State-of-the-Art Infrastructure

Classrooms

The classrooms are well equipped with all modern conveniences. They are fully air-conditioned and have all necessary audio - video teaching tools like LCD and Internet facility with LAN supported system for practical teaching. The classroom has an Interactive Projector that offers multi-user capability that helps to interact with the computer to control, annotate and draw through interactive stylus or fingers .

Auditorium

The state-of-the-art 583-seater auditorium is equipped with modern lighting and sound system. The sound proof auditorium is the ideal place to organize various corporate events, institute level activities and inter-institute festivals and seminars for the students. It also provides an excellent venue for conducting guest lectures by eminent personalities.

Learning Resource Center (Library)

Learning resource center (LRC) is well stocked with latest editions of text books, journals, E-books, reference books, encyclopedia, periodicals, educational CDs, audio and video CDs spanning the entire spectrum of management subjects. The LRC provides a reference book section along with OPAC facilities to the students which enable online access to the catalogue with e-resources like ProQuest, J-Gate, ACE and Dion Insight.

Computer Laboratory

The institute has excellent computing & hardware infrastructure and laboratories. The computer laboratory is equipped with the latest computers with all the required software, printers, scanners and high speed ISDN internet connection. The laboratory has exclusive HCL and DELL hardware and structured networking. It has Wi-fi networking and server system. We have campus agreement with Microsoft for all the computer systems.

Study Skill Center

The state-of-the-art, 252-seater and fully airconditioned, Study Skill Centre has presentation screen, Wi-fi connectivity, wireless microphone and other sound arrangements. It contains 4 large 55" (Hall) & 3 small 32" LED screens (Dias), 2 projector and motorized screens along with recording and live streaming facility. It provides the best audio-visual facility and presents one of the finest acoustic and visual settings for seminars, discussions, workshops and all training and development related activities.

Fintech Lab

The institute set up a Fintech Lab that gives access to and marks the start of journey of TIMSERites into the exciting and upcoming fields of Blockchain, Data Analytics, Artificial Intelligence and Machine Learning.

Ideation Room

Ideation room is a meeting room at TIMSR campus. Its design is centered on creating a different atmosphere that fosters the creation of ideas and makes studies an enriching experience for students. Flexible furniture allows students to create the perfect space and break out at any time, all in the same room.

Recreation Room

There are two recreation rooms with facilities for indoor games like snooker, billiards, table-tennis, chess and carrom. The rooms provide ample scope for recreation.

Placement & Student Development Cell

The placement cell of TIMSR is a student managed body with the objective of finding every participant's appropriate profile and providing the employer with the best talent. The placement cell facilitates the entire placement process, ensuring a smooth transition for a participant from campus life to corporate life. Regular training programmes are conducted to groom students including Aptitude test, Advance Excel, Digital Branding and many more areas.

Alumni Cell

The Alumni cell at TIMSR strives to maintain a relationship with our ex-students. The committee maintains a huge database of the Institute's alumni to explore mutually beneficial avenues for present and ex-students. It serves as an interface for interaction between alumni and present students through organising several events such as Konnect, Alumni Mentorship Programme and many more.

Sector wise representation of Placements (A.Y. 2021-22)

Training & Placement

TIMSR has designed its Programme to go beyond the curriculum to get the students in-line with industry requirements. To this end, very rigorous training programmes are conducted that ropes-in industry experts who advise, train and mentor the students to achieve their goals. Students are put through a series of workshops, guest lectures, seminars and simulation exercises to become ready to meet the ever changing corporate challenges. To name a few, **ICICI Centre for Financial Learning's** training programme on Equity Trading & Investments, Financial Modeling; **National Institute of Securities Markets' (NISM)** workshop on Commodity Market; **GlobeOp Financial Services (India) Pvt. Limited's** training on alternative investments etc. TIMSR also provides pre-placement training on Aptitude, Advanced Excel, Attitude Building, Communication Skills, Negotiation Skills, Resume Writing, effective Group Discussions and Personal Interviews along with Counselling by experts.

Foreign language training program on various international languages like Spanish, Japanese, Chinese-Mandarin and German is being conducted.

The Institute believes in the ideology of 'shared leadership' which is why students play an active role not only in identifying the training need but also sourcing leads for summer and executive placements. A robust **Student Placement Committee** is at the helm of affairs that works round the year to connect with the corporates and bring them on campus.
