

# Documents Required for CA Foundation Registration

Candidates have to upload their **photograph** and **signature** while registering for CA Foundation exam.

Given below are the **requirement for uploading candidate photo in the ICAI CA Foundation exam form:**

- The photo should be completely visible including ears against a white background.
- The photo must have a clear contrast of the image.
- Photo wearing goggles/caps/headgears will not be accepted.
- Religious headgear is allowed but it should not cover the face.
- Photo of the candidate wearing spectacles will be accepted.
- The **background** of the photograph must be in **white and clearly visible**.
- If flash is used while taking the picture then make sure that there is no “red-eye”.
- Photograph should be in **jpg/jpeg format and of 20-50 KB**.

Given below are the **requirements** for uploading candidate signature in the ICAI CA exam form:

- Signature should be done on a white sheet with a black pen.
- The file size of the scanned **image of signature must be between 10-20 KB**.
- The scanned signature should be well cropped so that there are no extra/white spaces and the format should be jpg/jpeg.
