Introduction: BBA Admissions through SET 2026

The **Symbiosis Entrance Test (SET)** is one of India's most prestigious undergraduate entrance exams, conducted by **Symbiosis International (Deemed University), Pune**. SET 2026 was held on **May 2 and May 10, 2026** in Computer-Based Test (CBT) mode. SET scores are accepted by **10 constituent institutes** of SIU across Pune, Noida, Nagpur, Bengaluru, and Hyderabad.

SET is a **60-minute exam with 60 questions** (1 mark each, no negative marking) covering General English, Quantitative Aptitude, General Knowledge, and Analytical & Logical Reasoning. After the SET exam, shortlisted candidates are called for **Written Ability Test (WAT), Group Discussion (GD), and Personal Interaction (PI)** rounds at individual institutes.

Eligibility: Candidates must have passed Class 10+2 from any stream with a minimum of **50% aggregate marks** (45% for SC/ST). Students awaiting Class 12 results are also eligible to apply.

Why Choose a SET College?

Symbiosis institutes are among the most reputed BBA colleges in India. SCMS Pune is consistently ranked as the **#1 private BBA college in India** across multiple rankings. All SET colleges are constituent institutions of Symbiosis International (Deemed University) — a NAAC A++ accredited university — ensuring a standardised, high-quality education with strong placement networks and global exposure through international tie-ups.

SET 2026 Application Fee: Rs.2,250 per test (can be paid online or offline via Bank Challan/DD). Candidates also pay a separate institute registration fee for each SET college they apply to.

Disclaimer

The information provided in this document — including college fees, SET cutoffs, placement data, seats, and NAAC ratings — is indicative and sourced from publicly available data (Symbiosis International University official website, set-test.org, individual college websites, and shiksha.com). Actual fees, seat availability, SET cutoffs, and placement figures for the 2026–27 admission session may vary. SET cutoffs are based on previous year trends and are subject to change based on exam difficulty and number of applicants.

Readers are strongly advised to verify all details directly with the respective Symbiosis institutes and official SIU/SET portals (set-test.org, symbiosis.ac.in) before making any admission or financial decisions. Admission to all SET colleges is strictly merit-based on SET scores and PI performance — no direct admission or management quota is available at SIU constituent institutes.
