

First Semester
Teaching and Examination Scheme
Computer Programming
Computer Organization
Database Management Systems
Discrete Mathematical Structure
Communication Skills
Software Project -1
Third Semester
Software Engineering
Data Mining
Machine Learning
Big Data Analytics
Internet of Things
Minor Project

Second Semester

Teaching and Examination Scheme

Object Oriented Programming

Data Structures

Operating Systems

Web Technology

Wireless Sensor Networks

Cloud Computing

Cryptography and Network Security

Software Project - 2

--

Fourth Semester

Major Project

--
