

# CA Foundation Pass Percentage

Previous Years Data — Session-wise & Category-wise | Source: ICAI

The Institute of Chartered Accountants of India (ICAI) publishes the CA Foundation pass percentage after every exam session. The data below covers all sessions from June 2023 to January 2026, broken down by gender. Use this to benchmark your preparation and understand historical trends before your exam.

## At a Glance — Overall Pass % Trend (All Sessions)

| Exam Session   | Total Appeared | Total Passed | Overall Pass % |
|----------------|----------------|--------------|----------------|
| June 2023      | 1,03,517       | 25,860       | 24.98%         |
| December 2023  | 1,37,153       | 41,132       | 29.99%         |
| June 2024      | 91,900         | 13,749       | 14.96%         |
| September 2024 | 70,437         | 13,858       | 19.67%         |
| January 2025   | —              | —            | 21.52%         |
| May 2025       | 82,662         | 12,474       | 15.09%         |
| September 2025 | 98,827         | 14,609       | 14.78%         |
| January 2026   | 1,09,694       | 21,099       | 19.23%         |

★ Highest pass %: December 2023 (29.99%) | ★ Lowest pass %: September 2025 (14.78%)
