FREQUENTLY ASKED QUESTIONS (FAQ)

- 1. Will I get admission, if I did not fill in the correct college form on or before 23rd May 2026?** You need to visit the admission desk of the programme in which you are seeking admission. The respective teachers and programme co-coordinators will guide you about it.
- 2. Will the names of the selected students be displayed on the website?**
No. If you had filled up the application form for a particular programme and your % is higher than the **cut-off for the category** in which you applied for the programme, you can check your name at the admission desk of that programme. Visit only in the given hours. If your name is there, you can submit the documents to proceed with the admissions.
- 3. I did not fill in the University form before; can I apply now?**
The university portal is closed and will not open at least before the admissions under the third merit lists are over.
Only the forms filled before 11:59 PM, 23rd May 2026, on the University Portal (Samarth Portal) will be considered till the third merit list. After the third merit list, you need to check the E Samarth Portal and college website for further updates.
- 4. Can I take offline admission (through donation)?**
Parle Tilak Vidyalaya Association does not accept any form of donation for giving admissions. We strictly adhere to the merit list for filling our seats. Even if there are seats left after the third merit list, the students will be offered the seats as per merit, only. We will call the students if they have duly filled in the form. Leave an application request at the admission desk of the programme, if you have not made it to the cut-off %.
- 5. I have been allotted seat in another college and not MCC, what should I do?**
You can get admission to that college. If you get offered a seat in MCC in the subsequent merit lists, you can cancel the earlier admission and confirm it with MCC within the given time frame. **If you are offered a seat in a programme of your lower preference at MCC, confirm it here. You can always move to a programme of your higher preference, when that gets offered to you. Our processes for cancellation of admissions are hassle free. You will get your documents on the same day and refund within 3 to 4 weeks.**
- 6. I have scored less than the cut-off under my category of admission, what should I do?**

No one can predict and no one will tell you by what percentage the cut-off will fall in the subsequent lists. Patience is the key. Keep visiting the website for further announcements. Secure admission wherever you are offered a seat. You can always cancel and move to a new programme or college. Leave a request application at our admission desk, we will get back to you, when a seat gets available at your merit/ percentage.

7. What happens after the second merit list?

It will be decided after the Second merit list's admissions are over. For Programmes where the cut-offs are not as high as compared to other programmes (For e.g. B.COM/ BBI/ B.Sc./ BCOM- BFSI etc.) we may be left with a few seats after the second merit list. Contact the admission desk of the respective programmes for further updates on this. Sometimes the University allots us additional seats, which we may fill after the third merit list.

8. How to cancel admission in MCC?

Form for cancellation of admissions is available at the admission desk/office and the website. Submit the duly filled and signed form at the admission desk. Cancellation Charges will be applicable as per the University Norms. Unless you submit the documents and pay the fee, your admission is not secured/confirmed. You don't have to come to cancel admission just because your % is higher than the cut-off in the list.

9. Is it necessary to take admission, if I have been offered a seat?

No. It is not necessary to take admission, even if offered. **Even if you don't confirm the admission under the merit list, you do not go out of the admission process.** The only loss/risk is that you will not get this admission (under this merit list) again. A student with lower score will get the seat in the next merit list but not you.

10. My query is not covered under this FAQ. What should I do?

Do not call or text anyone. Just turn up at the admission desk of your programme between 10 AM to 11 AM on the days of document scrutiny and submission.

The Orientation/Deeksharambh of the admitted students will happen around third week of June and the classes will commence immediately.
