ABOUT SHARDA UNIVERSITY

The Sharda Group of Institutions (SGI) have been the provider of world class education since 1996. SGI the largest educational group based in Uttar Pradesh, has on its rolls 20,000+ students and more than 1200+ faculty members. Its 47,500+ alumni are today the leaders in their realms. The state-of-the-art campuses in Agra, Mathura and Greater Noida are located on 180 acres of land. Sharda Group of Institutions were the first in the self-financing sector in North India to receive Accreditation from the National Board of Accreditation (NBA) for internationally competitive Teaching-Learning Processes and Infrastructure facilities.

Responding to the strong need of bringing world class education to India at affordable price, Sharda Education Trust established a multi-disciplinary global university in the year 2009. Sharda University is located at Knowledge Park-III, Greater Noida in the National Capital Region (NCR), 25 km away from New Delhi.

The curriculum offered is continuously upgraded to keep pace with the overall development of industry and in line with the best practices followed world over. Highly stimulating instructions developed by experienced Indian and International faculty are delivered in ICT enabled environment, to train students and to develop their skills in tune with national campaigns like; 'Make In India' and 'Digital India'. The teaching-learning process coupled with convenient and flexible credit options make Sharda University a truly global University.

ABOUT THE PROGRAM

The new Industry Ready B.Com (H) in Finance & Accounts is a unique specialization that is offered by Sharda University with ICA Edu Skills Pvt. Ltd. as Industry Partner. The program has been designed with inputs from industry experts to train students for the competitive and fast-growing sector of Finance & Accounts. The curriculum has been prepared with industry requirements in mind and emphasizes practical and application-oriented learning.

COURSE OBJECTIVE

The objective of the course is to prepare a select cadre of future-ready professionals who will not only be efficient and effective managers but also inspirational and innovative leaders. The course would also emphasise on creative and refreshing approach to business problems resolution and identifying and tapping new opportunities in the market place. The program is designed to familiarize students with the Finance and Accounting operations in the country and also how financial markets work. The curriculum provides an integral part of the education for students looking for Finance & Accounting positions in financial institutions as well as other corporate houses.

CAREER OPPORTUNITIES

As the Indian economy grows stronger, there will be an explosion in the fortunes of Indian individuals. The Economist report says that India will overtake the Chinese economy by 2020. And the one vehicle that can straddle this growth is the Finance sector especially the financial services industry.

With India still being better off than other troubled economic conditions overseas, a number of MNCs are setting up new operations and are aggressively hiring finance professionals in India. A snap shot reveals a huge demand :

BANKS : India has particularly a strong long term growth potential. Projection suggests it could become the third largest domestic banking sector by 2050 after China & the US, but ahead of Japan, the UK & Germany. The banking industry, which currently employs 900,000 people, is expected to add 600,000 more over the next five years.

STOCK MARKET : Estimated at 1 lakh crore worth transactions per day

COMMODITIES : Estimated at 70k crore worth transactions per day
