TS EdCET 2027 Seat Matrix

The number of seats available for admission varies every year depending on the following factors:

- Government colleges
- University colleges
- Aided colleges
- Private colleges
- NCTE-approved intake
- Approval by the affiliating university

The detailed seat matrix is released before web option entry, allowing candidates to review seat availability across colleges and categories before submitting their preferences during counselling.

This document is a general reference summary. Candidates should verify the final list of participating colleges and the official seat matrix during the TS EdCET counselling process.
