About Amrita Vishwa Vidyapeetham

Amrita Vishwa Vidyapeetham (NAAC A++ | Institute of Eminence by Govt. of India) operates **8 engineering campuses** across India — Amaravati, Amritapuri, Bengaluru, Chennai, Coimbatore, Faridabad, Haridwar, and Nagercoil. Admission to B.Tech programmes is through **AEEE 2026** (Amrita Entrance Examination – Engineering) or **JEE Mains 2026**. The university employs a unique scholarship-based differential fee model where more meritorious students pay significantly lower fees — up to 75% off the regular fee.

How the Scholarship Fee System Works

Amrita follows a **4-Slab Fee Model**. The slab assigned at admission is based on the candidate's AEEE rank or JEE Mains percentile. All admissions in 2026-27 fall under the Scholarship Category. The assigned slab covers only the **first academic year**; renewal depends on CGPA performance.

Fee Slab	Category	Annual Fee Range	Renewal CGPA Required	Approx. Savings vs. Slab 4
Slab 1	Top Scholarship	■1,00,000 – ■1,50,000	CGPA ≥ 7.0	Up to ~75%
Slab 2	Merit Scholarship	■1,75,000 – ■2,90,000	CGPA ≥ 6.5	Up to ~50%
Slab 3	Performance Scholarship	■2,00,000 – ■4,00,000	CGPA ≥ 6.0	Up to ~33%
Regular / Slab 4	Non-Scholarship	■2,00,000 – ■6,00,000	—	Baseline

- Slab 1 requires: CGPA ≥ 7.0, no disciplinary action, no semester arrears.
- Slab 2 requires: CGPA ≥ 6.5, no disciplinary action, no semester arrears.
- Slab 3 requires: CGPA ≥ 6.0, no disciplinary action, no semester arrears.
- Once a student moves to a higher fee slab, they cannot revert even if CGPA improves later.
- College Caution Deposit (One-Time): ■10,000 for all campuses.

Campus-Wise Fee Comparison — CSE / AI & Data Science Branches

The table below shows annual tuition fees (■) per slab for the premium branches: **CSE, CAI (CSE-AI), AID (AI & Data Science), CYS (Cyber Security)**. Source: Amrita B.Tech Fee Structure 2025-26 (latest released data).

Regular / Slab 4	3,00,000	3,00,000	2,50,000	3,00,000	2,00,000	2,50,000

• Branches: MEE, EEE, ELC, CIE, CHE, AEE | Amounts in INR (Annual)

■ Aerospace / Automation & Robotics — Fee Structure (All Campuses Same)

Fee Slab	Annual Fee (₹)	Applicable Branch
Scholarship Slab 1	1,25,000	ARE (Automation & Robotics)
Scholarship Slab 2	2,35,000	ARE
Scholarship Slab 3	3,00,000	ARE
Regular / Slab 4	3,50,000	ARE

■ Best Campus Comparison: Slab 1 Savings Summary

The table below shows the **annual fee at Slab 1 (top scholarship)** vs **Regular Fee (Slab 4)** for CSE/AI branches at each campus, and the resulting saving.

Campus	Slab 1 Fee (₹)	Slab 4 Fee (₹)	Annual Saving (₹)	Saving %	Best For
Nagercoil	1,50,000	3,00,000	1,50,000	50%	Budget-friendly, quality
Amaravati	1,50,000	4,50,000	3,00,000	67%	AP students (lower slab 4)
Chennai	1,50,000	4,50,000	3,00,000	67%	Tamil Nadu students
Amritapuri	1,50,000	6,00,000	4,50,000	75%	Best scholarship savings
Bengaluru	1,50,000	6,00,000	4,50,000	75%	Best scholarship savings
Coimbatore	1,50,000	6,00,000	4,50,000	75%	Best scholarship savings
Faridabad	1,50,000	6,00,000	4,50,000	75%	North India preferred

• All figures are for CSE/CAI/AID branches. Slab 1 fee is identical (₹1,50,000) across all campuses.

• Biggest annual scholarship benefit: Amritapuri, Bengaluru, Coimbatore, Faridabad = ₹4,50,000 saved per year.

■ Scholarship Renewal Conditions (Year 2 Onwards)

Current Slab	Required CGPA to Stay	CGPA 6.5–7.0 → Move to	CGPA 6.0–6.5 → Move to	CGPA < 6.0 → Move to
Slab 1	≥ 7.0	Slab 2	Slab 3	Slab 4 (Regular)
Slab 2	≥ 6.5	—	Slab 3	Slab 4 (Regular)
Slab 3	≥ 6.0	—	—	Slab 4 (Regular)
Slab 4	N/A	—	—	No change

- Additionally: No disciplinary action & no semester arrears required for all scholarship slabs.
- Important: Once moved to a higher slab, a student CANNOT revert even if CGPA improves.

■ Additional Charges (Common Across All Campuses)

Charge	Amount	Frequency
College Caution Deposit	■10,000	One-Time (refundable)
AEEE 2026 Application Fee	■1,300	One-Time (non-refundable)
