GEMS HEALING & CRYSTAL THERAPY

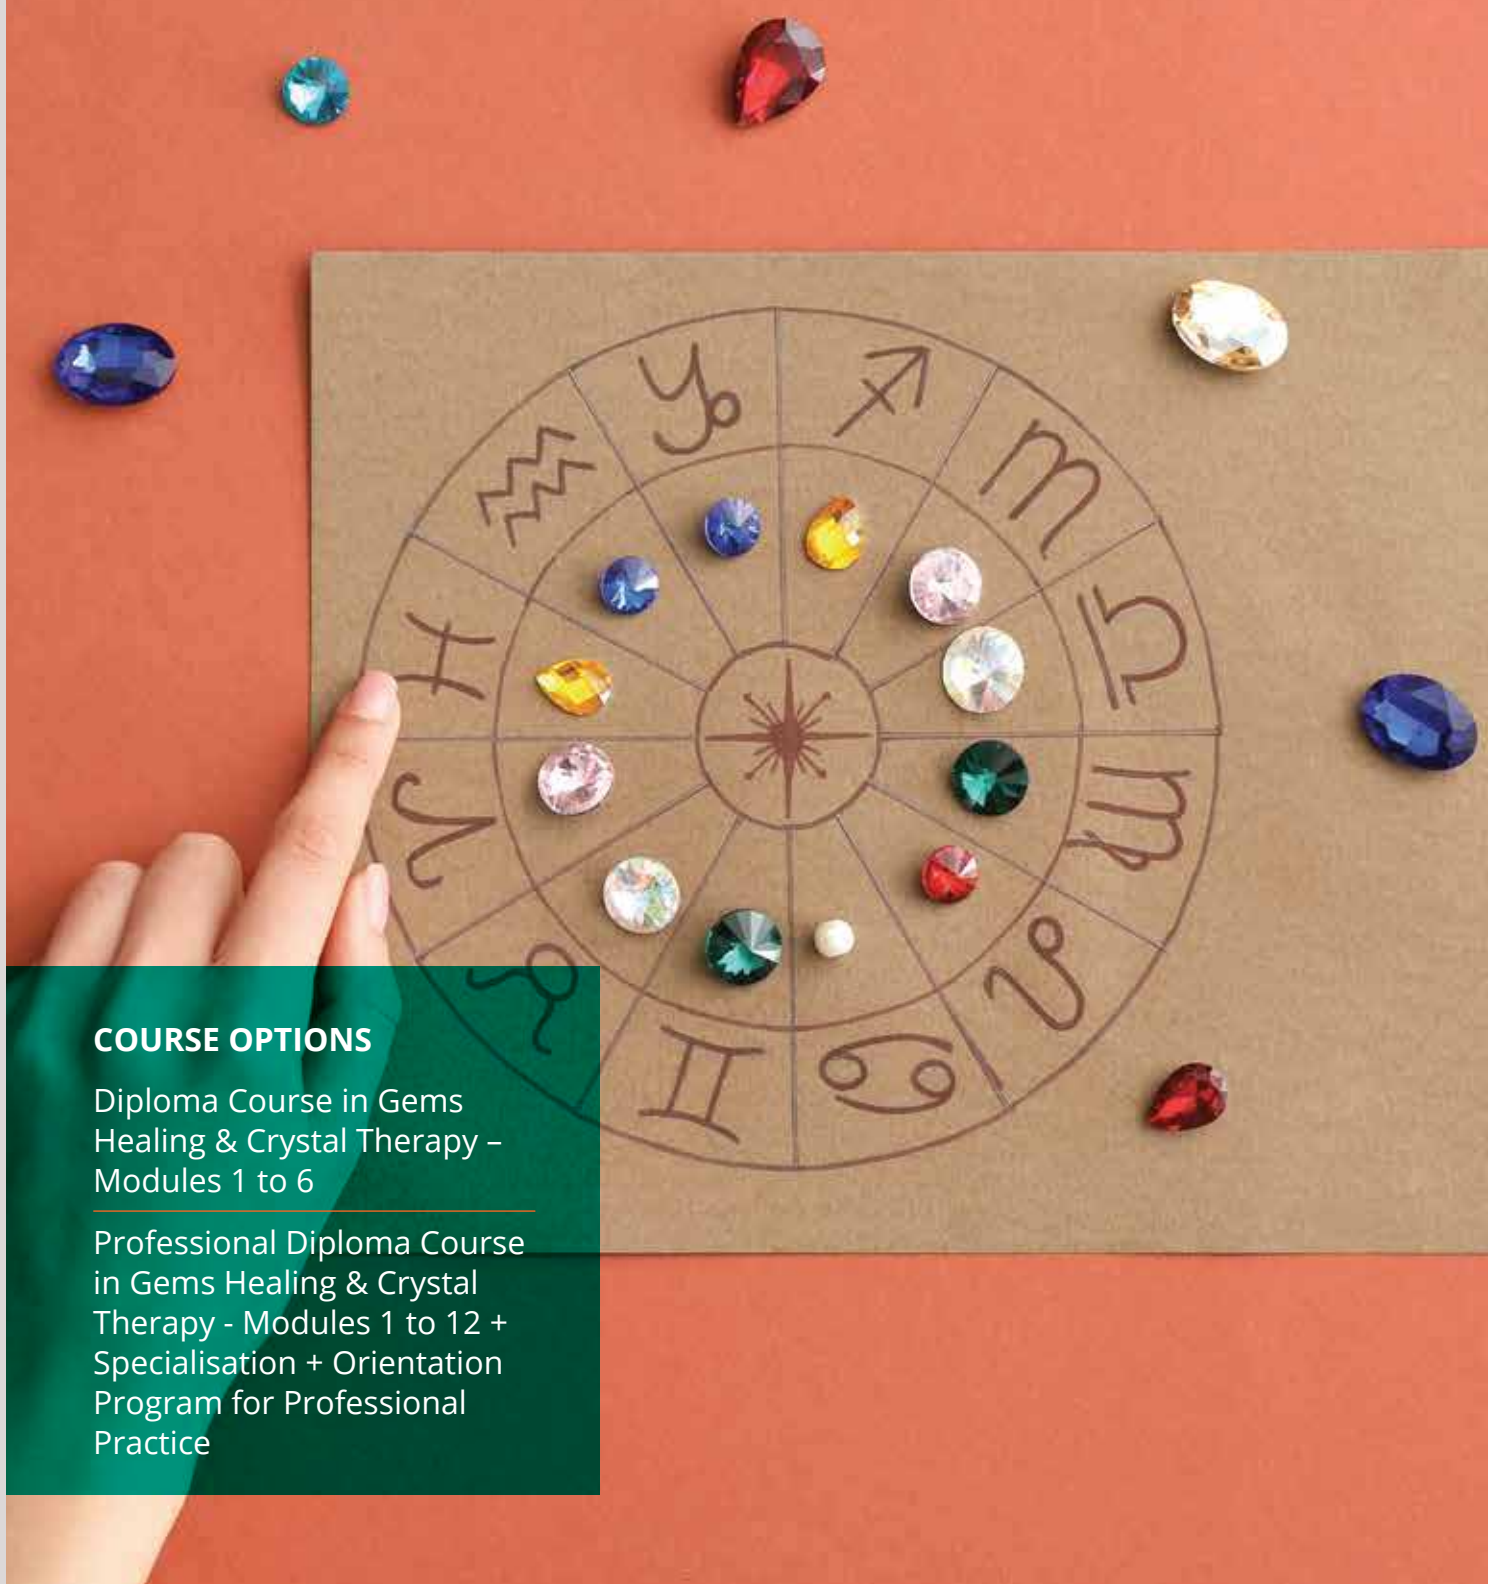

Gems and Crystals healing therapy possess an inexhaustible treasure of healing and empowerment for human beings. If one knows how to program them, then they can be more productive and result-oriented. Programming a crystal is a conscious practice that requires proper knowledge and the technique. Crystals are capable of storing, reflecting, and channelizing pure light and color in various methods of healing. They can be charged, activated, and programmed as per requirement. Gems and crystals prove to be one of the best healing tools available for humans. Gems and Crystals act like catalysts in conducting energy. They have an affinity to the human spirit by creating spiritual links when they are worn or hold.

Objective of Institute of Vedic Astrology is to impart deep insights and knowledge on various aspects of Gems Healing & Crystal Therapy in simple and easy-to-understand language through our distance learning mode of education. So, we offer comprehensive and organized study material in KP Astrology for beginners to advance learners.
