Learn Astrology-Vastu Online

Institute of Vedic Astrology is the sole destination for all those who are keen to learn Vedic Astrology since 1999. Learn Vedic Astrology through our various courses and become an expert Astrologer.

WHY IVA

Students in every part of India

Students in 48 Countries

Astrology is the science of studying stars, their movements, relationships, and their impact on human beings. As a human being takes birth on a particular date, time and place, he/she gets the effects of planetary position in the sky at that time. Learn the language of stars and see what lies ahead in future.

The objective of the Institute of Vedic Astrology is to impart deep insights and knowledge on various aspects of Vedic astrology in simple and easy-to-understand language through our distance learning and video course on Vedic astrology. Thus, we offer a comprehensive and organised study material to astrology for beginners to advance learners.
