Comprehension:**Read the passage and answer the questions:****Vijayanagara Empire**

The first dynasty, known as the Sangama dynasty, exercised control till 1485. They were supplanted by the Saluvas, military commanders, who remained in power till 1503 when they were replaced by the Tuluvas. Krishnadeva Raya belonged to the Tuluva dynasty. Krishnadeva Raya's rule was characterised by expansion and consolidation. This was the time when the land between the Tungabhadra and Krishna rivers was acquired (1512), the rulers of Orissa were subdued (1514) and severe defeats were inflicted on the Sultan of Bijapur (1520). Although the kingdom remained in a constant state of military preparedness, it flourished under conditions of unparalleled peace and prosperity. Krishnadeva Raya is credited with building some fine temples and adding impressive gopurams to many important south Indian temples. He also founded a suburban township near Vijayanagara called Nagalapuram after his mother. Some of the most detailed descriptions of Vijayanagara come from his time or just after. Strain began to show within the imperial structure following Krishnadeva Raya's death in 1529. His successors were troubled by rebellious nayakas or military chiefs. By 1542 control at the centre had shifted to another ruling lineage, that of the Aravidu, which remained in power till the end of the seventeenth century. During this period, as indeed earlier, the military ambitions of the rulers of Vijayanagara as well as those of the Deccan Sultanates resulted in shifting alignments. Eventually this led to an alliance of the Sultanates against Vijayanagara.

SubQuestion No : 41**Q.41**

Identify the township named after Krishnadeva Raya's mother during his reign?

1. Vijayanagara
2. Hampi
3. Orissa
4. Nagalapuram

Options 1. 1

2. 2

3. 3

4. 4

Comprehension:**Read the passage and answer the questions:****The Making and Unmaking of the Non-Cooperation**

During the Great War of 1914-18, the British had instituted censorship of the press and permitted detention without trial. Now, on the recommendation of a committee chaired by Sir Sidney Rowlatt, these tough measures were continued. In response, Gandhiji called for a countrywide campaign against the "Rowlatt Act". In towns across North and West India, life came to a standstill, as shops shut down and schools closed in response to the bandh call. The protests were particularly intense in the Punjab, where many men had served on the British side in the War – expecting to be rewarded for their service. Instead they were given the Rowlatt Act. Gandhiji was detained while proceeding to the Punjab. The situation in the province grew progressively more tense, reaching a bloody climax in Amritsar in 1919, when a British Brigadier ordered his troops to open fire on a nationalist meeting. More than four hundred people were killed in what is known as the Jallianwala Bagh massacre. It was the Rowlatt satyagraha that made Gandhiji a truly national leader. Emboldened by its success, Gandhiji called for a campaign of "non-cooperation" with British rule. Indians who wished colonialism to end were asked to stop attending schools, colleges and law courts, and not pay taxes. In sum, they were asked to adhere to a "renunciation of (all) voluntary association with the (British) Government". If non-cooperation was effectively carried out, said Gandhiji, India would win swaraj within a year.

SubQuestion No : 46**Q.46**

'Detention without Trial' was a feature of which Act?

1. Non-Cooperation Act
2. Interim Government Act
3. Rowlatt Act
4. Reward Act

Options 1. 1

2. 2
3. 3
4. 4
