SYMBINAR-2020

Live Webinar Series, 2020

The Corporate Interaction Cell (CIC) of SIBM Hyderabad has come up with fresh initiatives in recent times that include 'SYMBINAR-2020', a series of webinars which aims to foster learning from home. After the outbreak of the Coronavirus we all believe that things will never be the same. What the new normal will be is still a question many of us are seeking answers to.

Through this initiative, we intend to facilitate learning from home as our students connect with eminent personalities from the corporate world, industry stalwarts who offered their perspectives on the challenges that confront us due to the outbreak of the global pandemic of COVID-19. The SYMBINAR series has thrown light on so many pertinent issues that concern our immediate future and the tomorrow that is hard to comprehend. These sessions have been engaging, enticing, and enlightening, to say the least, evoking more curiosity than ever as the world is fighting this pandemic.

We have had the privilege of hosting experts across diverse industries, sectors who have shared their perspectives and knowledge truly worth its weight in gold. In the first phase we have successfully hosted 21 prominent industry experts and they have enlightened the students of SIBM-H with their critical and analytical insights on some amazing topics and now looking forward to its second phase. We are sure that such webinars organized in this phase of lockdown have only broadened our horizons and given us more thoughts to ponder upon.
