- **Photo Identification (ID):** One valid, original, and non-expired Photo ID containing the candidate's name and a recent photograph.
- **Disability Documentation:** Any other specific documents advised by NMAT by GMAC™ for candidates with disabilities.

IMPORTANT PENALTY RULE: If you are unable to produce valid, non-expired, original identification documents and the printed Admit Card, you will not be admitted into the testing room. The exam fee will not be refunded under these circumstances.

3. PHOTO ID SPECIFICATIONS (INDIA)

Acceptable Photo IDs:

- Aadhaar Card / UID
- Passport issued by the Government of India
- PAN Card issued by the Government of India
- Voter's ID Card
- Driver's License

Unacceptable IDs:

IDENTITY VERIFICATION FAILURE: The photograph on your ID proof and Admit Card must be recent and clearly recognizable. If the test centre staff or proctor cannot authenticate your identity due to

outdated photos, blank images, or a name mismatch, you will NOT be allowed to take the exam, and the fee will be forfeited.

4. ADMIT CARD REQUIREMENTS

- The Admit Card contains registration details, candidate photograph, exam date, time, and venue. Carrying a printed copy is mandatory.
- The printed photo must be clearly visible and match the photo on the physical ID proof. If the photo is blank or unclear on the generated card, candidates must email **nmatsupport@gmac.com** immediately to get it updated.
- The name printed on the Admit Card must match the name on the presented ID proof exactly.

5. TEST ROOM PROCEDURES

Following check-in, candidates will be allocated a specific seat in the examination room.

Non-Disclosure Agreement (NDA)

After the initial welcome screen, a Non-Disclosure Agreement (NDA) will be presented. Candidates must accept this agreement to proceed:

- Candidates must click "Yes, I Accept" within exactly 2 minutes.
- Clicking "No, I do not Accept" will trigger a prompt to change the option. Persisting with "No" will immediately end the exam session.
- Allowing the 2-minute timer to lapse without selecting acceptance will time out and end the exam session.

Once an exam session ends due to a timeout or rejection of the NDA, proctors cannot reverse the action. The exam attempt will be counted as lost, and the fee will be forfeited.

Section Order Selection

- Candidates are permitted to select their preferred order of the three exam sections before commencing.
- Each section operates under an individual, independent countdown timer.
- If a candidate finishes a section before its designated time expires, the remaining balance time is lost and will not be added to subsequent sections.
