WWI Entrance Exam Syllabus 2026 for Creative Ability Test (CAT)

1. Creative Aptitude Section

This part is all about how you draw and think in pictures.

- **Drawing & Sketching:** Simple drawing, shapes, and how things look from far or near.
- **Design Ideas:** Colors, lines, and how to make things look nice together.
- **Creative Thinking:** Making new ideas that no one else think before.
- **Story Making:** Telling stories with pictures or short scenes.
- **Original Work:** Showing your own style, not copying others.
- **Observation:** Seeing small things and turning them into art.

2. General Awareness and Analytical Thinking

This part checks how much you know about art, media, and the world around.

- **Media Knowledge:** Movies, animation, design, and TV basics.
- **Current Trends:** What's new in art, culture, and entertainment.
- **Reasoning:** Solving small puzzles or logic questions.
- **Communication:** How you share ideas with words or visuals.
