Ankita Bansal has been employed with us since April 20, 2015 as Management Trainee. She has been able to grasp & handle the job responsibilities well and is a sincere and diligent worker. She was able to ascend the learning curve quickly on the back of the academic knowledge acquired during the course. The knowledge of fixed income markets and derivatives imparted by the course helped her to meet the job requirements in a very short span of time. She is time conscientious and meets deadlines for completion of tasks with quality and accuracy.

I have no hesitation in stating that we are pleased that we were able to recruit her as our employee from your Institute.

Manish Jadhvani
Senior Vice President
STCI Primary Dealer Ltd

Manish Kumar Singh has been working with us for close to 2 years. His learning posture has ensured that he constantly acquired new knowledge and skills and demonstrated a constant improvement in his performance. He has received excellent feedback from different stakeholders for his contribution and level of commitment.

&

We hired Mr. Ganesh K Chalamalasetti based upon his satisfactory performance and a great attitude during the interview. He was given a complete responsibility of a major complex project. It has been a delight to see that he demonstrated a high level of ownership and commitment and delivered on the project with minimal supervision.

Sandeep Gore
Associate Vice President at
ISS | Institutional Shareholder Services

Mr. Preyas Mukul Patel is assigned with Treasury Analytical Desk and he is presently taking care of Board Agenda, Reports to top Management on Investment related activities and Research in Securities Market. He meets our expectations very well. He is knowledgeable and is capable of conducting analysis of Financial statements. He is punctual and disciplined. We plan to enhance his area of work and he will be given additional task of analytical division.

Yogyath V. Pai
