them to provide bus facility.

Sir,

With due respect, I am the resident of Bashikhola, Almora and I want to draw your kind attention towards the bus facility available into our locality.

Sir, I am living in ^{Dehradun} Almora just because of my studies but as you know the most joyful festival is arriving that is the festival of lights i.e. Diwali and I want to celebrate Diwali with my parent who are currently in ~~Dehradun~~ Almora.

But Sir, there is a current problem which bothers me a lot that is there is not a good facility of bus from Dehradun to Almora.

Therefore, It my kindly request to you please organise a special bus from Dehradun to Almora So, that I joyfully celebrate the festival Divali. I will be highly obliged you for your kindness.

Thanking you.

Yours Sincerely,
Neha.

Question 4 : [Ans]

Happiest moment of my life.

The one of the most happiest moment of my life is the result of class ninth that is very much shocking for me. I acquired 98 percent in class ninth. This the happiest moment because when I am in eighth standard so, there are rumours that the class ~~ninth~~ is very tough and totally based on your concepts, You have to study many hours. So I was very afraid about ninth class and

even frighten of entering
into my class. But
the idiom always said
that ~~has~~ hardworking brings
you to the peak of success.
and by following this
law in my life I got
success. When the Teachers
announced the result and
said on mick my name
then I was filled with
happiness and joy and
also there are tears in
my mother's eye. That
~~moment~~ is really very
happiest of my life.

Question 5:-

Hints:- Cattle --- children.

How advanced technology has added to
Human beings' problem.

Nowadays, the technology
became very much advanced.
It is benefitted us very
much but as well as harm.

up and pollute the environment
alot. In this technological era the
people used polythene bags for
various purpose and after using
it they throw it on the
roads and anywhere they want
that was swallowed by the
cow and cow became ill due to
increase of biomagnification and can
cause cancer also. Currently oil
spills are the major threat to
our environment and especially
threat for the sea life and
aquatic organisms. The particu-
-le matter like smoke, dust
come in air and cause air
pollution along this the oil spills
produce very hot water that
is fell into the water withou-
-t any treatment. Nowadays
the ozone layer depletion became
a major concern for environman-
-lists because ozone layer protect
us from the harmful UV rays
but if it depleted that UV
rays come in contact with earth
and can cause skin cancer
like problems. It is majorly
depleted due to the using of
CFC. Air pollution became a
major concern because of vehicles

that liberated alot of pollu-
-tants like Carbon mono-
-oxide and etc. and that
lead to the diseases like
asthma in elders even four-
-d in children also.
Ultimately Environmental pollut-
-ion is a threat to the
human beings which has
ability to deprived of them
of their life.

Introduction :- The story about Seagull is written by "Friedrich Forsyth". In this story the Seagull and its family was living on the ledge and under it there was a great expanse of sea. Seagull always afraid of flying because He feels that his ~~weak~~ wings never support him and he was therefore not able to muster up his courage to fly.

Why Seagull always afraid to fly :-

Seagull always afraid to fly because it do it for the first time and doing something for the first time is little bit frightening and the person or animal feel same. And he also not able to muster up his courage because he do not

believe his wings and always in fear of falling in the great expanse of sea.

Why his parents calling him shrilly

:- His parents beckoning him and calling him shrilly because he never fly and even his parents stop giving him food and left him alone on the ledge but he never tries to fly due to his life. His brother and sisters whose wings are smaller than him fly very easily and even catch the fish and learnt diving but he never do so, therefore his parents called him shrilly so that he could gain his courage to fly.

Conclusion :- When his hunger was on the peak and he felt very hungry then his mother leaving the piece of fish in front of him and coming towards him. he so shouted

Shrilly with anticipation but his mother stopped midway and was confused why she stopped then he dive over the piece of fish and ultimately he was up the sea and fly.
So, his hunger ultimately compelled him to fly.
