Advises students to avoid being misled by fake links, updates

Jammu Jan 7. Jammu and Kashmir Board of School Education (JKBOSE) has advised students not to pay heed to fake links and websites announcing declaration of class 10 results.

In a statement issued here late evening, the BOSE has stated that 10th results will be declared within few days soon after the appointment of new Chairman.

While the results of annual examination of class 10 of kashmir valley and winter zone areas of Jammu Division are almost ready, yet its approval by Result Declaration Committee headed by BOSE Chairman is a pre-requisite step before its declaration. In absence of the Chairaman the results are likely to get a little delayed.

The students have been asked to wait for the formal declaration and stay tuned to the official website of the Board [www.jkbose.nic.in](http://www.jkbose.nic.in) for the latest credible updates.

They have been advised to avoid being misled by scamesters and fake narratives circulated by some mischievous elements, whose sole aim is to create confusion in the innocent student community
