In the Choice Filling screen, the first step would be to select the Course. All Courses where your counselling fee has been received will populate this drop-down.

Once you select a particular course, all colleges in that course will populate in the left box from where you shall be able to select and move the selected colleges to the right box. In the right box the preference order may be set as per your choice.

Once you're done with a particular course, you may select another course and repeat the process until all your eligible courses are exhausted.

If you wish to participate in the counselling process for only 1 course, you may do that as well.

Choice of Selected Colleges may be mixed up between the various Course. For Example, you may have 1 Nursing College, then 1 Para-Medical College then again 1 Nursing College as per your preference.

You may access this page and make changes to your order as many times as required before auto-locking on the due date.
