About The Vice President

MRS. SUSHAMA CHORDIYA

Mrs. Sushama Chordiya is the driving force along with the Founder President and Chairman and she is the prime mover for social and holistic well being and Maternal face of the Group. She has been instrumental in conceptualizing and executing several initiatives for the holistic development of the students and the society which touch the lives of generations of future citizens & ensure that they have solid foundation that complements the academic input provided by formal education. She is also an inspiration and role model for female students and faculty of Suryadatta Group.

Message from The Vice President

The world is evolving at a rapid pace and we are witnessing unprecedented changes all around us.

Keeping in sync with the evolving socio-economic milieu, on the horizon industry trends and dynamic demands from a global and digital society, Suryadatta Group of Institutes has embarked on a path that reinvents itself into a 21st century academic conglomerate that touches several aspects of lives of the student community and contributes to their overall wellbeing.

As a group we are integrating ourselves more closely with the wider academic, entrepreneurial, industry, policy making and social ecosystem. We have taken several steps in this direction.

Some of the key aspects include building a wider web of renowned and acclaimed academic partners in the form of HBS online, IIMBx, AIMA, Lincoln University Malaysia, TCSiON, Cambridge Business English, SAP etc., taking learning beyond the classroom and making it more socially relevant in terms of more touch points on the field with local and global immersion programmes and a wider adoption of digital learning in line with the expectations of the student community and the probable work place of the future.

All constituent institutes of Suryadatta Group have on their radar various key interventions that contribute towards the development of a startup, innovation and incubation culture. Our academic partners such Multi varsity are acting as the icing on the cake for our efforts. This ensures that we not only create job seekers, but we nurture job creators as well.

We firmly believe that skilled and well educated human talent is merely one of the many facets of consistent and sustainable national development. This must be supplemented with human and moral values as well as a healthy mind, body and soul. Right since our inception, we have never lost sight of our commitment to the society. Our students are imbued with the right personal and social values and are sensitised towards various facets of social and public life. As a group we have gone beyond our formal responsibility of curriculum delivery to inculcating best practices that lead to healthy and empathetic human beings. Excellence, to us, is not a destination but a continuous journey. We shall not be content with the accreditations and ratings received and the awards bestowed upon us, but shall continue our march towards a socially responsible and digital society with a global outlook.

The entire team of top leadership, Senior faculty administrators, faculty members as well as the administrative staff and the placements cell are geared with full energy vigor and competencies to deliver the best learning experience in an online as well as blended format. Details of the same are provided at 47 page in the brochure.

Keeping in mind the desired learning outcomes and graduate attributes, the entire ecosystem at Suryadatta is aligned with the demands of the new age digital learner and the next generation workforce requirements. The students shall immensely benefit from the synchronous and asynchronous learning initiatives structured for them with an aim to make them ready for the 7 life pathways that the Suryadatta Group believes in letter and spirit. I draw your attention to these initiatives listed on page.

Farhad Khan - Batch : 2009-11
Retail Operation Manager
Forever 21 (Singapore)

My life story is of a journey from Jharkhand to Pune to Singapore. After completing my PGDM at Suryadatta, I got placed in a company in Singapore. The curriculum at Suryadatta has allowed me to understand the basics behind corporate functioning.

I like the course structure, much because of the international perspective involved, and the faculty. The way they correlate everything with global, and live, scenarios and case studies is staggering.

“ I completed my graduation & came to Suryadatta, Pune for pursuing PG and my final journey began in Pune as a post-graduation student. Like every other student, I also had a concern about my overall development & placement.

Mr. Subrat Panda
Batch : 2005-07
General Manager
Vritti Solutions Ltd.

I started my learning from the college like being a team player, participating in different events and activities. During my academic session, a number of seminars were organized, where great businessman, entrepreneurs, managers of MNCs guided us. I also got time for taking care of my health and fitness. The day ended with Reflection activity. We used to write down what we learnt today, and present to the Director the next day. The busy days spent during college at Suryadatta helped me develop hard working ability and my aptitude.
