General Fee Overview (Chandigarh Market)

Across Chandigarh, CAT coaching fees typically range from about **■20,000 to ■75,000**, depending on the institute's brand, batch size, delivery format (online vs. classroom vs. small-group), and course duration (crash courses of a few months vs. full 1-year programs). Most institutes offer day, evening, and weekend batches, and several run scholarship or talent-search tests that can reduce the final fee. The CAT exam's own registration fee (paid to IIM, not the coaching institute) is separate — approximately **■2,400** for general category candidates and **■1,200** for reserved categories.

Tips Before Enrolling

- Visit the centre in person and sit in on a demo class before paying.
- Ask for the complete fee breakdown in writing — check for hidden charges (study material, test series, GD/PI prep, etc.).
- Check faculty qualifications and whether mock tests / performance analytics are included.
- Compare batch size — smaller batches generally mean more personal attention.
- Confirm refund and rescheduling policies before signing up.
