

UG - Law

Exam Pattern

Section	Subject	Questions	Total_Marks	Duration
1	Critical Thinking and Problem Solving	40	80	60 minutes
2	Legal Reasoning, Current Affairs	60	120	90 minutes

Syllabus

Section 1 : Critical Thinking and Problem-Solving

1. **Reading Comprehension:** Analyze and interpret a variety of reading materials to derive meaning and infer key ideas.
2. **Identifying Logical Fallacies:** Recognize errors in reasoning, such as false assumptions or flawed arguments.
3. **Identifying Accurate Conclusions/Assumptions:** Draw logical and sound conclusions from, recognize underlying assumptions in, or derive accurate extensions from a given set of statements.
4. **Identifying Accurate Examples/Definitions:** Accurately decipher the crux of a statement or argument and recognise appropriate evidence in support of the argument.
5. **Situation Analysis/Problem Solving:** Synthesise appropriate information to the end of recognizing problems or identifying the best possible solutions to a real-life context.
6. **Argument/Object Classification:** Recognize patterns in arguments, group similar arguments or statements together, and recognize suitable relationships between material or abstract concepts.
7. **Data Analysis:** Interpret data from graphs, tables, charts and other representations to draw meaningful conclusions.
8. **Commercial Math:** Solve real-world mathematical problems related to trade, profit, and loss.

9. **Visual Reasoning:** Analyze and solve problems involving symmetry, tessellation and patterns.
10. **Algebra:** Apply algebraic concepts to solve equations and inequalities.
11. **Arithmetic:** Solve fundamental numerical problems involving operations, ratios, and percentages.
12. **Mensuration/Volume:** Calculate areas, perimeters, volumes, and surface areas of geometric shapes.
13. **Complex Problem Solving:** Approach multi-step mathematical problems that require logical and quantitative reasoning.

Section 2: Legal Reasoning

1. **Legal Principles and Their Application:** Understanding legal principles and rules, Application of legal principles to factual scenarios, Identifying the most appropriate answer based on the given legal rule.
2. **Areas of Law Covered:** Constitutional Law, Criminal Law, Law of Torts, Contract Law, Family Law, Legal Maxims and Terminology.
3. **Problem-Solving:** Analytical reasoning involving legal principles, Case-based reasoning (applying a legal principle to a case scenario).
4. **Legal Knowledge:** Basic understanding of rights, duties, and legal terminology.

Current Affairs

1. **National and International Events:** Major political events, elections, and government schemes, Policies and amendments introduced in India, Key international developments, treaties, and agreements.
2. **Legal and Constitutional Developments:** Recent judgments by the Supreme Court and High Courts, New bills and acts passed by Parliament, Amendments to the Constitution.
3. **General Awareness:** Important days, awards, and honors, Developments in science, technology, and the environment, Sports achievements.
4. **Economic and Business Updates:** Budget announcements, Significant mergers, acquisitions, or business developments, Global and Indian economic reports.
