FROM THE DESK OF VICE PRESIDENT-ACADEMICS

Dear Colleagues,

Greetings from Public Health Foundation of India!

I am delighted to present you the Placement Brochure for the year 2018-19. I would like to take this opportunity to thank you for the invaluable support you have extended to us over the years.

In a very short span of time, Indian Institutes of Public Health (IIPHs) have made a niche by providing competency driven academic programs in public health. Through our journey of academic programs we have constantly evolved to match with the changing requirements of employers. Our academic programs have been designed and consistently upgraded by us to help students acquire skills to identify and respond to current public health challenges. The programs are structured on a multi-disciplinary curriculum, including epidemiology, biostatistics, public health management, demography, sociology, health promotion and health economics. A blend of theoretical knowledge and practical skills can be seen at its best in our curriculum. The academic sessions and assignments have been designed and consistently upgraded by us to enable the students learn different aspects in the changing world of public health, through guest lectures, field visits, class assignments, presentations, group work etc.

Our students of outgoing batches of MPH, MHA, MSc and PGDPHM program across IIPHs for academic year

2016-2018 & 2017-2019 comprises of enthusiastic, vibrant, energetic and professionally competent students with heterogeneous background, persona and motivation for joining public health. Despite the heterogeneity, they are united by their values and commitment to create a niche for themselves in public health sector. I am sure that their commitment will make them a great asset to your organisation. Over the years, the employers have given a very positive feedback about our students, about their knowledge and skills in public health, commitment towards work and innovative ideas.

I wish a very successful career ahead to these students and extend a warm welcome to the prospective employers to include IIPHs in their list of prominent institutions to be visited for campus placements. I am confident that our collaboration will go a long way and be helpful for these budding public health professionals to build their career. On behalf of the IIPHs, I extend a warm welcome to your organisation to participate in the placement process.

Prof. Sanjay Zadpey, MD, PhD

VICE PRESIDENT-ACADEMICS,
PUBLIC HEALTH FOUNDATION OF INDIA

ABOUT PUBLIC HEALTH FOUNDATION OF INDIA

The Public Health Foundation of India (PHFI) is a public private partnership launched in 2006 with support from the Ministry of Health and Family Welfare (MoHFW).

PHFI was launched to redress the limited institutional capacity in India for strengthening training, research and policy development in the area of Public Health. The creation of PHFI was enabled by the Ministry of Health and Family Welfare, Government of India and was supported by several state governments, foundations including Bill and Melinda Gates Foundation, Wellcome Trust and the philanthropic private sector. PHFI adopts a broad, integrative, multi-disciplinary and multi sectoral approach to public health and engages with the many dimensions of public health that encompass promotive, preventive and therapeutic services. PHFI aims to play an enabling role in the transformation of India's health scenario by working collaboratively with all stakeholders in the health system. It provides technical support and assistance to state governments for informing and aiding governmental initiatives. It also engages with the research community, academia, NGOs, civil society and international agencies towards a collective action on health.

“Institutions (like PHFI) have a catalytic role to play (in the public health sphere in India) and can bring a transformational change.”

Hon' Prime Minister, Narendra Modi -at the IIPH-Gandhinagar Bhoomi Poojan ceremony during his tenure as Chief Minister of Gujarat, 2007

VISION

“Our vision is to strengthen India's public health institutional and systems capability and provide knowledge to achieve better health outcomes for all”

MISSION

- Developing the public health workforce and setting standards
- Advancing public health research and technology
- Strengthening knowledge application and evidence-informed public health practice and policy

VALUES

<p>Transparency</p> <ul style="list-style-type: none"> • Uphold the trust of our multiple stakeholders and supporters • Honest, open and ethical in all we do, acting always with integrity 	<p>Excellence</p> <ul style="list-style-type: none"> • Aim for highest standards in all aspects of our work • Encourage, recognise and celebrate our achievements
<p>Impact</p> <ul style="list-style-type: none"> • Link efforts to improving public health outcomes, knowledge to action • Responsive to existing and emerging public health priorities 	<p>Independence</p> <ul style="list-style-type: none"> • Independent view & voice, based on research integrity & excellence • Support academic and research freedom, contributing to public health goals and interests
<p>Informed</p> <ul style="list-style-type: none"> • Knowledge based, evidence driven approach in all we do • Drawing on diverse and multi-disciplinary expertise, open to innovative approaches 	<p>Inclusiveness</p> <ul style="list-style-type: none"> • Strive for equitable and sustainable development, working with communities • Collaborate and partner with other public health organisations

CHARTER

The PHFI is working towards building public health capacity in India by:

- Establishing Indian Institutes of Public Health (IIPHs)
- Assisting existing institutes to enhance their capacity and output
- Promoting research in prioritised areas of public health to inform policy and empower programmes
- Facilitating policy development, programme evaluation, and advocacy on public health related issues
- Enabling the setting of standards in public health education

PUBLIC HEALTH EDUCATION AT PHFI

Over the past decade, **PHFI has established five Indian Institutes of Public Health (IIPHS)** located at Gandhinagar in Gujarat, Hyderabad in Telangana, Gurgaon in Delhi NCR, Bhubaneswar in Odisha and Shillong in Meghalaya. The Indian Institute of Public Health – Gandhinagar (IIPHG) has been granted University status by a legislative act of Gujarat state in May 2015. These institutes help address the current shortage of trained public health professionals and workers by providing world class, India relevant programs in affiliation with renowned overseas Universities. The institutes deliver the courses in partnership with the central and the state governments. Academic programs at IIPH Shillong will start soon.

The mission of PHFI and IIPHS is to respond to India's public health challenges, initiate and catalyse action for better health outcomes. The IIPHS strive to contribute towards creation of an effective public health workforce in the country. PHFI and its constituent Indian Institutes of Public Health are engaged in program and policy-relevant research, as well as imparting world-class education that is contextualized for the Indian setting. PHFI has also established several Centres of Excellence which work on cutting-edge evidence generation for informing public policy. These Centres of Excellence and our multidisciplinary team of researchers, with medical and non-medical backgrounds who specialize in technical areas such as health economics, health systems and financing, policy analysis, infectious diseases, chronic diseases, program management, epidemiology, clinical research, genetics, nutrition, biostatistics and demography bring a unique richness to the working environment at the Foundation.

The Indian Institutes of Public Health are delivering full-time one year **Post Graduate Diploma in Public Health Management (PGDPHM)**; two year **Master of Public Health (MPH)**, **Master of Hospital Administration (MHA)** and two **Integrated MSc and PhD Programmes in Clinical Research and Health Informatics**. An internship/training of 3-6 months is an important and mandatory component of each academic program. These programmes are aimed at fresh graduates as well as experienced professionals from medical & allied health sciences, life sciences, social sciences. The programmes are also attended by mid-level government officials nominated by the various State Governments.

These courses are targeted at a wide variety of graduates who are interested in public health training at large. The course eligibility criteria reflect the need for multi-disciplinary inputs that are vital to public health. IIPHS have over 65 highly qualified faculty and 100 technical staff with diverse experience. Their expertise is being put to good use in research, teaching and the practice of public health.

Emerging as an institute of excellence in public health, our faculty brings multi-disciplinary experience and has hands on expertise in local, national, and international health settings.

On-Campus Academic Programs Offered at IIPHs

1. PhD (Full time) in Health Sciences/ Public Health⁽¹⁾
2. PhD in Public Health⁽²⁾
3. Integrated MSc & PhD in Clinical Research*
4. Integrated MSc & PhD in Health Informatics*
5. Master of Public Health (MPH)^{(1),(2),(3)}
6. Master of Hospital Administration (MHA)⁽²⁾
7. Post Graduate Diploma in Public Health Management (PGDPHM)[#]
8. Associate Fellow of Industrial Health (AFIH)[^]

⁽¹⁾ Affiliated to Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST) Trivandrum, an Institute of National Importance under Govt. of India

⁽²⁾ Offered by Indian Institute of Public Health Gandhinagar, Gujarat, India (A University under State Govt. Act)

⁽³⁾ Affiliated to Kaloji Narayana Rao University of Health Sciences, Telangana

* A two-year Master's program (MSc in Clinical Research or Health Informatics), with the option of pursuing a PhD, if eligible, as an Integrated MSc-PhD in Clinical Research or Health Informatics. Offered in collaboration with Academy of Scientific & Innovative Research (AcSIR), an Institute of National Importance established by Act of Parliament

[#] Supported under National Health Mission (NHM), MoHFW, Govt. of India

[^] Regulated by Directorate General, Factory Advice and Labour Institutes (DGFASLI), Govt. of India

Academic Partnerships

- **National Health Mission (NHM) [Ministry of Health & Family Welfare, GoI] supported PGDPHM Consortium**
- **IIPH-Hyderabad & Government of Karnataka Collaboration** (technical support for PGDPHM program) at Bangalore campus
- **PHFI-AcSIR Collaboration** (Integrated MSc & PhD programs in Clinical Research and Health Informatics)
- **IIPH-Hyderabad & Kaloji Narayana Rao University of Health Sciences Collaboration** (for MPH program)
- **IIPH-Delhi & Sree Chitra Tirunal Institute of Medical Sciences and Technology** (for MPH and PhD (Public Health) programs)
- **Program Development Partnerships** with BMGF, UNICEF, WHO, LSHTM, University of Sydney etc. for eLearning programs

and many more...

Unique Features of our Programs

- 5 IIPHs Gandhinagar, Hyderabad, Delhi, Bhubaneswar and Shillong & 1 Ancillary Centre [Bangalore]
- 8 On-Campus Programs
- 21 eLearning Programs
- Multi-disciplinary faculty
- Competency driven and regularly updated curriculum
- Candidates from diverse backgrounds can join courses
- Practice oriented courses with emphasis on health systems connectivity & transformative learning
- Amazing On-Campus and eLearning options

Internship and Final Placements Schedule

Program	Internship Schedule	Final Placement Schedule
Post Graduate Diploma in Public Health Management	April-June 2019	August 2019
Master of Public Health (IIPH-Delhi NCR)	April-May 2019	July 2019
Master of Public Health (IIPH- Hyderabad)	April-June 2018	December 2018
Integrated MSc and PhD in Clinical Research	January-June 2019	August 2019
Integrated MSc and PhD in Health Informatics	January-June 2019	August 2019
Program	Dissertation Schedule	Final Placement Schedule
Master of Public Health (IIPH-Delhi NCR)	Dec 2018-Mar 2019	July 2019
Master of Public Health (IIPH-Gandhinagar)	Feb-June 2019	August 2019
Master of Hospital Administration	Jan-Apr 2019	August 2019

For more details regarding our academic programs, please visit www.phfi.org

WHY RECRUIT IIPHs GRADUATES?

Admissions to IIPHs are purely based on the candidates' merit and caters to applicants with varied academic backgrounds. The unique selection criteria at IIPHs includes analysing the candidate's attitude and focus towards the specialised field through a statement of purpose as a part of the application, followed by selection interview. This ensures selection of students who are not only the most capable but also those who are aligned to the specific course.

The course design is competency driven and caters to multiple-disciplines. The teaching methods includes seminars, group assignments, quizzes, case studies and role plays. We also offer professional skills development program (PDP) to prepare the students for employability after the course completion. Our academic programs include a 3-6 months internship and dissertation, which prepares the students to pursue a wide range of career paths post completion of the academic programs.

- * Recruit our graduates and students for jobs and internships, and you will benefit from talent that comes equipped with skills in **program management, problem solving skills and multi-tasking abilities**
- * Recruit the best candidates with **multi-disciplinary background**, who will make a real difference to your public health projects by application of their skill sets drawn from **practical application of theories**
- * Our graduates are well equipped with technical and non-technical **skills to work in public health and other allied healthcare sectors**
- * Our mandatory **internship and dissertation component** gives the students an exposure to **practical public health challenges** and ways to address them
- * Our graduates are appreciated by employers for **innovation at work** and their commitment to bring a difference by **willingness to work at community level**
- * **Batch diversity** allows flexibility for employers to choose and **recruit at the entry, middle management and senior management levels** of organizations

STUDENTS' PROFILE

POST GRADUATE DIPLOMA IN PUBLIC HEALTH MANAGEMENT (PGDPHM)

The programme aims to bridge the gap in the public health managerial capacity amongst health professionals in the country. It is designed to enhance the capacity of the public health managerial workforce and to impart knowledge and skills to address and resolve key health management challenges. A major strength of the programme is, providing participants with opportunities to apply learning directly within the community setting. The program is offered at IIPH-Delhi NCR, IIPH-Gandhinagar, IIPH-Bhubaneswar and IIPH-Hyderabad.

Curriculum of PGDPHM

Core Modules

- Introduction to public health
- Demography
- Behaviour and social sciences in health
- Epidemiology
- Health communication & promotion
- Biostatistics
- Operations research and research methods
- Environmental and occupational health
- Communicable diseases
- Public health
- Nutrition
- Non-communicable diseases
- Essentials of health economics, health financing and insurance
- Disease surveillance
- Health policy and planning
- Logistic planning and drug distribution
- Urban health
- Project management
- Organizational behaviour
- Human resource management
- Quality, equity & access to health care
- Health management information system (HMIS)
- Management of national health programs
- Health systems, National Rural Health Mission (NRHM) and Health sector reforms
- Financial management
- Management of MCH/RCH

Students' Profile of PGDPHM (Indian Institute of Public Health-Delhi NCR)

M. Sc (Zoology)
Bachelor of Science
(B.Sc)- Zoology

Work experience in years:
Fresher

MS. ANJALI JHA

Areas of interest

1. Communicable diseases(malaria)
2. Non communicable diseases (hypertension)
3. Prevention and control of communicable and non-communicable diseases
4. Management

M.A (English)
Bachelor of Arts
(B.A)- English

Work experience in years:
1-2 years experience

MS. ANKITA BHARTI

Areas of interest

1. Communicable & Non Communicable Disease
2. Mental Health
3. Management

Work experience

Apex Strategic Consulting Pvt.Ltd under Bajaj Capital, Patna, Sr. Customer Relationship Officer

Achievements

Awarded with **Shining Star** after achieving 200% of the target in Sales Aanbhi Electricals Pvt. Ltd, Admin Executive

Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)

Work experience in years:
1-2 years experience

DR. SAVITA YADAV

Areas of interest

1. Communicable and Non-communicable diseases
2. Mental diseases
3. Epidemiology

Internship

Kanpur District Hospital

One year rotatory internship

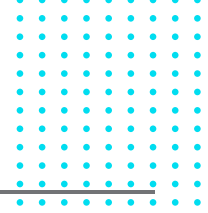

Work experience

Dr. Savita Yadav Personal Clinic, Doctor

Green City Hospital Greater Noida, Jr. Resident Medical Officer

Achievements

- Attended many National Seminars on Homoeopathy
- Assistant Editor of Homoeo Miracle Magazine

DR. NOSILCHI SANGMA

Areas of interest

1. Management in Public Health
2. Oral Health Programs
3. Tuberculosis
4. Mother and Child

Internship

Collaboration with Wellcome Trust, Director of Health Services and Public Health Engineering Deptt Meghalaya.

Water Safety and Hygiene Practices in Shillong, Meghalaya

Work experience

Dr Challam, Associate, Dentist

Dr Chowdhary, Associate Dentist

Avalon, Data Analyst

Government Of Meghalaya, Dental Surgeon

Masters of Public Health (MPH) Bachelor of Dental Surgery (B.D.S.)

Work experience in years: 8-9 years experience

Students Profile of PGDPHM (Indian Institute of Public Health-Gandhinagar)

MS. TANYA SHARMA

Areas of interest

1. Communicable & Non Communicable Disease
2. Mental Health
3. Management

Internship

GMERS Medical College and Hospital, Sola, Ahmedabad

Biomedical Waste Management

Work experience

Indian Institute of Natural Resins and Gums, Ranchi, Senior Research Fellow

Achievements

Total 15 Barcoding sequences submitted, as Kerria lines barcoding (649 bp DNA linear) Kerria lacca isolate LIK0064 cytochrome oxidase subunit I (COI) gene, partial cds; mitochondrial. ACCESSION HQ323780 ORGANISM Kerria lacca, AUTHORS Ranjan, S.K., Sharma,T., Vidyarthi,A.S. and Ramani,R.

M.Sc (Biotechnology) Bachelor of Science (B.Sc)- Biotechnology

Work experience in years: 1-2 years experience

Students' Profile of PGDPHM (Indian Institute of Public Health-Bhubaneswar)

**Bachelor of Science
(B.Sc)- Microbiology**

**Work experience in years:
1-2 years experience**

MS. AMRITA PARHI

Areas of interest

1. Policies facilitating patients economically
2. Public Health mass communication
3. Public health program management and coordination

Internship

Tata Memorial Hospital Biomedical Waste Management

Work experience

Indian Institute of Natural Resins and Gums, Ranchi, Senior Research Fellow

Achievements

Total 15 Barcoding sequences submitted, as *Kerria* lines barcoding (649 bp DNA linear) *Kerria lacca* isolate LIK0064 cytochrome oxidase subunit I (COI) gene, partial cds; mitochondrial. ACCESSION HQ323780 ORGANISM *Kerria lacca*, AUTHORS Ranjan,S.K., Sharma,T., Vidyarthi,A.S. and Ramani,R.

B.Sc Nursing

**Work experience in years:
3-4 years experience**

MS. RITUPARNA BOSE

Areas of interest

1. RMNCH+A
2. Food and nutrition security
3. Epidemiology
4. Capacity building

Internship

Ramakrishna Mission Seva Pratishthan

Work experience

Ramakrishna Mission Seva Pratishthan, Staff Nurse

**Bachelor of Dental Surgery
(B.D.S.)**

**Work experience in years:
1-2 years experience**

DR. SHALONI PATNAYAK

Areas of interest

1. Communicable diseases
2. Oral health and hygiene.
3. Adolescence health education, hygiene and counselling.
4. Health promotion and communication.

Internship

World Health Organisation(Eastern Mediterranean Regional Office)

Pandemic Influenza Preparedness (PIP) Under Infectious Hazardous Management (IHM)

Achievements

Dental Awareness Camp conducted in different tribal villages, in collaboration with South Orissa Voluntary Action (SOVA),Koraput.

MASTER OF PUBLIC HEALTH (MPH)

Indian Institute of Public Health-Delhi NCR

The MPH program has been designed to help participants acquire skills to examine and respond to current public health challenges. The program is structured on a multi-disciplinary curriculum, including public health management, epidemiology and biostatistics, demography, social sciences, health promotion, health economics and policy, and other important disciplines.

Curriculum of MPH (Indian Institute of Public Health -Delhi NCR)

- Introduction to public health
- Epidemiology
- Biostatistics and data management
- Social and behavioral sciences in health
- Environmental and occupational health
- Demography
- National health programs
- Disaster management
- Global Hhealth
- Leadership, communication and training skills
- Reproductive and child health
- Health policy and management
- Public health nutrition
- Research methods
- Urban health
- Gender, vulnerable population and emerging issues
- Communicable and non-communicable diseases
- Health communication and promotion
- Health economics, health financing and health policy
- Monitoring and evaluation
- Public health ethics and law
- Scientific writing

Tracks in 3rd Semester

- Health economics, financing and policy
- Health systems (with focus on monitoring and evaluation)

Students' Profile of MPH (Indian Institute of Public Health-Delhi NCR)

**Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)**

**Work experience in years:
3-4 years**

DR. AKANKSHA VERMA

Areas of interest

1. Environment and occupational health
2. Health systems and health management
3. Non communicable diseases
4. Qualitative and Quantitative research

Dissertation topic in MPH 4th Semester

A study to assess quality of life of people residing close to landfill as compared to those living away from it using WHO quality of life tool.

Achievements

- Oral presentation: Pattern of Tobacco consumption among women of five states India (Bihar, Uttar Pradesh, Haryana, Madhya Pradesh and Odisha), ACIES 2018, IIPH Gandhinagar
- Awarded Nitin Sumant Shah Scholarship, ACIES 2018, IIPH Gandhinagar
- Poster presentation: Ger-ped Homes Clairvoyance 2017, TISS, Mumbai
- Attended "National Civil Society Consultation on Non Communicable Diseases 2017 ", Indian Habitat Center.

Work experience

Vishvas Homoeocare Clinic, Consulting Homoeopathic Physician
UnitedHealth Group, Associate Clinical Investigator
Dr. Lal Singh Foundation, Medical Officer (Homoeopathic)
Nahata Charitable Dispensary, Consulting Homoeopathic Physician

**Bachelor of Dental Surgery
(B.D.S.)**

**Work experience in years:
Less than 1 year**

DR. AAYUSHI GURUNG

Areas of interest

1. Health economics
2. Global health
3. Mental health

Dissertation topic in MPH 4th Semester

Economic evaluation of vaccine

Work experience

Shine Dental Care, General Dental Practitioner

DR. ADITI SACHDEVA

Bachelor of Dental Surgery
(B.D.S.)

Work experience in years:
Fresher

Areas of interest

1. Reproductive, Maternal, Neonatal and Child Health
2. Nutrition
3. Environmental health
4. Urban health

Dissertation topic in MPH 4th Semester

Dietary practices and pattern of use of dietary supplementation among gym users of Mahendragarh.

DR. ADITI SHARMA

Bachelor of Dental Surgery
(B.D.S.)

Work experience in years:
5-6 years

Areas of interest

1. Maternal and child health program
2. Environmental health
3. Project management
4. Health Economics

Dissertation topic in MPH 4th Semester

Respectful Maternity Care

Work experience

Adarsh Samaj Vikas Samiti, Research Assistant
Multispeciality Dental Clinic, Dentist

DR. AKANKSHA CHONA

Bachelor of Dental Surgery
(B.D.S.)

Work experience in years:
Less than 1 year

Areas of interest

1. Maternal and child health
2. Reproductive health
3. Menstrual health
4. Non communicable diseases

Dissertation topic in MPH 4th Semester

Postpartum depression, its determinants and its association with exclusive breastfeeding in women.

Work experience

Kashyap Medical and Dental Centre, Ropar, Punjab, Dentist

DR. AMAN DUA

M.B.B.S.

Work experience in years:
1-2 years

Areas of interest

1. Quantitative and qualitative research
2. Non-communicable diseases, including Mental health
3. Child health including early life interventions
4. Policy making

Dissertation topic in MPH 4th Semester

Profile of patients attending emergency department of a high volume, multi-specialty, tertiary care hospital in Delhi.

Achievements

Developed and presented a "Business Model on Waste Segregation", CLAIRVOYANCE 2017, TISS Mumbai.

Work experience

Amardev Free Education for Girls, Medical Consultant
Survival for Women and Child Health, **Medical Officer**

MS. AMEEKA SHEREEN LOBO

M.Sc Nursing- Paediatric
Nursing, B.Sc Nursing

Work experience in years:
2-3 years

Areas of interest

1. Health systems
2. Global health
3. Non communicable diseases
4. Disaster management

Dissertation topic in MPH 4th Semester

A study on the factors associated with the integration of mental healthcare services in the primary health care services in Haryana state- An exploratory qualitative study.

Achievements

1. Publication:
 - "Factors associated with malnutrition among under five children in migrant population of Udupi District" Indian journal of public health research and development. October-December 2017, Vol 8 No.4
 - "Prevalence of malnutrition among under five children in selected migrant population of Udupi District" Indian journal of public health ; on process
2. Paper Presentation:
 - "Factors associated with malnutrition among under five children" ACIS 2018, IIPH- Gandhinagar. Secured second place in the paper presentation.
 - "Prevalence of malnutrition and it's associated factors among under five children" International Conference of Impact of Global Issues on Women and Children , MAHE
3. Poster Presentation:
 - "Role of environmental sanitation in shaping the health of our children", PHFI-PBC conference
 - "India's healthcare growth story: myth or reality", First International Conference on Health Economics and Outcomes Research, MAHE

Work experience

Center for Health and Development, Research Assistant
Lombard Memorial (Mission) Hospital, Quality and Training Coordinator/Lecturer
Father Muller Charitable Institution, Trainee / Staff Nurse-Intensive Cardiac Care Unit

DR. ANANNYA RAY BANERJEE

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: 2-3 years

Areas of interest

1. Non-communicable diseases.
2. Environmental and Occupational Health
3. Epidemiology
4. Disaster management

Dissertation topic in MPH 4th Semester

Descriptive analysis of road traffic accident cases in level 1 apex trauma centre.

Achievements

- Paper presentation: "A study on the health issues of women migratory construction labourers in Gurugram, Haryana", 15th World Rural Health Conference.

Work experience

Bardhaman Medical College and Hospital, Junior Resident
Sagore Dutta Medical College and Hospital, Junior Resident
Vivekananda Hospital, Consultant Dental Surgeon

MS. ANJALI PARMAR

Bachelor of Pharmacy (B.Pharm)

Work experience in years: Fresher

Areas of interest

1. Nutrition
2. Mental health
3. Environmental health
4. Health economics

Dissertation topic in MPH 4th Semester

Assessing the gaps and challenges of delivering TB Services by private sector

DR. ARCHANA ASHOK

P.G Diploma in Clinical Research and Clinical data management,

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: 2-3 years

Areas of interest

1. Environmental health
2. Non communicable disease
3. Communicable disease
4. Global health

Dissertation topic in MPH 4th Semester

Short term effect of indoor air pollution on oxygen saturation.

Achievements

- Awarded **Infosys Fellowship** during Master of Public Health
- Kannaur University **Gold Medalist** during BDS
- Paper Presentation: "Health Issues of Migratory Women Construction Workers", World Rural Health Conference, Delhi
- Poster Presentation: "E-poster on Paediatric Dentistry", Milestone 2012 Symposium, Kanuur, Kerala

Work experience

KMCT Dental College, Calicut, Tutor
Malabar Dental College, Calicut, Dental Surgeon

DR. ANNAPURNA URAON

Areas of interest

1. Environmental health
2. Health system
3. Research
4. Non communicable disease

Dissertation topic in MPH 4th Semester

Association of public parks and physical activity level in children and adults.

Work experience

Kiran Trust Foundation, Bhilai, Volunteer-Health Camps
Om Dental, Raipur, Dentist

Bachelor of Dental Surgery
(B.D.S.)

Work experience in years:
Less than 1 year

DR. BOHARA CHANDRASHEKHAR ASHOK

Areas of interest

1. Communicable disease
2. Mental health

Dissertation topic in MPH 4th Semester

Conduct disorder in school going children.

Achievements

Awarded Infosys fellowship during Master of Public Health

Work experience

Bharati Vidyapeeth Deemed University Medical College and Hospital, Sangli,
Medical Officer
Datar Panchabhautik Chikitsa and Samshodhan Kendra, Sangli, Medical Assistant

Bachelor of Ayurvedic
Medicine and Surgery
(B.A.M.S)

Work experience in years:
1-2 years

DR. DIKSHA SINGHAL

Areas of interest

1. Health economics
2. National health programs
3. Bio- statistics and data management
4. Environmental health

Dissertation topic in MPH 4th Semester

Knowledge, attitude and practice (KAP) and heavy metal exposure assessment of e-waste workers working in informal recycling sector in Delhi: a cross sectional study

Achievements

- Awarded Centre for Environment Health (CEH) thesis fellowship in association with Tata institute in 2018
- Paper presentation: "Quantification of Anthropogenic PM2.5 emissions of Delhi", ACIES 2018, IIPH Gandhinagar
- Awarded Nitin Sumant Shah Scholarship, ACIES 2018, IIPH Gandhinagar

Work experience

IFFCO Hospital, Allahabad, Visiting Dentist
Sahaj Dental Care, Allahabad, Associate Dental Surgeon
CMI Hospital, Dehradun, Dental Surgeon

Bachelor of Dental Surgery
(B.D.S.)

Work experience in years:
2-3 years

DR. DUSHYANT

Areas of interest

1. Bio statistics
2. Health policy
3. Epidemiology
4. Environmental health

Dissertation topic in MPH 4th Semester

Lung function and respiratory morbidity among informal workers working in Shakurbasti Cement Siding :A comparative cross sectional study.

Work experience

Dr. Lal Singh Foundation, Medical Officer
Kiran Trust Foundation, Medical Officer

Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)

Work experience in years:
1-2 years

DR. EMILY MALSAWMTLUANGI CHANGSAN

Areas of interest

1. Maternal and child health
2. Reproductive health
3. Adolescence health
4. Non communicable disease

Dissertation topic in MPH 4th Semester

Knowledge, attitude and practices about tobacco use among 7th to 10th grade school going adolescent, a mixed method.

Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)

Work experience in years:
Fresher

DR. GAGAN DEEPIKA

Areas of interest

1. National health programs
2. Rural development
3. Geriatric health
4. Environmental health

Dissertation topic in MPH 4th Semester

To assess the obstacles encountered in availing the Janani Suraksha Yojana services among antenatal and post-natal women in a rural community of district Samba, J&K: A cross-sectional study

Bachelor of Dental Surgery
(B.D.S.)

Work experience in years:
Fresher

DR. JYOTI TYAGI

Areas of interest

1. Non communicable diseases-specifically Tobacco Control
2. Maternal and child health
3. Program management
4. Policy

Dissertation topic in MPH 4th Semester

Tobacco use and exposure to second hand smoke during pregnancy and its associated factors: A Hospital based cross-sectional study in Gwalior District, M.P

Achievements

- Publication: "A Study to Review the Out-of-Pocket Expenditure made by Beneficiaries availing Janani Shishu Suraksha Karyakaram in Gwalior District, M.P" Indian Journal of Community Health Vol 28, No 4 (2016)

Work experience

National Institute of Health and Family Welfare, Delhi, Consultant (National Tobacco Control Program)

Public Health Foundation of India, Gurgaon, Consultant (Transcription)

Shri Om Sai Ambika Bal Vikas Samiti, Gwalior, Consultant Dentist.

Bara Hindu Rao Government Hospital, Municipal Corporation of Delhi, Junior Resident

PGDPHM, Bachelor of Dental Surgery (B.D.S.)

Work experience in years: 2-3 years

MS. JYOTSNA PAL

Areas of interest

1. Mental health
2. Non Communicable disease
3. Menstrual hygiene
4. Health Systems

Dissertation topic in MPH 4th Semester

Violence in female sex worker

Bachelor of Pharmacy (B.Pharm)

Work experience in years: Fresher

DR. MEENU SANGRAL

Areas of interest

1. Maternal & child health
2. Non Communicable Diseases (especially Mental Health)
3. Geriatric health
4. Qualitative and quantitative research

Dissertation topic in MPH 4th Semester

Prevalence of antenatal depression and associated risk factors among pregnant women: A hospital based cross-sectional study.

Achievements

- Paper presentation on "Evolution of Pictorial health warnings in India and its effectiveness in tobacco control", ACIES2018, IIPH Gandhinagar
- Poster presentation: "Gerped Homes", TISS Clairvoyance 2017
- Awarded McKinsey & Company Sashaktikaran Scholarship, during Masters of Public Health
- Publication: "Facial nerve paralysis after impacted lower third molar surgery", International Journal of Current Research (April 2017)

Work experience

Indira Gandhi Govt. Dental College & Hospital, Jammu, Junior Resident/ House-Surgeon (Dept. of Oral Medicine & Radiology)

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: 1-2 years

DR. MEHEDI HASAN

Areas of interest

1. Reproductive, Maternal, Neonatal and Child Health
2. Water, Sanitation and Hygiene
3. Environmental & Occupational Health
4. Non Communicable Disease

Dissertation topic in MPH 4th Semester

Assessment of SNCUs for Quality of care & Utilization of services in district of Rajasthan during 2018'

Achievements

Awarded McKinsey & Company Sashaktikaran Scholarship, during Masters of Public Health

Work experience

Rashtriya Bal Swasthya Karyakram (RBSK), West Bengal Medical Officer

Bachelor of Homeopathic Medicine and Surgery (B.H.M.S.)

Work experience in years: 3-4 years

DR. MITALI RAJA

Areas of interest

1. Non communicable disease
2. Epidemiology
3. Public health nutrition
4. Occupational health

Dissertation topic in MPH 4th Semester

Extent and pattern of substance use among adolescents in urban slums in Delhi: A cross-sectional study

Master of Dental Surgery (M.D.S)- Public Health Dentistry

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: 1-2 years

Achievements

2. Non Communicable Diseases (especially Mental Health)
3. Geriatric health
4. Qualitative and quantitative research

Dissertation topic in MPH 4th Semester

To assess the awareness about HPV infection, cervical cancer and willingness to pay for HPV vaccine- A cross sectional hospital based study.

Achievements

- Received Infosys Fellowship for Public Health Professionals during MPH at IIPH Delhi

Work experience

Mithila Minority Dental College and Hospital, Tutor
World Health Partners, Cell Phone Consultant
TB Eradication Program, Volunteer
Kiran Trust Foundation, Dentist

DR. PRATIKA KASHYAP

Bachelor of Dental Surgery (B.D.S.)

Work experience in years:
2-3 years

Areas of interest

1. Women empowerment
2. Immunization
3. Child Education
4. Maternal and child health

Dissertation topic in MPH 4th Semester

Health seeking behaviour of migrants construction workers of Gurugram.

Achievements

Received Infosys Fellowship for Public Health Professionals during MPH at IIPH Delhi

Work experience

Indore Dental Clinic, Dental Assistant

MS. PRIYA LODHI

B.Sc Nursing

Work experience in years:
Less than 1 year

Areas of interest

1. Maternal & Child Health
2. Non-Communicable Disease

Dissertation topic in MPH 4th Semester

Assessing the quality of ANC in VHND session in District Fatehpur, Uttar Pradesh

Achievements

- Oral Presentation: "Maternal Anaemia", ACIES 2018, IIPH Gandhinagar
- Poster presentation: "Knowledge and practice of home sanitation among rural community" in Pacific Basin Consortium 2017 conference New Delhi.
- Publication: "Knowledge and Practice about home sanitation among Rural community at Mohanlalganj, Lucknow" paper ID ART20171433 in International Journal of Science and Research. March 2017.

Work experience

UP-National Health Mission, Nurse Mentor

DR. PUJA BANIK

MBBS

Work experience in years:
1-2 years

Areas of interest

1. Non-communicable disease
2. Maternal and child health
3. Project Management

Dissertation topic in MPH 4th Semester

Microeconomic impact of digestive tract cancer patient in patients and their families in tertiary care hospital, Naharlagun, Arunachal, Pradesh, A cross-sectional study

Work experience

Kiran Trust Foundation, Delhi, Health Professional

MR. RAHUL KUMAR YADAV

Integrated
M.Tech Biotechnology

Work experience in years:
3-4 years

Areas of interest

1. National health programme
2. Health economics and policy
3. Public health system

Dissertation topic in MPH 4th Semester

Coverage and timeliness of vaccination among children's under 23 months in a migrant worker's community in Gurugram :A cross sectional study.

Achievements

- Awarded McKinsey & Company Sashaktikaran Scholarship, during MPH at IIPH-Delhi

Work experience

InventivHealth Clinical, Clinical Contract Analyst

(B.D.S.)**

**Work experience in years:
Less than 1 year**

DR. APOORVA SINGH CHAUHAN

Areas of interest

1. Communicable diseases
2. Non communicable diseases
3. Child abuse & allied issues
4. Environmental health

Internship during MPH

National Health Mission, Uttarakhand

Evaluation of risk of T.B in health care workers

Achievements

- Awarded "**Infosys Fellowship**" during Masters of Public Health
- Won E-Poster competition: "**Tips & Tricks to Make Paediatric Dentistry Easy & Comfortable**", Seema Dental College & Hospital, Rishikesh

Work experience

Dental Clinic and Orthodontic Center, Haridwar, Dental Surgeon

DR. AMIT RAJENDRA KITUKALE

**Post Graduate Diploma
In Water, Sanitation &
Hygiene (PGDWASH)**

**Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)**

**Work experience in years:
3-4 years' experience**

Areas of interest

1. Public health management
2. Mother and child health
3. Adolescent health
4. WASH (Water, Sanitation & Hygiene)

Internship during MPH

State Family Welfare Bureau, Gov. of Maharashtra (NHM)

Evaluation of Maternal, Child and Adolescent Services provided by the government of Maharashtra.

Achievements

- Awarded **McKinsey & Company Sashaktikaran Scholarship**, during Masters of Public Health
- Awarded **Nitin Suman Shah Scholarship**, ACIES 2018
- Awarded **Dr. Malati Allen Nobel Award** for Homeopathy
- Poster presentation: "**Patient safety; Key issues and Challenges**", ACIES-2018, IIPH Gandhinagar and Clairvoyance, TISS

Work experience

Public Health Foundation of India, Bhubaneswar, Research Assistant- Mother Child Health and Nutrition

APSTN and UNICEF, Pune, Health and WASH Expert

Administrative Staff College of India, Hyderabad, Project Leader & Research Associate

Shree Janata Homoeopathic Medical College & Hospital, Maharashtra, Teaching Associate

DR. AJITH J S

**Bachelor of Medicine,
Bachelor of Surgery
(M.B.B.S.)**

**Work experience in years:
1-2 years**

Areas of interest

1. Health system
2. Tribal health
3. Mental health
4. Gender studies

Internship during MPH

Tribal Health Initiative, Dharmapuri District, Tamil Nadu

A case study on the health system at Tribal Health Initiative and its Evolution

Achievements

- Awarded "**Infosys Fellowship**" during Masters of Public Health
- Poster presentation: "**Community Health Insurance: The way Forward**", ACIES 2018, IIPH Gandhinagar

 1. Patients Safety-Key Issues and Challenges, CLAIRVOYANCE 2017, TISS Mumbai
 2. Nutrition-Cornerstone in Health, ACIES 2018, IIPH Gandhinagar

Work experience

Sai Dental Clinic, Halol, Dentist

**(B.Sc)- Radiation Therapy
Technology**

**Work experience in years:
1-2 years**

MR. DARAM VIKAS EMMANUEL

Areas of interest

1. Environmental health
2. Non communicable disease
3. Communicable diseases

Internship during MPH

IIPH Gandhinagar

Heat stress pilot study

Work experience

Christian Hospital Mungeli, Radiation Therapy Technologist

**Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)**

**Work experience in years:
1-2 years**

DR. DARSHANA R RATHOD

Areas of interest

1. RMNCH+A
2. Mental health
3. Environmental health
4. Non communicable disease

Internship during MPH

Gandhinagar Municipal Corporation, Gujarat

Immunization procedures and coverage at UPHC

Work experience

Urmi Homoeopathic Clinic, Vadodara, Assistant Homoeopath

Portal Training Centre, Vadodara, Assistant Homeopath

Shubham Maternity and Nursing Home, Medical Officer

**Bachelor in Computer
Applications (B.C.A)**

**Work experience in years:
1-2 years**

MS. DEBORAH JOHN PULAVARTI

Areas of interest

1. RMNCH+A
2. Nutrition
3. Environment health
4. Communicable and non communicable diseases

Internship during MPH

Mamta Health Institute for Mother and Child, Ahmedabad

Preparatory activities for developing district convergent action plans on nutrition

Work experience

Disa Samiti Development Initiative Social Action, Coordinator

MS. DHANASHREE APSINGEKAR

B.E-Electronics and Telecommunication

Work experience in years:
Less than 1 year

Areas of interest

1. Public health and technology
2. Health communication and health promotion
3. Non communicable diseases
4. Adolescent health

Internship during MPH

R. D. Gardi Medical college, Ujjain, MP

To study patterns, distribution, risk and determinants of domestic and school-related childhood and adolescence unintentional injuries in rural and urban schools of Ujjain

Achievements

- Second prize in the poster presentation: **Community Health Insurance** ACIES 2018, IIPH Gandhinagar
- Awarded **Infosys Fellowship** during Masters of Public Health

Work experience

- **Softusvista.inc, Pune, Maharashtra, SEO Analyst**

DR. DHARA

National Vector Borne Disease Control Programme and its progress

Work experience

Indo-Us -Super -Specialty Hospital, Hyderabad, Nursing Officer
Srikara Hospitals , Hyderabad, Nursing Officer

Achievements

- Awarded the **Best Nursing Officer in Emergence Care Unit 2016**
- W.H.O External monitor officer for pulse polio program in Vikarabad District 2017

DR. PRACHI DHOLE

**Bachelor of Dental Surgery
(B.D.S.)**

**Work experience in years:
4-5 years**

Areas of interest

1. Mother & Child development
2. Disability
3. Non-communicable & communicable diseases
4. Environmental and disaster management

Internship during MPH

Government of Telangana, Medical and Health Department, Medchal District, Hyderabad

Maternal and Child Health and its programmes implementations, Institutional deliveries and its status.

Work experience

PHC, Wadi, Nagpur, Dental Surgeon
Smile Design Dental Group of Hospitals, Nagpur, Private Practitioner

Achievements

- Paper presentation: "**Dental Microbes**", Indian Dental Association
- Poster presentation: "**Coal-A public health challenge**", Pasic Basin Consortium Conference

DR. PRUTHVI RAJ

**Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)**

**Work experience in years:
2-3 year**

Areas of interest

1. Public Health Sector
2. Environment and Occupational Health Services
3. Ministry Of Health and Family Welfare
4. Maternal and Child Health Services

Internship during MPH

Govt. of Telangana, Department of welfare for the Disabled & senior citizens, Hyderabad

Developing a platform for generating employment for the differently abled and developing an Alzheimer's awareness program for the senior citizens.

Monitoring & Surveillance with WHO for the Measles & Rubella Vaccine in Telangana

Work experience

Dr. Manoj's Homeopathic multispeciality hospital, Hyderabad Physician consultant

Achievements

- Won a grant from Queen Elizabeth Diamond jubilee Trust on the "Diabetic Retinopathy Project" for 2017-2018

DR. RADHIKA ROHINI RAMAGIRI

**Post Graduate Diploma in
Public Health Management,
Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)**

**Work experience in years:
More than 10 year**

Areas of interest

1. Program/ project management in development sector
2. Monitoring and evaluation
3. Environmental health
4. NCD prevention strategies and activities

Internship during MPH

SAHARA , Grassroot NGO, Telangana

Communication and IEC materials for MCH and Environmental protection program

Work experience

SAHARA, Hyderabad, Program Coordinator

FIAN, Heidelberg, Germany, Program Assistant

Public Health Foundation of India, Hyderabad, Research Assistant

PriEra Medical Technologies, Assistant Team Lead/Auditor

Achievements

- Paper publication: **Update on the Enjoyment of the Right to Food and Water in India**, Annual publication of FIAN International Board Member, Children of the World Co-up, Baltimore, USA.
- Obtained funding for an operational research program with IIPHH/QEDJT
- Passed PGDPHM with honors.
- Awarded Dr. Indrayan appreciation certificate for excellence in MPH subject.
- Successful in writing proposals for SAHARA which secured funding from Cotton wood foundation, USA, Jindal Trust, Youth reach etc

MR. THELLA RAMESH

Areas of interest

1. Statistical analysis
2. Data collection and monitoring
3. Epidemiology
4. Tribal health and education

Internship during MPH IIPH Hyderabad

Safe Care Saving Lives Evaluation

Work experience

Geetams Degree College, Hyderabad, Lecturer

Master of Science (M.Sc)-
Physics, Bachelor of Science
(B.Sc)- Mathematics

Work experience in years:
2-3 year

MS. UDDIPANA BORAH

Areas of interest

1. Maternal and child health care
2. Social and behavioral sciences
3. Environmental and occupational health
4. Non-communicable diseases

Internship during MPH NHM, Assam(National Health Mission)

Child health: Child Death review (CDR)

Achievements

- Poster presentation: *The effects of exposure of heavy metals through contaminated drinking water on health*, International Conference on Environment, Pacific Basin Consortium - PHFI and WHO.

Bachelor of Science (B.Sc)-
Biotechnology

Work experience in years:
Fresher

MASTER OF HOSPITAL ADMINISTRATION (MHA)

Indian Institute of Public Health-Gandhinagar

The programme is designed to develop professionally trained administrators who can play an effective managerial role and provide leadership in public/private hospitals and healthcare institutions. For achieving its intended objective the programme curriculum is structured on a multi-disciplinary perspectives including general management and hospital management theories and practices.

Curriculum of MHA (Indian Institute of Public Health-Gandhinagar)

- Introduction to health sector
- Basics of prevalent diseases & surveillance system
- Essentials of health sector economics & financing models
- Principles of management and legal issues in health sector
- Managerial communication
- Field immersion (exposure to community work and health system -1 month bulk posting at CHC, district hospital, ESI etc.)
- Hospital planning, organization & management
- Social and behavioural sciences in health and hospital management
- Service & quality, management in hospitals
- Financial management
- Managing data and technology in hospitals
- Managing hospital projects and operations
- Human resources and organization management

- Strategic management & contemporary issues
- Marketing management for hospitals
- Internship cum dissertation

Electives in 3rd Semester

- Health Leadership and Management (HLM)
- Integrating Qualitative Evidences in Managing Care (IQEMC)
- Quantitative methods for hospital management (QMHM)

We offer three electives, out of which the student need to select one

Why recruit MHA graduates from IIPH?

- * Our MHA graduates are well equipped with managerial and technical skills for steering hospitals towards excellence
- * Our MHA graduates are equipped with knowledge of government policies and programmes, and hospital management.
- * Our mandatory field immersion, internship, and dissertation cum live-project component gives the students an intense exposure to practical challenges faced by the hospitals and ways to address them.
- * Our MHA graduates have high level of cross disciplinary learning from peers with diverse background.
- * Our MHA students possess a unique blend of capabilities and skills enhanced through rigorous course work.

USP of the program

- * Multi-disciplinary program structure- including general management and hospital management theories and practices
- * Rigorous blend of class and field based learning components
- * Program delivery using variety of teaching techniques- lectures, case discussions, practical exercises, lab-work, hospital visits, seminars, journal clubs, collaborative learning, group discussions, assignments, hands-on training, internship, and dissertation in hospitals
- * Close collaboration with hospital sector.
- * Leading doctors and professionals from renowned hospitals as advisory board members to keep the curriculum focused on the needs of the Indian hospital sector

Students' Profile of MHA (Indian Institute of Public Health-Gandhinagar)

MS. AAKANKSHA R. VASAIYA

**Bachelor of Science
(B.Sc)-Genetics**

MSc.- Human Genetics

**Work experience in years:
Fresher**

Areas of interest

1. Operations management
2. PR management
3. Quality assurance
4. Programme management

Internship during MHA

GMERS & Sola Civil Hospital, Ahmedabad

Study of waiting time and patient rush in the admission area; Functioning and Evaluation of CSSD efficiency in Sola Civil Hospital

Achievements

- Publication: **Curcumin Targets Circulating Cancer Stem Cells by Inhibiting Self-Renewal Efficacy in Non Small Cell Lung Carcinoma.** ; Mirza S, Vasaiya A, Vora H, Jain N, Rawal R.; Anticancer Agents Med Chem. 2016 Sep 23

DR. ARUNDHATI THAKRE

**Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S)**

**Work experience in years:
6-7 Years**

Areas of interest

1. Research
2. Medical Records Department
3. Human Resource
4. PR Management

Internship during MHA

GMSCS(Gujarat Medical Services Corporation Limited)

Assessing how IT has benefited the functioning of the organization

Achievements

Won 1st prize in **Business Model Competition**, Clairvoyance 2017, TISS Mumbai.

Work experience

Child Development Centre for Children with Autism and Neuro Developmental Disorders, Centre Head

MS. DHVANI BHAVIPRASAD VYAS

B.Sc Nursing

**Work experience in years:
Fresher**

Areas of interest

1. Quality management
2. Human Resource Management
3. Operation management

Internship during MHA

Krishna Shalby Multi-specialty Hospital, Ahmedabad

A study to understand HR Policies and HR practices at multi-specialty hospital, Ahmedabad

MS. DEEPSIKHA GIRI

Bachelor of Hospital Management

Work experience in years:
Fresher

Areas of interest

1. Human Resource
2. Quality control
3. Medical records department

Internship during MHA

GMSCL (Gujarat Medical Services Corporation Limited)

Understanding the overall functioning of GMSCL. Topic: Studying the reasons of deficit between the demands and supply of medical goods

MS. JAYSHREE SHAMRAO GARPADE

Bachelor of Pharmacy (B.Pharm)

Work experience in years:
Fresher

Areas of interest

1. Operational management
2. Human Resource management
3. Biomedical & quality assurance
4. Patient relationship management

Internship during MHA

Asian Bariatrics Hospital, Ahmedabad

Exploring various department at Asian Bariatrics Hospital(Multispecialty)- Customer care, Marketing, Operational management, Quality control

DR. KALPANA G CHUIYA

Bachelor of Homeopathic Medicine and Surgery (B.H.M.S)

Work experience in years:
Less than 1 Year

Areas of interest

1. Quality management
2. Human resource
3. Marketing
4. Clinical quality management

Internship during MHA

Apollo Hospital, Ahmedabad

Medical Records Department

Work experience

Muskaan Gynaecological Hospital, Kutch, Medical Officer

B.E- Biomedical Engineering

Work experience in years:
Fresher

MS. KHUSHBU JARIWALA

Areas of interest

1. Quality management
2. Operations management
3. Cost control and business development

Internship during MHA

BAPS Pramukh Swami Hospital, Surat

Quality assurance in hospital and Inventory management in Pharmacy

Achievements

- Poster presentation: "Online Verification of Authenticated Drugs Using e-commerce in India" , ACIES 2018, IIPH Gandhinagar
- Second runner up in Digital India Hackathon : "ECG telemetry system", Google Developer Group, Gandhinagar

Bachelor of Science (B.Sc)- Biochemistry

Work experience in years:
Fresher

MR. MAHARSHI UPADHYAY

Areas of interest

1. Operation management
2. Administration
3. Business and development
4. Quality assurance

Internship during MHA

Shalby Hospital, Ahmedabad

Working in core operations

Achievements

Organised and coordinated **Organ Donation Campaign** by Shatayu

Bachelor of Physiotherapy (B.P.T.)

Work experience in years:
3-4 years experience

DR. NEHA CHAVAN

Areas of interest

1. Quality control
2. Purchase
3. Operation and HR
4. Medical administration

Internship during MHA

HCG Cancer Centre, Ahmedabad

Observation of Operations Department

Work experience

Samarpan Hospital, Ratlam, **Physiotherapist**
Mission Hospital, Ratlam, **Physiotherapist**
Life line Hospital, Mumbai, **Physiotherapist**
Sancheti Hospital, Pune, **Physiotherapist**

DR. NIDDHI GOGRI

**Bachelor of Physiotherapy
(B.P.T.)**

**Work experience in years:
1-2 years experience**

Areas of interest

1. Quality assurance
2. Operations management
3. Human resources

Internship during MHA

Asian Bariatric Hospital, Ahmedabad

Assisting Quality Assurance Department and Human Resource Department

Work experience

Revival Bone and Joint Hospital, Thane, Mumbai, Consultant Physiotherapist

DR. PAYAL GAYAKWAD

**Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S)**

**Work experience in years:
Fresher**

Areas of interest

1. Operation Management
2. Clinical Service Management
3. Marketing Management

Internship during MHA

Apollo Hospital, Gandhinagar

Operation Management- Work on Patient Flow Management

DR. POOJA PATEL

**Post graduate Diploma in
Hospital and Health
Management**

**Bachelor of Dental Surgery
(B.D.S)**

**Work experience in years:
1-2 years experience**

Areas of interest

- | | |
|--------------------------------|-------------------------------------|
| 1. Operational management | 2. Quality assurance and management |
| 3. Clinical service management | 4. Medical administration |

Internship during MHA

GMERS Medical College and Civil Hospital, Sola, Ahmedabad

An observational study on patient waiting time in main registration area of Out Patient Department

Assessment of In-patient's feedback on services in Post Natal Care Ward of Civil Hospital, Sola, Ahmedabad

Work experience

Amrapali Dental Clinic & Implant Centre, Ahmedabad, Associate Dentist

Fine Feather Dental, Ahmedabad, Associate Dentist

MS. PRAJAKTA MURLIDHAR KHANDAIT

Areas of interest

1. Operational management
2. Human resource management
3. Supply chain management

Internship during MHA

Asian Bariatrics Hospital, Ahmedabad

Observation-ship in: Operational Management, Quality Control, Human Resource and Marketing department

**Bachelor of Pharmacy
(B.Pharm)**

**Work experience in years:
Fresher**

DR. RAKESH KUMAR PANDYA

Areas of interest

1. Medical service management
2. Clinical quality management
3. Operation management

Internship during MHA

Apollo Hospital, Gandhinagar

Quality Department, Implementing Clinical Pathway

**Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)**

**Work experience in years:
Less than 1 Year**

Work experience

Zydus Hospital, Anand, Clinical Co-ordinator

DR. RUHI SAXENA

Areas of interest

1. Operational management
2. Sales and marketing
3. Human resource
4. PR management

Internship during MHA

Fortis Hospital, Mohali

Human resource management- Recruitment and selection

**Bachelor of Dental Surgery
(B.D.S.)**

**Work experience in years:
Fresher**

DR. RUPAL S RATHOD

Areas of interest

1. Operation management
2. Public relation management
3. Marketing
4. Program Management

Internship during MHA

Shalby Multispeciality Hospital, Ahmedabad

Detailed study on patient satisfaction scale in IPD & Services

Work experience

Parekh's Hospital, Ahmedabad, Medical Officer

**Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)**

**Work experience in years:
2-3 Year Experience**

DR. SANJAY KUMAR KANTIBHAI PARMAR

Areas of interest

1. Operations management
2. Quality management
3. Clinical management

Internship during MHA

CIMS Hospital, Ahmedabad

Operations Trainee and TAT of radiology department

Work experience

Niramay Hospital, Anand, Medical Officer

**Bachelor of Homeopathic
Medicine and Surgery
(B.H.M.S.)**

**Work experience in years:
1-2 Year Experience**

DR. SWETA S. RAJPUT

Areas of interest

1. Marketing/ Branding
2. Medical administration
3. Operations management
4. Human resource

Internship during MHA

HCG Hospitals, Ahmedabad

HCG Administrative office - Recruitment and selection.

**Bachelor of Dental Surgery
(B.D.S.)**

**Work experience in years:
Fresher**

INDIAN INSTITUTE OF PUBLIC HEALTH- DELHI NCR

Integrated MSc and PhD In Clinical Research

This multi-disciplinary program focusses on the scientific, ethical and operational issues related to clinical research. This Clinical Research program is a blend of principles of basic and advanced research and its application in health sector.

Curriculum of Integrated MSc and PhD in Clinical Research

Core Modules

- Basics in epidemiology
- Basic Biostatistics
- Clinical trials- design and analysis
- Clinical trials- conduct and operational issues
- Bio-ethics and regulatory affairs
- Medical writing - Proposal, Protocol development, and Report writing
- Basics in data management
- Pharmacovigilance and drug regulation
- Drug Development
- Systematic reviews and meta-analysis
- Project management and communication

Elective Modules*

- Advanced statistics
- Advanced epidemiology
- Genetic epidemiology
- Advanced data management

- Economic evaluation
- Medical innovation
- Drug discovery
- Laboratory sciences
- Pharmaceutical biotechnology

Open Electives

***We offer 9 electives, of which the students need to choose any 4 modules**

Core competencies acquired through program

- Reviewing existing evidence in literature
- Developing a grant application in bio-medical research
- Managing ethics and regulatory approvals of protocol
- Managing a research project
- Managing research/clinical trial data
- Planning and executing statistical analysis
- Communicating research results to scientific community

Students' Profile of Integrated MSc and PhD in Clinical Research (Indian Institute of Public Health-Delhi NCR)

**Bachelor of Dental Surgery
(B.D.S.)**

**Work experience in years:
7-8**

DR. ANKUSH KUCHEKAR

Areas of interest

1. Pharmacovigilance (Medical coding, Signal detection)
2. Medical writing
3. Clinical epidemiology (Non- communicable diseases and cancer)
4. Drug development

Dissertation topic in MSc CR 4th semester ESIC Hospital, Rohini, New Delhi

Performance of CADT in comparison with clinical diagnosis/biopsy in distinguishing healthy oral mucosa and benign oral lesions from oral potentially malignant disorders and oral cancers

Work experience

Indore Dental Clinic, Dentist

Pharm.D (P.B)

**Work experience in years:
Fresher**

DR. HARI KRISHNA RAPOLU

Areas of interest

1. Drug development
2. Health and pharmacoeconomics
3. Economic evaluation
4. Clinical pharmacy

Dissertation topic in MSc CR 4th semester Community settings, Andhra Pradesh

Willingness to pay for rotavirus vaccine in South-India.

B.Sc – Life Sciences

**Work experience in years:
Fresher**

MS. NEHA TIWARI

Areas of interest

1. Clinical Data management
2. Project management
3. Pharmacovigilance

Dissertation topic in MSc CR 4th semester Kendriya Vidhyalaya Vigyan Vihar, Delhi

Prevalence of musculoskeletal pain – A cross sectional survey among school children

MR. KIRUBAKARAN K K

B.Tech - Biotechnology

Work experience in years:
2-3

Areas of interest

1. Clinical Data Management
2. Applied biostatistics
3. Clinical trial of medical devices
4. Clinical trial conduct and operations

Dissertation topic in MSc CR 4th semester Community setting, Tamil Nadu

Prevalence and associated factors of frailty among community-dwelling elderly in rural South India – A cross sectional study

Achievements

- Appraised with an outstanding rating in FA FY2015-2016 and FA FY2016-2017 at TCS
- Received On the spot award, Special Initiative Award and Outstanding Performance Award at TCS
- Appreciation from client for maintaining 100% CSI (Customer Satisfaction Index) at TCS
- Poster presentation: *Gmelina arborea* induced relaxation in isolated rat ileum – an *ex-vivo* study at International conference on Pharmacognosy, Photochemistry and Natural products, Hyderabad

Work experience

TATA Consultancy Services Ltd., (Engineering and Industrial Services)
Medical Device and Pharma manufacturing – Systems Engineer

MR. RAJATH R PRABHU

B.Sc – Life Sciences

Work experience in years:
Fresher

Areas of interest

1. Pharmacovigilance
2. Drug discovery and development
3. Epidemiological studies and NCDs (Cardiovascular and mental health)
4. Chemistry and bio-chemistry

Dissertation topic in MSc CR 4th semester Safdarjung Hospital, Delhi

A cross-sectional study to understand the use of generic medicine among consumers in North India

MS. RUPALI JANGID

B.Sc – Microbiology

Work experience in years:
Fresher

Areas of interest

1. Epidemiological studies (Genetics and infectious disease)
2. Pharmacovigilance
3. Clinical data management
4. Project management

Dissertation topic in MSc CR 4th semester

Indraprashta Apollo Hospital, New Delhi

Psychological morbidity in Pediatric Intensive Care Unit (PICU) survivors and pediatric patients admitted to wards in a tertiary care hospital in Delhi, India – A comparative prospective cohort study

Achievements

Vice President – Student Union at Institute of Home Economics, University of Delhi

MS. SANCHI LUTHRA

B.Sc – Life Sciences

Work experience in years:
Fresher

Areas of interest

1. Post Marketing studies involving pharmacovigilance
2. Clinical Trials
3. Non communicable disease and mental health
4. Epidemiological studies

Dissertation topic in MSc CR 4th semester

Community setting, New Delhi

Walkable streets: An exploratory study of walking indicators of the built environment

MS. SHIVANGI KUMARI

B.Sc – Biotechnology

Work experience in years:
Fresher

Areas of interest

1. Genetic epidemiology
2. Pharmacovigilance
3. Drug development
4. Systematic review

Dissertation topic in MSc CR 4th semester

NICPR, Noida

Clinical and genetic risk factors associated with breast cancer
