▶ About Us

Located at Mira Road, N. L. Dalmia Institute of Management Studies and Research (NLDIMSR) was established in the year 1995 by late Shri Niranjanlalji Dalmia with the vision to become a world-class management Institute. We are ranked among the top B-schools of India and one of the most preferred business schools in Mumbai.

We commenced our academic program in the year 1997 and are known for being one of the most industry linked B-schools in India today. We believe in creating, nurturing and transforming business leaders through academic rigour, coupled with holistic exposure to the industry.

We offer a 2-year full-time PGDM program which is NBA Accredited and approved by AICTE (All India Council for Technical Education) and AIU (Association of Indian Universities). We also have a collaboration with University of Wisconsin - Parkside, USA (AACSB Accredited State University). We are a recognised Research Centre for Ph.D. program of University of Mumbai.

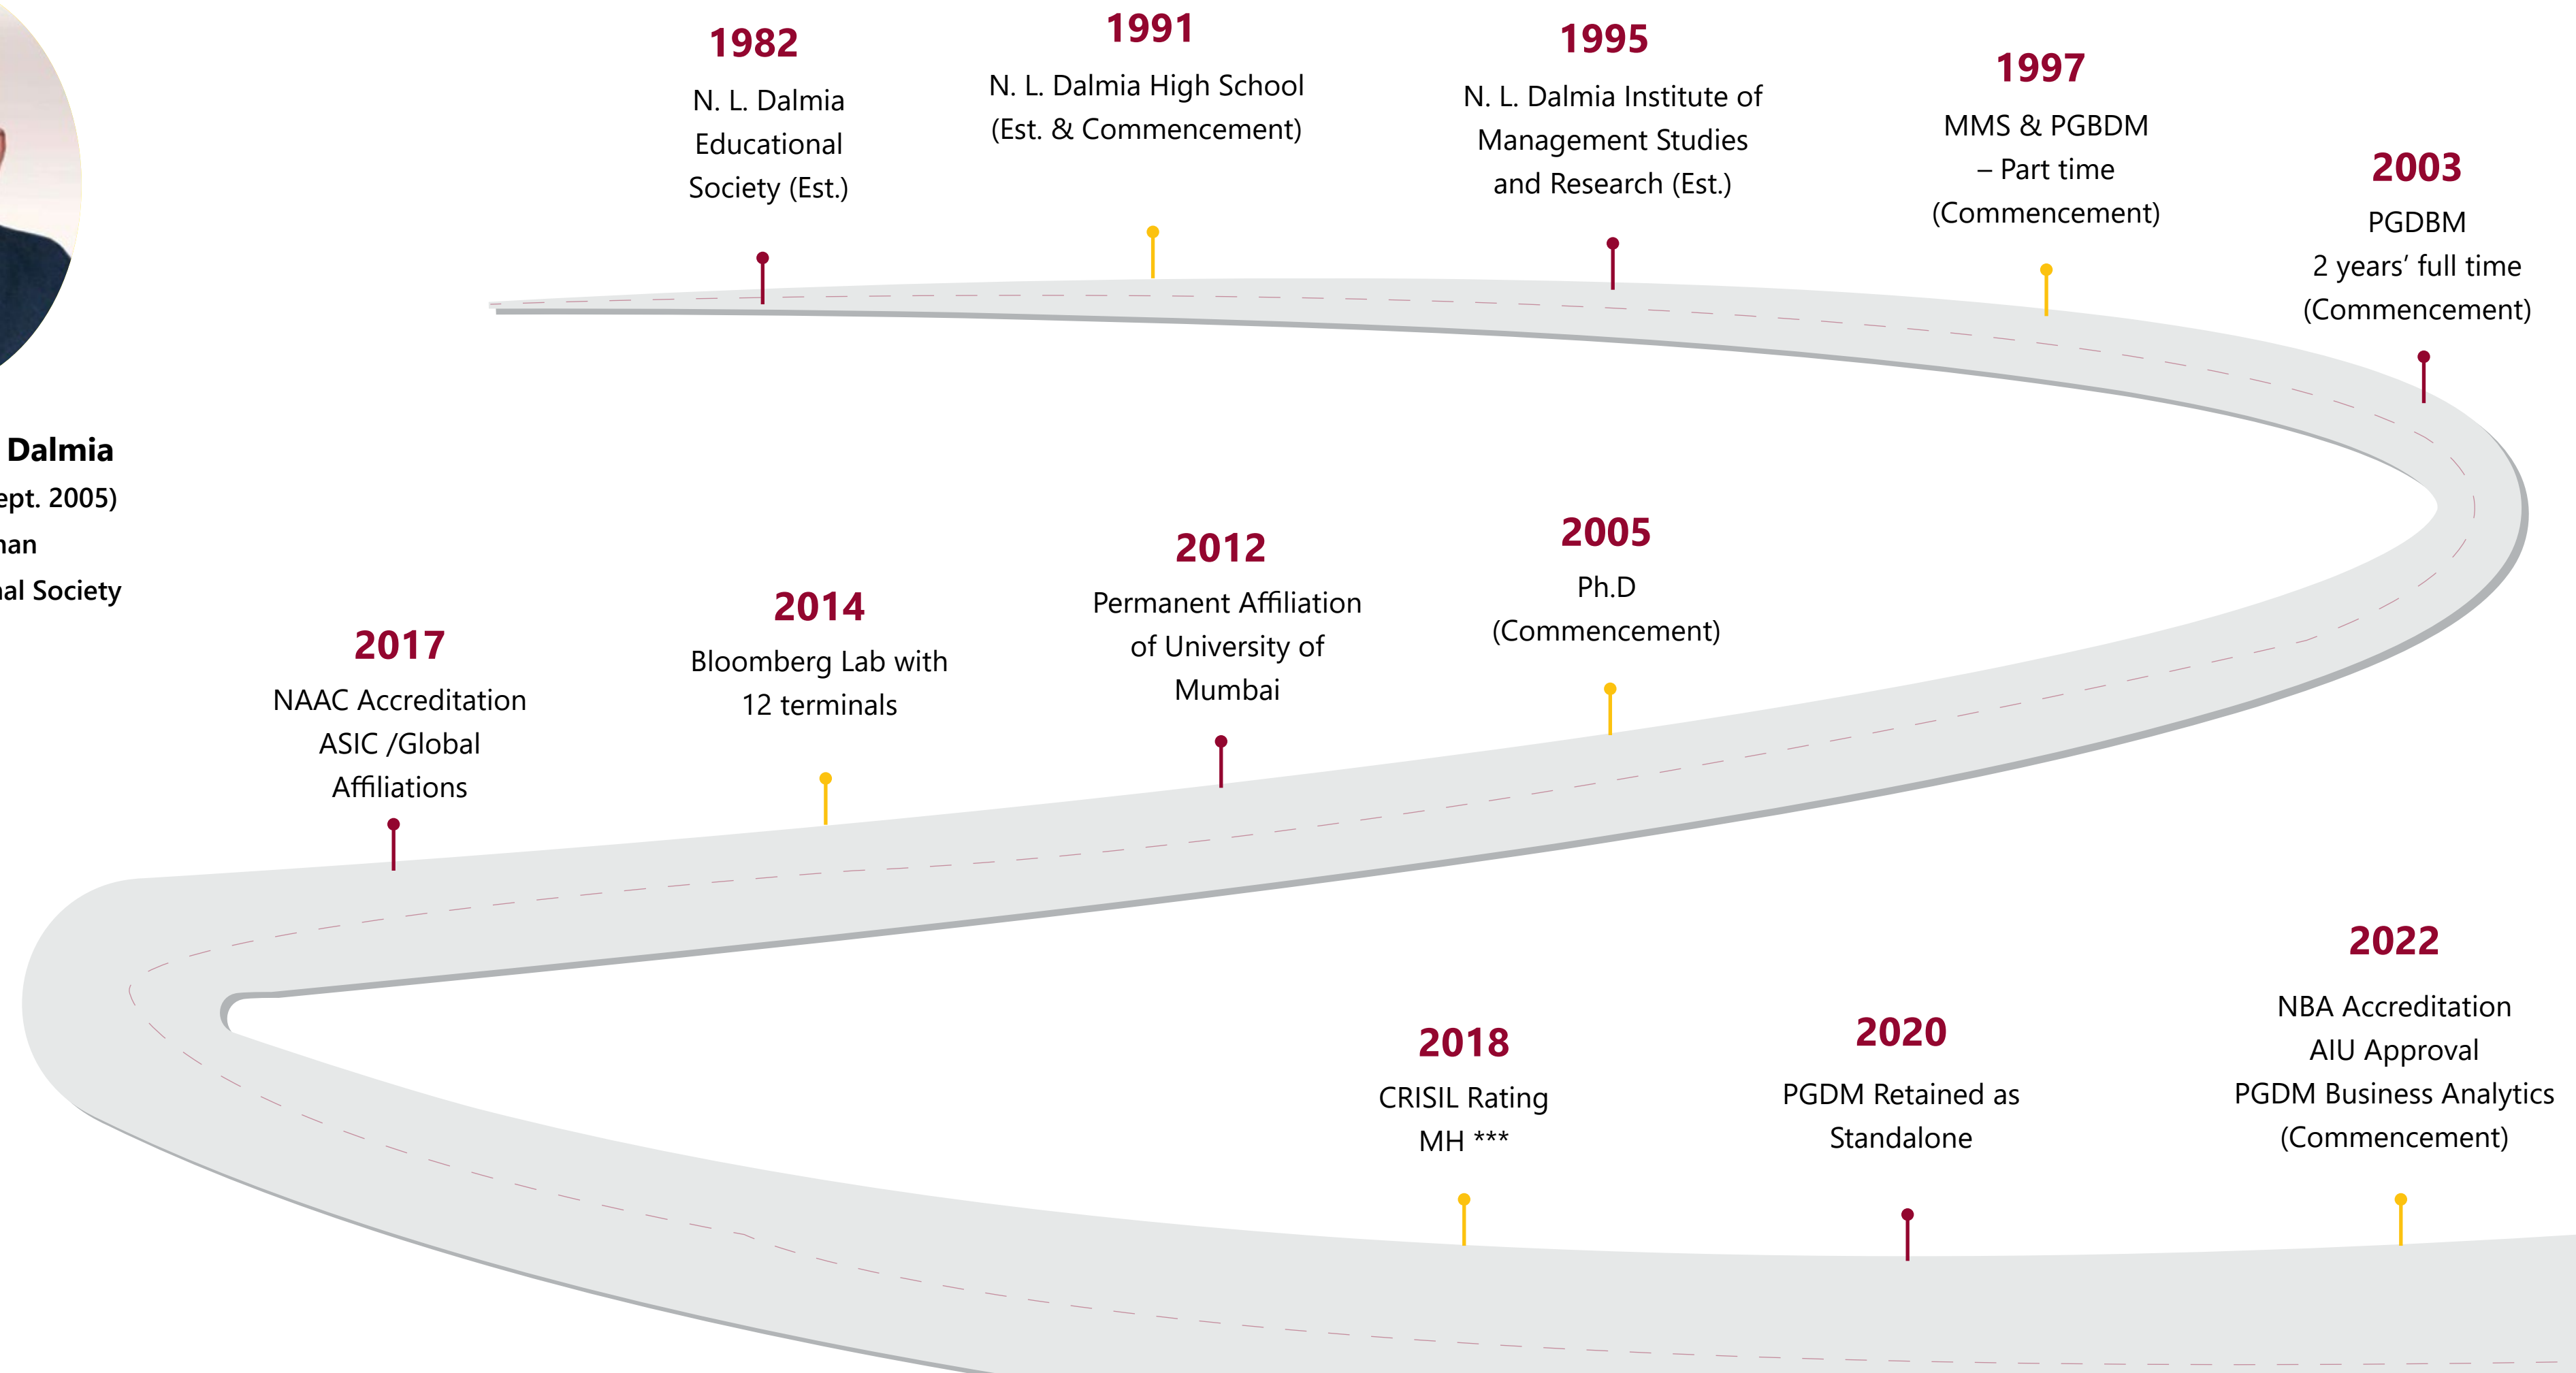

Our faculty has established industry veterans and scholars with their research papers published in various prestigious national & international journals. Our scrupulously designed curriculum empowers students to meet the evolving industry requirements and updates them with the latest trends. At the end of the first year, as a part of the curriculum, all students take up full-time internships to get hands-on industry experience and understand the corporate culture. These projects are meticulously evaluated by faculty and industry.

The Institute has seen consistently high ratings in terms of recruiter perception, with students serving as successful ambassadors in reputed firms.
