

MAH B.Ed CET

Documents Required During Registration

During the MAH B.Ed CET online registration process, candidates are required to upload the following documents for verification. Uploading these files in the specified format and size is compulsory to complete and submit the application.

Checklist of Documents

- Passport Size Photograph
- Passport of the Candidate / Country ID Card of the Candidate
- Student's Signature
- Statement of Marks or Certificate of Passing SSC / Qualifying Equivalent Examination (10th Marksheet)
- Statement of Marks or Certificate of Passing HSC / Qualifying Equivalent Examination (12th Marksheet)
- Passing Provisional Certificate
- Birth Certificate
- Migration Certificate (at the start of admission)
- PIO / OCI Card (for applicable candidates)
- Proof of Residence
- Eligibility Certificate from the Association of Indian Universities, New Delhi (AIU) — required if the candidate has passed the qualifying examination from abroad

Additional Requirements

As per recent updates to the MAH B.Ed CET registration process, candidates should also keep the following ready, as these have become part of the verification requirements:

- Aadhaar Card (updated details) — mandatory for identity verification.
- APAAR ID (Automated Permanent Academic Account Registry) — mandatory, generated via DigiLocker.
- Caste Validity Certificate / Non-Creamy Layer Certificate, if applying under a reserved category.
- EWS Certificate, if applicable.
- UDID (Unique Disability ID) Card, for PWD candidates.

Important Notes

- All documents must be uploaded as clear scanned copies in the file format and size specified in the official registration guidelines; blurry or mismatched photos/signatures are a common cause of rejection.
- PIO/OCI/NRI candidates should also keep their passport and AIU equivalence certificate ready, as these are checked closely for foreign qualifications.
- Candidates in service (already employed) are typically required to submit a No Objection Certificate and a sanction letter from their employer.
- This checklist is for the registration stage; additional original documents are usually required again at the time of document verification during Centralised Admission Process (CAP) counselling.

- Requirements can be updated by the State Common Entrance Test Cell, Maharashtra — candidates should confirm the current list on the official portal, cetcell.mahacet.org, before starting registration.
