ABOUT US

Established in 1988 in Airoli, Navi Mumbai DMCE touched innumerable Milestones with unlimited credentials and accomplishments. Institute is NAAC **accredited, approved** by **AICTE New Delhi**, and **recognized by DTE & Govt. of Maharashtra**, and one of the most reputed institutions affiliated to **the University of Mumbai**. The overall intake of the institute at UG,PG and PhD is 837 students in varied branches like, Civil, Civil and Infrastructure, Mechanical, Computer, IT, Chemical and Electronics Engineering. The institute nurtures more than 3000 students annually.

VISION

To create values-based technocrats to fit in the world of work and research

MISSION

To adopt the best practices for creating competent human beings to work in the world of technology and research

President's Message

Science and Technology has always been an integral part of Indian culture. The innate ability to perform creatively in science came to be backed with an institutional setup and strong support by many educationalists. In the recent years the contribution of these institutions has created tremendous opportunity for the nation to leapfrog to the next wave of technology in research and public service. We are devoted to the conviction of strengthening human capacities towards the growth in the fields of Engineering and Technology.

The innovative practices adopted are the steps towards imparting preeminent educational experiences that are responsive to the needs of 21st century.

Our legacy is to value academic excellence, professionalism, ethics and cultural diversity among its faculty, staff and students.

So I invite all the stakeholders to have single-minded devotion to achieve success.

Mrs. Gauri Bhattacharya

President
Nagar Yuwak Shikshan Sanstha Airoli

Principal's Message

The Endeavor of the institution over three decades is to transform many of the young and bright learners into aspiring Engineers seeking challenging opportunities at global level. The institution has grown up in its intake capacity from under-graduate to post-graduate and further doctoral (Ph.D.) programs in various disciplines of engineering education.

We also nurture the intellectual growth of our students by providing knowledge as per the curriculum and beyond it, with the help of experienced faculty and experts from the industry. We are proud to produce the leaders in technology who serve the humanity through application and dissemination of knowledge along with the best Engineering practices. My best wishes to all the learners.

Campus

Located in a serene atmosphere, the campus is spread over 2.50 acres of land. The institute is strategically located in the developed node of Airoli, Navi Mumbai, thoroughly connected to Mumbai- Thane and all other nodes of Navi Mumbai by bus and train.

GYM

Health conscious students can enjoy the well-equipped gym before and after the college hours.

CANTEEN

The canteen offers appetizing eateries and beverages at subsidized prices and conducive atmosphere to refresh themselves from regular and hectic schedules.

BADMINTON COURT

The badminton court on second floor is made of world class quality to encourage students for extracurricular activities as well as stress buzz.

LANGUAGE LAB

The Language Lab is an audio-visual installation with ETNL Software used as an aid to teach English in all the skills-listening, speaking, reading and writing. Students are free to avail this facility all the four years. Special emphasis is given to weaker/ Vernacular students to perform better in campus placements. Remedial sessions are conducted after every semester, during the break.

Student Support Systems

Various Committees setup for effective functioning of the institute:

- Anti-Ragging Committee
- College women Development Cell
- Grievance and Redressal Committee
- Women's Grievance Committee
- SC/ST Committee
- College Development Committee

All these committees are monitored by the Principal regularly.

Student Forums:

- ACES(Association of Civil Engineering Students)/IWWA(Indian Water Works Association) DMCE chapter of Civil Engineering
- IEEE(Institute of Electrical and Electronics Engineers) / ISTE(Indian Society for Technical Education) of Electronics Engineering
- ISHRAE (The Indian Society of Heating, Refrigeration and Air Conditioning Engineers)/ FOMES(Forum of Mechanical Engineer Students)/SAEINDIA Collegiate Club
- CATT(Computer Association of Technological Trends)/CSI(Computer Society of India) of Computer Engineering
- SOChE(Students Organisation of Computer Engineers)/ IChE (Indian Institute of Chemical Engineer Students) of Chemical Engineering
- GITS(Group of Information Technology) of Information Technology
- IPR(Intellectual Property Rights) Cell

In addition to all these committees and forums, students are constantly supported and monitored at individual level in the following ways:

- Professional guidance is provided to all the students through guardian teachers in all the day to day activities.
- A team of Heads of the Department, senior faculty, T&P officer, Alumni and Industry experts guide the students for the overall development of the students and career advancement.
- Specific course work is dealt by the respective teachers through personal sessions as well as remedial sessions. Extra practical sessions are allocated for those who miss or wish to repeat experiments.
- No. of students per mentor is 1:20
- Frequency of parents/students meeting – once in a month
- The faculty mentors are allotted in such a way that he/she has an hour of practical/tutorial session every week. The teacher monitors the attendance and academic performance regularly. The grievance, if any is noted and solved. If required, the same is presented in front of HOD/ Principal for amicable solution.
- Students are counseled for poor performance in exams/ attendance. Parents are also called and counseled.
- The students are encouraged to participate in various co-curricular and extra-curricular activities through events like Tech- fest, Annual gathering, Sportzilla, Fresher's party, workshops and seminars.

Library

The library possesses 46373 technical books, in addition to magazines, national and international journals. The library also provides open access to e-journals databases like IEEE, ASPP+POP, ASME and ASCE. The facilities include an Open Access System, computerized bar coding system to issue and return the books, audio/video sets to view technical videos and institutional repository, library website, webopac etc. Institutional membership of Indian Institute of Technology, Bombay, NDL and Multimedia system are also provided to students.

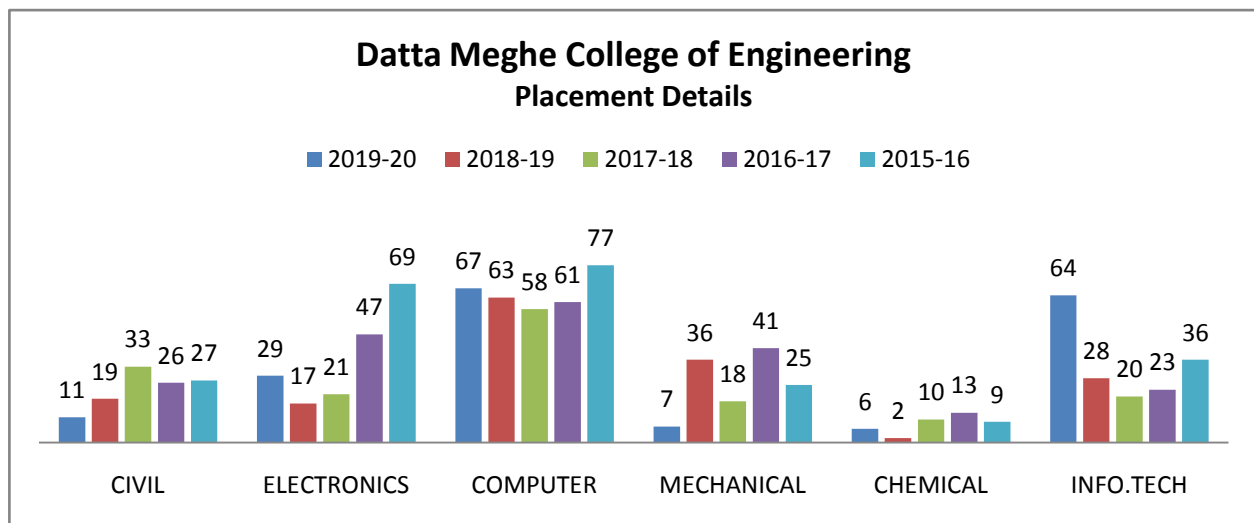

Training and Placement Cell

As a part of the efforts to place Engineering students in prestigious organizations the college has delineated long term strategy to develop and strengthen the relationship with the corporate world, and established healthy relations with the industry. The requisite inputs, the ongoing interaction with industry experts, and the large alumni enhance their practical knowledge. To say, the students are nurtured in the atmosphere of everyday learning. The Industry-Institute interaction is enhanced through various activities. Training and Placement cell encourages students to participate in various competitions sponsored by Industries. The activities for this year include:

- Training program arranged for final year student for Preparing for Campus by Campus Credential.
- Career guidance lecture were arranged with the help of ALUMNI and Industrial people like TCS, Capgemini official etc
- College received Price of Best Performing college by Mastak for Deep Blue competition, where students participated for last 5 sessions.
- Students were guided for various technical and non technical competitions & encouraged them to take part in it and got good results.
- Arranged training in Analytics like last three years, sponsored by eCLERX and NASSCOM where 80 students participated.

YEAR WISE PLACEMENT OF STUDENTS

E CELL - DMCE

The Entrepreneurship Cell of the college is in its fourth year. It has been continuously working to foster entrepreneurship.

Activities

- Members of Entrepreneurship Cell, DMCE successfully started their own start-ups
- ENSPIRE 2019 was organized, eminent speakers were invited from companies, and Alumni turned Entrepreneurs, were also invited as chief guests

Student Counseling

A professional Counselor is delegated to help the students in the areas of academic achievement, personal and career enhancement, ensuring that the students are counseled for various issues faced by them.

ACTIVITIES OF TRAINING & PLACEMENT CELL

Students participation in Deep Blue by Mastak

Technical Guidance to students by officials of Cpgemini

Career Guidance by Navy official

Analytical Program for BE students sponsored by eclerx & Nasscom

Guidance to students by Capgemini

Department of Civil Engineering

(Year of Establishment: 1988)

Sanctioned Intake: UG - 120 (Regular shift) + 60 (Second Shift), PG- 18, PhD- 10

About the Department

- Highly qualified and experienced faculty including 08 with Doctoral degree and all other with Master's degree with diversified specialization and research areas
- M.E. Program in Structural Engineering
- Research centre for studies leading to the Doctoral Degree
- Consultancy and Testing Cell(CEDTCC)

Facilities:

- Well-equipped 11 laboratories for UG, 02 Lab for PG and a Research, standardized as per the norms and specifications of Bureau of Indian Standards (BIS) and having all the standard software to support the research activities. This is to provide students with a strong fundamental, scientific and technical knowledge-base and critical thinking skills to serve as the foundation for lifelong learning in Civil Engineering career.
- Departmental reference library containing titles of text and reference books, UG Projects, PG Dissertations, Ph D Thesis and Journals.
- A Consultancy and Testing Cell (CEDTCC) to offer consultancy and testing services in Structural, Transportation, Geotechnical and Environmental engineering. The cell is associated with several projects of national importance.

Achievements:

- Six research scholars have been awarded Ph D and nearly 100 students are awarded Master's degree from the Institute
- Many students appear in merit list and majority of them either secured distinction or first class. Five research projects sponsored by the University of Mumbai have been completed successfully by the faculty members of the Department.
- Contribution of faculty members to Research in the form of research publication in India and abroad:
 - 79 papers published in International Journals and 16 papers in National Journals
 - 149 papers published in International Conferences& 134 papers published National Conferences
 - 05 Books Published, and 03 Patents are filed
- Faculty representation at the University on various constitutional bodies such as Member, Faculty of Technology, Board of Studies in Civil Engineering, Local Inquiry Committee, University Staff Selection Committee, UG and PG Syllabus Revision Committee
- The department is involved in Research Projects – Sponsored by University of Mumbai
- Signed a Memorandum of Understanding with Water Field Technologies Pvt. Ltd.

Activities

- Association of Civil Engineering Students(ACES),a student's organization within the Department is actively involved in various extra-curricular and co-curricular activities
- Site Visits are arranged by the department for effective field exposure to the students
- Conferences, seminars, workshops and Short Term Training Programs are arranged by faculty members
- Recently, two STTP programs were conducted in the campus on recent innovations in Civil Engineering STAAD-Pro, Computing Techniques in Civil Engineering
- The department is associated with Research Projects – Sponsored by University of Mumbai.

Department of Electronics Engineering

(Year of Commencement – 1988)

Approved Intake: UG - 120 PG - 18 Ph.D. - 10

About the Department:

- Highly qualified, senior and experienced faculty from varied specializations
- Five Doctoral Faculty members and eight faculty members pursuing Ph.D.
- Offers postgraduate program M.E. (Electronics & Telecommunication Engineering)
- Having University recognized Research Center of University of Mumbai for study of Ph D (Doctoral) Degree in Electronics Engineering
- Well-equipped laboratories with modern equipments, instruments and latest high end software like RTOS (μ COS-II), Orcad P-Spice, Microwind, Xilinx etc.

Facilities

- All the laboratories are well equipped and supported with computing facility and 100 Mbps Internet connections.
- All the classrooms are ICT enabled with Audio Video support and Wi-Fi Facility.
- Further equipped with on-line Teaching Tools and support with virtual laboratories
- Departmental library which houses more than 500 reference Books and IETE Journals
- Well-equipped Electronics workshop with PCB Design software and related Hardware Set-up
- Round the clock availability of Electronic Workshop and required laboratories to students for active participation in National and International Project competitions like Smart India Hackathons, etc.

Achievements:

- Students proactively participate in Smart India Hackathon (SIH) every year. Multiple student groups have been successfully been shortlisted for SIH 2020.
- Students Participated in e-Yantra Robotic competition @ IIT Bombay
- Students successfully reached the final rounds of Project Deep Blue, an MASTEK initiative for addressing Social concerns using Technology.
- Final year result of Academic Year 2018-2019 was 95.79 % with 13 students securing Distinction
- Final year result of Academic Year 2017-2018 was 97.19% with 16 students securing Distinction
- Many faculty have published research papers in peer reviewed, Google scholar & Scopus Indexed and reputed journals of national and International repute

Activities:

- Regularly hosting Yearly League of International Conference on Advance Trends in Engineering (ICATE) in association with ISTE, New Delhi: ICATE 2017, ICATE 2018, ICATE 2019, on-Line ICATE 2020.
- Regularly hosting Yearly League of Technical Project Competition "ELECTROWIZ" in association with IETE, Navi Mumbai - Intercollegiate: Electrowiz-2016, Electrowiz-2017, National Level : Electrowiz-2018, Electrowiz-2019.
- IETE-DMCE Students Chapter has released 2019-20 volumes of bi-annual e-Magazine 'Tec buzz'
- Various co-curricular activities like Webinars, On-Line National Level Quizzes, STTP, Seminars, Workshops, Expert sessions, Mock interviews and other brain storming sessions were organized by the department in association with student organizations like EESA & IETE Student Chapter.
- Social obligations are keenly addressed by our Students through various NSS Activities.

Department of Computer Engineering

(Year of Commencement – 1992)

Approved Intake: UG - 120 PG – 18 Ph.D – 15

About the Department:

- Approved Research Centre for Ph.D. programme recognized by the University of Mumbai, with around 15 scholars pursuing Ph.D
- 07 faculty from the department are Doctorates and 04 are pursuing Ph.D. in different fields of Computer Engineering
- Highly proficient and dedicated faculty having expertise in disparate fields of technology
- Also offers Post Graduate degree in Computer Engineering

Facilities:

- All 09 laboratories are well equipped with computers having latest configuration, and also provide access to various application software such as Mat lab, Rational Rose, Java, VB.net, ASP.net, Visual basic, C,C++ and database software such as Oracle and SQL Server
- Department has an independent library with more than 400 books

Achievements:

- 116 students bagged distinction, 26 of them secured first class, and an overall result of the BE students for the year 18-19 was 94.77%
- 118 students bagged distinction, 21 of them secured first class, and an overall result of the BE students for the year 17-18 was 95.24%
- Final year result for 2016-17 was 96.98% with 98 and 34 students securing distinction and First class respectively
- M.E result for academic year 2018-19 is 100%
- Faculty have published more than 600 technical papers in various Conferences and Journals.

Activities:

- CSI DMCE Student Chapter was inaugurated in the year 2012-13
- CSI-DMCE Student Chapter in association with CATT (Computer Association for Technological Trend), a student association organizes various events like Technical Fest, group discussions, Workshops on latest technologies, Coding leagues and seminars
- Students from the department are selected for internships in various companies also have been participating in Smart India Hackathon last four years.
- Faculty members represent the university on various authorities such as Faculty of Technology, Board of Studies, Board of Editorial and Reviewers at varied national and international conferences.
- Active participation in NSS unit of the college.
- More than 200 students have published technical papers in various Conferences and Journals.
- Department publishes yearly Newsletter "CSI-DMCE Connect"
- Many students have their own start-ups.

Department of Mechanical Engineering

(Year of Commencement: 1993)

Approved Intake: UG - 60 + 60 (Regular + Direct Second Year) PG-18. Ph. D - 10

About the Department

- Highly qualified, senior and experienced faculty having diversified specialization and working in different research areas
- The Department is having University recognized research centre of University of Mumbai for the Doctoral program (Ph.D.) Degree in Mechanical Engineering since 2013
- Offers Postgraduate Program M.E. (Mechanical) with specialization in CAD/CAM & Robotics since 2011
- Well-equipped laboratories with modern equipment, instrument, high end experimentation setup and latest legal software installed

Facilities

- The department is well-equipped with 10 laboratories for UG, 01 Lab for PG and Research as per the norms and specifications of All India Council of Technical Education (AICTE), New Delhi and University of Mumbai.
- The computer laboratory of department is having all legal & standard software to support the practical content of courses and research activities related to mechanical engineering
- The department has exclusive departmental library containing 600 text and reference books of various titles for the use of students & faculty
- The internship is provided to the students in various industries during summer and winter vacation also counselling session have been conducted for their personal growth

Achievements

- Consistently good results around 90% at University Examination of B.E. and many students securing distinction and appearing in the university merit list
- Final Year result for Academic Year 2017-18 is 92.07% therein 92 students secured Distinction and 26 students secured First class
- Two research projects are sponsored by the University of Mumbai to the faculty in last two years
- Dr. Vilas B. Shinde hosted 61st National Convention of IIIE and 5th International Conference on Industrial Engineering (ICIE-2019) as co-convener of the convention at SVNIT, Surat on Dec 12-14, 2019.
- Dr. Vilas B. Shinde awarded with Goonj Global Award of 2020 by S. S. T. College of Arts & Commerce Ulhasnagar-1 during the convocation ceremony-2019 of the College.

Activities:

- IIIE-DMCE Students Chapter in association with IIIE, NHQ, Mumbai has organize one week online workshop of Lecture series on "Application of Industrial Engineering in Manufacturing and Infrastructure" on 18-22nd, May 2020, Dr. Vilas B. Shinde, Organizing Convener has hosted the workshop on Zoom online during the situation of Covid-19 pandemic.
- The MOU has signed between Rashtriya Chemical & Fertilizers (RCF) and Datta Meghe College of Engineering (DMCE) on 30/08/2019 at RCF, Chembur. The MOU signed by Mr. Gajbhiye, DGM (HRD), RCF and Dr. S. D. Sawarkar, Principal of DMCE.

- This MOU is for conducting the trainings, plant visit, internship and expert talk for the students of various disciplines. DMCE Students Chapter has inaugurated on 27th Feb 2020 (AY 2019-20), Hon'ble Chairman of IIE Sri. D. V. Bhagat, Mumbai IIE Chapter Chairman Dr. S. U. Bokade, and Dr. Vilas B. Shinde, Chief Faculty Advisor and Head of Department has inaugurated the chapter.
- Guest lecture was organized on "Awareness of Industry Automation" in association with Prayas Automation Academy on 27th Jan 2020 along with demonstration on mechatronics kits.
- Guest lecture was organized on "Career Opportunity in the Design Field" in association with Creser Training & Consultancy LLP (Start-up by DMCE Alumni) on 11th Feb 2020.
- Team Torrid Racing secured the 1st rank in Mumbai in BAJA SAE INDIA (Indore edition) 2019 Competition held at NATRIP, PITHAMPURA in January, 2020.
- Many events were won by the students at inter and intra college and university level competitions

Department of Chemical Engineering

(Year of Commencement – 1999)

Approved Intake: 60

About the Department:

- Faculty members have specialized in varied fields of Chemical Engineering such as Reactive Chromatography, Environmental Engineering, Petrochemical Technology, Membrane Technology, Biotechnology, Piping Engineering, Advanced separation.
- 04 faculties have Ph.D. degree and 04 are pursuing the same in different fields of Chemical Engineering.
- Seven faculty members and many students successfully completed NPTEL courses.

Facilities:

- 08 Chemical Engineering Laboratories including Computational Laboratory facilitate students to perform practicals thoroughly
- Mathematical Modeling & Simulation Software like Simulink, and Unisim R-400 are used

Achievements:

- University result for May 2019 exam was 100 % with 40 distinctions and 30 first class out of 77 students.
- Students were placed in Companies like Jacobs and Toyo Engineering.
- Aditya Nair of Second Year represented India and participated in Indo Thailand international football championship At Bang Lamung Thailand and won silver medal.
- Department arranged internship in RCF, BPCL, Sudarshan Chemicals, Ordnance Factory Ambarnath, NSTI, BHEL, Century Rayon and other Industries for more than 24 students of SE, TE and BE.
- Many guest lectures and interaction with Industry experts were arranged by the department under the banner of IChE and SCOCHE
- Three faculty members: Prof. S.M. Deshmukh, Mrs. Sonali Dhokpande and Mrs. Pratibha Gawande got their PhD degree this year.

Activities:

- Students Organization of Chemical Engineers and Indian Institute of Chemical Engineers Student Chapter of Chemical Engineering organized seminar on, “ Application of Process engineering”
- Industrial Visit was organised for TE and BE students to Bombay Rayon Ltd On 4th and 5th October 2019
- National level Technical Paper Presentation on 27th September 2019 was organised by the department.
- Students Organization of Chemical Engineers and Indian Institute of Chemical Engineers Student Chapter of Chemical Engineering organized seminar on, “ Chemical Process and Safety Aspects”

Department of Information Technology

(Year of Commencement 2001)

Approved Intake: 120

About the Department:

- The department of Information Technology, though younger than other departments, is progressing by keeping standards of teaching, with well qualified and efficient faculty.
- Department has established “Learn by Project” system through adopting and implementing projects from diversified area of society. Department is backbone of the Institutes’ IT services, providing and maintaining academic and examination databases through own ERP

Facilities :

- Well equipped Laboratories with required software and systems.
- Development platform:- Linux, Windows, VMware, Cloud, Android available in laboratories.
- Facilities for experimentation of IoT, Machine Learning, Artificial Intelligence, Cloud and network and Security Implementation.
- In-house project development and Internship in the diverse area Like Data Science, ERP, Cloud and Web portals.
- Technical student activity club (GITS) for students to develop their innovative skills in development.
- Mentoring and nurturing students for enhancing their personality, soft-skills, entrepreneurship skills, aptitude building and higher education.

Achievements:

- Organized the day and night coding competition “DMCE Hackathon” on 24th and 25th January 2020, sponsored by Capgemini.
- A group of students secured all India Top 10 position in “Online Hackathon on Data driven Innovation for citizen grievances”. They won cash prize of Rs 10,000/- which was conferred by Hon’ble Minister in the inaugural session of 23rd National Conference on E-governance, Mumbai- dated on 7th and 8th Feb 2020 at National Sports club of India, Worli, Mumbai.
- A group of students bagged 2nd runner up prize of Rs. 25,000/- in Deep Blue project competition By Mastek: Held at K.J.Somaiya Ground, Sion; dated on 16th Feb 2020
- A group of students gained 1st runner up with cash price Rs. 15000/- in Hackathon on Blockchain: Held at Thadomal Sahani College of Engineering
- Around 50 students of third year and final year have successfully passed the spoken tutorial online python course exam conducted by IIT Bombay.
- 93 % Result for 2018-19, with 13 students securing above 7.75 CGPI (distinction) and 49 student securing above 6.67 CGPI (First Class)

Activities:

- A two days workshop was organised on “How to design Personal Website” for faculty
- A Guest Lecture was conducted on “Energy conservation” conducted by Mr. Sambhaji Kadam, Asst. Faculty, PCRA India
- “Machine learning & Deep learning” a one day workshop. It was hands on session was organised
- A one day Hands-on-workshop was held on: Introduction to Docker for Developers on 5th Dec 2019.
- Two seminars were conducted on Internet of Thing on Google Crowd source on 23rd Sept 2019.
- A Technical Quiz "TECHQUIZ" is organized on 30 Aug 2019
- Two days Web Development workshop is organized on 19 and 20th Sept 2019.

Department of Humanities & Sciences

Since 1988

Overall Approved Intake of First Year - 720

About the Department:

Humanities & Sciences fosters the foundation courses to all the branches of Engineering. It includes four diverse subjects: Applied Physics, Applied Chemistry, Applied Mathematics and Professional Communication & Ethics. The curriculum instills adaptive skills to serve the rapidly changing requirement for a wide variety of fields. Department aims at including the values and ethics in students and make them skilled and dedicated professionals.

- Well-equipped laboratories and workshop are attached to the department.
- The Departments has 07 Doctorates and a faculty is pursuing Ph.D.

Activities:

- **36 hours of Induction Programme introduced by AICTE: Highlights of Induction Session:**
