## Symbiosis 1971- Passion & Excellence

The journey of a thousand miles begins with a single step. But it involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale. It is an inspiring tale and in the words of the founder of Symbiosis, Dr. S. B. Mujumdar, it says:

*"It was afternoon on a hot day. I was standing near a window of my house overlooking the first hostel block, of which I was a rector. A strange thing happened. A girl walked up to the window of the boy's hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot.*

*So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low.*

***I was puzzled!!***

*When I turned to the boy for an explanation, he said, "Sir, I have an attack of jaundice and I'm feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boy's hostel, she hands over the lunch box through the window."*

*I was stunned, after all, it wasn't the type of 'affair' I had expected. I was very much pained and decided something had to be done about this. That was the instance! A golden moment! **"Symbiosis was born"**.*

Symbiosis is a term in life science, meaning 'living together of two different organisms for the benefit of each other. Dr. S.B. Mujumdar, himself a professor of botany, thought this name apt for the institution.

Thus the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included- accommodation, meals, medical care, guidance, coaching, information about the city etc.

Symbiosis has come a long way since then. Today it is a home to students from more than 85 different countries. These students are offered the best learning resources, industry, exposure, a strong International Students' Alumni network, a global recognition and above all, a truly enriching India experience.

Chancellor, Symbiosis International University

*"Education is not the filling of a pail, but the lighting of a fire."*

*- William Butler Yeats*

Symbiosis International University is one of the leading institutions in our country. It has been a pioneer in the field of higher education, encompassing multifarious arenas of study under its vast umbrella. Each graduate of Symbiosis Law School, Pune has been inculcated with the belief that knowledge comes from thinking clearly as well as appreciating life for its virtues. The same is affirmed from the fact that every student of Symbiosis Law School, Pune has undergone a rigorous admission procedure, be it the five year programme, the three year programme or the Master's course.

The standards achieved by the institute are a product of the symbiotic relationship between the students and the faculty, which maintains a healthy flow of knowledge from every channel available. This institute was created with the sound principle that a strong legal acumen along with practical experience is the way to equip our students. It follows the best practices from the across the globe, thus generating unique ideas and keen minds.

The result from these efforts is already visible through our illustrious alumni who have transformed their legal knowledge and skills into diverse career paths. By finding their way to be sitting judges of various High Courts and the subordinate judiciary throughout the nation, members of governmental commissions, civil servants and founders of legal institutions, they have not only become a testimony to the holistic education provided at Symbiosis Law School, Pune, but have also altered the landscape of law in India and beyond for the better.

With every batch of students that has honed their abilities under the aegis of Symbiosis Law School, Pune, the legacy is rejuvenated as they mark their paths with progress. I wish them all the very best in their future endeavours.

## Vice- Chancellor's Message

**Dr. Rajani Gupte**

Vice - Chancellor  
Symbiosis International University

Symbiosis Law School, Pune is a unique institute of professional learning and academic excellence. Mere knowledge of law in today's dynamic and non-linear legal world is simply not sufficient enough to survive on. A comprehensive understanding of the legal systems, the ability to compare and contrast domestic laws with their international counterparts and in-depth knowledge of other related sciences is essential.

In the endeavour of fulfilling the dreams of our founder Chancellor and visionary Dr. S.B Mujumdar, Symbiosis Law School, Pune is dedicated to its responsibility of creating a global knowledge disseminating hub transgressing national and International borders and territories thereby transforming every student into a "responsible human" by igniting the "cause of justice" in their minds, finally metamorphosing them into excellent lawyers.

The student of today is a global citizen, one who is innovative, imaginative and unafraid to speak her or his own mind. During their tenure at the institute, the students immerse themselves in various activities like moot-court competitions, in-house publications and student-led committees and cells from the initial steps into their respective programmes. The 'core values' of this Institute are derived from its engagements in high quality research and excellent innovative teaching methods merged with experiential learning in the form of 'Rolling Internship' with top tier law firms and companies, workshops by distinguished International faculty and experts and students exchange programmes which exposes them to International legal environment.

The bright and youthful minds of the present batch are a true representation of the aforementioned qualities. The eagerness to tackle hurdles through determination and perseverance fills us with pride and the hope that they shall carry and find a place of their own in the legal arena.

## Principal Director

**Dr. Vidya Yeravdekar**  
Pro Chancellor - Symbiosis Society

It has been a perpetuating motto of the Symbiosis Family to promote 'international understanding through quality education.' The various disciplines taught across seven faculties under the aegis of Symbiosis International (Deemed University) portray the ideals of personal learning, which ensures holistic development and the subsequent pool of enigmatic and talented youth ready to take on every challenge.

With the concept of internationalization in our minds, enunciated by our traditional values culminating into 'Vasudhaiv Kutumbakan,' the aim of Symbiosis International is to ceaselessly improve in order to create suitable conditions needed for a dynamic professional world. However, with the fast pace of the world, it has become ever so essential for us to also focus on inculcating our students with the core values of ethics and justice, thus, unifying culture beliefs and modern approaches into an all-encompassing academic programme.

At Symbiosis Law School, Pune, each student has developed in order to strive for every zenith one can possibly reach in the legal arena. It is a haven of knowledge and professionalism. The intensive course provides students with ample opportunities to foster a deeper understanding of the law, both theoretically and practically. The flexible course also lets the young minds ponder on issues that interest them, which also serves the purpose of furthering the goal of generating greater sensitivity and empathy.

As each batch of Symbiosis Law School, Pune, moves into the judicial or corporate sphere, it also carries along the longstanding ideals of the institute. The symbiotic relationship not only leaves the institute enriched with a fresh perspective, but also creates a more transparent workforce. It is our sincere hope that with this batch as well, our relationship with the legal world will be further vitalized.

## Director's Message

**Dr. Shashikala Gurpur**

Director, Symbiosis Law School, Pune

The creation of Symbiosis Law School, Pune, as a keen community which would strive for not only academic excellence but more importantly to nurture individuals who are willing to better the world with their enhanced skills, has been a successful venture. With a hard-working student body and dedicated faculty, the institution has built nest of teeming legal minds. The labours of a vibrant alumni and an irreplaceable staff contributes to each effort that Symbiosis undertakes to create an environment that supports notions of justice and universal welfare.

The spirit of innovation and sustainable development runs through the veins of SLS, Pune, and the ideals of a globalised development innate in the very vision of the institute has led to each batch forming a unique community of intense intellectual exchange. The dynamic nature of the workforce in every avenue of law is reflected in the manner our curriculum transforms in order to adapt for the morphing career paths that each member of the SLS family shall tread on. It has been this understanding of the world's transient nature that has led our alumni to earn accolades in the legal field, government, non-profit organisations and corporate industries.

While our students walk through the rigorous courses handpicked for each batch, they learn to not only be good lawyers but better humans who find contentment in the field of law, one that has aimed at bettering lives of the unfortunate. While rankings are mere numbers, it creates an impetus within us to constantly strive for what the institute stands; globalised understanding and best legal practices. Thus, the students of the 2019 batch are more than well-prepared to take on the tasks and challenges the world has to offer and create another legacy for both Symbiosis Law School, Pune, and themselves.

My best wishes lie with the batch of 2019.

# Symbiosis International University

Symbiosis International University, an intricately interwoven family of 44 academic institutions that hosts almost 1,30,000 students from all over the world, has been an ideal educational hub for over 40 years now. Founded in 1971 by Padma Bhushan Dr. S.B. Mujumdar as a 'home away from home' for foreign students in India, the university stands tall with pride today, imparting world class education in numerous disciplines including law, mass communication and management among others.

With an outstanding track record ever since its inception, the university epitomizes the motto of 'Vasudhaiva Kutumbakam' which means 'One world, One family' and is the perfect amalgamation of foreign and international students which helps them grow as individuals.

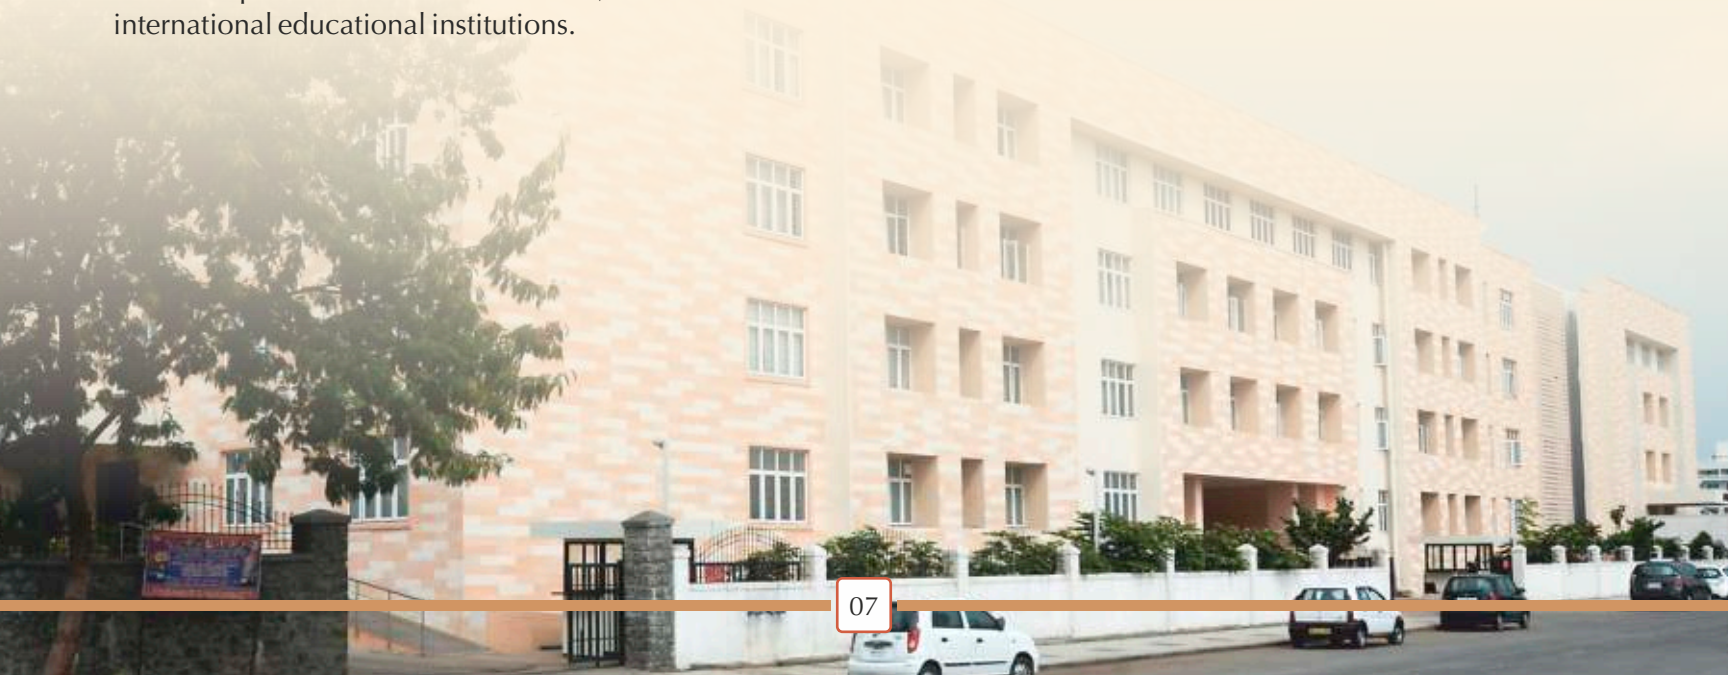

## Symbiosis Law School, Pune

Symbiosis is a Greek term meaning 'Living together for the mutual benefit of each other.' Symbiosis is an educational and cultural center of international standards established in 1971, under the patronage of Dr. S. B. Mujumdar, President & Founder Director. It is registered under the Societies Registration Act, 1860 and the Bombay Public Trust Act, 1950.

Symbiosis Law School, Pune established in June 1977, was earlier affiliated to the University of Pune and later became a constituent of Symbiosis International University in 2002, with an enhanced degree of autonomy in teaching, learning and research.

Being the meeting point of all kinds of talent in the legal arena, SLS, Pune occupies "a" place of pride among the flagship institutions of the Symbiosis International University. Symbiosis Law School "epitomizes" excellence in legal education. Nestled in the heart of Pune, ("a city" popularly described as the Oxford of the East "and the capital of the Peshwas empire), it embodies the essence of 'Symbiosis' 'which means living together for mutual benefit'. Amongst a host of outstanding institutions under Symbiosis International University offering various courses Symbiosis Law School, Pune stands tall with the India Today Nelson Survey ranking the institute among the top 10 law schools of India in 2013 and the Bar Council of India conferring it with the Gold-star Award in 2013.

In a journey of 38 years, Symbiosis Law School, Pune has achieved various milestones in teaching, learning and research. It is the first law college in Pune to offer evening law programs and is one of the pioneers of the five year law program. Its innovative and creative educational experiments have set it apart from other law colleges in the city and the region. Symbiosis Law School, Pune has the honour of being a core partner in the global network of legal institutes of the Erasmus Mundus consortium. It has also been selected by the Government of India, Ministry of Social Welfare for awarding scholarships to SC & ST students. SLS, Pune also has collaborations with various bodies and renowned national and international educational institutions.

# Teaching Methodology

## CLASSROOM

The faculty of SLS conducts lectures on an hourly basis with the students which constitute the major portion of the teaching. The teaching Plan and its execution is designed and executed in such a manner that it encourages students to participate in discussions and maximize class participation in order to make the sessions more interactive. Further teaching aids such as projectors, microphones, speakers and PCs, employed in all classrooms, make the teaching process simpler and better.

## GUEST LECTURES AND SEMINARS

In order to provide our students a better understanding over a Particular

topic and a holistic view of the legal application of concepts, various guest lecturers with prominent national and international intellectuals are also organized very frequently as a routine teaching process. We at SLS encourage our students to take part in seminars and Co- Curricular activities and often organize them at our campus as well. This not only gives a better insight about the topic but also helps to improve the speaking and learning capacities of the students.

## INTERNSHIPS

We believe that classrooms can never teach everything to the students and in a profession like law where one keeps learning throughout his life. We prefer that field knowledge is an integral part of the learning process. Hence we encourage our students to take up more and more internships in order to gain more experience in their respective fields. Furthermore, a minimum of five internships each of not less than 4 weeks is necessary for graduation.

## EXCHANGE PROGRAM

Our Exchange Programme is in collaboration with DAAD and includes several universities in Japan, Australia, Germany, Ireland, etc. It is a very unique feature of SLS as it helps not only in the exchange of ideas, but also Different cultures, thoughts and mindsets, hence broadening the scope of our student's avenues, providing a sense of universal togetherness. It also furthers the student's education in international aspects of law.

## **MOOT COURTS AND MOCK TRIALS**

Moot Courts and Mock Trials are one such practice in clinical legal education which plans students for lawyering in such a way, to the point that the apprenticeship is minimized and frequently separated with. They are conducted regularly and count as a vital part of internal evaluation. Students are also encouraged to participate in as many external competitions as possible to help their growth further. Students who participate in the national and international mooting circuit are prepared and assisted not just by the faculty and student strategists, but also by specialists in different fields from India and abroad. The students are also equipped with resources like Books, Researching Aids and Legal Journals, which help them expand their knowledge base for the same.

## **RESEARCH**

Symbiosis Law School, Pune encourages research writing to a great extent. We organize special lectures to teach students proper research methodology. Following the Harvard Bluebook format of writing we make our students habitual to research writing by giving them routine research work as part of their internal assessment. Many students also succeed in getting their papers published in renowned journals of national and international repute. Students receive constant Faculty guidance for the same.

## **MENTORING**

Mentoring system is acquainted to create inspiration and execution amongst the understudies, which is a key to Individual and hierarchical achievement. Every faculty mentors nearly 10 students from every batch. The mentoring system includes gatherings with mentees, dialogues with regard to the schedule, study designs, exercises inside and outside the school, different issues confronted by them inside the law school system and companions, understanding their versatility to the local culture, learning process, participation and execution in the examinations.

## Infrastructure

Just opposite to the Pune Airport lies the magnificent logo of Symbiosis lit over its crown jewel institute Symbiosis Law School in its newly constructed campus at Viman Nagar. With a world class infrastructure SLS facilitates its students a beautiful learning environment in the heart of city Pune also known as the Oxford of the East.

### LEARNING AT SLS, PUNE

At SLS Pune, we believe in learning and teaching with innovation and enthusiasm by equipping ourselves with vigorous use of technology. Campus is facilitated with 24/7 internet connectivity through a high speed Wi-Fi network with Research Databases running on all servers. Each classroom is provided with state of art technology to simplify the teaching process. Furthermore, there are two Information and Communications Technology labs for the students. At SLS, Pune we believe that learning is never limited to classroom, and hence we provide our students with special areas like the Reading Hall and Mooter's Zones to study and prepare for their various events. One of the most important part of SLS is its library having more than 1,00,000 books along with its online Research Databases, facilitating its students direct access to a wide range of topics.

## RECREATION

Symbiosis Law School, Pune also emphasizes on recreation and all round development of students. We have a well-equipped gym, open for all the students of SIU. The cafeteria, present on the ground floor, provides a wide range of delicacies to the students. A Multi-purpose hall, with a capacity of 600, is used to conduct various cultural and routine functions. Outdoor grounds for basketball and futsal are provided as well. Furthermore, Common Rooms are provided, equipped with indoor games like chess, carom, table tennis, etc.

## FACILITIES

For the convenience of students and staff, an ATM has been provided in the Campus. The campus is under 24/7 surveillance through CCTV cameras. Furthermore, there are public lockers at every floor, for students to keep their valuables. The University also provides for a brand new Girls Hostel with built-in utility and recreation facilities for the Students. We at SLS, just like other sister constituents of SIU, care for our student's health and therefore, have a Symbiosis Centre for Health Care inside the Campus.

## Guidelines for Calculation of Grade Point (4.000)

1. Medium of instruction, evaluation and examination: English.
2. One Credit indicates 15 hours of teaching.
3. Each system consists of minimum 90 actual teaching days excluding evaluations.
4. Any score below an absolute 40% is considered as "FAIL".
5. Award of Grade Point: The assessment of the students for each course is done based on the relative performance. Maximum GP (Grade Point) is 4.000 corresponding to A+. For all the courses a student is required to pass both internal and external exams separately with a minimum grade point of 2.000 corresponding to grade D. Grade Point will not get reflected on the Grade Sheet if the student has failed in any course. F grade will be shown in these cases.
6. Award of Degree: The University awards a degree to the student who has achieved a minimum CGPA of 2.000 out of 4.000 for the programme.
7. Distribution of Grades across a population of scores and associated Grade Points:

Proportion	Grade	GPA

# Research & Publication

## Internal

Symbiosis Law School, Pune, in collaboration with LexisNexis, publishes an annual journal, which is the Symbiosis Contemporary Law Journal. This publication is an ambitious attempt to promote research and publication of contemporary and relevant legal issues. It also serves as a testament to the academic spirit of the institution, and provides momentum to the sphere to the spread of excellent legal education.

## External

Apart from publications in the Law Journal maintained by Symbiosis Law School, Pune, the faculty has made their contribution to the development of the legal field through their contributions to external publications.

## Seminars

Seminars play a very important role in keeping the students updated with all the advancements that take place in their respective subjects. We at Symbiosis believe that students cannot improve their knowledge from textbooks alone and, hence conducting seminars plays a very important role in enhancing the knowledge of students

## Career and Professional Development Cell

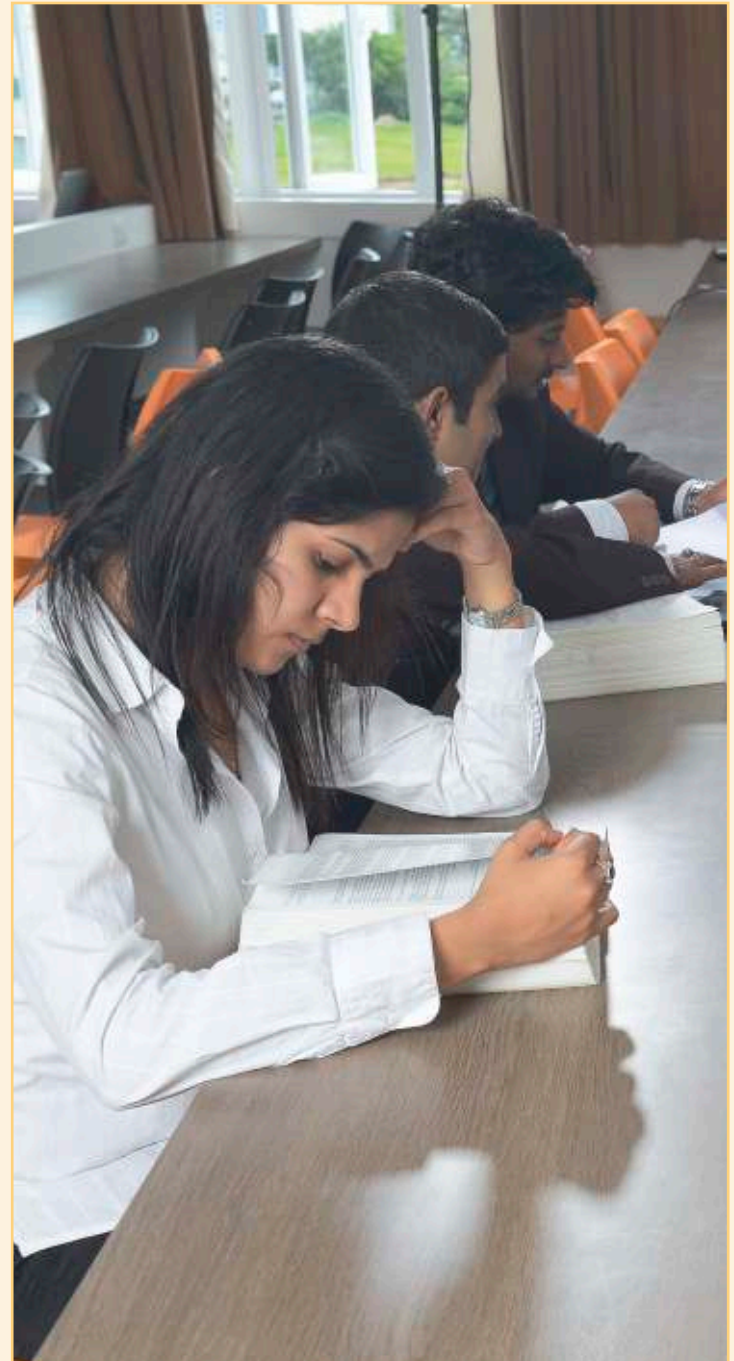

After five years of rigorous training, it is important that skills and knowledge of our students are put to fine use. The task of ensuring this endeavour is taken up by the Career and Professional Development Cell which is the link between the students and the legal fraternity. The responsibility of managing and conducting the campus recruitments in Symbiosis Law School, Pune is the Career & Professional Development Cell.

The Career & Professional Development Cell is a faculty cum student body working around the academic year discovering opportunities for students in various spheres of the doyen. The task of the Career & Professional Development Cell is not just limited to campus recruitment's. The cell undertakes the initiative of training the students to make their presence a commendable one while at the time of recruitment. The process is a continuous one and is done via numerous lectures, workshops, training sessions, finally coming down to CV verification and the final screening process.

Since its inception the cell has been successful in creating a good network across the legal market thereby ensuring opportunities of the students at the Bar as well as corporate arena. SLS has seen leading law firms recruiting the deserving candidates over the last few years. The Cell also takes responsible for providing internship for students. As a part of this, the students are trained and groomed to be the best with the combination of managerial and leadership skills and a broad range of professional skills such as advocacy, legal services, legislation, law reforms and advisory.

Throughout the academic year, the Career & Professional Development Cell is responsible to help the students discover their areas of interest. The Career & Professional Development Cell is always on their feet striving to achieve greater heights.

The cell hopes to have yet another successful year of campus recruitment's and aspires to welcome big names from the legal fraternity at its campus recruitments this season.

## International Cell

International Cell as a constituent of Symbiosis Law School, under the guidance of our Director Dr. Shashikala Gurpur has a growing and vibrant community of international faculty and students who come to teach and learn from around the world. They represent over 15 countries across four cohorts of not only legal programs but others like personality development etc. Events like The International Association of Law Schools conference, European Union Legal Studies, and several lecture series are conducted by the International Cell.

Symbiosis associated itself with Herbert Smith Freehills, they are an international law firm co-headquartered in London, United Kingdom and Sydney, Australia. The firm organized a HSF-Oxford lecture at Symbiosis Law School, Pune, which happens to be the only college that is not a National Law University to have hosted this event. The lectures were given by Chris Parsons, Chairman, India practice, Herbert Smith Freehills, and Prof. Timothy Endicott, Professor of Legal Philosophy, Oxford University.

International Cell strives to give the students the best of opportunities, immersing them in an inclusive environment that makes them feel at different parts of the world by a learning experience through International Faculty. International Cell also acts as a bridge between the college and the International Students and in Symbiosis Law School the academic rigour, extracurricular activities, residential life allows International students to learn, engage, connect, and build lasting relationships and memories.

## Student Bar Association

At Symbiosis Law School, Pune mooting is considered to be a prerequisite for every student towards his/her legal career since it provides the closest analogy to the functioning of a courtroom. The way one is to present herself/himself in a courtroom is based on etiquettes that have already been imparted to the students via the Student Bar Association. Thus, encouragement towards mooting is of key importance. This we ensure by introducing the Novice Moot Elimination (NME) for the first year students, to select them for State Level Mooting Competitions. Prior to the NME, the SBA organizes various workshops, mooting demonstrations, and interactive sessions by talented mooters from the previous batches so that the first year students can familiarize themselves with the procedures of a courtroom.

The SBA ensures that the mooting experience expands over a wide array of legal scenarios. Thus the SBA conducts an Internal Client Counseling Elimination round that determines the eligibility of students that can be selected for client counseling and negotiation competitions. Further, challenger/elimination rounds are organized for international competitions such as Stetson Environment Moot, Oxford Price Media Moot, Jessup Moot, Leiden Serin Moot, Vis Arbitration, ELSA Moot, Henry Dunant Moot and the International Criminal Court Moot.

## The Student Advisory Board

The Student Advisory Board of Symbiosis Law School, Pune, is the prime body which consists of students with leadership qualities from all batches of Symbiosis Law School, Pune. The Board's primary function is to operate as a link between the management, faculty, and the student community. The Board was formed in 2009 as an initiative spearheaded by Director, Dr. Shashikala Gurpur along with the faculty and the administration.

It comprises of a President and four Vice Presidents who oversee the functioning of the seven following committees, they being, the Alumni and Networking Committee, Extra-Curricular and Co-Curricular Committee, P.R., Media and Website Committee, Student Welfare Committee, Academic and Research Committee, Program Coordination and Support Committee, and the Regulatory Audit and Budget Committee.

All members of the committees strive throughout the year to ensure every minute detail of the college is given due importance. They are the role models of the college who come together as the Student Advisory Board, a key component to securing the incontestable heights and accolades achieved by the student community and Symbiosis Law School, Pune, as a whole.

Apart from this, the SAB is responsible for organizing a spectrum of student-led initiatives like:

## Symptoms

The intra-college fest, SYMPTOMS, is the primary means of discovering extra-curricular talent among the batches of Symbiosis Law School, Pune, especially for the first years. Additionally, it creates a good rapport with the seniors and serves as an ice-breaker between the students. SYMPTOMS is the curtain raiser for Symbiosis Law School, Pune's annual cultural fest, SYMBHAV. The fest has wide array of opportunities to showcase talents in the form of competitions like face painting, photography, chess, caroms, solo-singing, solo-dance, debate, and many others.

## Symbhav

Symbhav saw its tenth edition take place in the campus of Symbiosis Law School, Pune. Year after year, Symbhav keeps surpassing itself and this year was no different. The theme for this Symbhav was Global Village to embrace the array of varied cultural diversities, rationalities, societies, stances and mellow out despite the shackles that we've created for ourselves.

The fest, inaugurated by Dr Devenra Fadnavis, witnessed several new events being introduced and some of the biggest names in the country come in for the Pro-Nites, the most memorable of which was the brilliant performance given by Farhan Akhtar.
